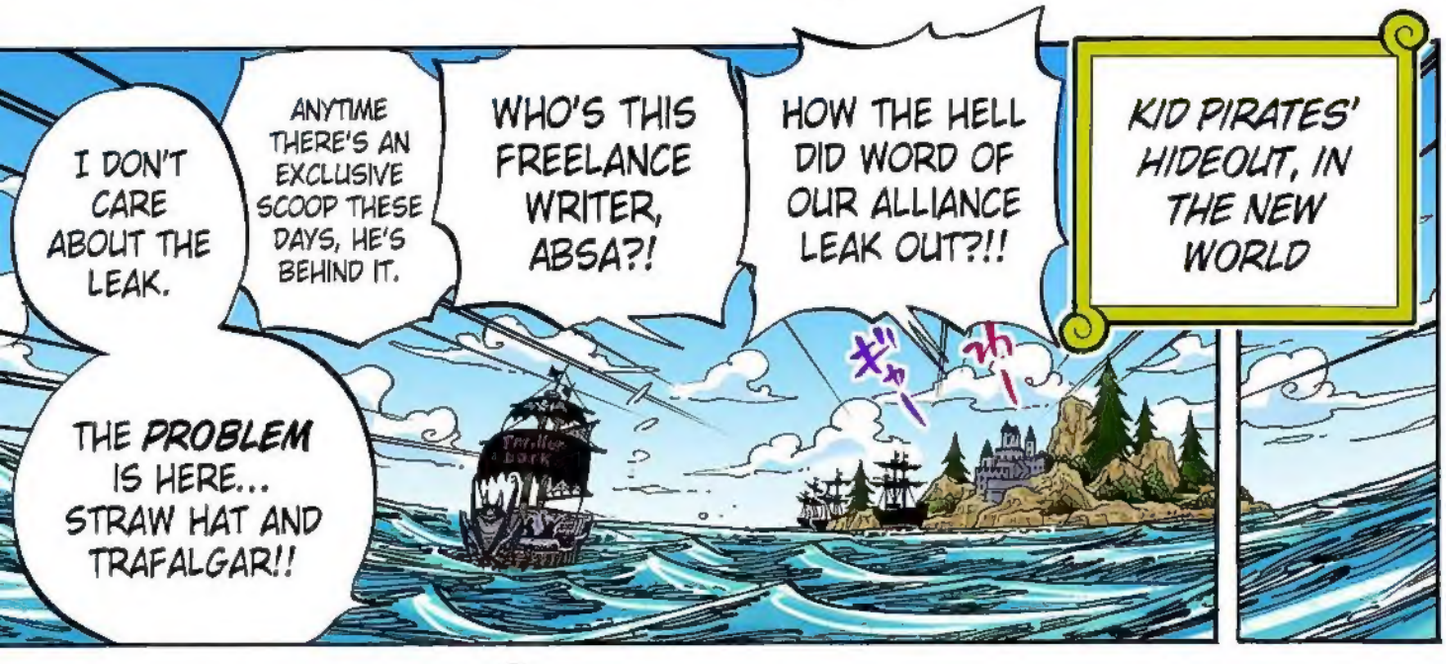
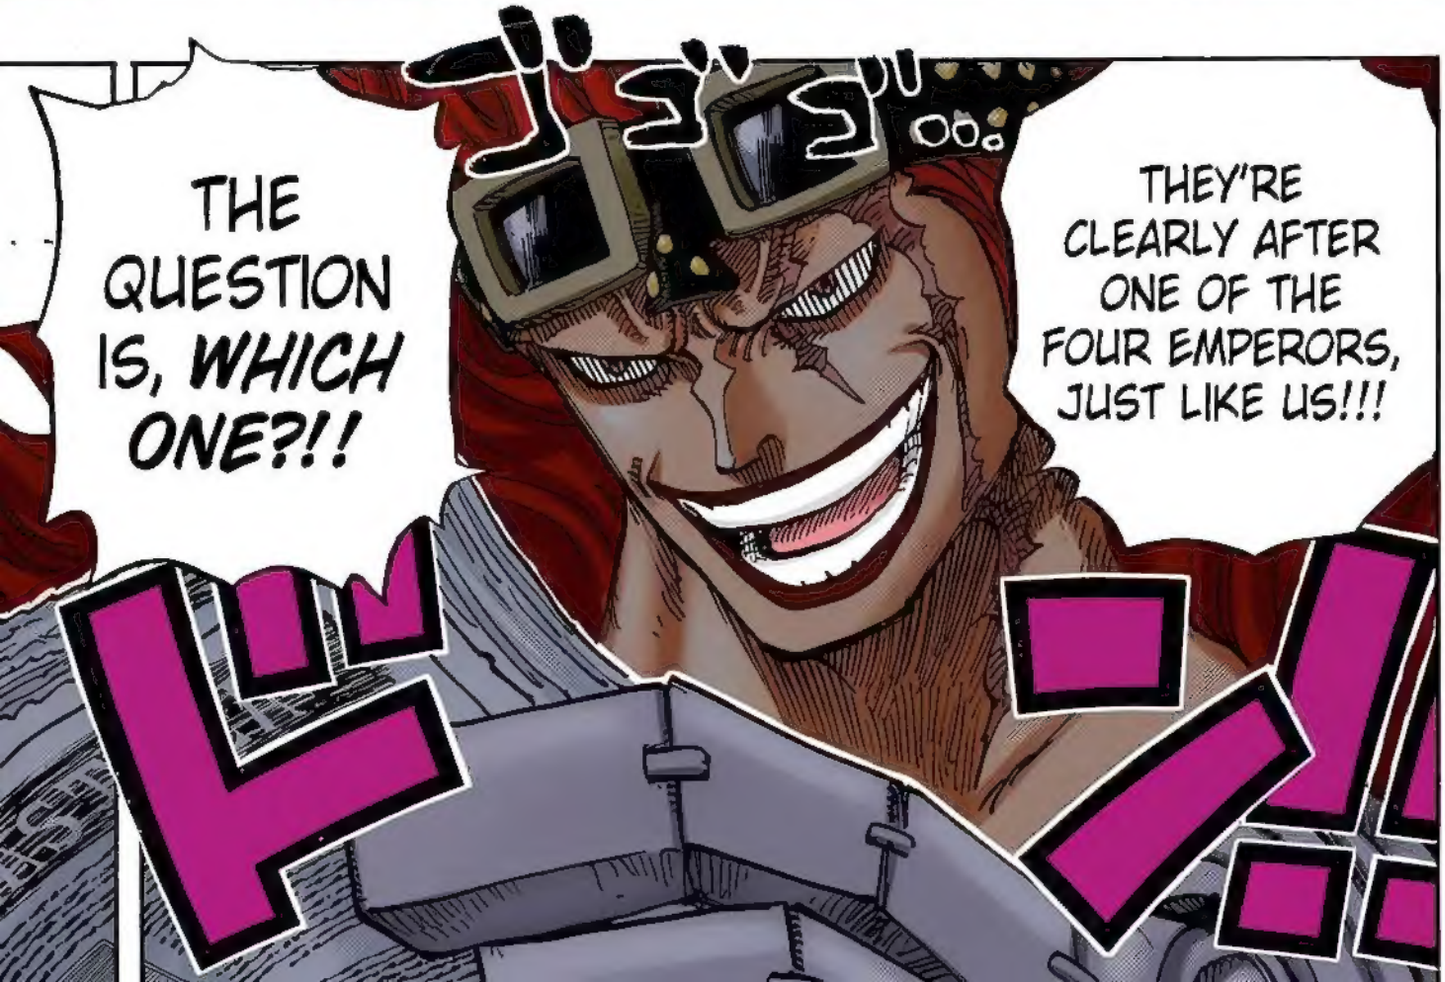
DOFLAMINGO LEFT THE SEVEN WARLORDS!!
YOU CAN'T TELL ME HE DOESN'T HAVE SOMETHING UP HIS SLEEVE!!



I DON'T CARE ABOUT THE LEAK.
ANYTIME THERE'S AN EXCLUSIVE SCOOP THESE DAYS, HE'S BEHIND IT.
WHO'S THIS FREELANCE WRITER, ABSA?!
HOW THE HELL DID WORD OF OUR ALLIANCE LEAK OUT?!!
KID PIRATES' HIDEOUT, IN THE NEW WORLD
THE PROBLEM IS HERE... STRAW HAT AND TRAFALGAR!!



THE QUESTION IS, WHICH ONE?!!
THEY'RE CLEARLY AFTER ONE OF THE FOUR EMPERORS, JUST LIKE US!!!

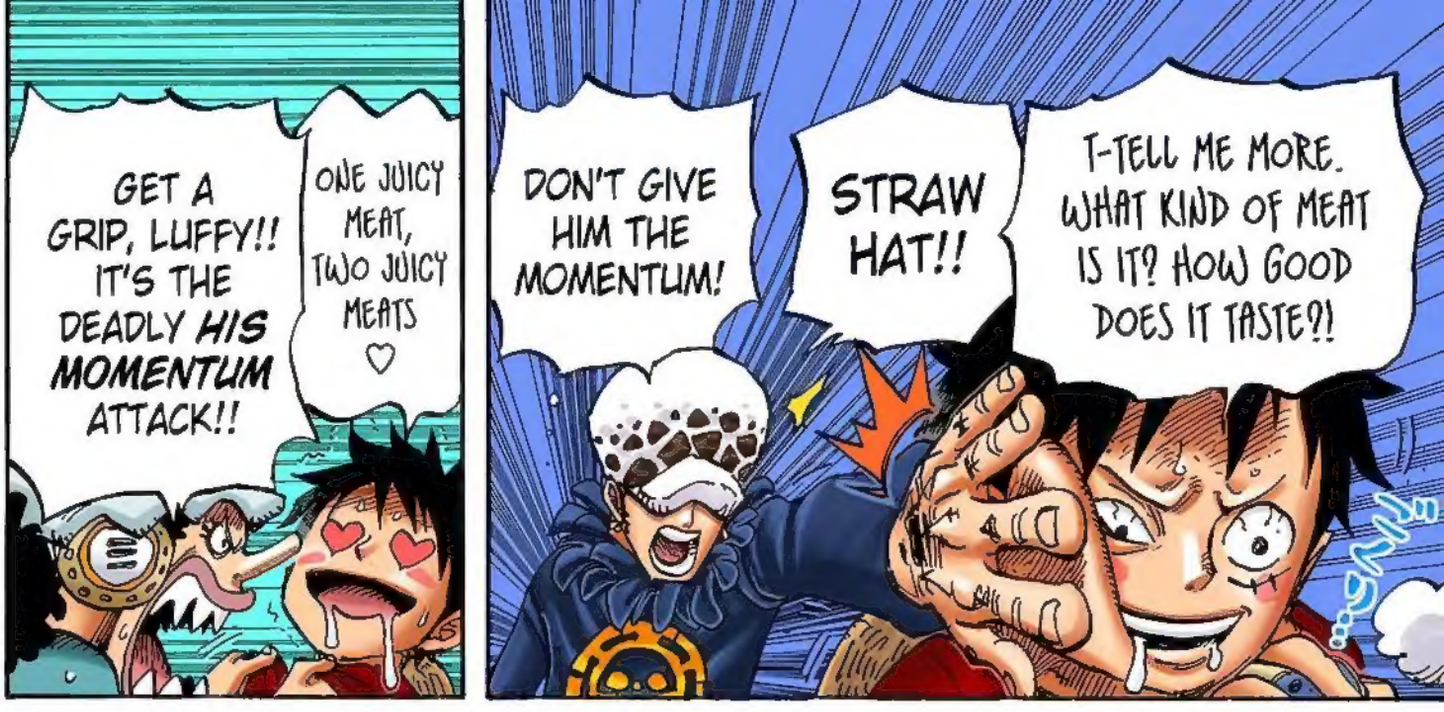
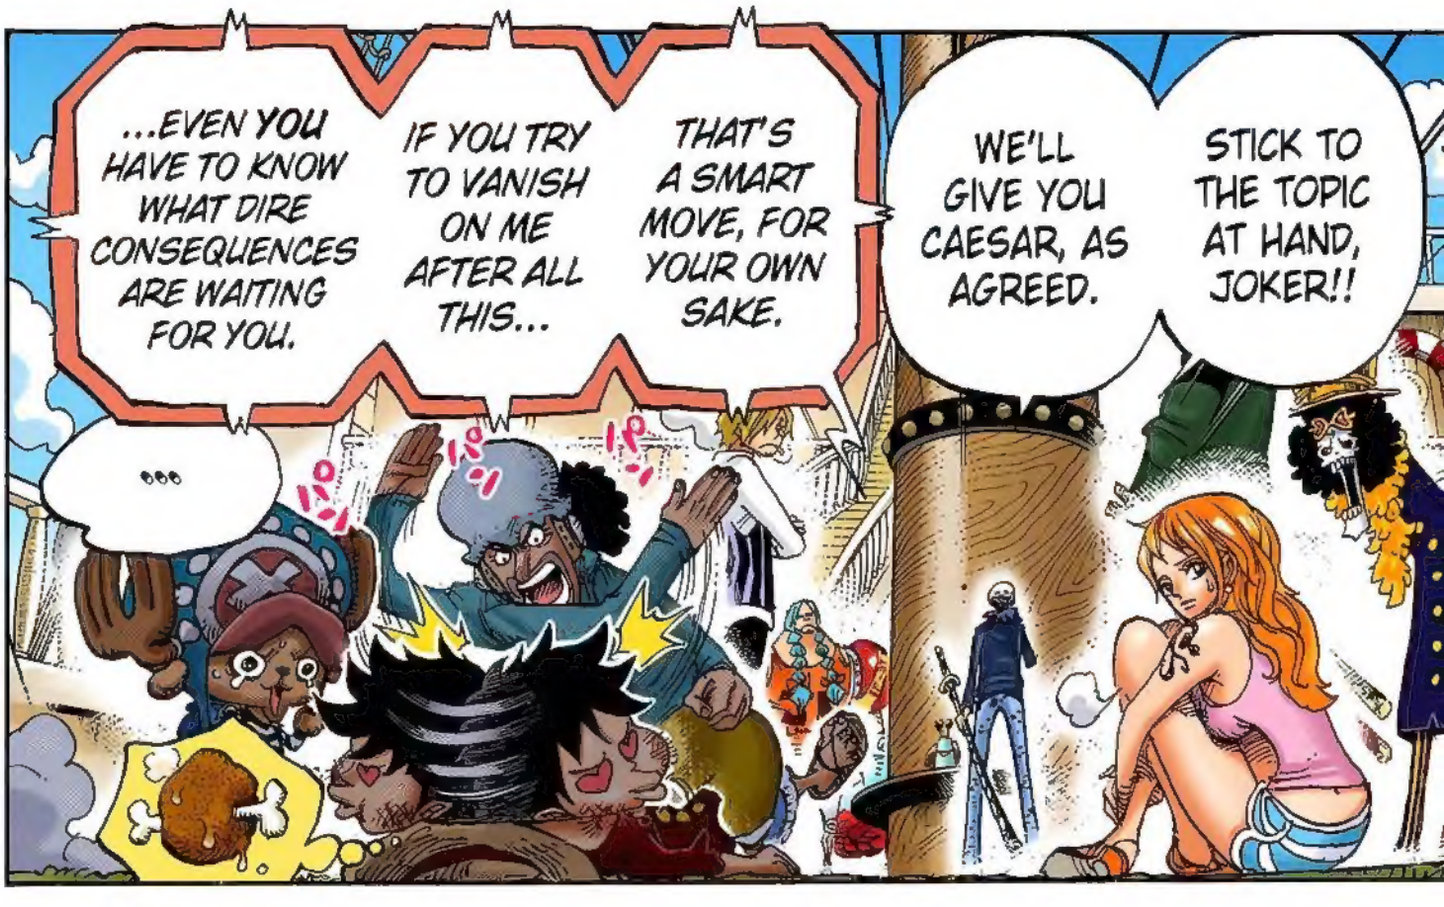
WE'RE GIVING CAESAR BACK, SINCE THAT WAS THE DEAL!!
BUT IF YOU EVER DO ANYTHING LIKE THAT AGAIN, I'M COMING AFTER YOU THIS TIME!!!
SO YOU'RE THE BOSS OF THIS DING-DONG CAESAR, WHO WAS DOING SUCH HORRIBLE THINGS TO BROWNBEARD AND THOSE KIDS, RIGHT?!!

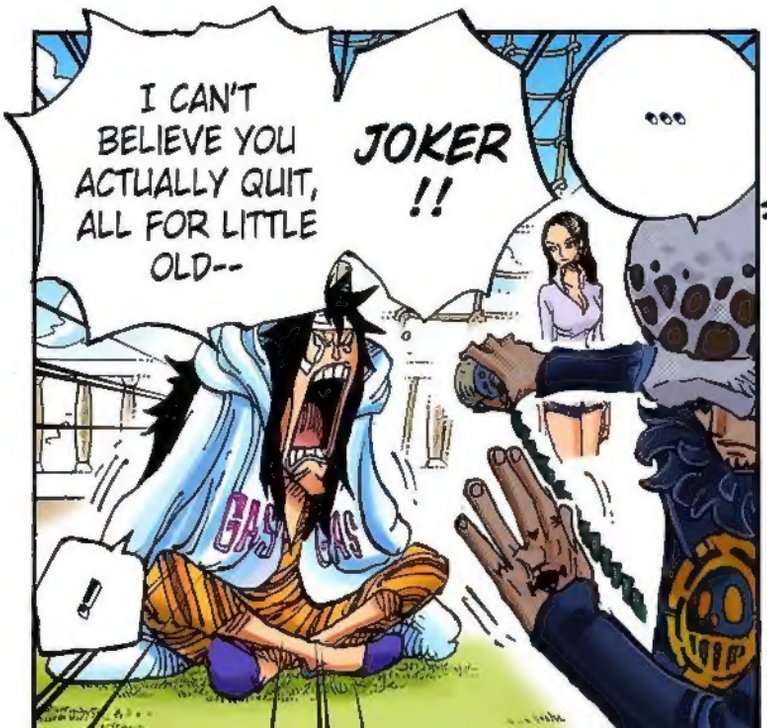
AS IT HAPPENS, I'VE GOT SOMETHING THAT I HIGHLY SUSPECT...
?
...YOU'LL BE DESPERATE TO GET YOUR HANDS ON.
HEE HEE HEE... I'VE BEEN EAGER TO MEET YOU.
THAT'S...A SECRET! I'M NOT SUPPOSED TO SAY!!
!?
STRAW HAT LUFFY! WHAT HAVE YOU BEEN UP TO THESE TWO YEARS...
...SINCE YOUR BROTHER'S TRAGIC DEATH?



GET A GRIP, LUFFY!! IT'S THE DEADLY HIS MOMENTUM ATTACK!!
ONE JUICY MEAT, TWO JUICY MEATS ♡
DON'T GIVE HIM THE MOMENTUM!
STRAW HAT!!
T-TELL ME MORE. WHAT KIND OF MEAT IS IT? HOW GOOD DOES IT TASTE?!
ゴクリ…



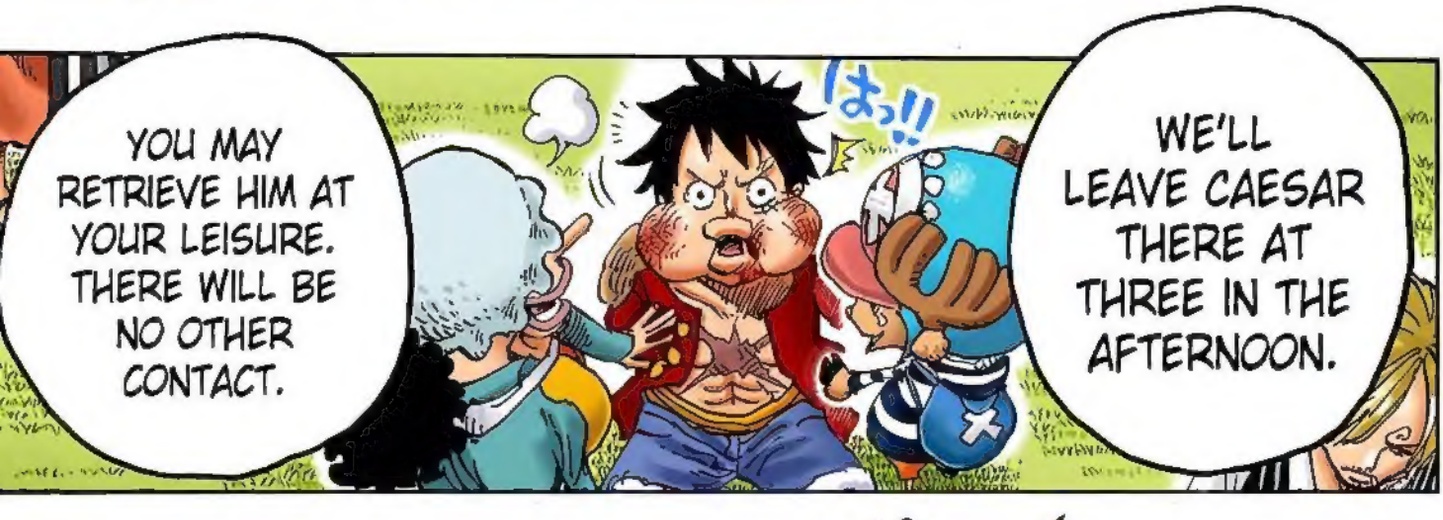
…EVEN YOU HAVE TO KNOW WHAT DIRE CONSEQUENCES ARE WAITING FOR YOU.
IF YOU TRY TO VANISH ON ME AFTER ALL THIS…
THAT'S A SMART MOVE, FOR YOUR OWN SAKE.
WE'LL GIVE YOU CAESAR, AS AGREED.
STICK TO THE TOPIC AT HAND, JOKER!!
…



I CAN'T BELIEVE YOU ACTUALLY QUIT, ALL FOR LITTLE OLD--
JOKER !!
…
GAS GAS
!

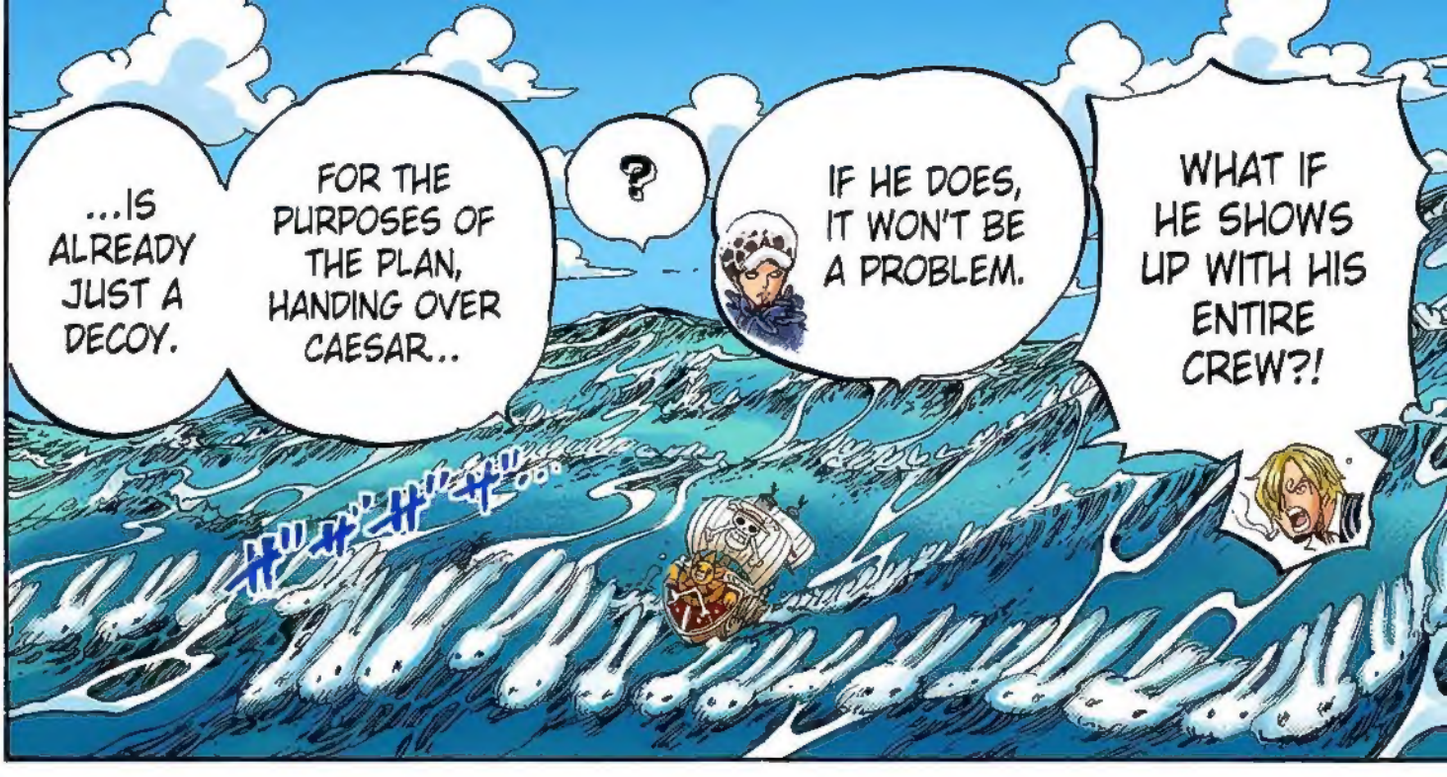
YOU SHOW ME THAT MY VALUABLE BUSINESS PARTNER IS UNHARMED.
HEE HEE HEE! FIRST STEP…

ドン!!
ON THE BEACH OF THE SOUTH-EASTERN SHORE!!
!
EIGHT HOURS FROM NOW! GREENBIT, THE LONE ISLAND NORTH OF DRESSROSA!

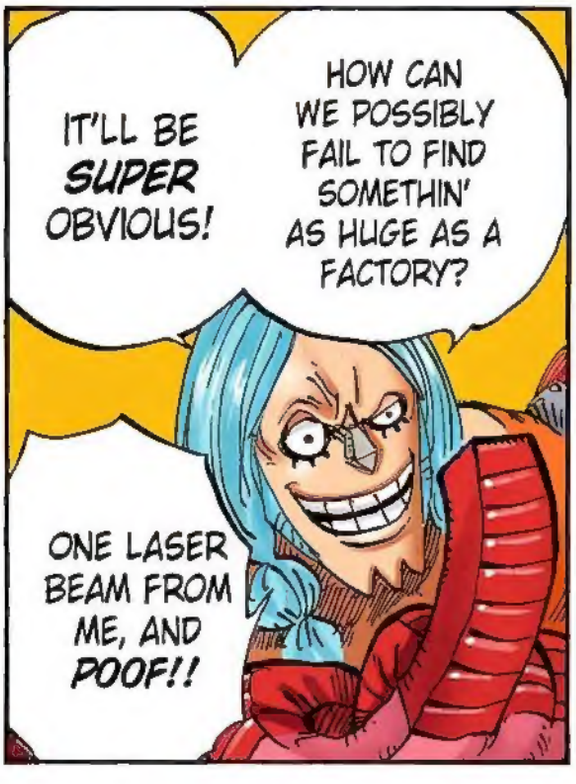


YOU MAY RETRIEVE HIM AT YOUR LEISURE. THERE WILL BE NO OTHER CONTACT.
はっ!!
WE'LL LEAVE CAESAR THERE AT THREE IN THE AFTERNOON.

YOUR EYES, LUFFY!!
PHEW, THAT WAS A CLOSE ONE! WE ALMOST FELL INTO HIS MOMENTUM TRAP AGAIN!!
WAIT, WE DIDN'T EVEN GET A CHANCE TO SPECIFY THE NUMBER OF PEOPLE HE COULD BRING!!
CLICK!!
HANG UP! DON'T LISTEN!!
ZZZZZ...
ブツ!!
...
HEE HEE HEE! WHAT A SHAME--I WAS HOPING TO SHARE A DRINK WITH YOU, NOW THAT YOU'RE ALL GROWN UP...



...IS ALREADY JUST A DECOY.
FOR THE PURPOSES OF THE PLAN, HANDING OVER CAESAR..
?
IF HE DOES, IT WON'T BE A PROBLEM.
WHAT IF HE SHOWS UP WITH HIS ENTIRE CREW?!
ザザザザ...



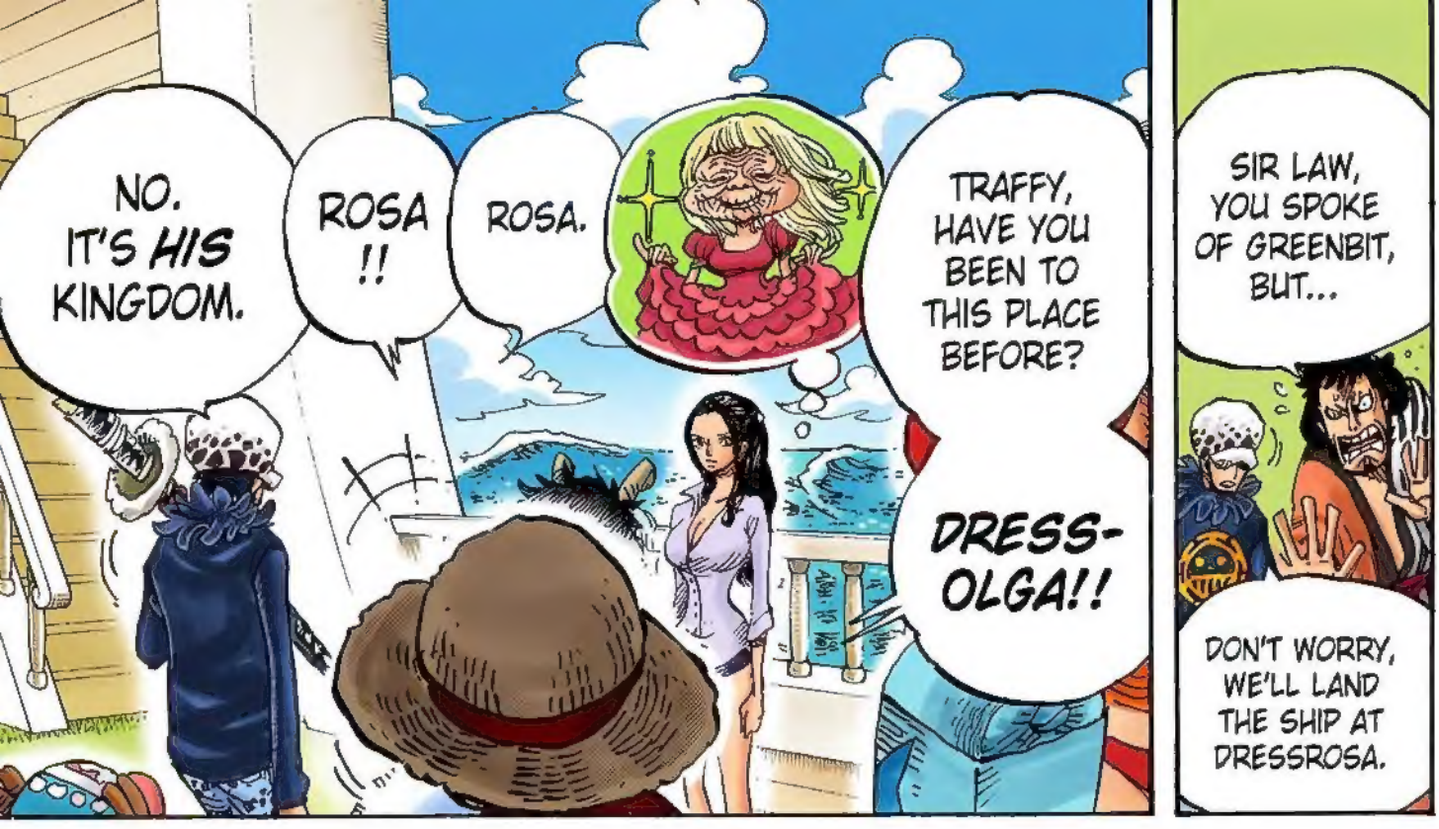
IT'LL BE SUPER OBVIOUS!
HOW CAN WE POSSIBLY FAIL TO FIND SOMETHIN' AS HUGE AS A FACTORY?
ONE LASER BEAM FROM ME, AND POOF!!

THE PROBLEM IS, WE DON'T KNOW WHERE IT IS.
RIGHT ...
JK
LMNOP

MEANING, THE IDEA IS TO DESTROY HIS SMILE FACTORY WHILE HE'S BUSY WITH CAESAR?

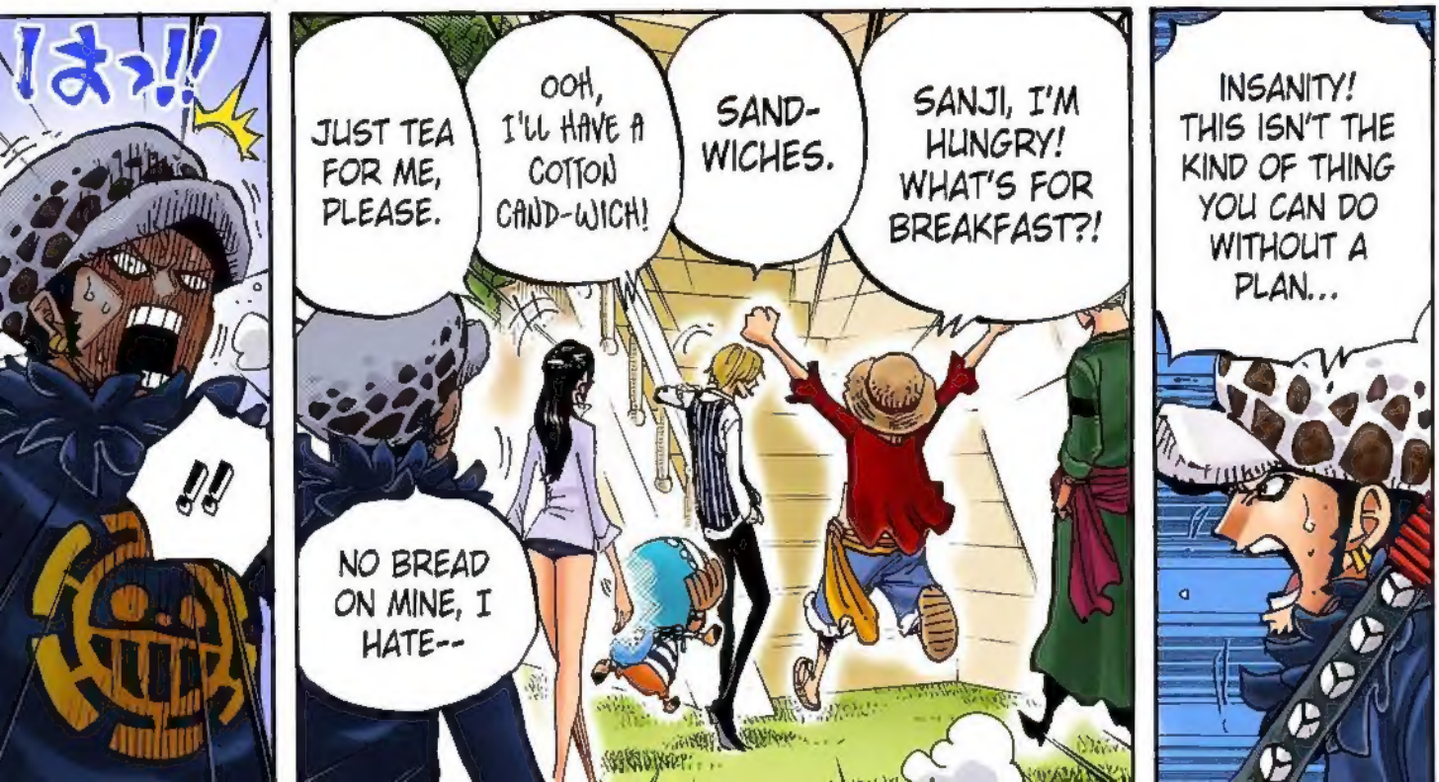
THERE MUST BE SOME SECRET BEHIND IT.
THE FACTORY'S CRUCIAL TO THEM, ISN'T IT?
FOR SOME REASON, THAT WAS THE ONLY PIECE OF INFORMATION I COULDN'T GLEAN.

ウォーっ!!
YEAH, BOSS!!



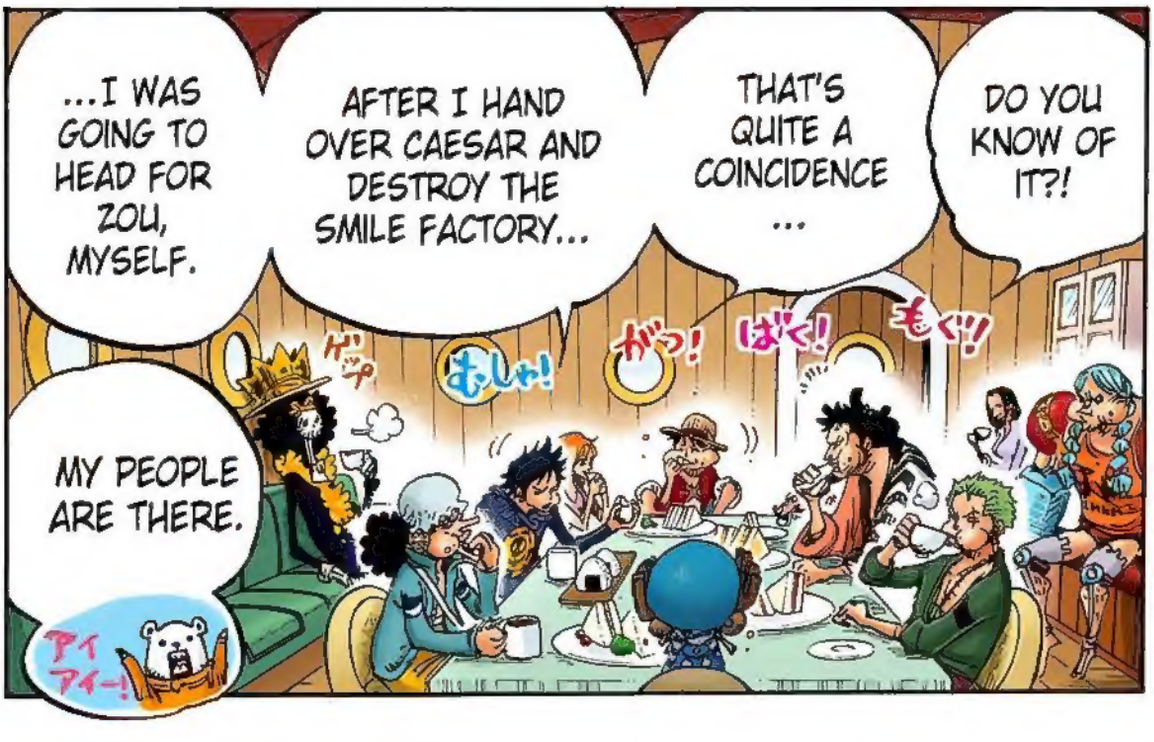
NO. IT'S HIS KINGDOM.
ROSA !!
ROSA.
TRAFFY, HAVE YOU BEEN TO THIS PLACE BEFORE?
DRESS-OLGA!!
SIR LAW, YOU SPOKE OF GREENBIT, BUT...
DON'T WORRY, WE'LL LAND THE SHIP AT DRESSROSA.

I CAN'T WAIT TO GET TO DRESSROSA!!
AND I WANNA SEE WANO SOON TOO!!
IN THAT CASE, WE CAN THINK IT OVER WHEN WE GET THERE!!
HEE HEE, I SMELL AN ADVENTURE!!



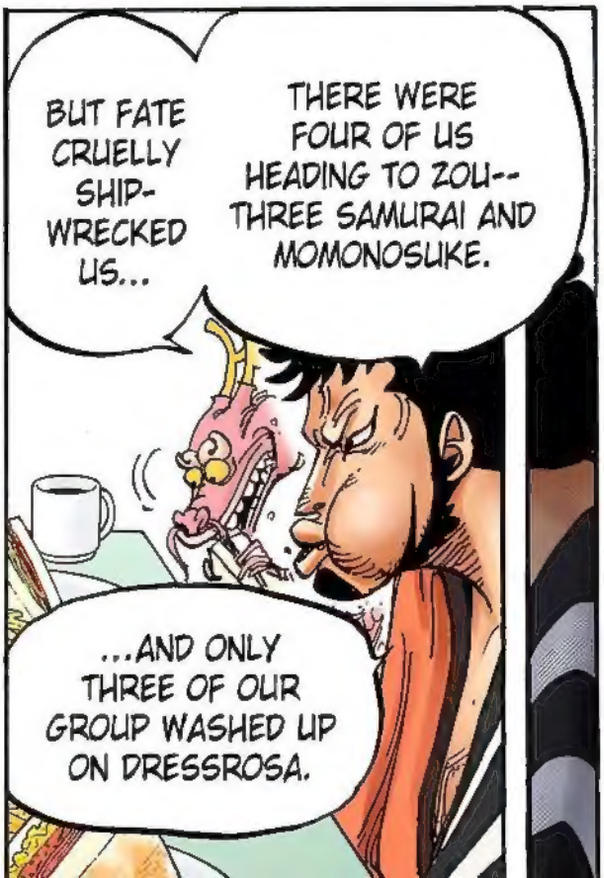
!!
JUST TEA FOR ME, PLEASE.
OOH, I'LL HAVE A COTTON CAND-WICH!
SAND-WICHES.
SANJI, I'M HUNGRY! WHAT'S FOR BREAKFAST?!
NO BREAD ON MINE, I HATE--
INSANITY! THIS ISN'T THE KIND OF THING YOU CAN DO WITHOUT A PLAN...

...I FIRST TOOK TO THE SEA TO REACH A PLACE CALLED ZOU.
I CANNOT REVEAL WHY I WAS BEING CHASED! BUT FOR THE RECORD...

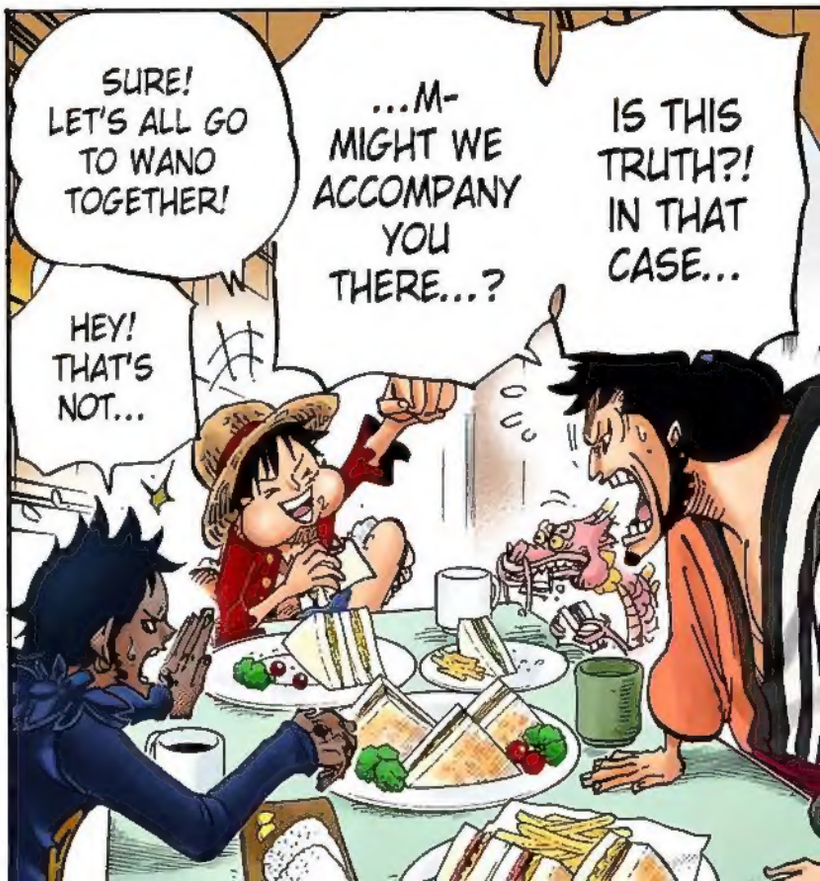


...I WAS GOING TO HEAD FOR ZOU, MYSELF.
AFTER I HAND OVER CAESAR AND DESTROY THE SMILE FACTORY...
THAT'S QUITE A COINCIDENCE ...
DO YOU KNOW OF IT?!
MY PEOPLE ARE THERE.
アイアイー!

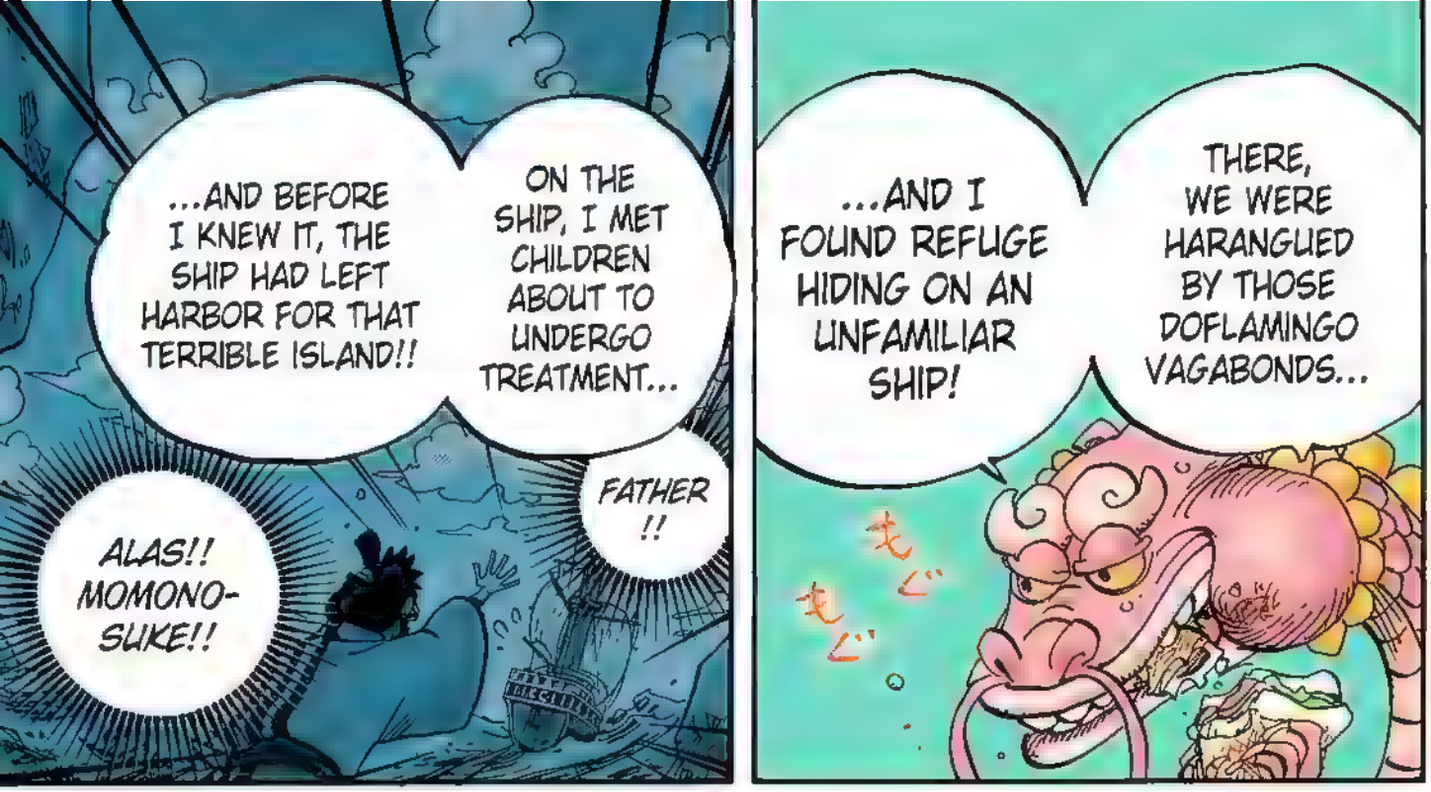
ZOU?!



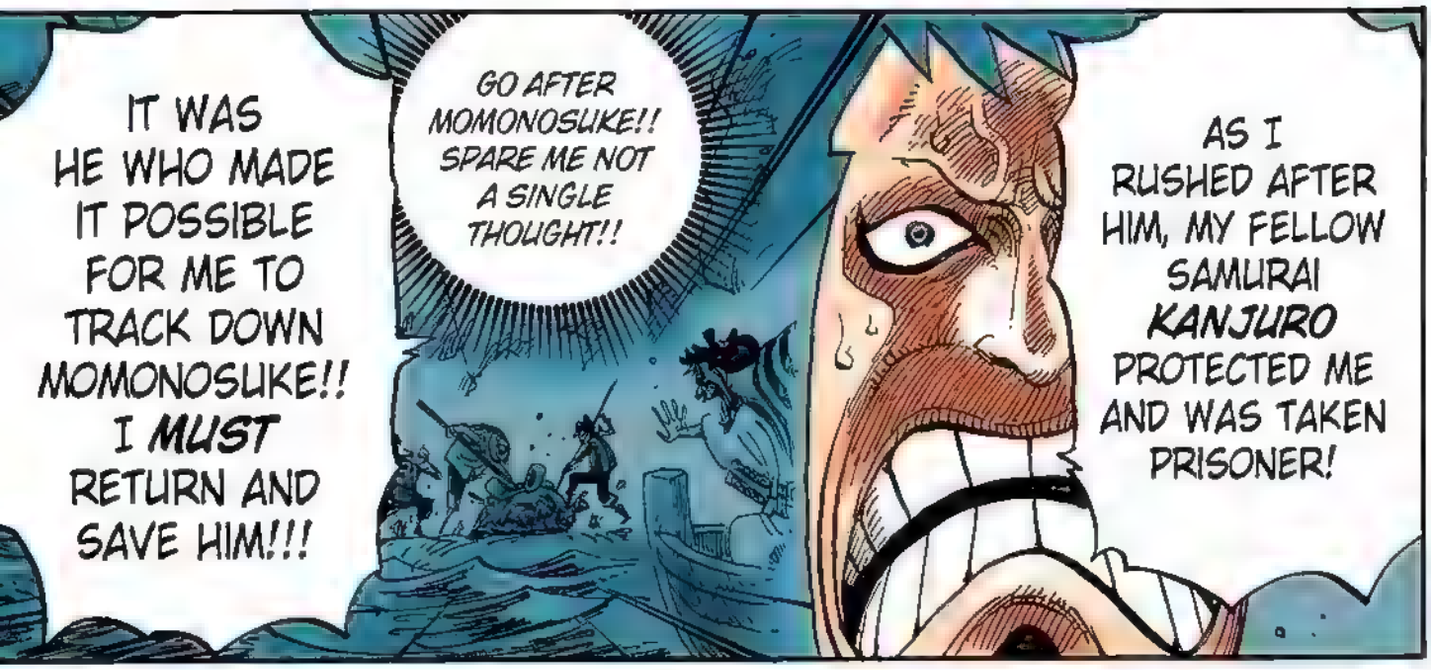
BUT FATE CRUELLY SHIP-WRECKED US...
THERE WERE FOUR OF US HEADING TO ZOU-- THREE SAMURAI AND MOMONOSUKE.
...AND ONLY THREE OF OUR GROUP WASHED UP ON DRESSROSA.



SURE! LET'S ALL GO TO WANO TOGETHER!
...M-MIGHT WE ACCOMPANY YOU THERE...?
IS THIS TRUTH?! IN THAT CASE...
HEY! THAT'S NOT...



...AND BEFORE I KNEW IT, THE SHIP HAD LEFT HARBOR FOR THAT TERRIBLE ISLAND!!
ON THE SHIP, I MET CHILDREN ABOUT TO UNDERGO TREATMENT...
FATHER !!
ALAS!! MOMONO-SUKE!!
...AND I FOUND REFUGE HIDING ON AN UNFAMILIAR SHIP!
THERE, WE WERE HARANGUED BY THOSE DOFLAMINGO VAGABONDS...



IT WAS HE WHO MADE IT POSSIBLE FOR ME TO TRACK DOWN MOMONOSUKE!! I MUST RETURN AND SAVE HIM!!!
GO AFTER MOMONOSUKE!! SPARE ME NOT A SINGLE THOUGHT!!
AS I RUSHED AFTER HIM, MY FELLOW SAMURAI KANJURO PROTECTED ME AND WAS TAKEN PRISONER!

HEY! DON'T LOSE SIGHT OF OUR ORIGINAL REASON FOR GOING THERE!
I'M IN!! LET'S RESCUE THIS GUY!!
BWAAAH!! THIS KANJURO'S A REAL MAN!!!
I MUST RETURN... I AM BOUND BY HONOR!!

NEAR THE RED LINE...

IN RETURN, THEY MUST PROVIDE TWO THINGS: OVERWHELMING STRENGTH AND GREAT INFAMY.
THEIR ASSOCIATION WITH THE GOVERNMENT IS MEANT TO SERVE AS A THREAT TO THE OTHER PIRATES OF THE WORLD!!
THEY ARE PIRATES CHOSEN BY THE WORLD GOVERNMENT AND GIVEN LICENSE TO PILLAGE WITHOUT RETRIBUTION BY THE AUTHORITIES!!

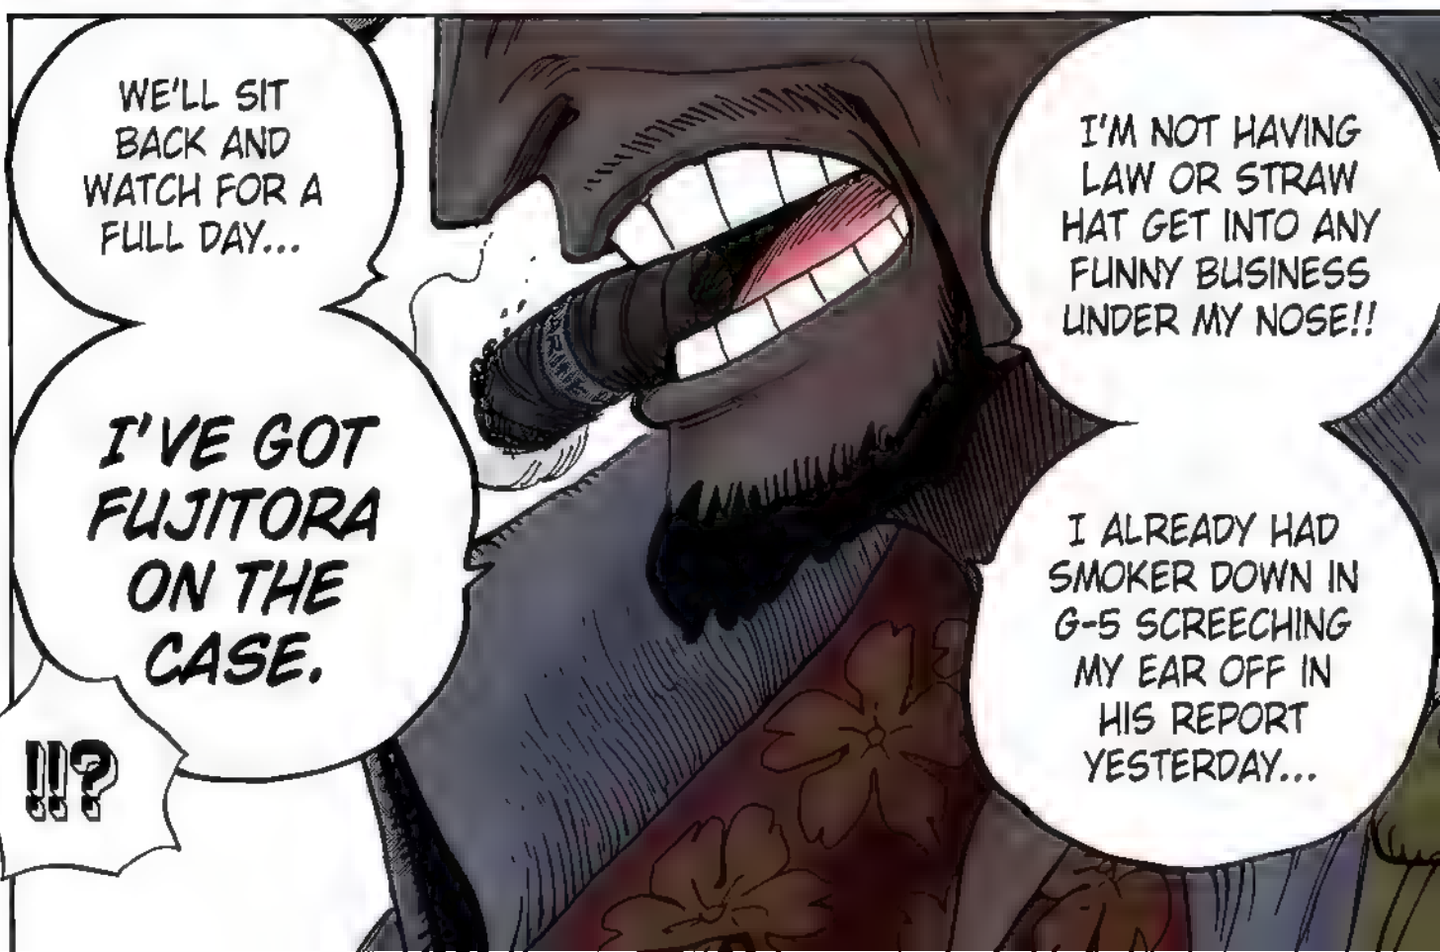
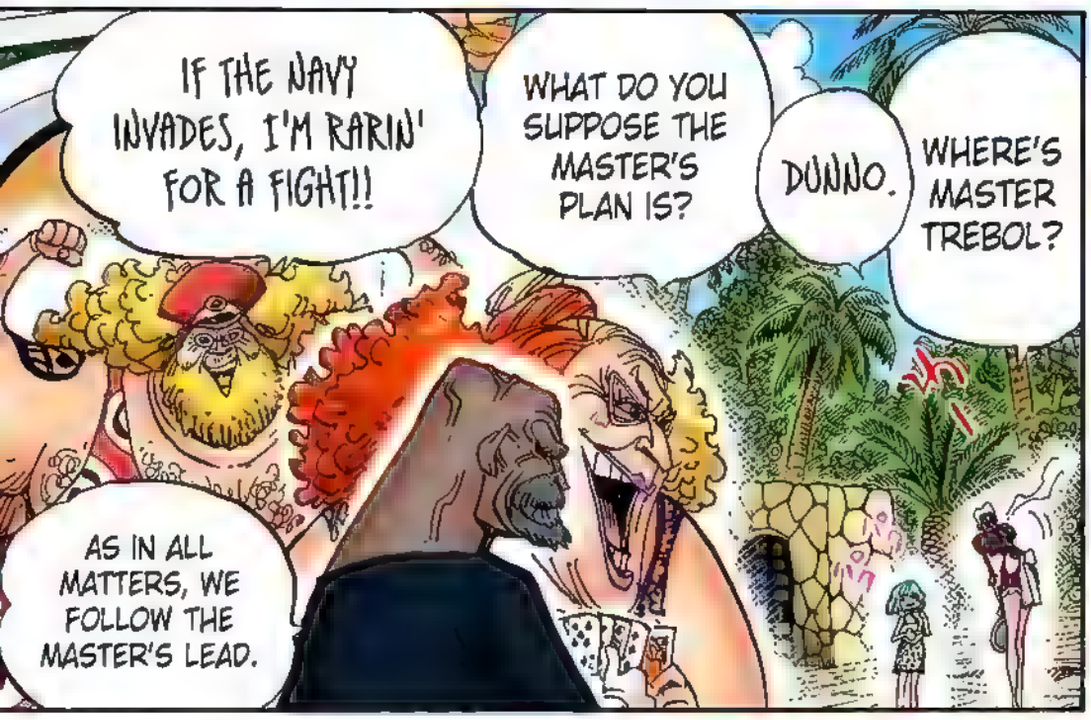
I KNOW, BRANNEW, I KNOW.
...IS TEETERING IN THE BALANCE AS WE SPEAK--
ONE OF THE THREE GREAT POWERS ALONGSIDE NAVAL HQ AND THE FOUR EMPERORS...
DEPENDING ON WHAT HE'S UP TO, LAW MIGHT ALSO HAVE HIS TITLE STRIPPED!



WE'LL SIT BACK AND WATCH FOR A FULL DAY...
I'M NOT HAVING LAW OR STRAW HAT GET INTO ANY FUNNY BUSINESS UNDER MY NOSE!!
I'VE GOT FUJITORA ON THE CASE.
I ALREADY HAD SMOKER DOWN IN G-5 SCREECHING MY EAR OFF IN HIS REPORT YESTERDAY...
!!?

PLEASE, YOU MUSTN'T QUIT!!
YOUR MAJESTY!!
DRESS-ROSA



IF THE NAVY INVADES, I'M RARIN' FOR A FIGHT!!
WHAT DO YOU SUPPOSE THE MASTER'S PLAN IS?
DUNNO.

MASTER TREBOL?!

BACK OFF! HOW MANY DOZENS OF TIMES HAVE YOU ASKED ME THAT?! YOU'RE SO PERSISTENT!!
HEY, HEY, BY THE WAY, I HEAR SOMEONE LOST ANOTHER FIANCÉ? BEH HEH HEH!

HEY, BABY 5! LOOK, LOOK, THE KINGDOM'S ALL IN A PANIC!
OH, THERE YOU ARE!!
HEY, I BET THE REST OF THE WORLD'S ABUZZ TOO!!

JUST SHUT UP ALREADY! THE MASTER'S CALLING YOU!!
I'M PERSISTENT... BUT YOU LOVE ME?! IS THAT WHAT YOU'RE--
PERSISTENT?! ...BUT? HEY? HEY?!

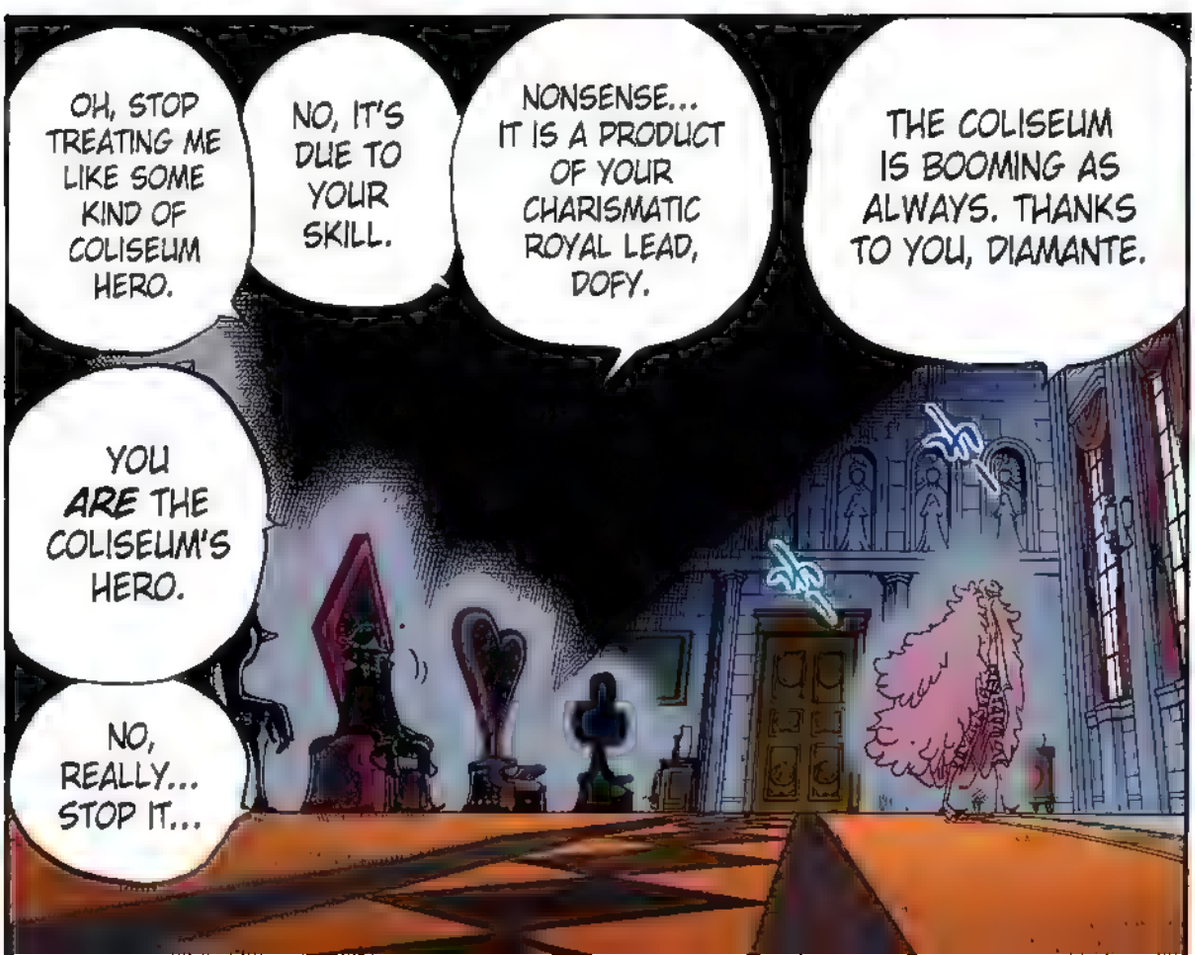
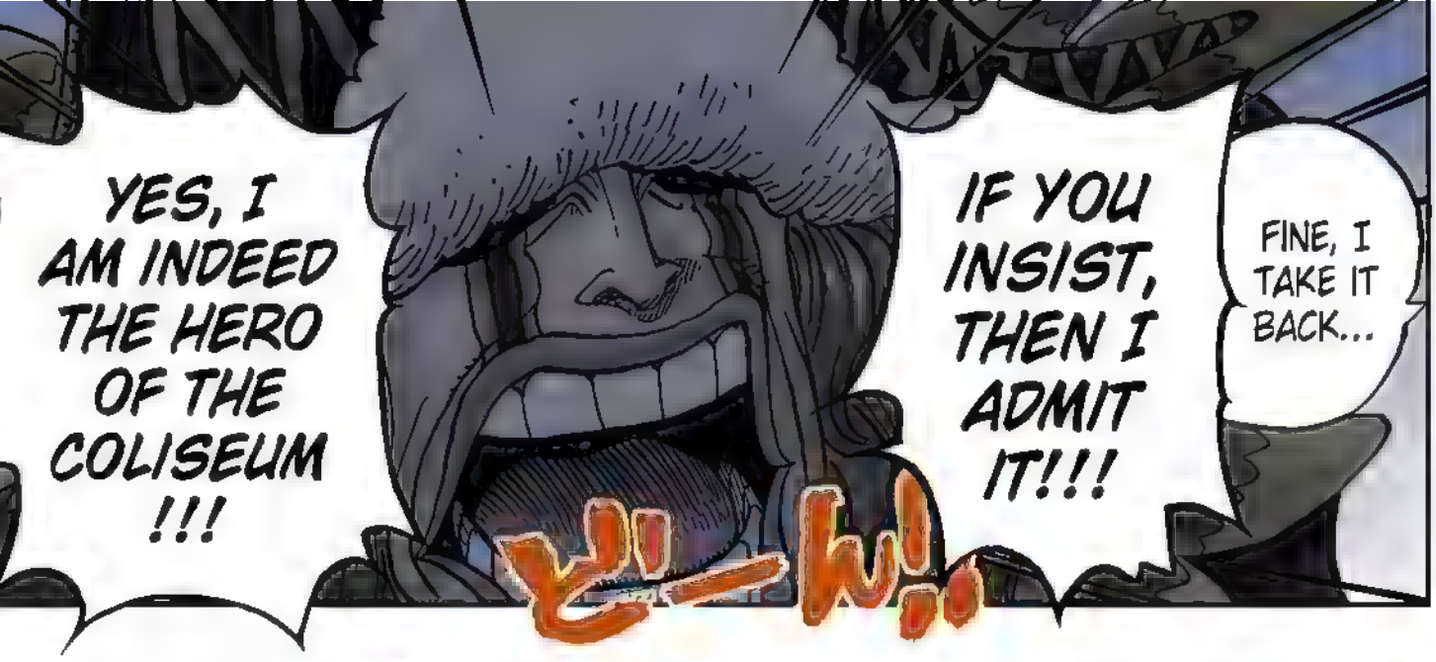
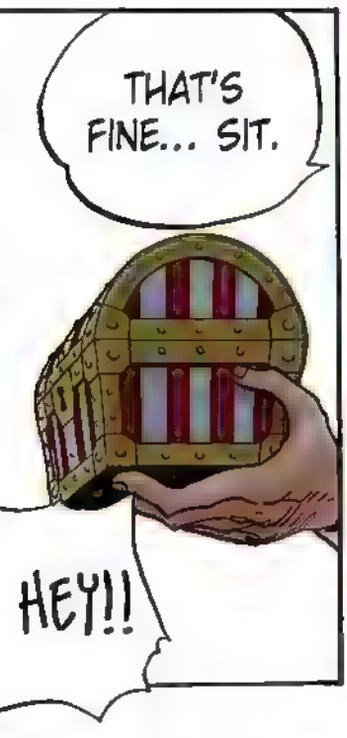
!
...AND MARRY ME INSTEAD?!



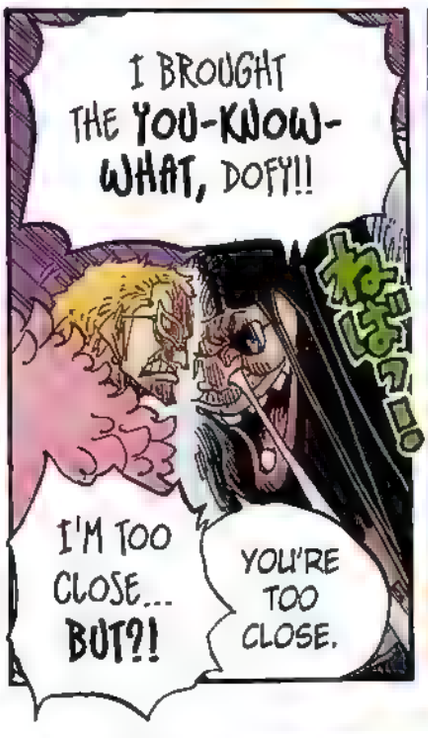
OH, STOP TREATING ME LIKE SOME KIND OF COLISEUM HERO.
NO, IT'S DUE TO YOUR SKILL.
NONSENSE... IT IS A PRODUCT OF YOUR CHARISMATIC ROYAL LEAD, DOFY.
THE COLISEUM IS BOOMING AS ALWAYS. THANKS TO YOU, DIAMANTE.
YOU ARE THE COLISEUM'S HERO.
NO, REALLY... STOP IT...



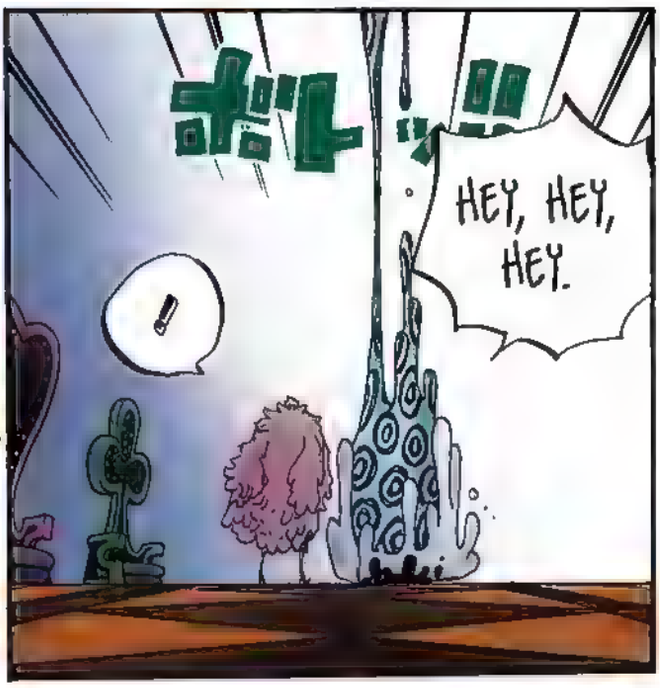
YES, I AM INDEED THE HERO OF THE COLISEUM !!!
IF YOU INSIST, THEN I ADMIT IT!!!
FINE, I TAKE IT BACK...
ピーヒ!!



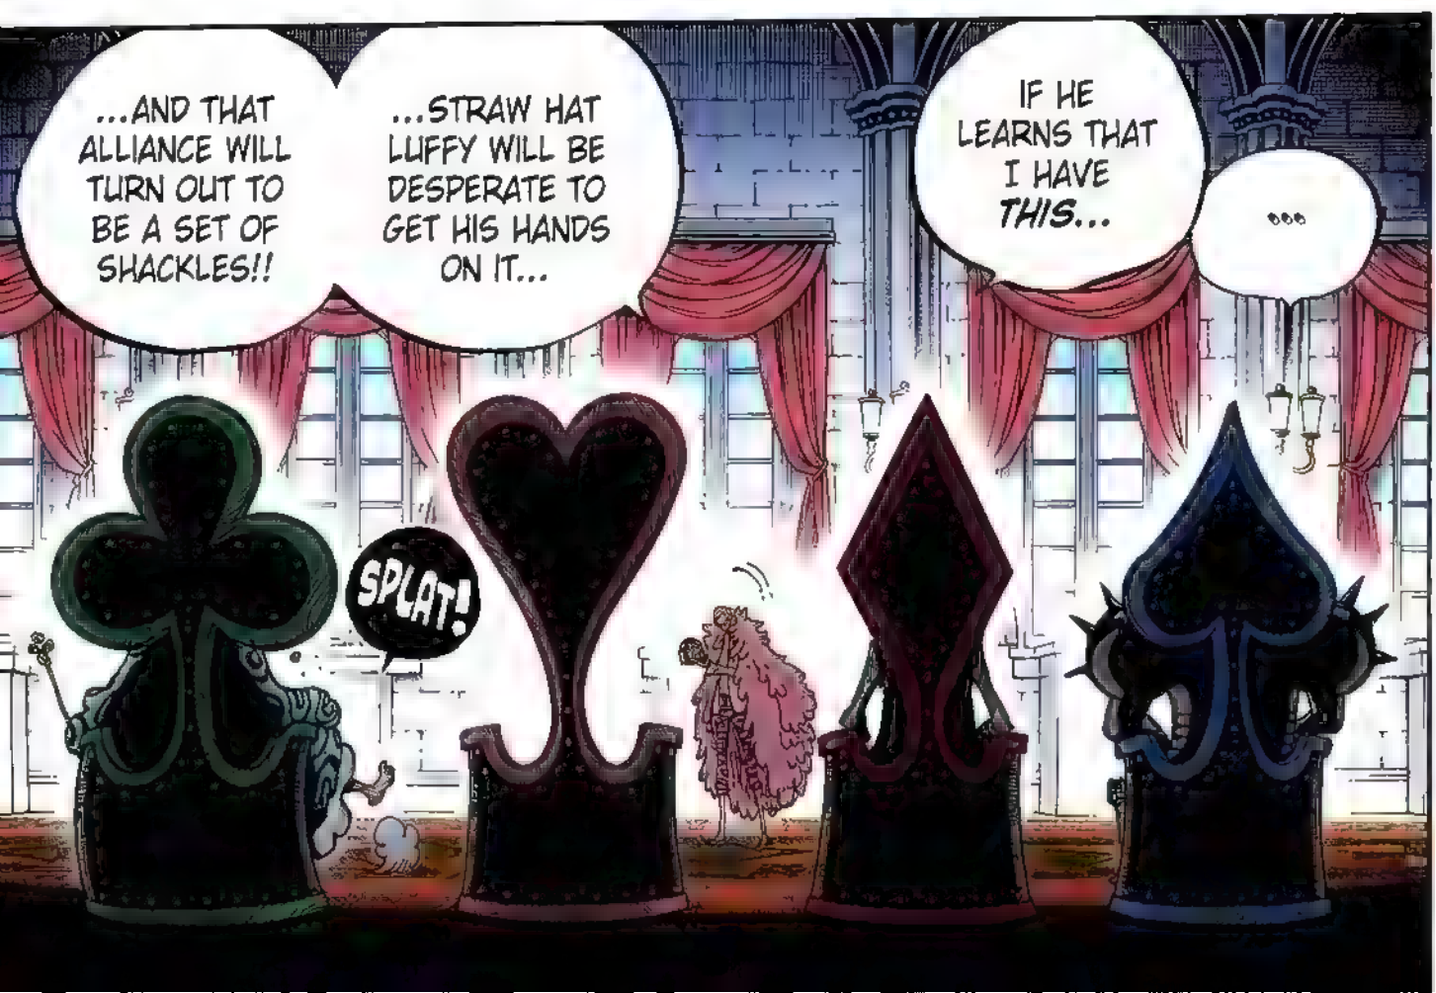
THAT'S FINE... SIT.
HEY!!



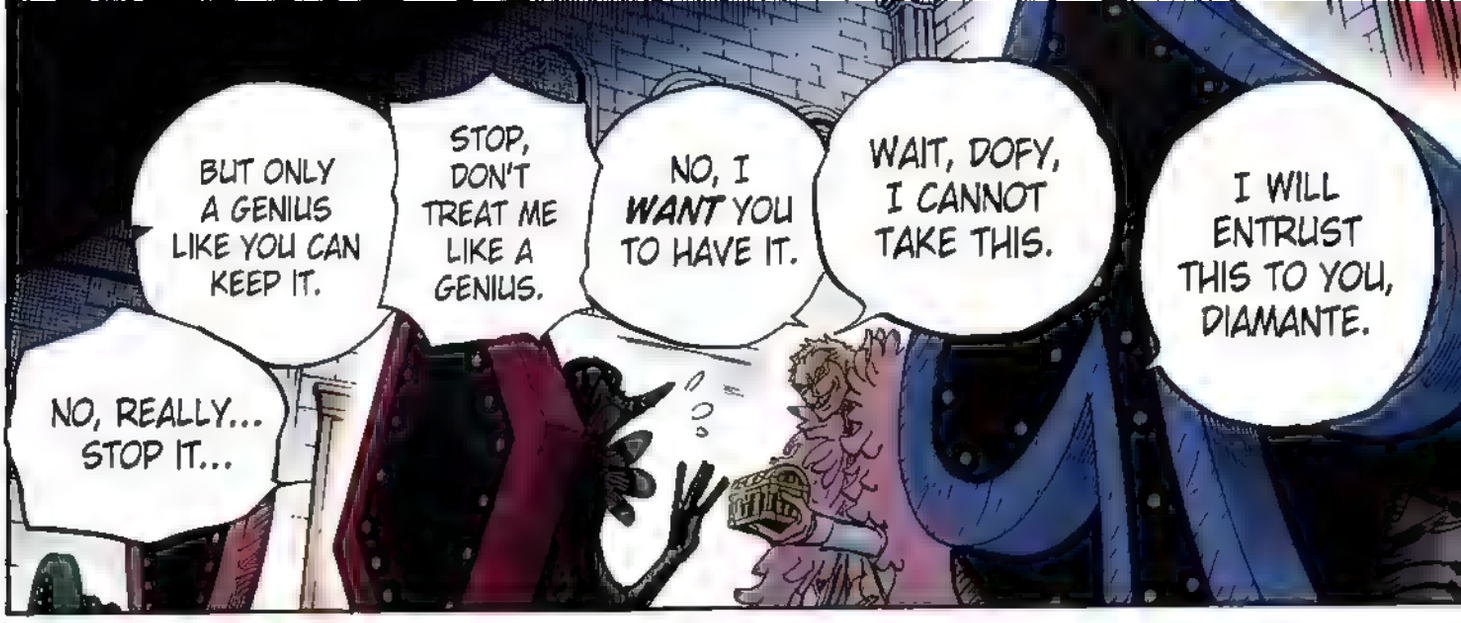
I BROUGHT THE YOU-KNOW-WHAT, DOFY!!
ねばっ!
I'M TOO CLOSE... BUT?!
YOU'RE TOO CLOSE.



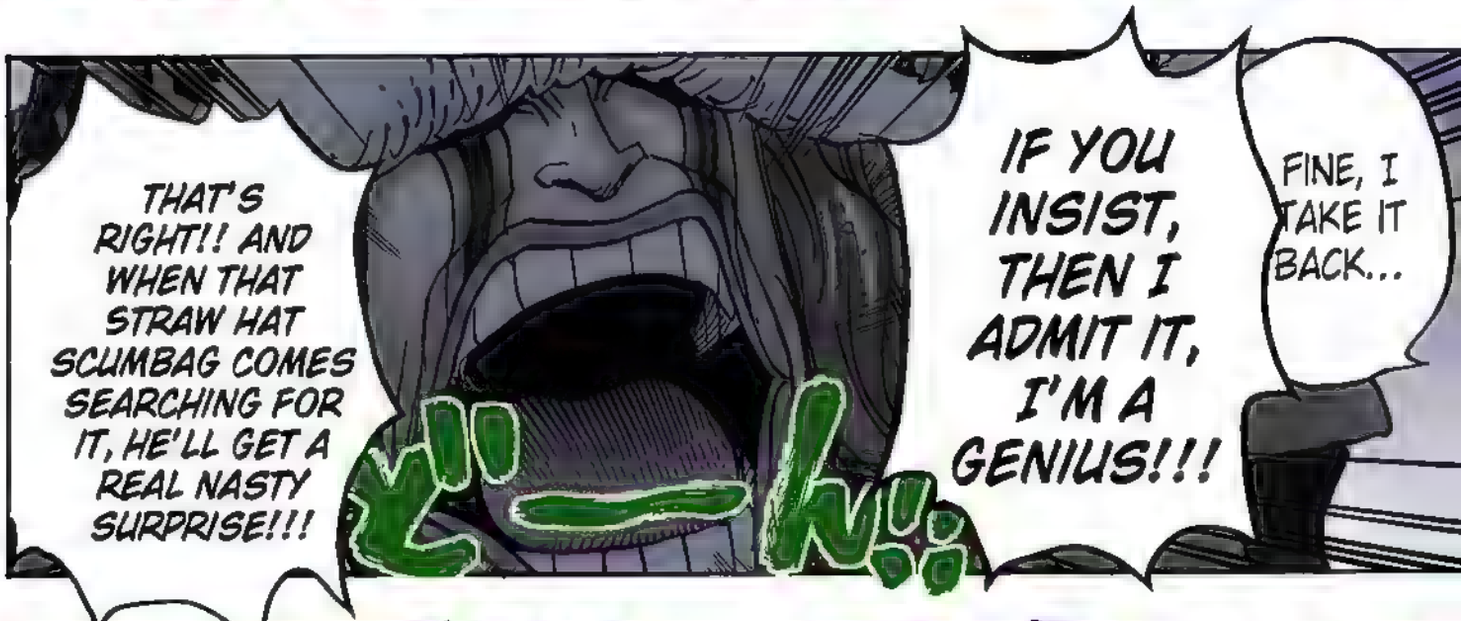
HEY, HEY, HEY.



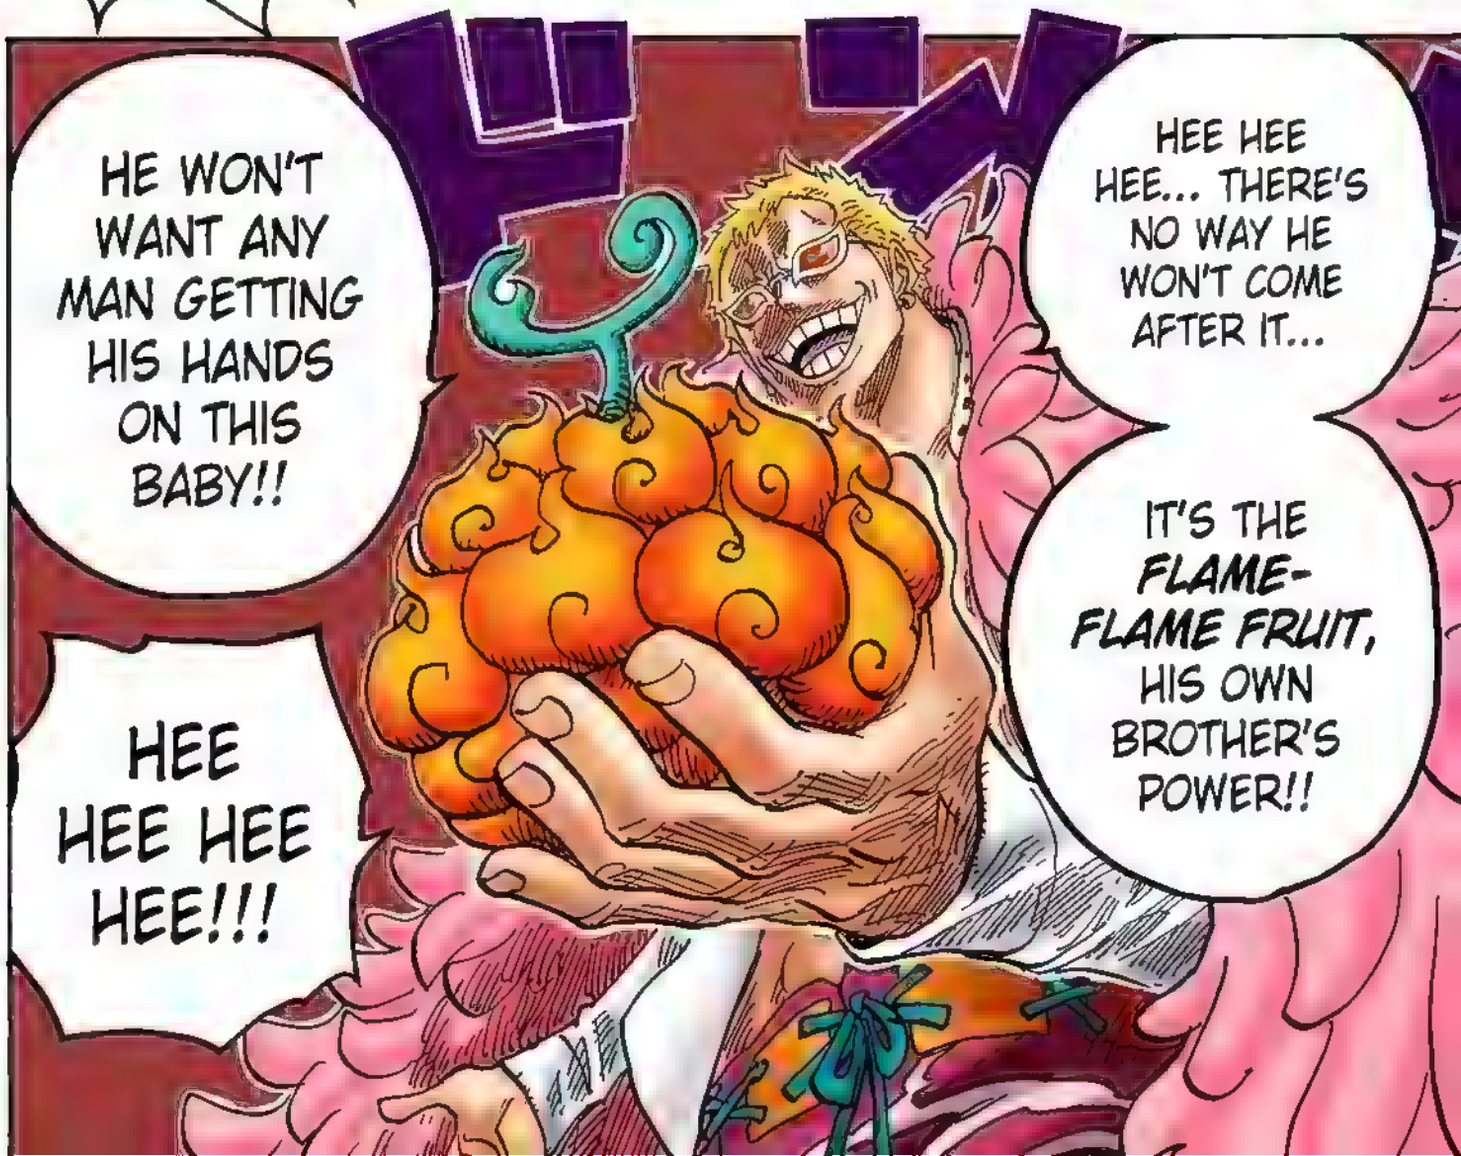
...AND THAT ALLIANCE WILL TURN OUT TO BE A SET OF SHACKLES!!
...STRAW HAT LUFFY WILL BE DESPERATE TO GET HIS HANDS ON IT...
IF HE LEARNS THAT I HAVE THIS...
...
SPLAT!



I WILL ENTRUST THIS TO YOU, DIAMANTE.
WAIT, DOFY, I CANNOT TAKE THIS.
NO, I *WANT* YOU TO HAVE IT.
STOP, DON'T TREAT ME LIKE A GENIUS.
BUT ONLY A GENIUS LIKE YOU CAN KEEP IT.
NO, REALLY... STOP IT...



FINE, I TAKE IT BACK...
IF YOU INSIST, THEN I ADMIT IT, I'M A GENIUS!!!
THAT'S RIGHT!! AND WHEN THAT STRAW HAT SCUMBAG COMES SEARCHING FOR IT, HE'LL GET A REAL NASTY SURPRISE!!!



HEE HEE HEE... THERE'S NO WAY HE WON'T COME AFTER IT...
IT'S THE *FLAME-FLAME FRUIT*, HIS OWN BROTHER'S POWER!!
HE WON'T WANT ANY MAN GETTING HIS HANDS ON THIS BABY!!
HEE HEE HEE HEE!!!

When a new product is selling like hotcakes, they'll say, "It's a huge hit!" "A mega-hit!" "Smash hit!" "Colossal hit!!" Which makes me wonder... ***Why can't we just call it a home run already?!***
Volume 71 is off with the *crack* of the bat!!

-Eiichiro Oda, 2013

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Oda(A): All right! Let's get ready, folks!
"Start!! The SBS!!"
Yahoo!

Question(Q): Take it back. That's Mr. SBS.
--Kimurin

A: Oh!! ミ S...sorry... Start the...Mr. SBS...

Q: Question. Question for Odacchi. When did Franky become such a pervert? (^▽^)
--Arabiki Sausage

A: Franky was perverted since his previous life.

Q: I found him, Odacchi!!!!! In fact, it was surprisingly easy. It's him, Kandre!! Volume 57, page 108, third panel, second from the left! That has to be him!! If I'm wrong, then you have to be crazy. I'm totally right, aren't I?!!
--Teaguechikei

A: That's right. Last volume I told everyone to find him if they had the time. Well, you found him!

Q: Hello! In the Volume 70 SBS, you mentioned the twin brothers Andre/Kandre. That was also famous singer Yosui Inoue's original stage name upon his debut over 40 years ago, right? He even had an afro at the time.
--Was Once a Guitar Lad

A: Yes, that's right. I took the rhyming name from the same place, but as a matter of fact, I had no idea that it was referring to him. I'd just heard the name on TV once years ago. It says that your age is 56, Guitar Lad, so I guess that would explain it, eh? By the way, I originally named Andre after the wrestler Andre the Giant, because I thought they looked alike. Basically, I just make up my names on the spot, ha ha.

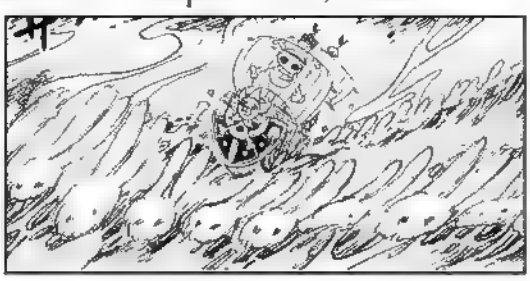
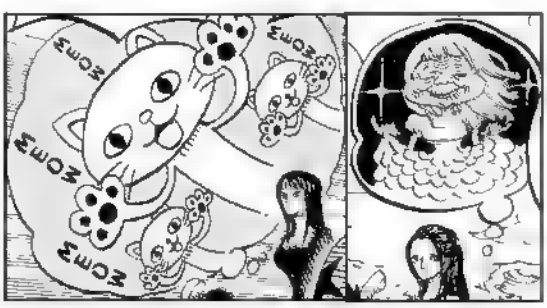
Q: In Chapter 700--oh! Good evening, Odacchi. In Chapter 700, when Luffy's crew is sailing to Dressrosa~~rosa~~olga, the waves of the sea look like rabbits, but what does Law like to eat aside from rice balls?



--Hasumomo

A: Ah, he likes, um...grilled fish! Next question.

Q: I'm curious about something. Robin likes to say scary things out loud. But in her imagination, she's usually thinking of fun, cute things like cats or old ladies in frilly dresses. Why doesn't Robin try to cheer everyone up with her fantasies? That's what I like about Robin.



--Y.O.

A: Ahh, I see. Yes, good point. Given that she scolded Franky for making weird faces in Chopper's body at Punk Hazard, Robin must really like cute faces. But she's a bit socially clumsy, and her attempts to paint a picture with words end up on the creepy side. She's just one of those ladies.

Q: So, who in the Straw Hat Crew can use Haki? I'm so curious, I can't even cause any love hurricanes.

--Kakuharu

A: It's these three. Inside the parentheses are the types they specialize in.

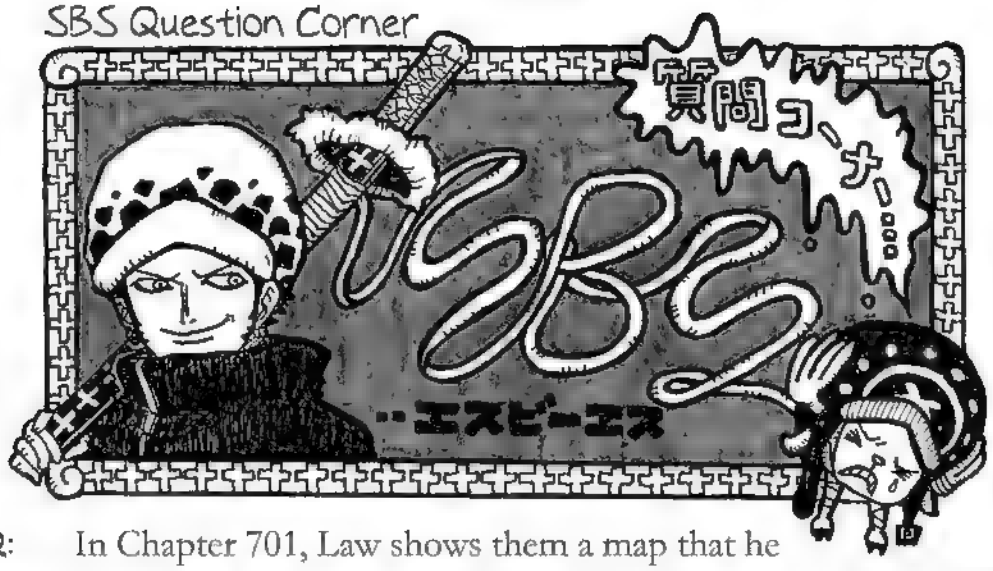
SBS Question Corner



(Lily, Kanagawa)

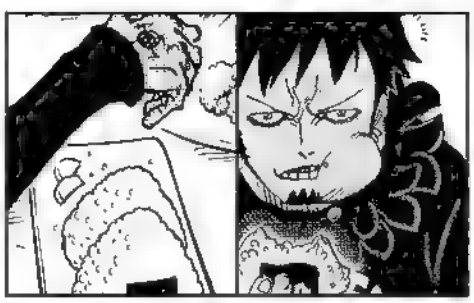
Q: In Chapter 701, Law shows them a map that he claims his crew prepared for him! Could that be referring to Bepo?!! I mean, that does look like a paw print in the corner, doesn't it?

--T. Takaaki

A: Yes, it does. And of course, Bepo is the navigator of the Heart Pirates. He drew the map.

Q: Odacchi! In Volume 70, Chapter 700, Sanji made three rice balls for Law, who hates bread. What was inside each of them?

--Natsuki



A: Well, the first one was tuna and mayonnaise. The next one was okaka (dried and ground bonito fish with soy sauce), and the last was a super-sour dried plum! By the way, Law also hates sour plums. He had a fight with Sanji a few minutes after that scene.

Q: What's the name of Law's sword? How many tattoos does Law have?! Can you draw all of his tattoos for us, Odacchi?!!! (≧ ▫ ≦)

A: Sure thing. These are from my original sketch notebook. ➡ There's definitely a heart motif going on there. Wonder what's up with that? His katana's name is Kikoku, meaning "demon wail." No special category for it. It's a cursed blade.

Q: Could you make shaved ice out of Aokiji?

--Dumb Dog

A: Yes, you certainly could. He's ice, after all. But would you really want to eat him? He'd turn back into Aokiji in your tummy, and BOOM! You're possessed.

Q: Our dad loves Whitebeard. Every night, he comes home drunk, and Mom scolds him. He always says, "I'll decide when I've had enough, gurarara!" But then the next morning, he grovels on the ground before her. How can our dad be cool again?

--Piro&Akke

A: Hmm. Well, he's cool partway through your story, but he's not in the morning. Here's an idea. How about if your mom becomes Whitebeard too, and forgives him by saying, "You may be a fool, but I still love you." Would that work?

Q: My cat is really cute; he loves to hop up on your lap out of nowhere. My father (59) likes to lay his head on my mother's lap to get his ears cleaned, but she hates that. What is it about men and lap-pillows?

--Neko Robin

A: It's bumming me out to see so many pathetic dad letters. My theory is that the lap-pillow is a kind of dream, a source of passion. It's like when a climber sees a new mountain to climb. In fact, that's not a theory, it's real!!

BUT... WHAT WAS HIS NAME...?
THE GLADIATOR IN THE SKULL CAPE.

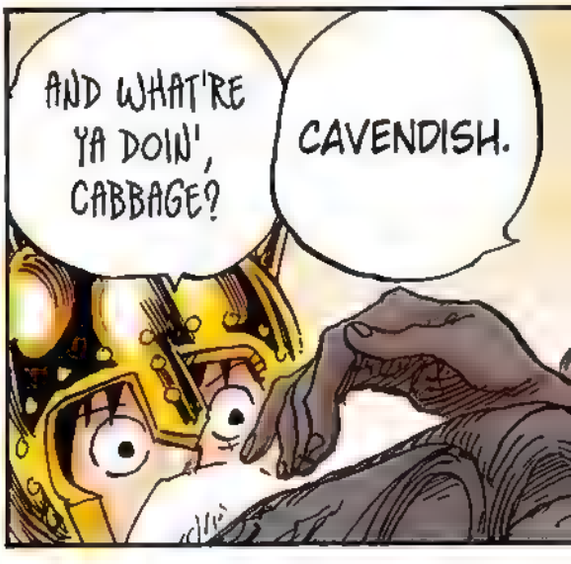
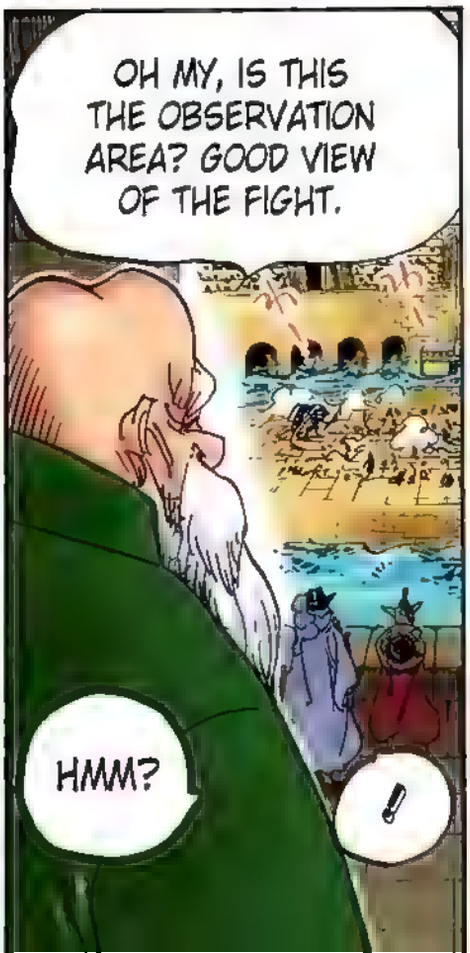
HEY, WHAT'S YOUR NAME AGAIN?
JUST ANOTHER ONE OF THE INSOLENT NEWCOMERS...
...MAN-EATER BARTOLOMEO.
COMPETITOR VIEWING SECTION
IT'S HIS TENDENCY TO CONSUME OTHERS WITH RAGE THAT EARNED HIM THE NICKNAME...

WHY DON'T YOU JUST... FORGIVE THEM AND GET OVER IT?
NOT GOING TO HAPPEN. THEY DESERVE TO DIE.
I NEED NEW ONES! MINE ARE ALMOST ILLEGIBLE FROM THE KNIFE MARKS.
CHECKING OUT THE BOUNTY POSTERS OF THE WORST GENERATION.



AND WHAT'RE YA DOIN', CABBAGE?
CAVENDISH.



OH MY, IS THIS THE OBSERVATION AREA? GOOD VIEW OF THE FIGHT.
HMM?

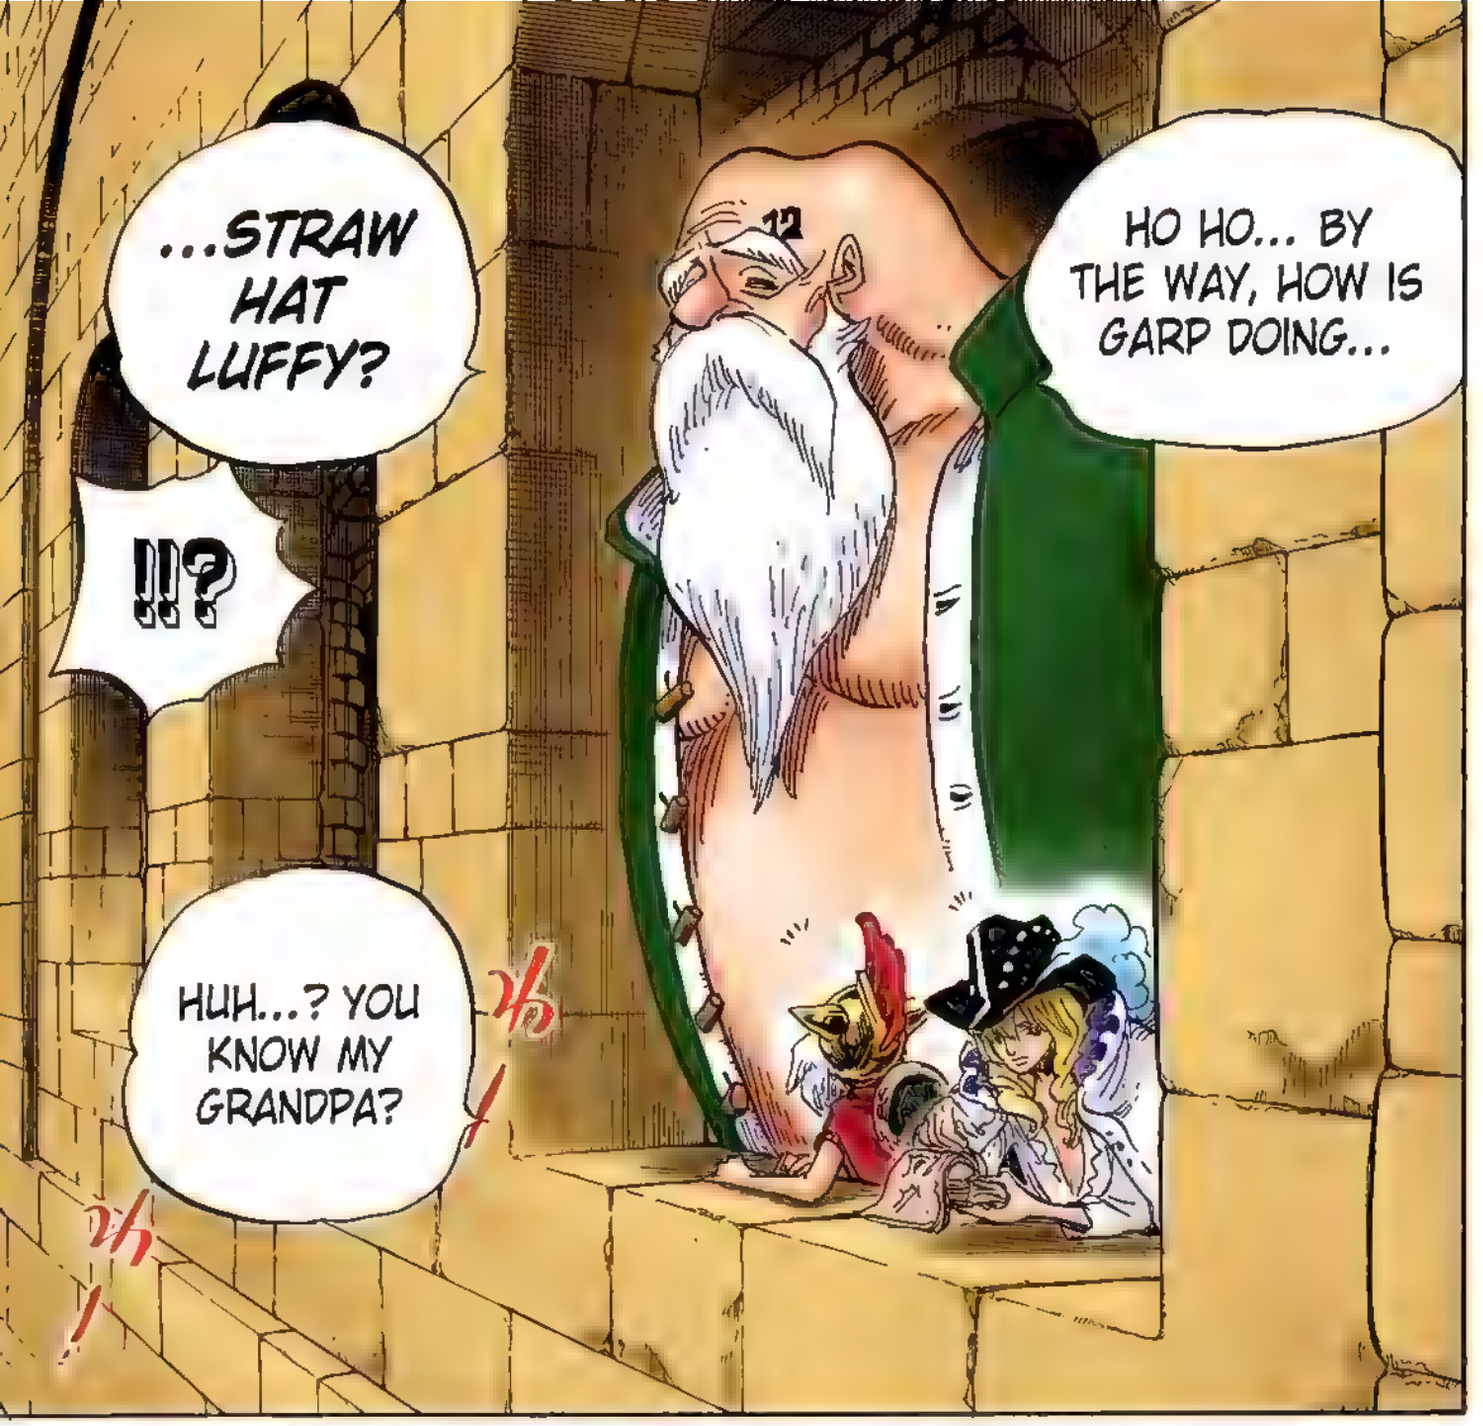
BUT AS YOU SAW WITH BURGESS, IT'S POSSIBLE TO HIDE YOUR FACE HERE.
I GUESS IT WOULD BE FASTER TO JUST WAIT FOR THEM TO WIN...

...I'D COUNTED ON AT LEAST ONE OF THEM SHOWING UP TO COMPETE...
GIVEN THE PRIZE IN THIS TOURNEY...



...STRAW HAT LUFFY?
!!?
HUH...? YOU KNOW MY GRANDPA?
HO HO... BY THE WAY, HOW IS GARP DOING...

HUH ?!!

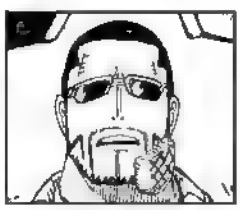
(Haru, Nagano)

Q: Odacchi, did you eat some toilet paper this morning?

--Haribo Monet

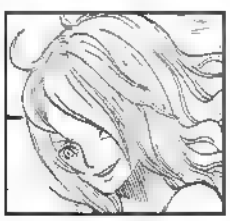


A: Ack!? There's leftover toilet paper stuck on the side of my mouth!? Excuse me.

Q: I've thought of some birthdays for Caesar and Monet!

Caesar: April 9th Monet: August 27th How's that? Is that okay?

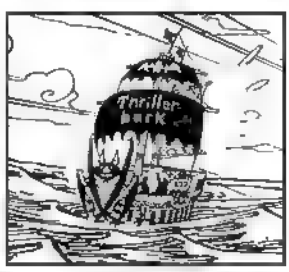
--Nakamurider



A: Sure. (picks nose)

Q: There was a mention of a freelance writer named "Absa" in Chapter 700. That's Absalom, right? Right? I mean, there's a ship in that panel, right? Right? What other pervy…incredible scoops, what pervy…moving stories, what pervy articles has he written?

--Makino♡ Love



A: That's right, it's Absalom. Doesn't it bring you back? As a matter of fact, he was at the Paramount War. After the battle was over, Doflamingo mentioned something about Moria meeting a strange fate. Why was that, do you suppose? I'm worried about Perona too. Did Moria really die? All we can confirm at this time is that Absalom is using his Clear-Clear Fruit to provide the world with major scoops under the penname "Absa." I'm sure he gets all kinds of pictures. It seems the menfolk enjoy his articles quite a bit. Well, enough of this edition of the Perv-BS! See you next volume!!

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

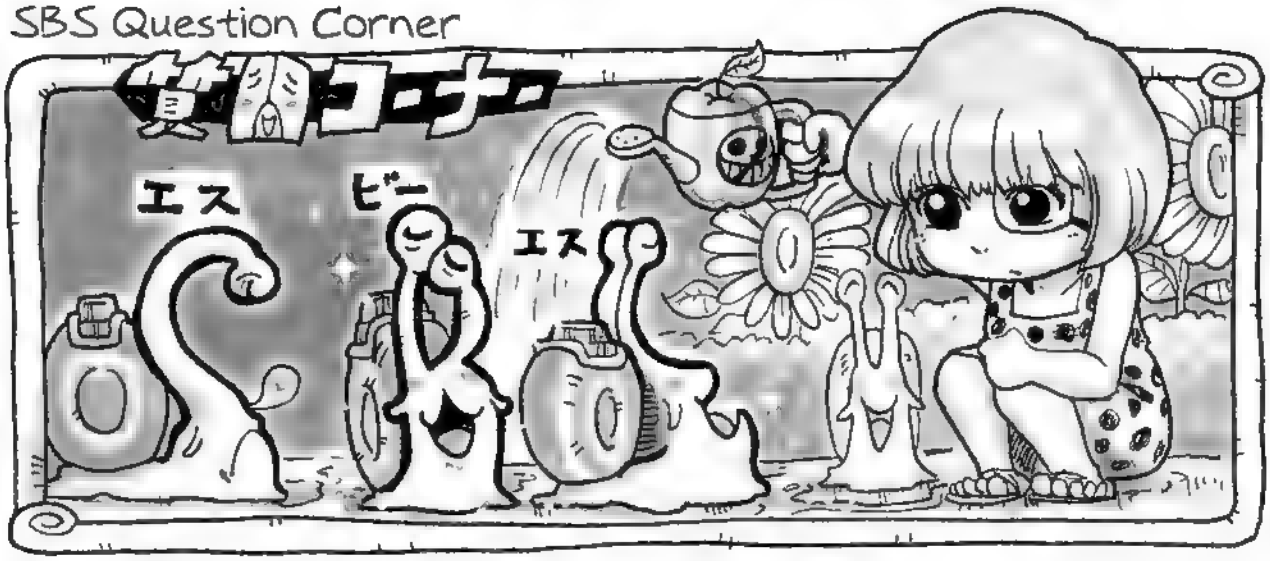
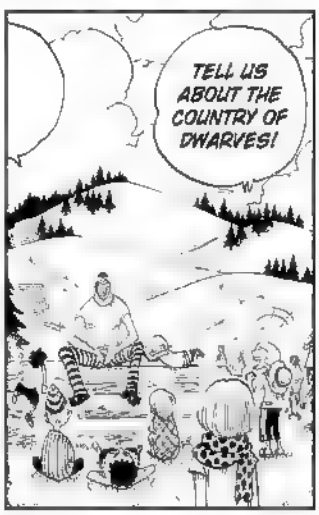
SBS Question Corner



(Hippo Iron, Saitama)

Q: Odacchi, Odacchi, Odacchi, good morning. By the way, let's begin the SBS. And now, my question. On page 128 of Volume 31, the kids are asking for a story about the land of the dwarves, right? Right? Right? Please explain.



--Uekenger

A: Geez, you've got the momentum of an avalanche, don't you? Starting the SBS, asking questions--I can't get a word in! I'm glad you found this, though. Perhaps you might find the answer to your question in Chapter 713, which starts right over there <-- Give it a read.

Q: When the crew left Punk Hazard, Franky's shirt said "JK" on it… But like, he makes such a gross JK (*joshi-kosei,* female high schooler)!!!

--Sanji Ikari

A: Like OMG, I totally agree!! He's like, totally creepy!! But the more I see those braided pigtails, the more I think they look good on him...and that's like totally gross too!!

Q: Good day, Odacchi. Is this what you meant by the Ancient Weapon Pluton?

--Dobin

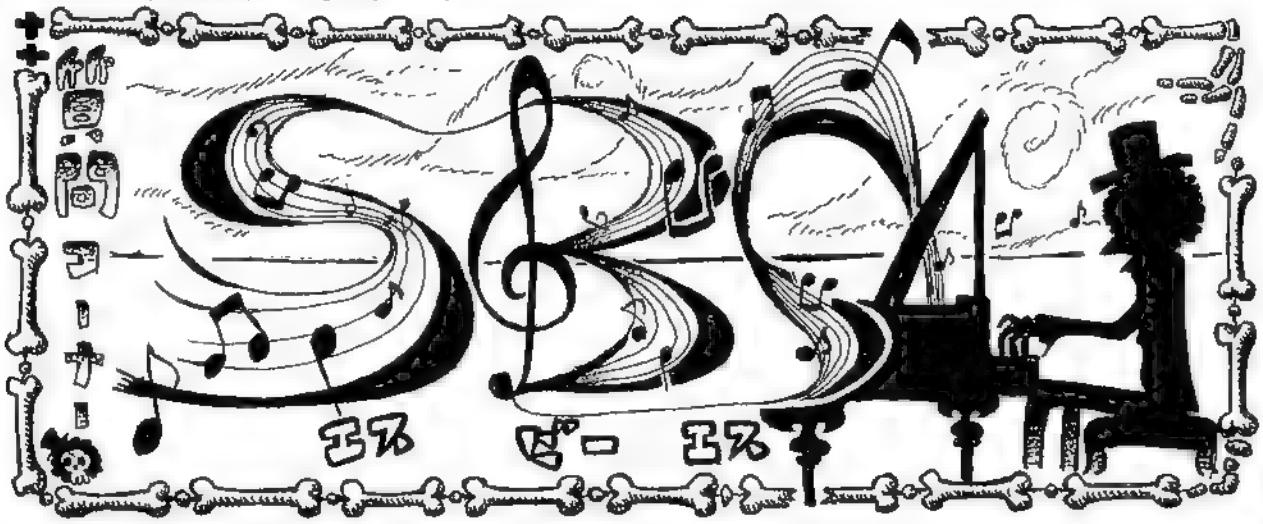
SBS Question Corner



(Hiromitsu Shimojo, Gunma)

Q: It seems like Trafalgar Law, in the midst of his alliance with the Straw Hats, gives them some nicknames. What are all the things he calls the various members of the crew like Zoro and Franky?
--Edward Yacchi

Q: Mr. Oda, hello! If the Straw Hats were different prefectures of the Japan, what would they be? For example, would Nami be from Ehime? I'd love to hear from you!
--T. Rina

A: Tell you what, I'll answer these both at the same time.

Zoro

Nami

Franky

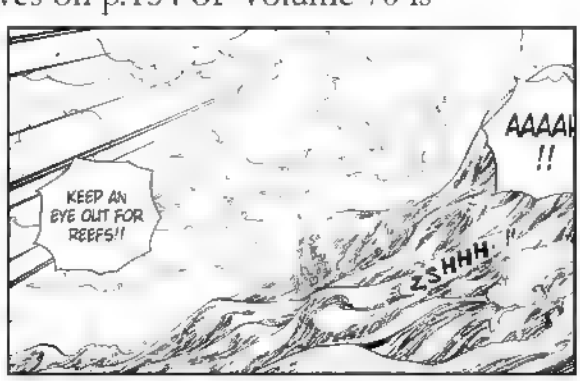
A: I think that should do it. Some of those prefectures were probably influenced by the voice actors' hometowns (laughs).

Q: Odacchi, Odacchi!!! All I can see in the waves on p.154 of Volume 70 is bunnies!!! What have you done to me?!!!
--Law-Loving Y, Law-Loving A's Friend



A: Geez, that's a long pen name!! I'd like to tell you a story from Papua New Guinea. It is said that when the rabbits ran out of food to eat, they tricked the fish into lining up so they could cross the sea on the backs of the fish. Do you suppose they made up that folk tale when they noticed the dancing white waves looked like rabbits? They do look like that sometimes, don't they?

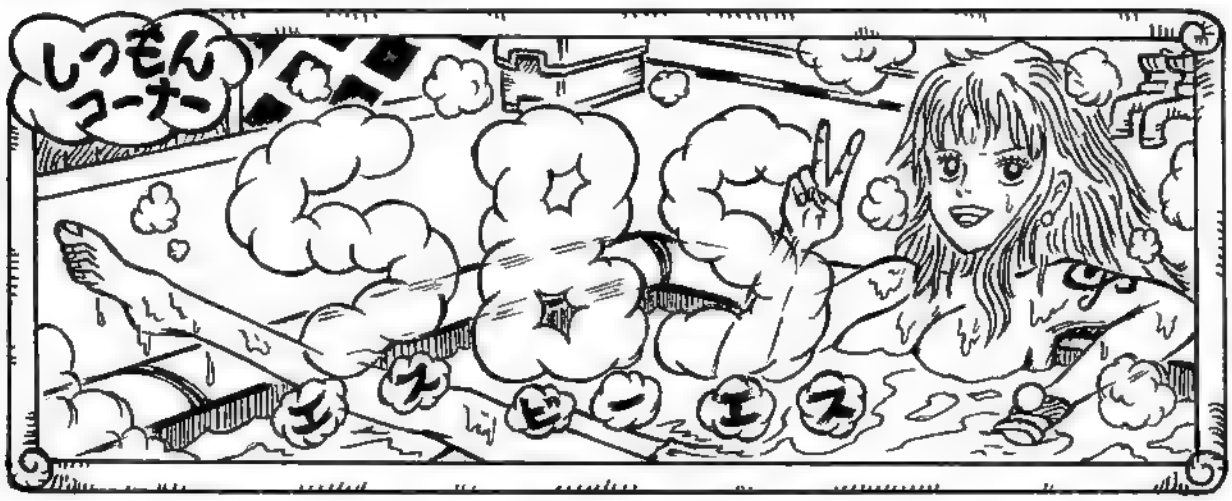
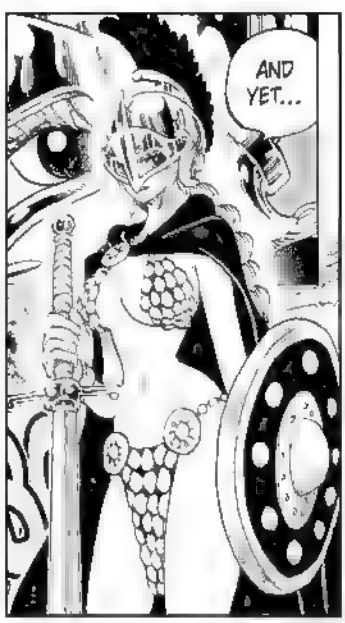
SBS Question Corner



(Sashinji, Chiba)

Q: Hello, Mr. Oda! I have a question about Rebecca the gladiator. I couldn't help but notice that, perhaps due to your personal tastes, she is exposing quite a lot of skin. My question regards her bikini bottom. Is it possible that beneath that flap of cloth is a paradise of non-pantyness? I'm so curious about this, I can't even put on any underwear.

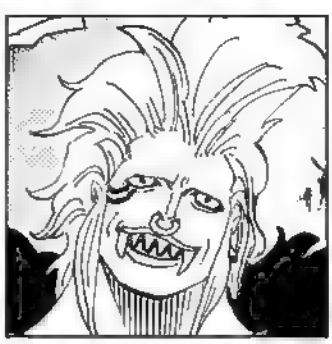
--Tanpopo



A: Hmm, I see. I have a feeling that I shouldn't answer this question. I know the answer, but I'll keep it to myself! Sweet dreams!!

Q: Mr. Odacchi, howdy!☆ Bartolomeo's so cool, right? So what if his birthday was October 6th? (Y'know, since "to" can be 10, and "lo" is short for "roku," or six!) Also, what are his height, age and place of birth details?!

--*One Piece* is my reason for living



A: Birthday?! Hmm... I dunno, should I use that? Sure, I guess. His height is 7'3", he's 24 years old, and he's from the East Blue.

Q: I'm so jealous of Leo the Tontatta! …my dad says. Apparently he wants to explore in Robin's region B too. Can you help him explore her boo…er, region B without my mom finding out?

--Orika Kakyoin

A: At first I just wrote it as "Region Boobs" and laughed my butt off. But then my editor said it wasn't allowed, and we got into a big fight. Since I'm out of shape, I wound up with a skull fracture. What's wrong with the world that I'm the dang author and I can't even write what I want! I get no respect, I tell ya!

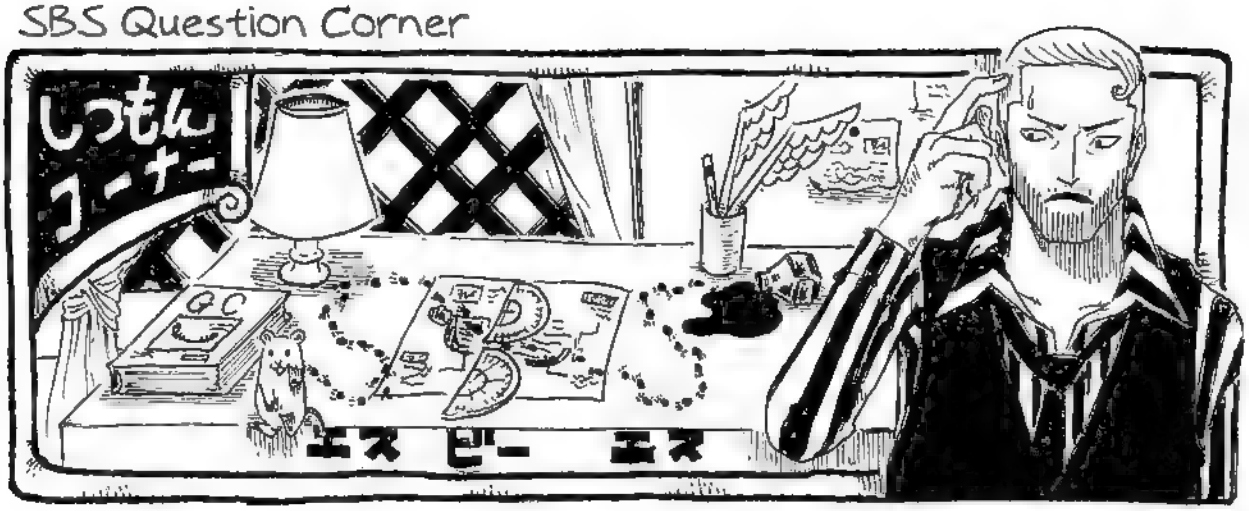
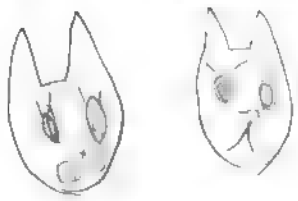
SBS Question Corner



(Coral, Fukuoka)

Q: Which one is a cat



--Milk

A: Okay, um... Hmmm. Which one? Well...they both look like cats to me... Plus, if those aren't cats, what would they be? I'm gonna guess...the left one? Let's check the answer... They didn't write an answer!!! ;;;

Q: Take this, Odacchi!! Western Lariat!!! And now, my question! In Chapter 704, you introduced the former bounty hunters Abdullah and Jeet. Are they former pro wrestlers, Abdullah the Butcher and Tiger Jeet Singh?! Abdullah's the one who gouged his forehead with forks!! You like pro wrestling, Odacchi? Are you in the pro-wrestling generation?

--Joker

A: That lariat hurt!! ;; Well thanks, you just broke my neck. You're right, that is correct. Japan was in the midst of its pro wrestling craze when I was in elementary school. I loved that stuff, so this is my tribute to the greatest heels who ever menaced the ring, The Butcher and Jeet Singh!!

Q: Nice to meet you, Mr. Oda! I've been wondering, is Idea the Boxer based on *Ideon*? That got me really excited, despite my age.

--Astro Robo Sasa (age 38)

A: That's right. I took the idea from the old robot anime show, *Ideon*. Sorry, I had so many characters to introduce, I started having a bit too much fun with them. It was a robot with extended shoulders like this on the right. It was the very first plastic model I got as a kid.

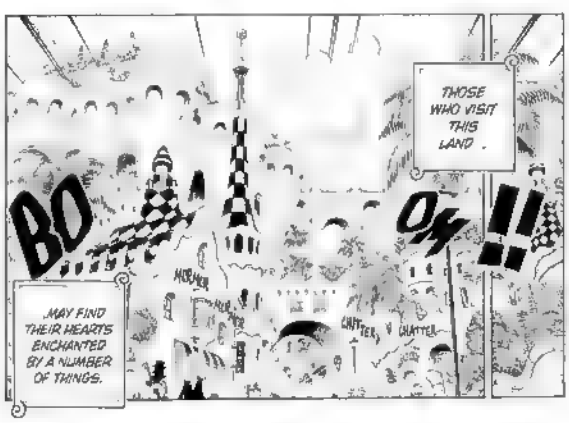
Q: Hello, Mr. Oda! I noticed that Dressrosa was based on our home of Spain, so I decided to send you this letter as the speaker for our group. Why did you choose Spain? If you ever have reason to visit Spain, I hope you will attend Barcelona's Salon Del Manga (a Spanish manga/anime convention). Nothing to be afraid of! Our women won't stab you!

--Voice of the Pirate King



A: This is a condensed version of a letter I received from Spain. The Japanese was strange in a few places, so I think that must have come from one of those auto-translation sites. Thanks for the letter. You're right about Dressrosa. It's based on Spain, and ancient Greece for the coliseum parts. When I took a close look at Doflamingo and tried to think of what kind of country suited him, I arrived at the conclusion of Spain. I've mentioned lands of One Piece being inspired by real countries in the SBS before, but this is the first time I've gotten feedback from residents of that country. I can't be irresponsible in the way I draw, but if you do see anything that seems like a half-baked version of your culture or buildings, please forgive me. Remember, it's just a manga.

Q: I've been wondering for ages--would you draw gender-swapped versions of the Worst Generation for us? In fact, please do!!!

--Momokichi

A: I got so many requests for this. I mean, I'll do it, but it's creepy, okay? Check it out on page 166. I haven't shown Blackbeard since the time skip yet, so he's not included. That's all for this SBS. See you next volume!!

EIICHIRO ODA

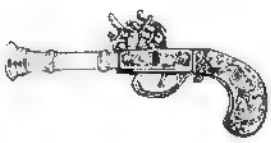
When I was in school, I learned that this man above was Prince Shotoku, a great figure from Japan's distant past. But lately, a theory has surfaced that this illustration wasn't actually of Shotoku. This ruins my own pet theory that Prince Shotoku was a glutton who always carried his own rice-serving paddle around with him. In that case, who's this glutton?!! History is still chock-full of mysteries. Let's get to the bottom of volume 73!!

-Eiichiro Oda, 2014



Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

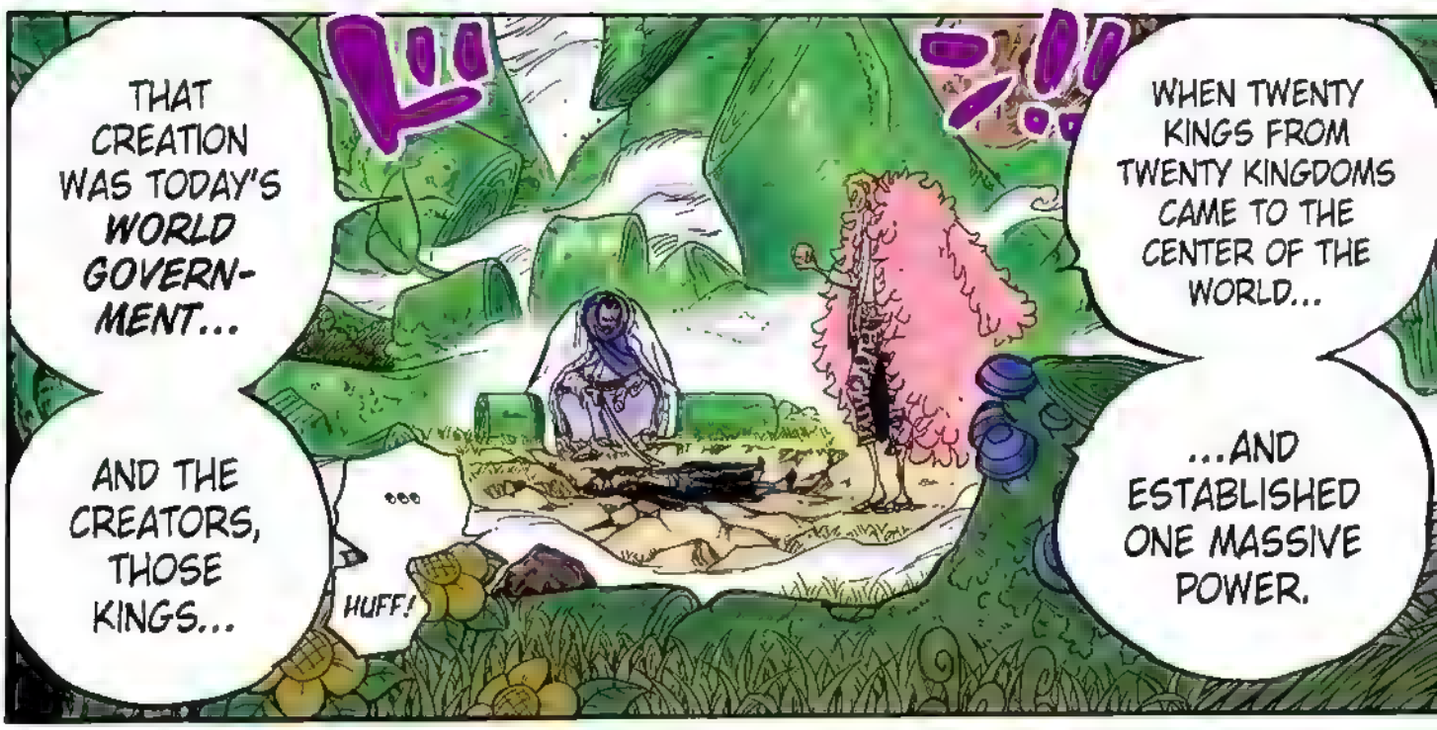
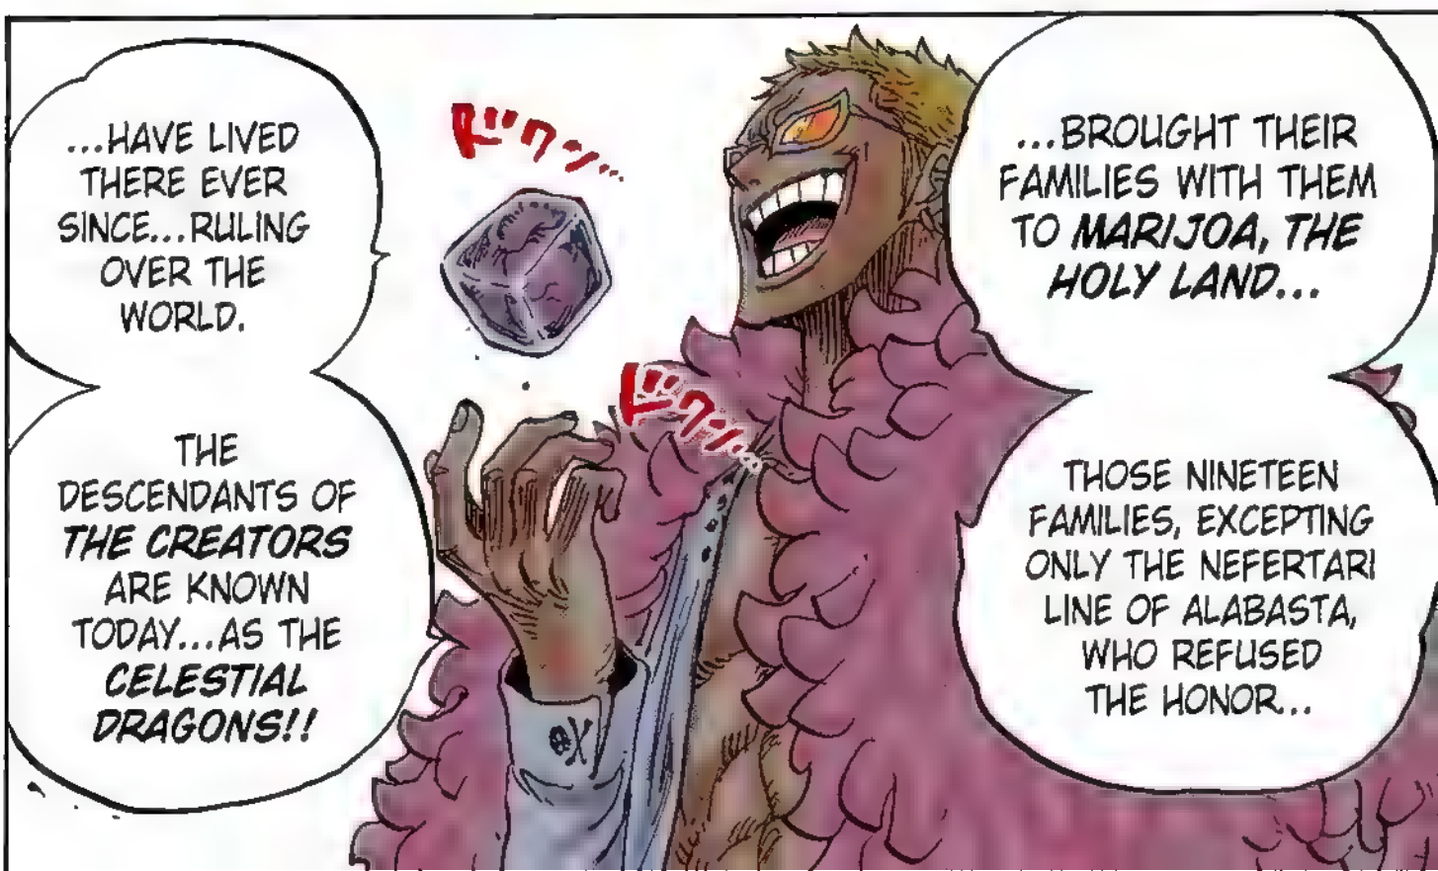
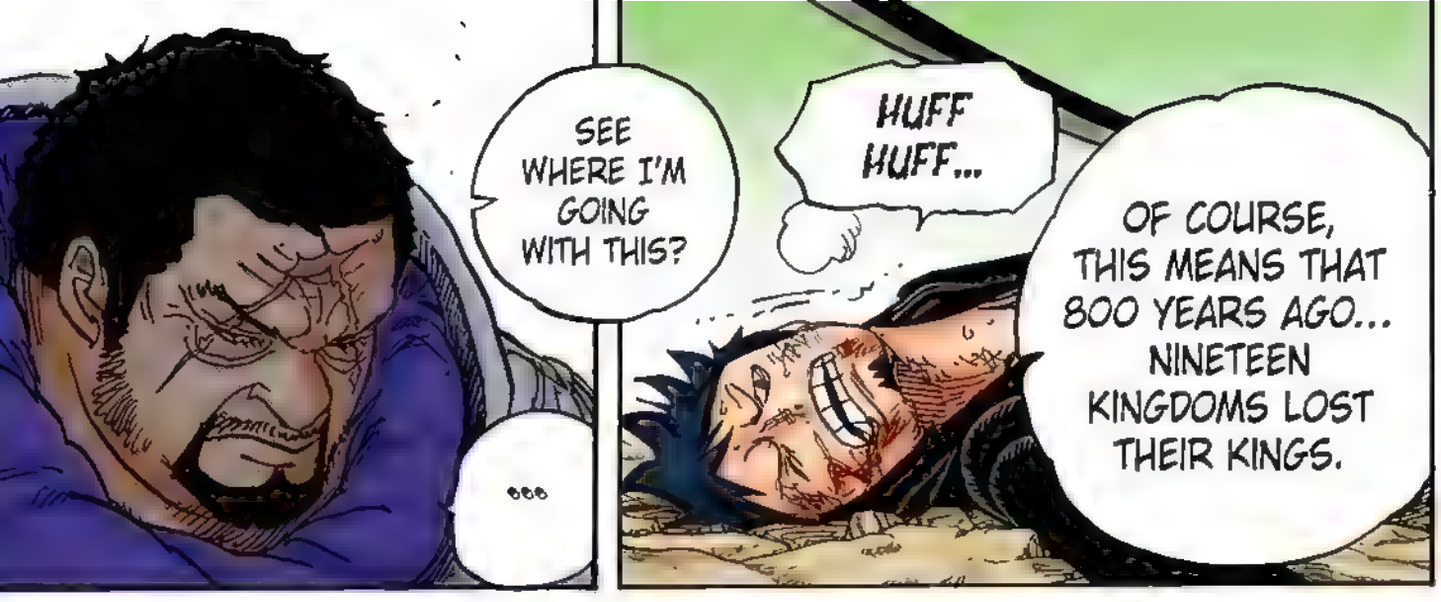
LET ME TELL YOU A TALE...
ON GREENBIT: LAW VS. DOFLAMINGO & ADMIRAL FUJITORA
...OVER EIGHT CENTURIES OLD, LAW...
...



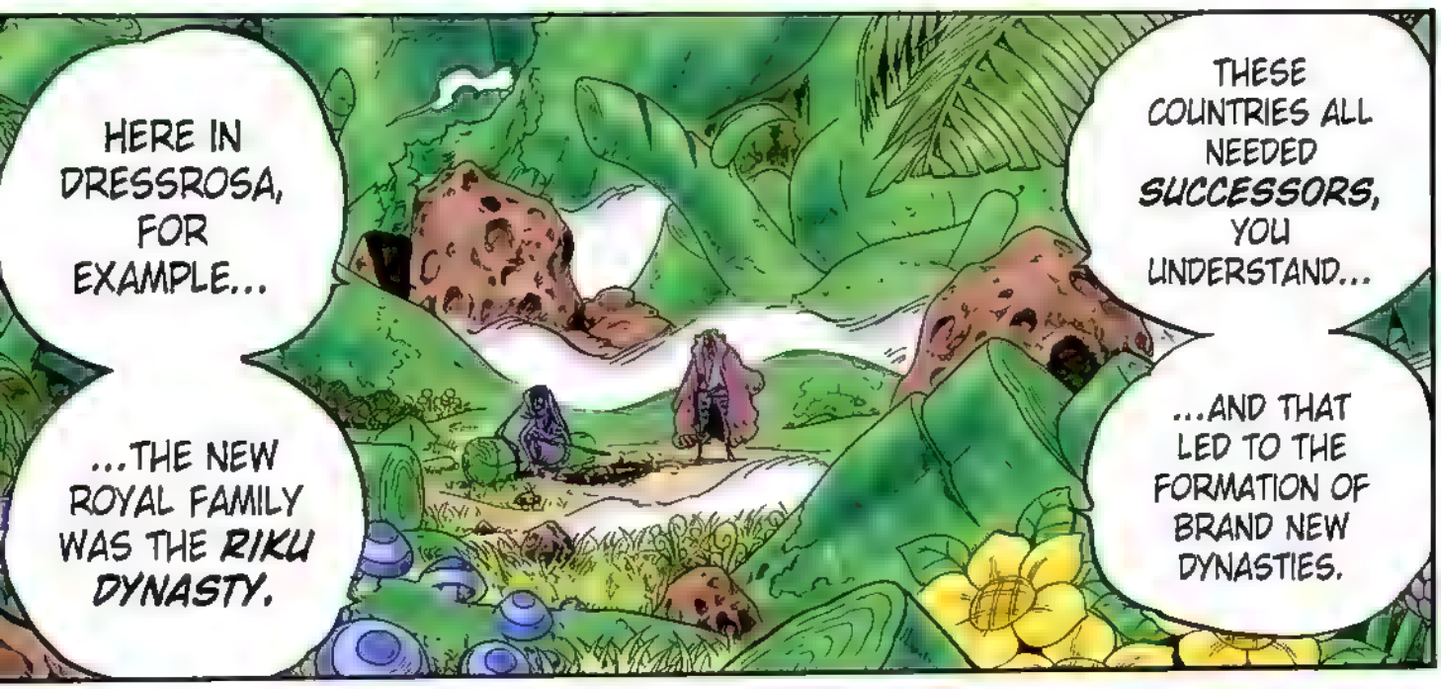
ドド
!!
THAT CREATION WAS TODAY'S WORLD GOVERN-MENT...
AND THE CREATORS, THOSE KINGS...
...
HUFF!
WHEN TWENTY KINGS FROM TWENTY KINGDOMS CAME TO THE CENTER OF THE WORLD...
...AND ESTABLISHED ONE MASSIVE POWER.



...HAVE LIVED THERE EVER SINCE...RULING OVER THE WORLD.
THE DESCENDANTS OF THE CREATORS ARE KNOWN TODAY...AS THE CELESTIAL DRAGONS!!
ドクン...
ドクン...
...BROUGHT THEIR FAMILIES WITH THEM TO MARIJOA, THE HOLY LAND...
THOSE NINETEEN FAMILIES, EXCEPTING ONLY THE NEFERTARI LINE OF ALABASTA, WHO REFUSED THE HONOR...

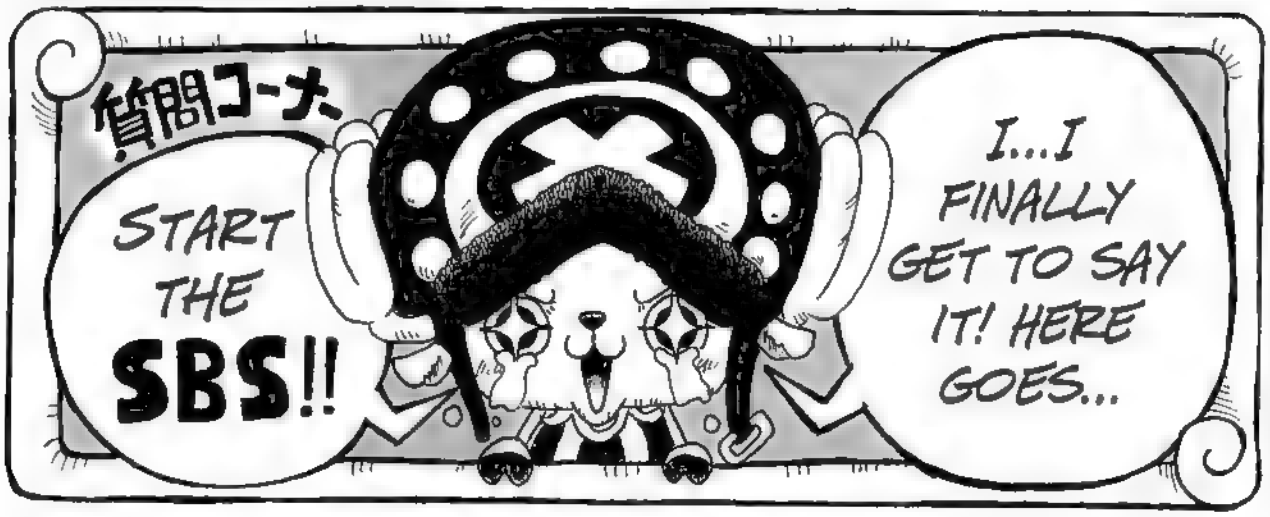


SEE WHERE I'M GOING WITH THIS?
...
HUFF HUFF...
OF COURSE, THIS MEANS THAT 800 YEARS AGO... NINETEEN KINGDOMS LOST THEIR KINGS.



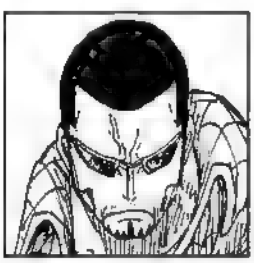
HERE IN DRESSROSA, FOR EXAMPLE...
...THE NEW ROYAL FAMILY WAS THE *RIKU DYNASTY.*
THESE COUNTRIES ALL NEEDED *SUCCESSORS,* YOU UNDERSTAND...
...AND THAT LED TO THE FORMATION OF BRAND NEW DYNASTIES.

...WERE THE DON QUIXOTES !!!
!!?
ドドドドド
BUT THE CREATORS ...
THE ONES WHO LEFT FOR MARIJOA...



(Takashi Takamatsu, Sattama)

A: Whaaaaaaat?!! Σ(•□•)
You can do that? You can start the segment from up there?! ʒ⬆
Well...sure, I guess... Let's begin the SBS...



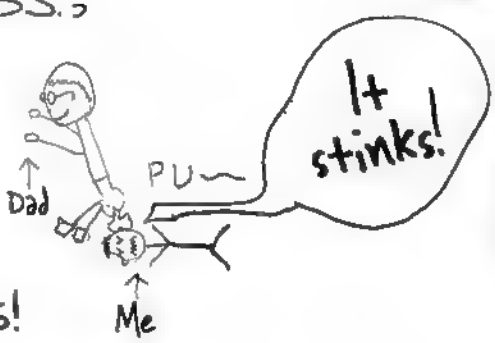
Q: That's Mr. SBS to you.

--Kimurin

A: Whaaaaaaat?!! Σ(•□•)
I'm sorry. Start the...Mr. SBS.?

Q: My dad can shoot "Land of the Dead" out of his butt. Does he have the power of the Gas-Gas Fruit?

--Okku



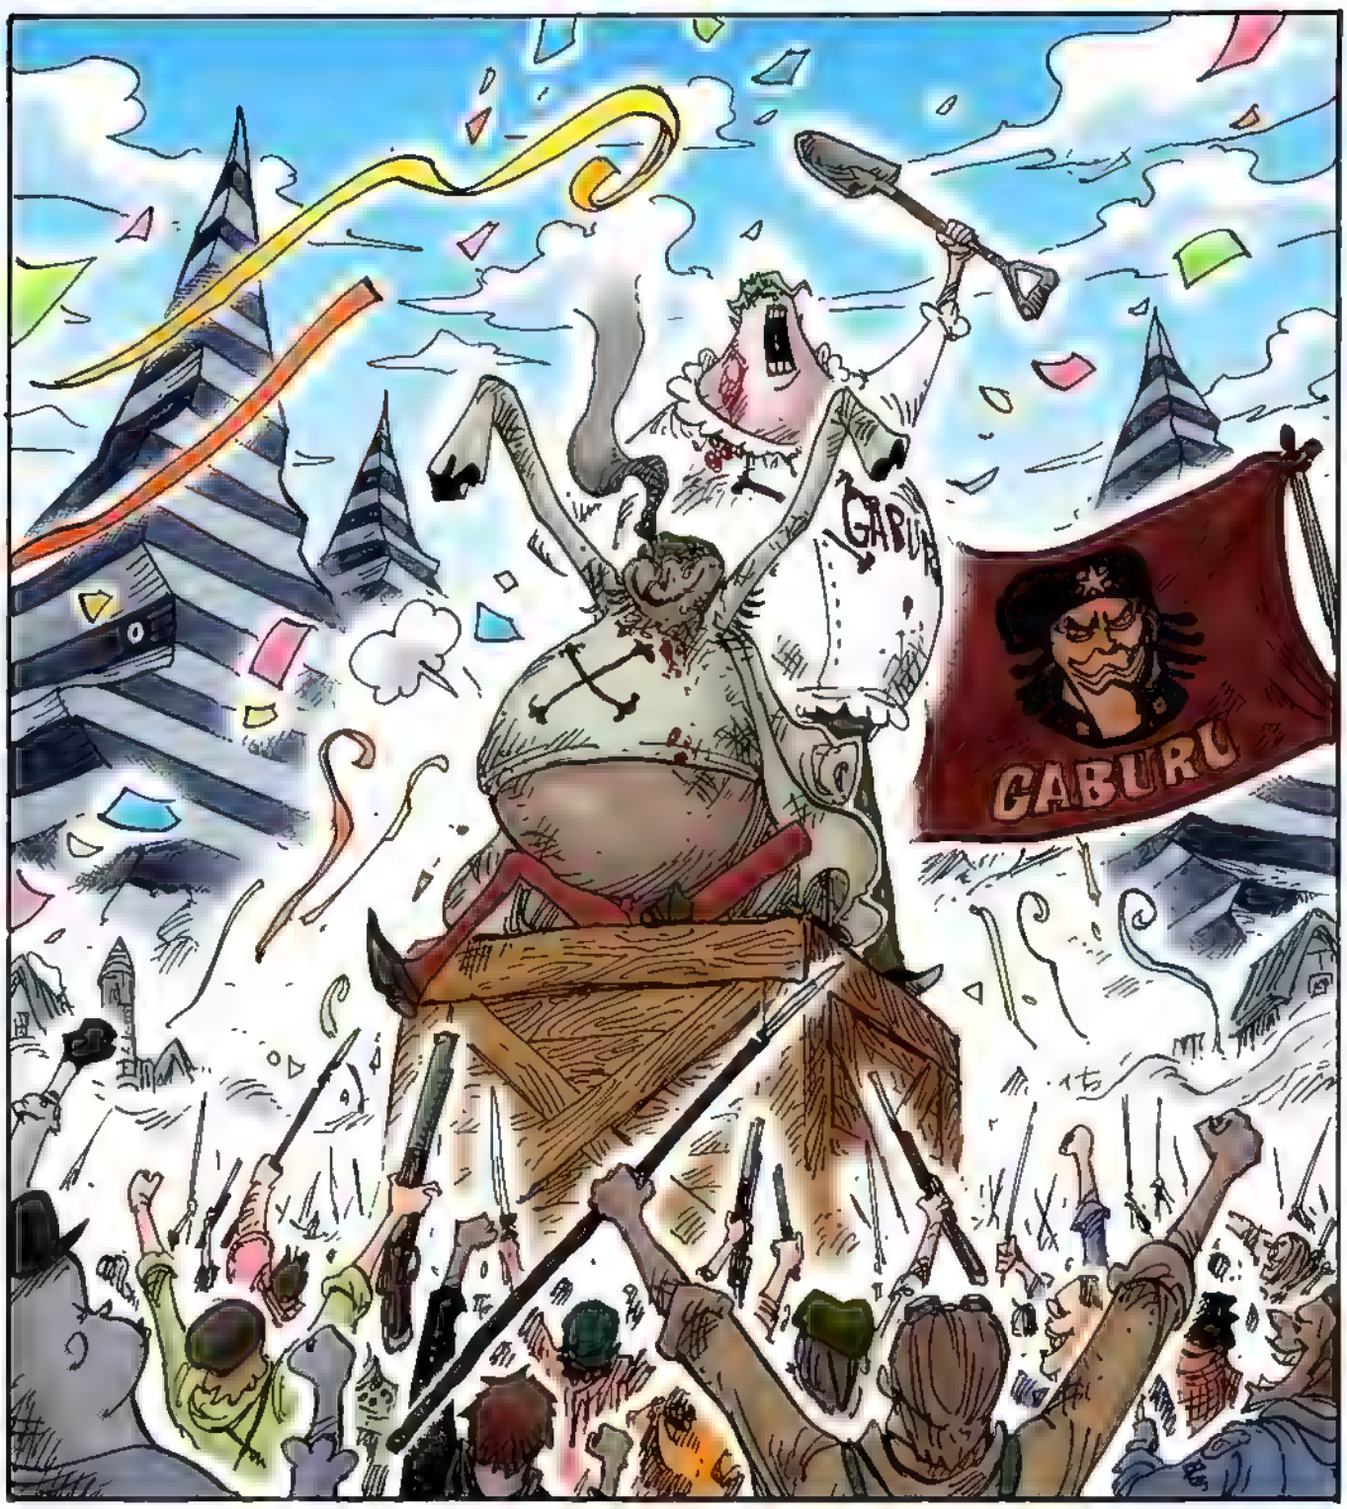
A: Those are farts. Farts!
It's "Land of the Farts."

Q: I'm sure you must get letters all the time pointing out that you drew the "Death" tattoos on Law's fingers wrong… In my opinion, whenever this happens, it's because Law is using Chambres on the parts above the knuckles and below the knuckles to switch them around! Wow, that Op-Op Fruit comes in real handy (if you know what I mean)!!

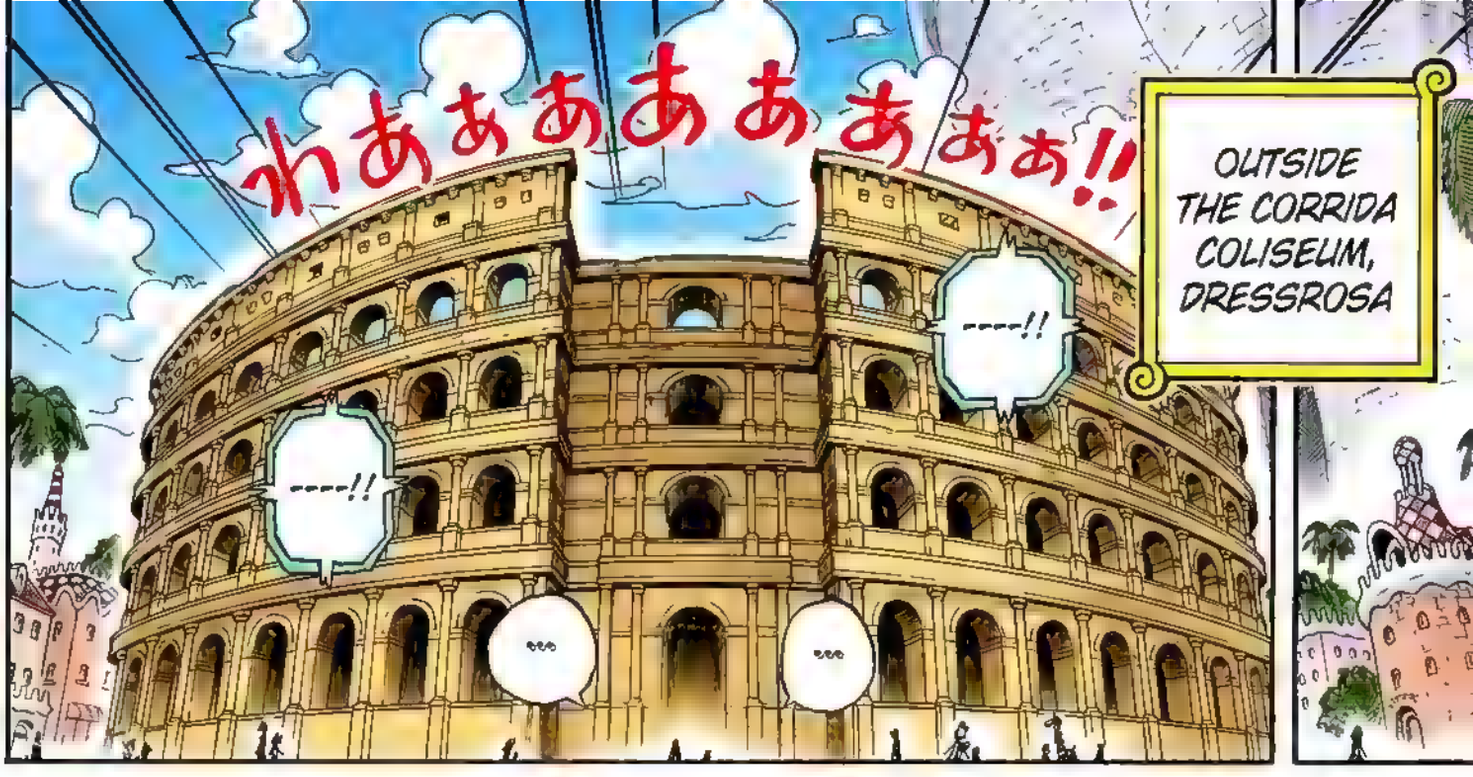
--Kamiki

A: Um...yeah. I get a lot of those letters. They all say I screwed up! (cries) That's what everyone says!! But you know what? You're right on the money!! That's right. If they're ever facing the wrong direction or missing entirely...it was all Chambres!!!

Chapter 723: CHANGE OF PLANS



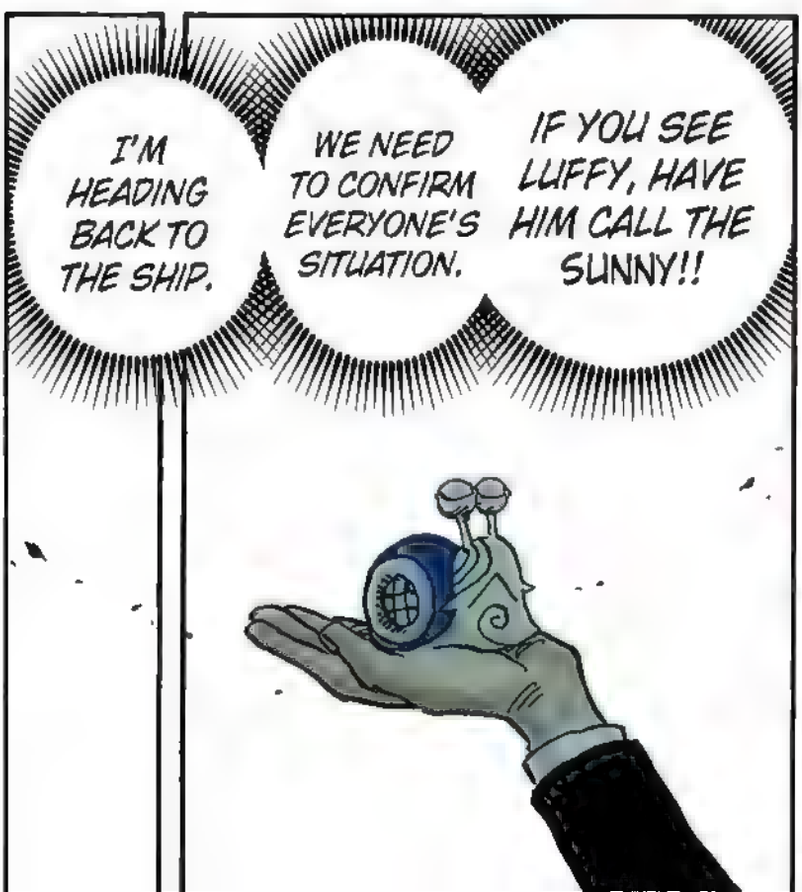
CARIBOU'S NEW WORLD KEE HEE HEE, VOL. 40:
"GABURU THE HERO"



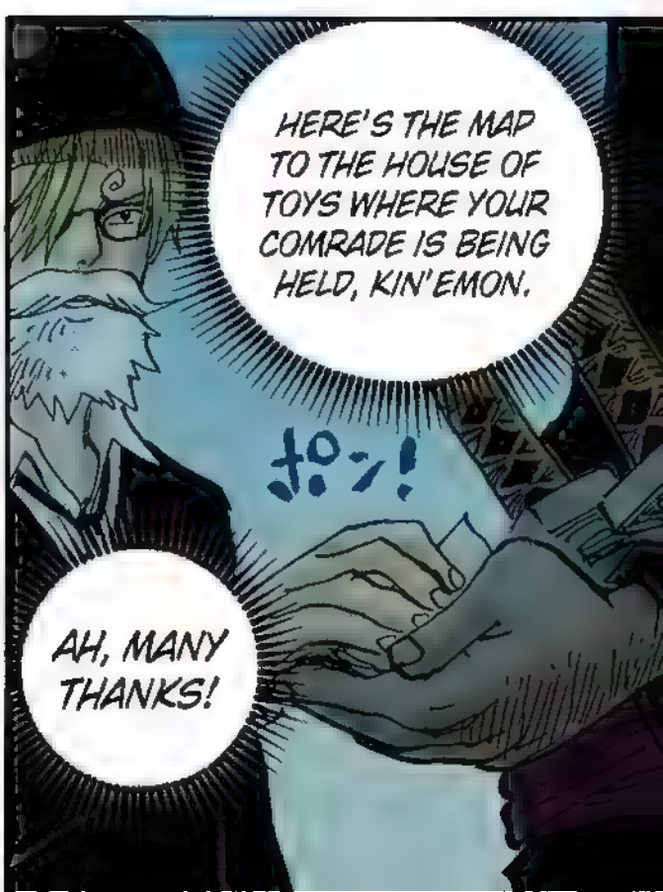
わあああああああ!!
OUTSIDE THE CORRIDA COLISEUM, DRESSROSA
----!!
----!!
...
...

SO I'M GOING!!
FINE! GO THEN!
ドン!!
WELL, I WAS WORRIED ABOUT NAMI BEFORE YOU WERE!!
AND SHE'D OBVIOUSLY WANT ME TO RESCUE HER RATHER THAN YOU!!

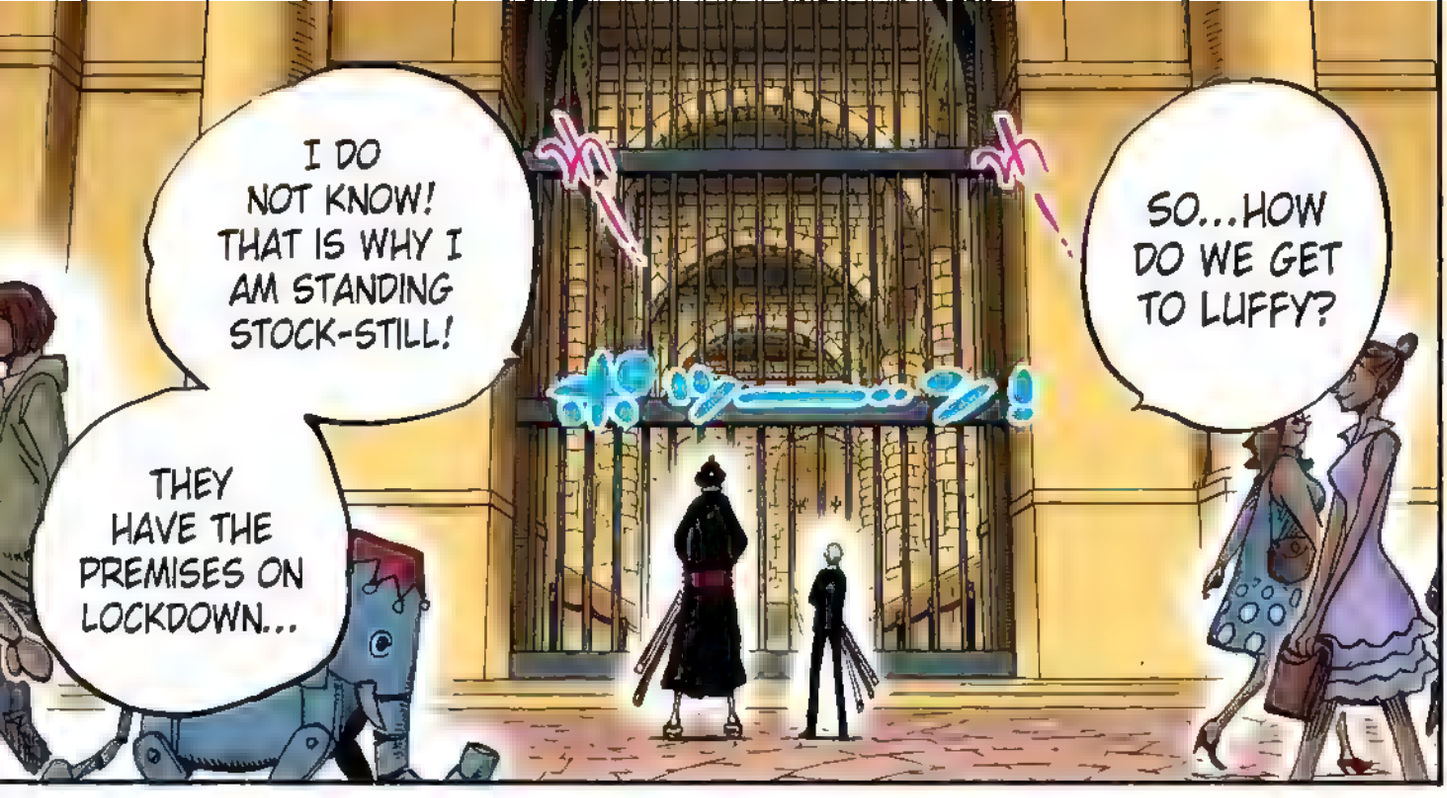
...



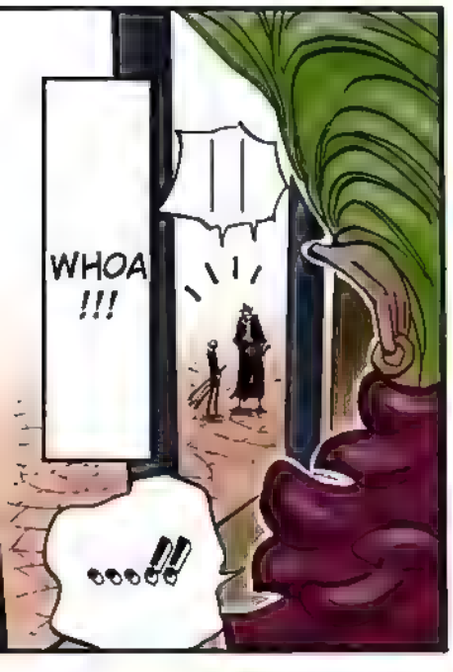
I'M HEADING BACK TO THE SHIP.
WE NEED TO CONFIRM EVERYONE'S SITUATION.
IF YOU SEE LUFFY, HAVE HIM CALL THE SUNNY!!



HERE'S THE MAP TO THE HOUSE OF TOYS WHERE YOUR COMRADE IS BEING HELD, KIN'EMON.
ポン!
AH, MANY THANKS!



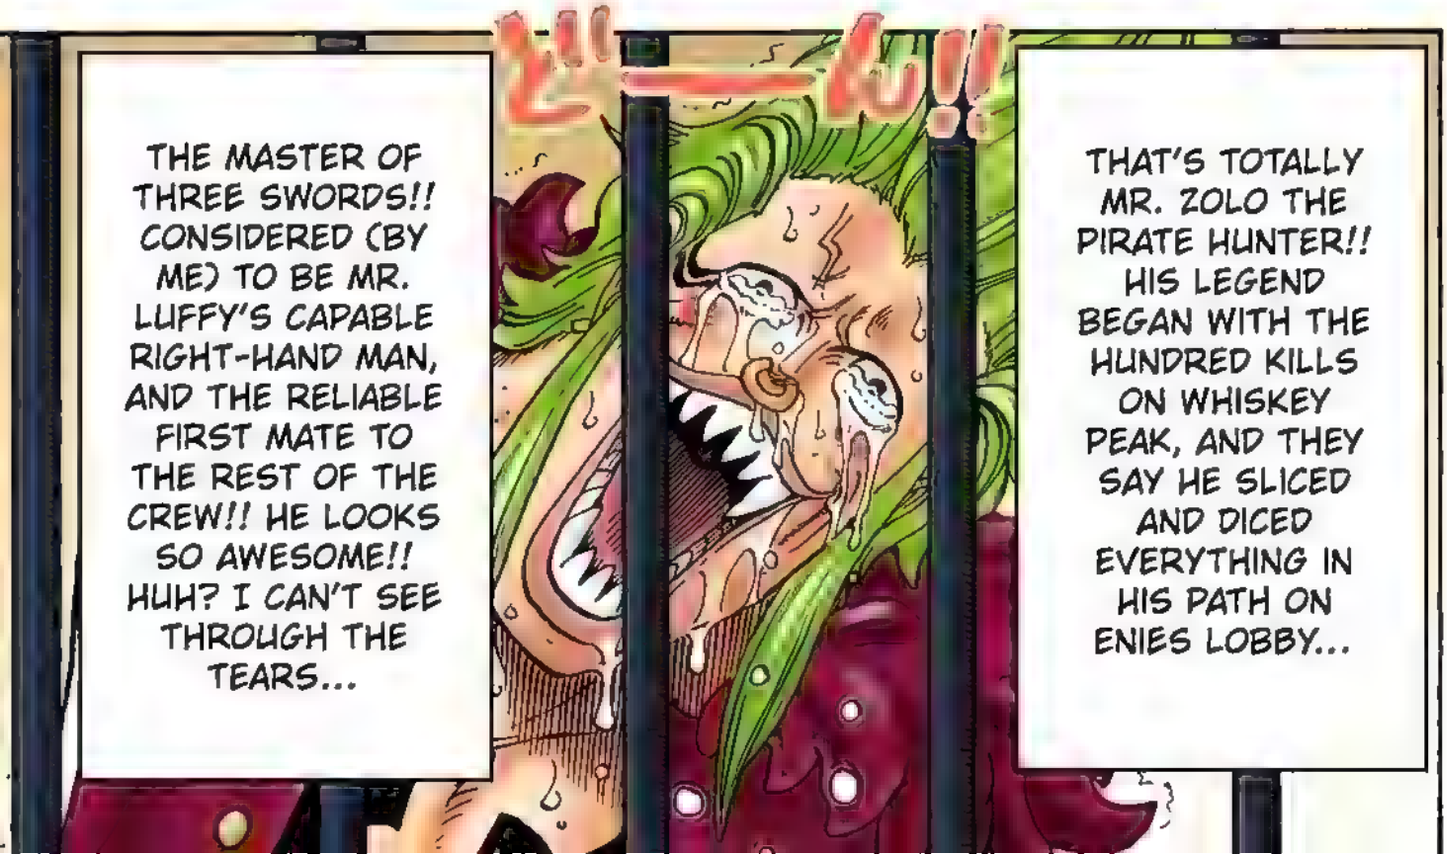
I DO NOT KNOW! THAT IS WHY I AM STANDING STOCK-STILL!
THEY HAVE THE PREMISES ON LOCKDOWN...
SO...HOW DO WE GET TO LUFFY?



WHOA !!!
...!!

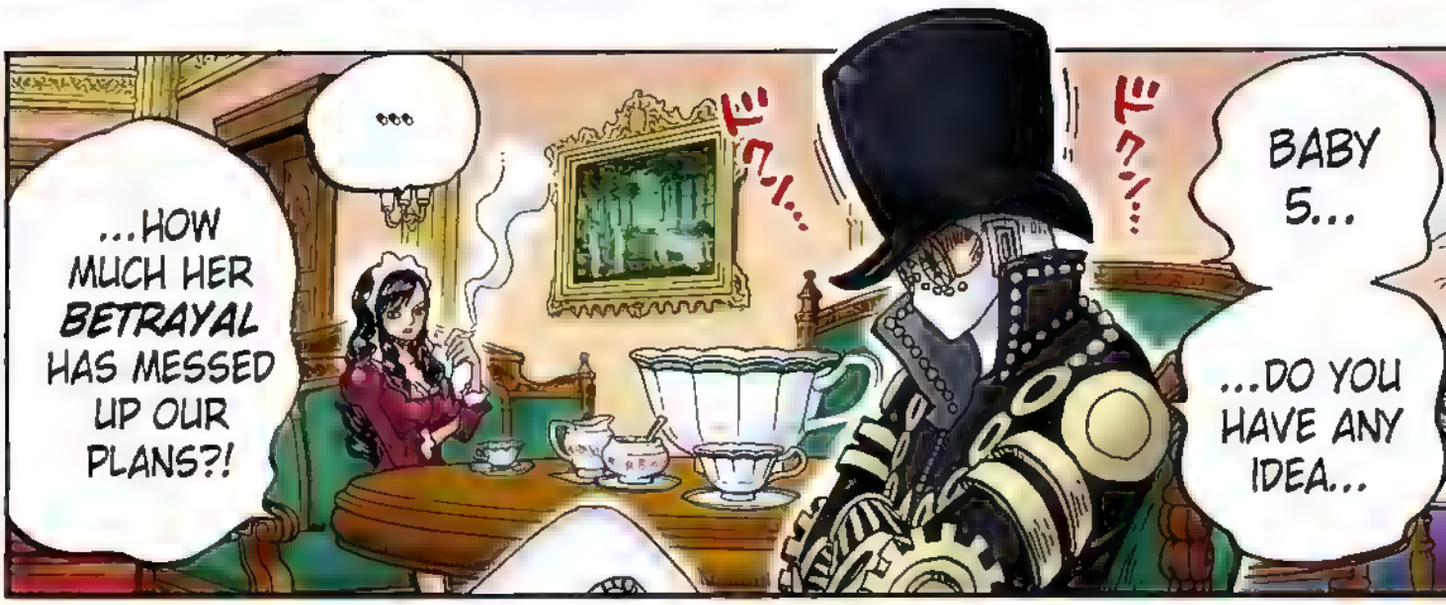
I SAID AVOID SUSPICION !!
THE FORCE IS NOT THE ISSUE.
SO... CUT IT QUIET-LY.

SO CUT DOWN THE WALL THEN?
WE MUST AVOID SUSPICION. I WAS NEARLY ARRESTED EARLIER.

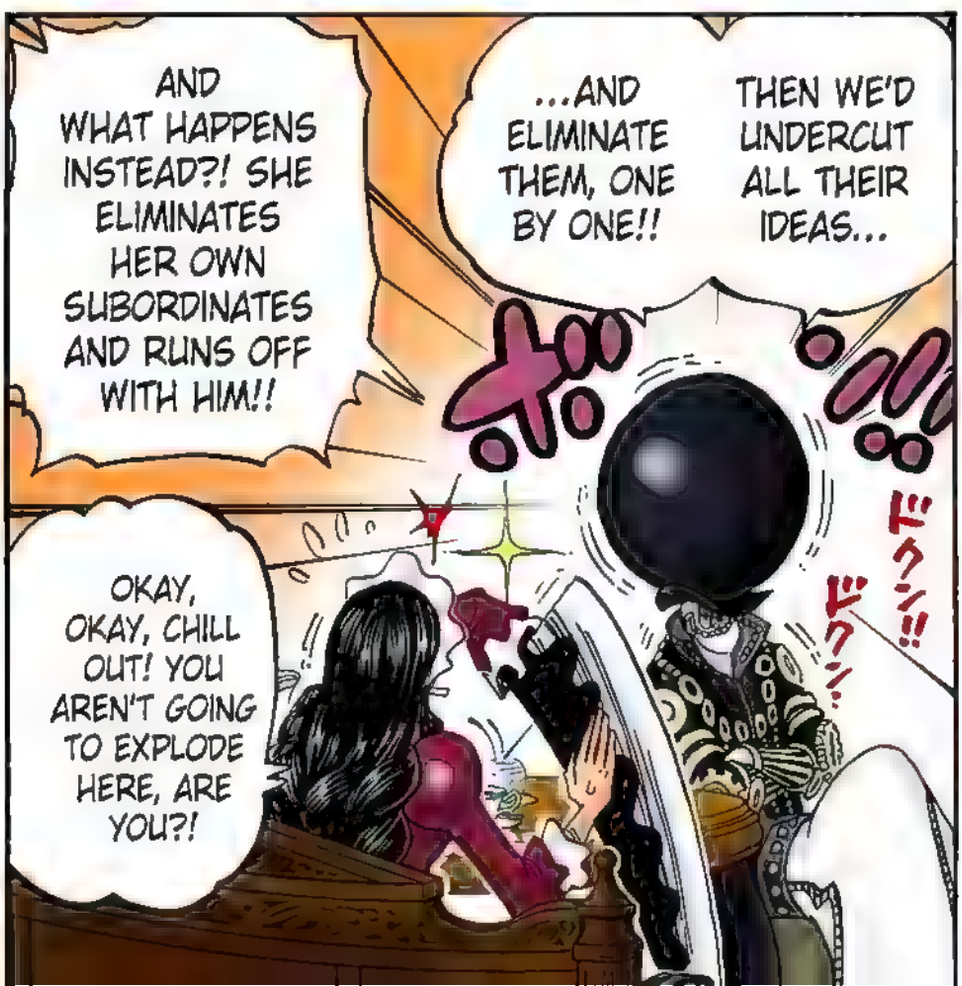


THE MASTER OF THREE SWORDS!! CONSIDERED (BY ME) TO BE MR. LUFFY'S CAPABLE RIGHT-HAND MAN, AND THE RELIABLE FIRST MATE TO THE REST OF THE CREW!! HE LOOKS SO AWESOME!! HUH? I CAN'T SEE THROUGH THE TEARS...
THAT'S TOTALLY MR. ZOLO THE PIRATE HUNTER!! HIS LEGEND BEGAN WITH THE HUNDRED KILLS ON WHISKEY PEAK, AND THEY SAY HE SLICED AND DICED EVERYTHING IN HIS PATH ON ENIES LOBBY...

ROYAL PALACE, DRESS-ROSA
CAN YOU SETTLE DOWN...
...
GLADIUS?



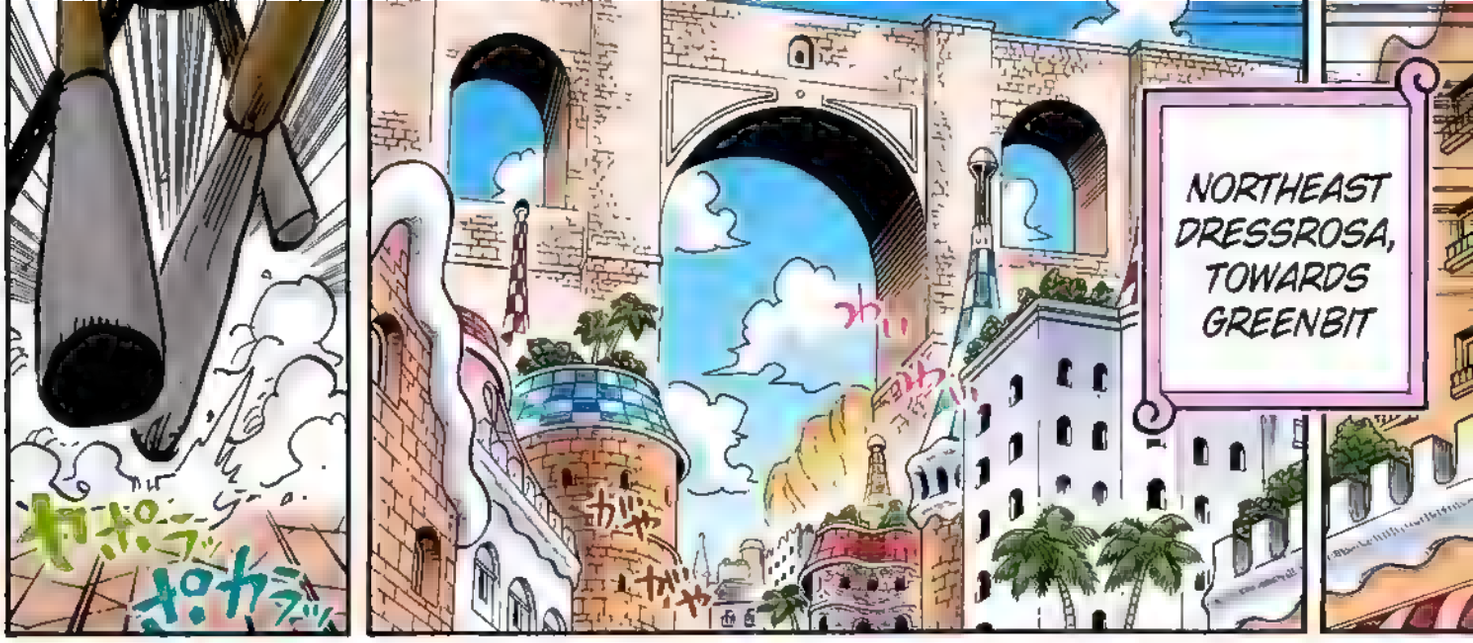
BABY 5...
ドクン!...
...DO YOU HAVE ANY IDEA...
...
...HOW MUCH HER BETRAYAL HAS MESSED UP OUR PLANS?!



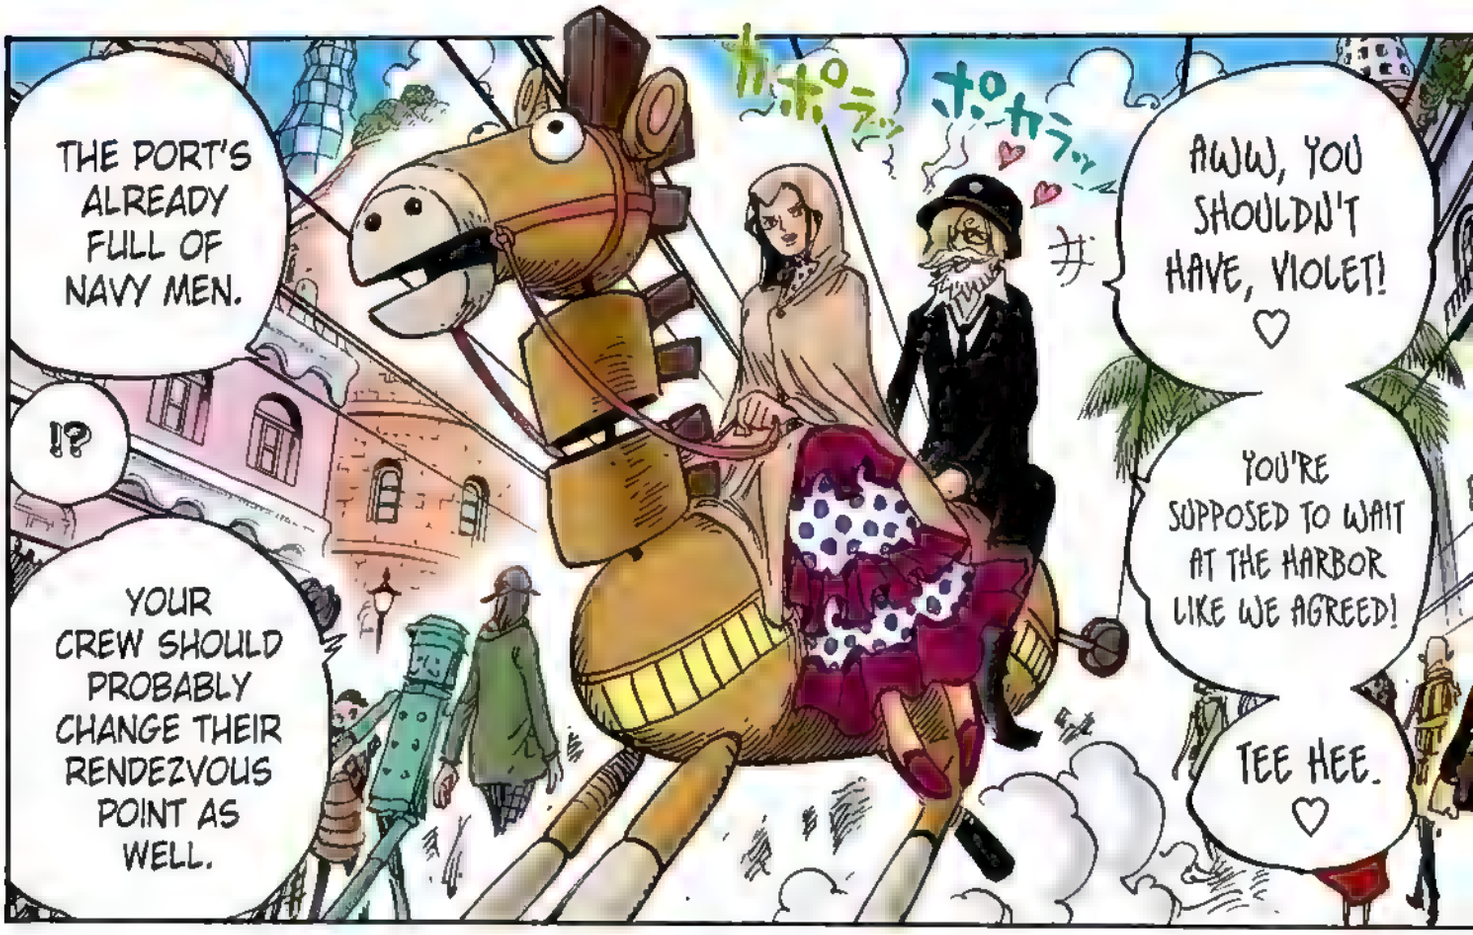
THEN WE'D UNDERCUT ALL THEIR IDEAS...
...AND ELIMINATE THEM, ONE BY ONE!!
AND WHAT HAPPENS INSTEAD?! SHE ELIMINATES HER OWN SUBORDINATES AND RUNS OFF WITH HIM!!
ドクン!!
ドクン!...
OKAY, OKAY, CHILL OUT! YOU AREN'T GOING TO EXPLODE HERE, ARE YOU?!

VIOLET WAS SUPPOSED TO SEIZE BLACK-LEG SANJI...
ドクン!
...AND PULL ALL THE DETAILS OF THE ENEMY'S PLANS OUT OF HIS HEAD.

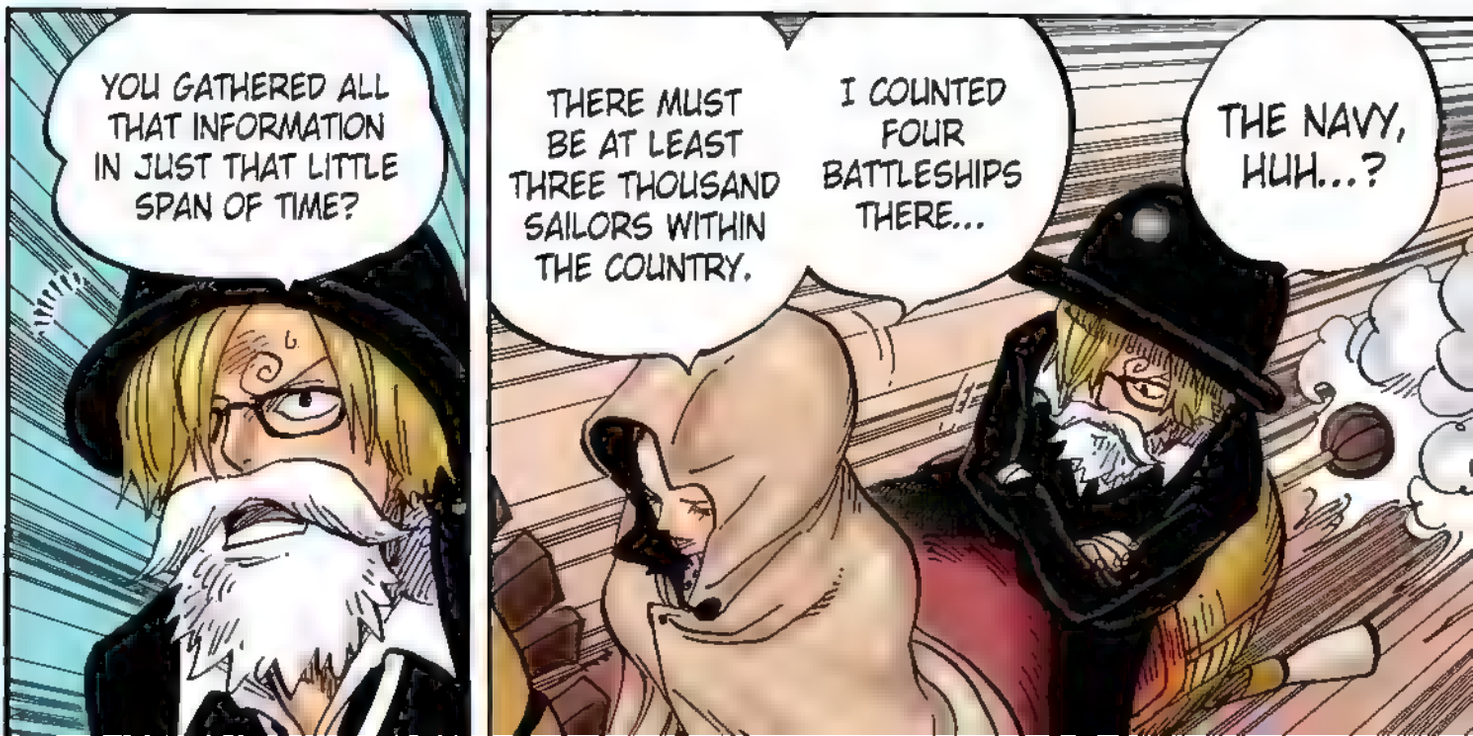
バッ バッ バッ!!
...IT'S PEOPLE WHO CAN'T STICK TO A TIME OR PLAN!!!
AND IF THERE'S ANYTHING I HATE...
NO ONE WHO BETRAYS THE YOUNG MASTER CAN BE ALLOWED TO LIVE.
はっ…
AND NO ONE WHO BETRAYS US...
…
REMEMBER... HER ALL-SEEING EYE SHOULD HAVE FOUND THE STRAW HATS' SHIP YESTERDAY.
VIOLET WAS ACTING STRANGE AS FAR BACK AS LAST NIGHT...
!?
DON QUIXOTE FAMILY
(PICA ARMY ♠)
GLADIUS
ドゥーン!!



NORTHEAST DRESSROSA, TOWARDS GREENBIT



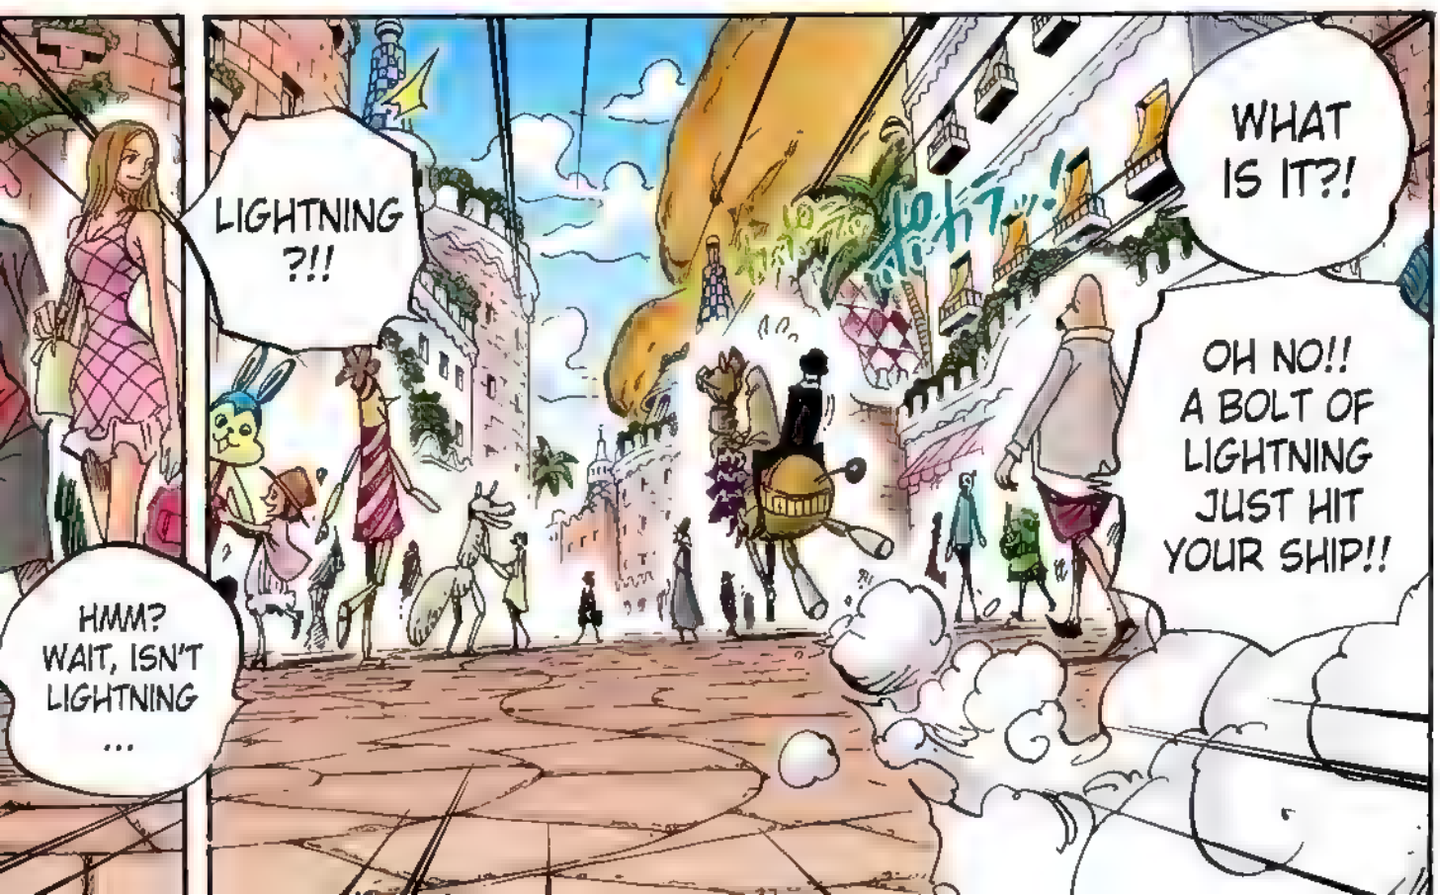
THE PORT'S ALREADY FULL OF NAVY MEN.
!?
YOUR CREW SHOULD PROBABLY CHANGE THEIR RENDEZVOUS POINT AS WELL.
AWW, YOU SHOULDN'T HAVE, VIOLET! ♡
YOU'RE SUPPOSED TO WAIT AT THE HARBOR LIKE WE AGREED!
TEE HEE. ♡



YOU GATHERED ALL THAT INFORMATION IN JUST THAT LITTLE SPAN OF TIME?
THERE MUST BE AT LEAST THREE THOUSAND SAILORS WITHIN THE COUNTRY.
I COUNTED FOUR BATTLESHIPS THERE...
THE NAVY, HUH...?

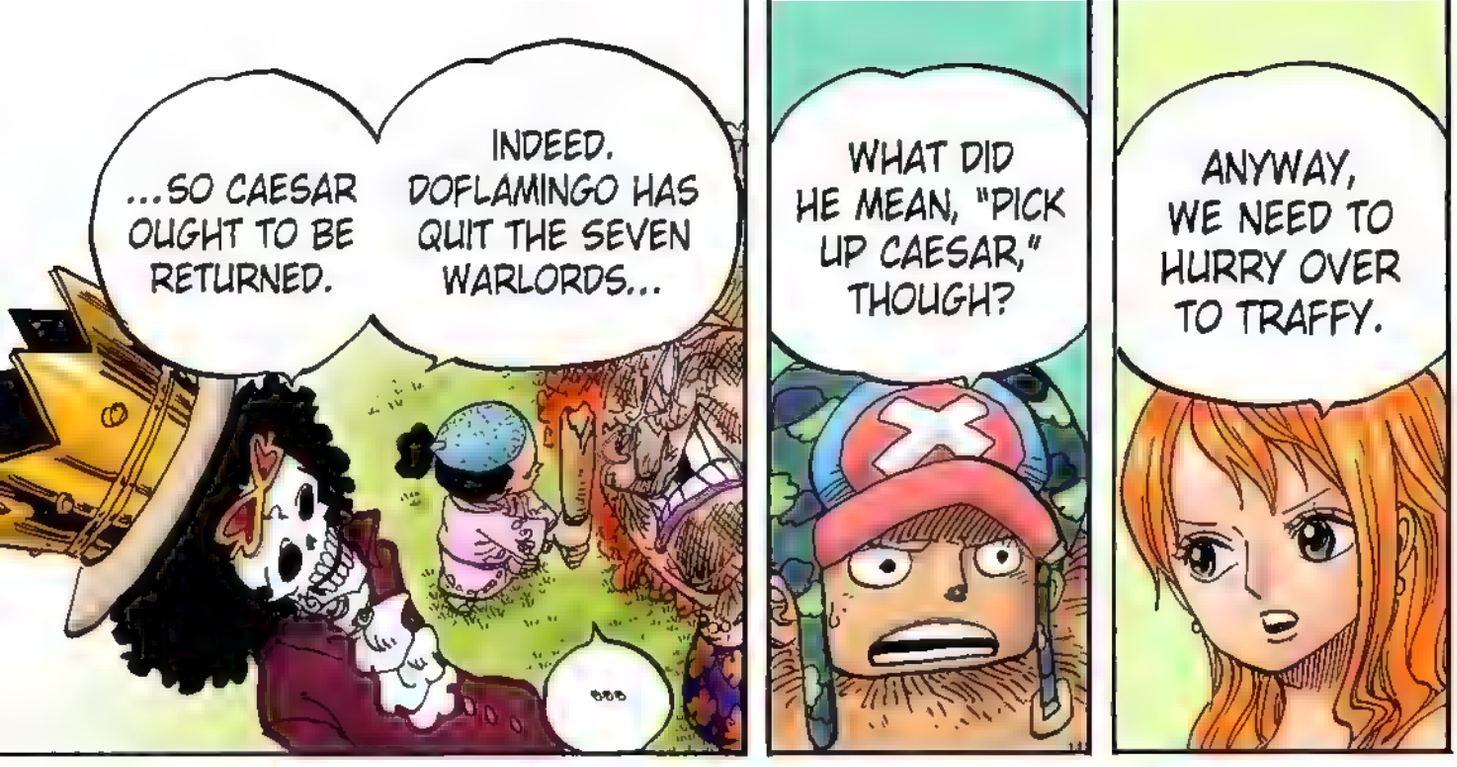
SO YOU DON'T NEED TO WORRY ABOUT MY SAFETY.
NOBODY CAN CATCH ME.
MY ALL-SEEING EYE CAN REACH A RANGE OF 2,500 MILES. WITH MY POWERS, I CAN BORROW THE SIGHT OF BIRDS...
WHICH MEANS THAT I CAN SEE EVERYTHING HAPPENING IN DRESSROSA FROM THIS VERY SPOT.

OH!
I'M ABOUT TO--!!
ARE YOU STAYING IN THIS LAND THEN?!
NO, THERE'S NOTHING TO WORRY ABOUT.

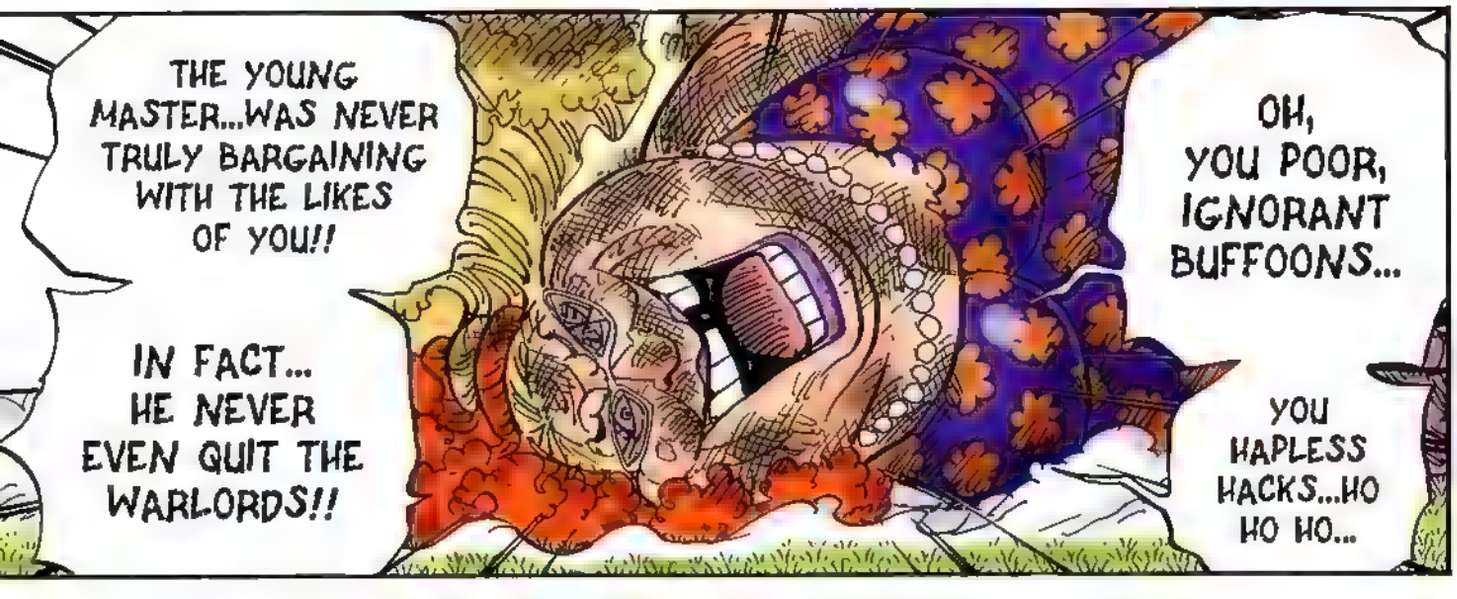


LIGHTNING ?!!
ピカッ!
WHAT IS IT?!
HMM? WAIT, ISN'T LIGHTNING ...
OH NO!! A BOLT OF LIGHTNING JUST HIT YOUR SHIP!!

THE WATERS OF DRESSROSA, EN ROUTE TO GREENBIT
BONEKICHI! I STRUCK HER A BLOW AS WELL!!
SO WHAT DO WE DO WITH THIS?
YES! YOUR FORM WAS VERY GOOD.
SHE'S GOT POWERS, AFTER ALL.
SEEMS CRUEL TO JUST DUMP HER OVERBOARD.
AND I'VE NO DESIRE TO SEE HER PANTIES!!
WH...WHO ARE YOU CALLING... MISS UNIVERSE?!!
...
I SEE... MY FORM IS GOOD...
ドーーーん!!



...SO CAESAR OUGHT TO BE RETURNED.
INDEED. DOFLAMINGO HAS QUIT THE SEVEN WARLORDS...
WHAT DID HE MEAN, "PICK UP CAESAR," THOUGH?
ANYWAY, WE NEED TO HURRY OVER TO TRAFFY.



THE YOUNG MASTER...WAS NEVER TRULY BARGAINING WITH THE LIKES OF YOU!!
IN FACT... HE NEVER EVEN QUIT THE WARLORDS!!
OH, YOU POOR, IGNORANT BUFFOONS...
YOU HAPLESS HACKS...HO HO HO...

YOU HAVE FALLEN INTO OUR TRAP, YOU FOOLS!!
AAAH !!

WHAT IS *BLOOD*, LAW? WHAT IS *FATE*?

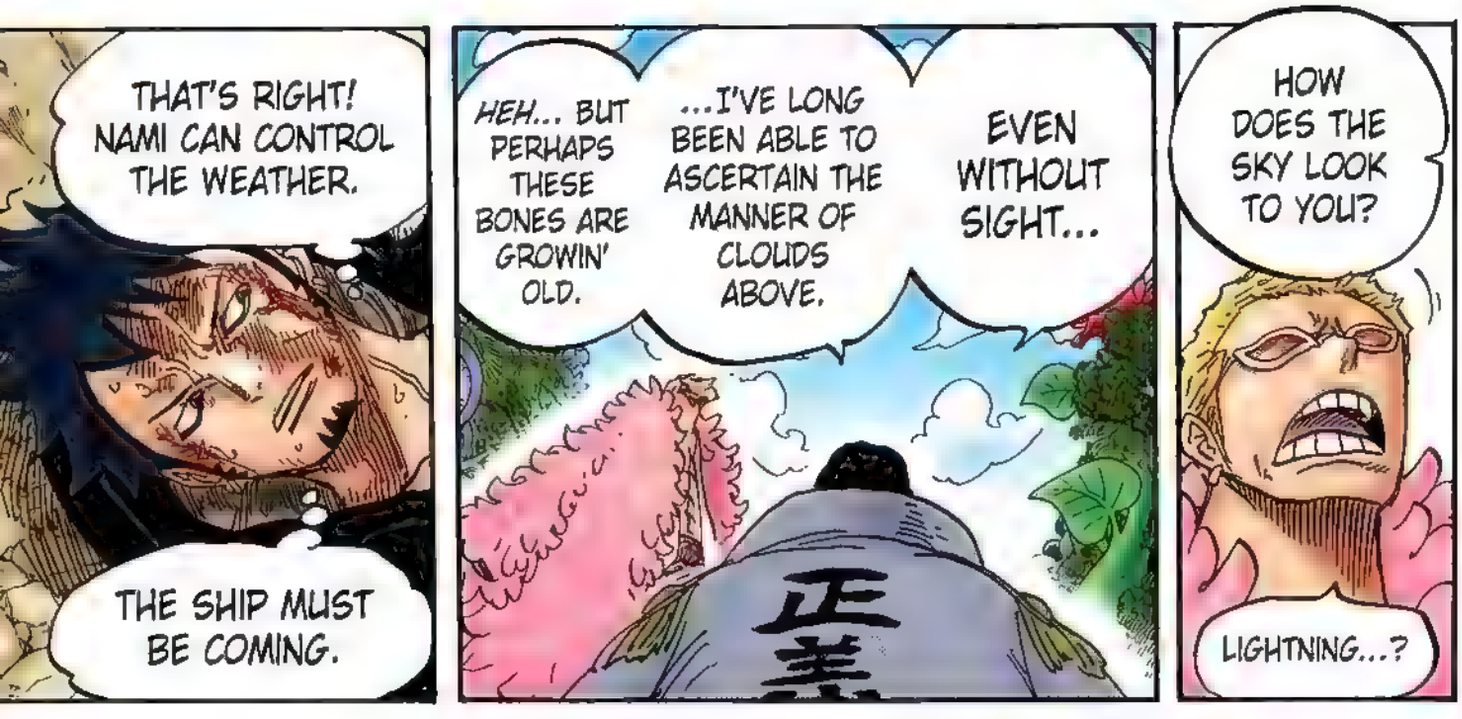
THAT'S RIGHT. I *WAS* ONE.
BUT NOT ANYMORE.
!?

I'VE STILL GOT TO DEAL WITH THE STRAW HAT CREW BACK IN DRESSROSA.
I CAN'T COUNT THE NUMBER OF PEOPLE WHO UNDER-ESTIMATED THEM AND GOT *BURNED* FOR IT IN THE PAST.
I'D LOVE TO SHARE SOME DRINKS AND TELL YOU MORE ABOUT THE DISTANT PAST FROM BEFORE WE MET...
...BUT I'M AFRAID THERE'S NO TIME FOR THAT.

I THOUGHT...
...I HEARD A PEAL OF THUNDER.. OUT TO SEA...
CRK...
CRRK..
WHAT IS IT, FUJITORA?



THAT'S RIGHT! NAMI CAN CONTROL THE WEATHER.
THE SHIP MUST BE COMING.
HEH... BUT PERHAPS THESE BONES ARE GROWIN' OLD.

I SEE... YOU WERE WILLING TO TAKE US BOTH DOWN, IF NECES-SARY...

Q: Chapter 711 in Volume 71. The big panel. I see some candy falling out of Robin's bag. Was she going to give that to Chopper?

--Anmitsu Usagi

A: Yes! Robin loves Chopper, so she always keeps some of his favorite candy around to give to him at any time!!

Q: Hey, Odacchi!! On page 109 of Volume 71, was Luffy going to call Bellamy, "Mallony"?! Was he thinking of the snack food company Malony? If Luffy's head is full of nothing but food, then I'm more like Sanji--my head is full of girls. What's inside your head, Odacchi?

--Shin

A: I don't think about girls the way you do. It's nothing but serious business--ahem, business--in there. And you're right about Luffy's train of thought! I guess he only remembered the rhythm of the name.

Q: Hello (^▼^) I have a question. You know how there's a woman in both Chapter 707 and 708 who's covering her face to avoid seeing Bartolomeo's "thing"? But…she's not covering her eyes. In fact, she's peeking right through her fingers. Who is she? Tell me her name!

--Rhett Butler

A: Oh, you mean "Peekatha Krotch"? She's a well-known young damsel from the town of Primula in the west of Dressrosa. She's very shy.

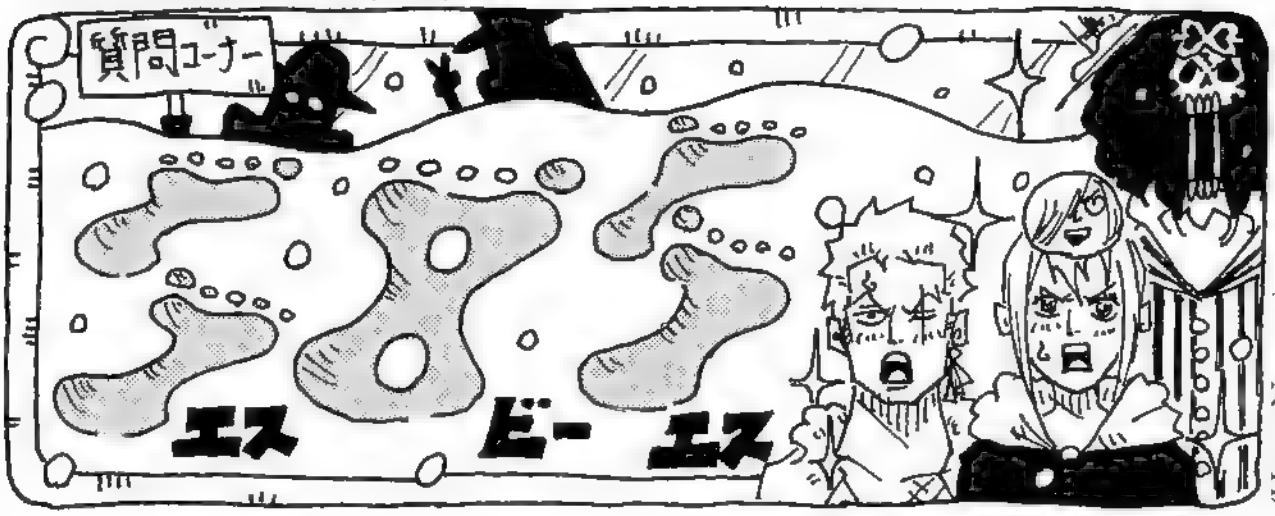
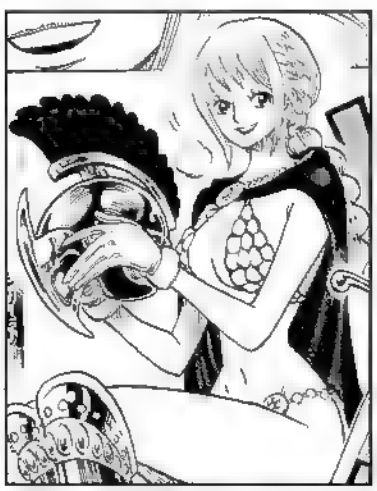
SBS Question Corner



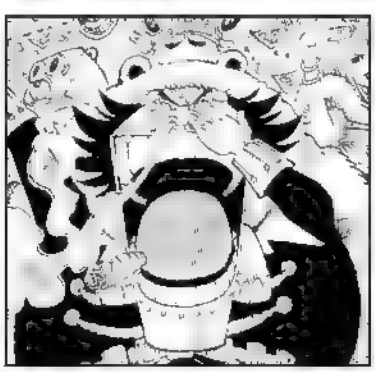
(Haru, Nagano)

Q: Are you and I the only ones hoping for a nip-slip from Rebecca? Are you and I the only ones who turn each page during the coliseum scenes thinking, "Come on! Come on!!"

--Mojaman (16)



A: I hear you! It sets my heart racing. You think, "When is the wardrobe malfunction?!" You might wonder why she'd wear such a skimpy outfit, but there's that pesky weight limit. I don't want to draw her that way, I swear. Come on! Come on!!



Q: I hear I look like Wapol.

--Kozuetty

A: It gets better.

Q: Hey, Oda! In all of these fight scenes, why doesn't anyone go for the men's groins? Doesn't that seem like the quickest path to victory?

--Eldest of the Asada Siblings

A: True, that is a vital area. Just imagine legends among men--Whitebeard, Shanks, Mihawk--staring each other down, bearing their weighty ideals...and trying to whack each other in the balls! Is that the kind of manga you want to read?!

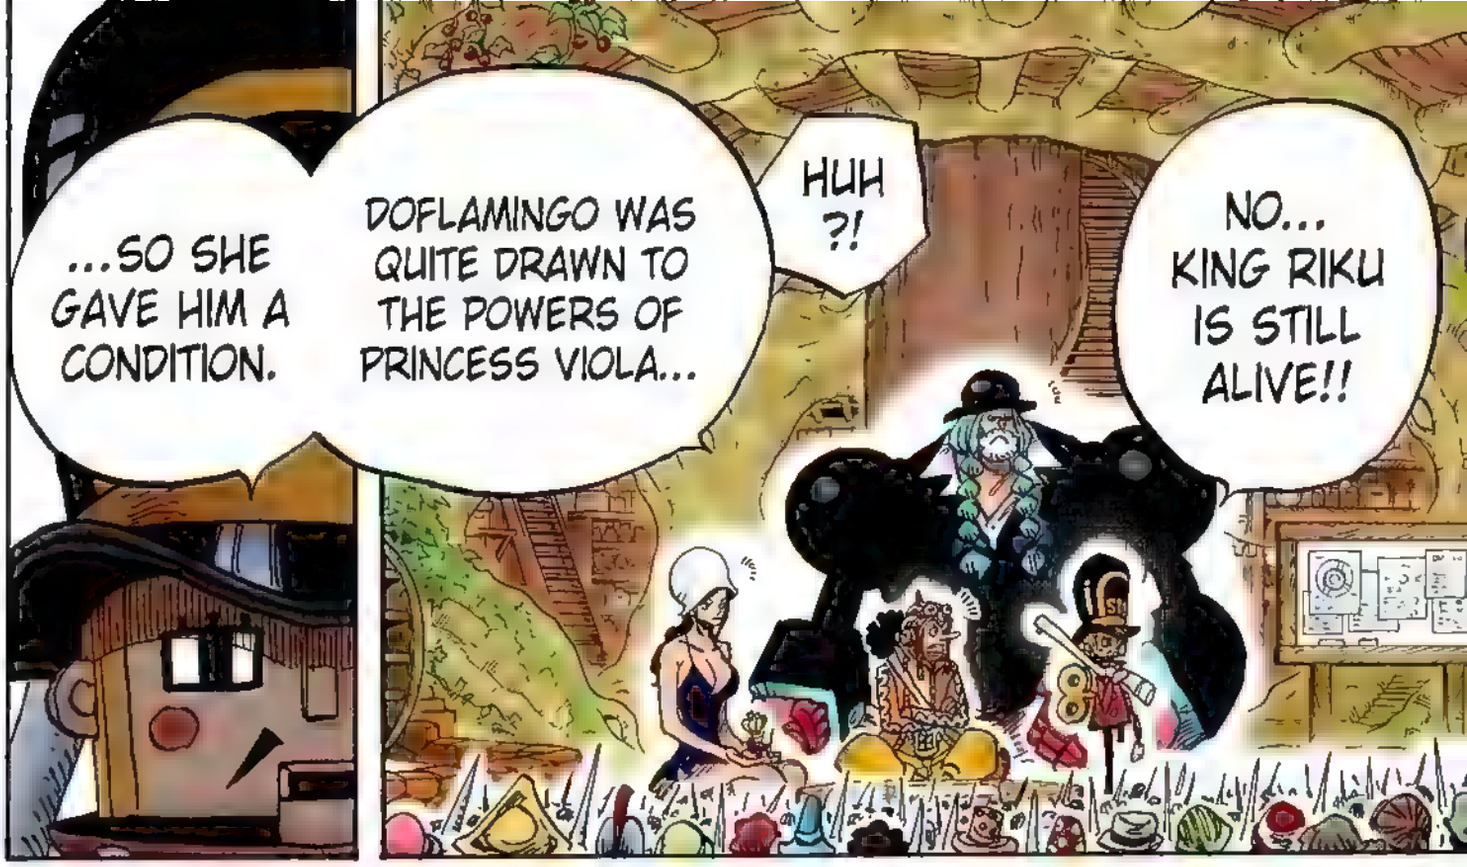
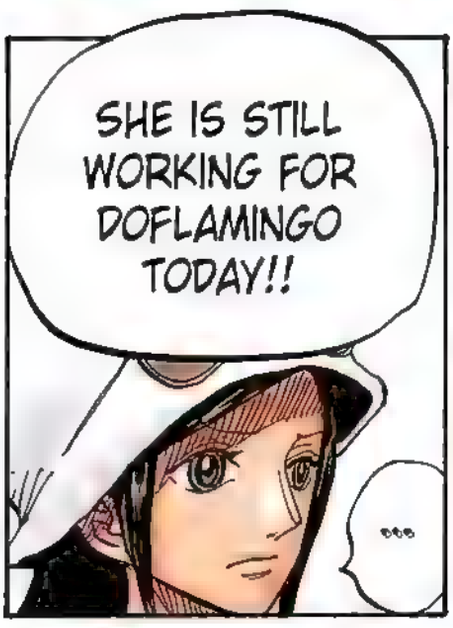
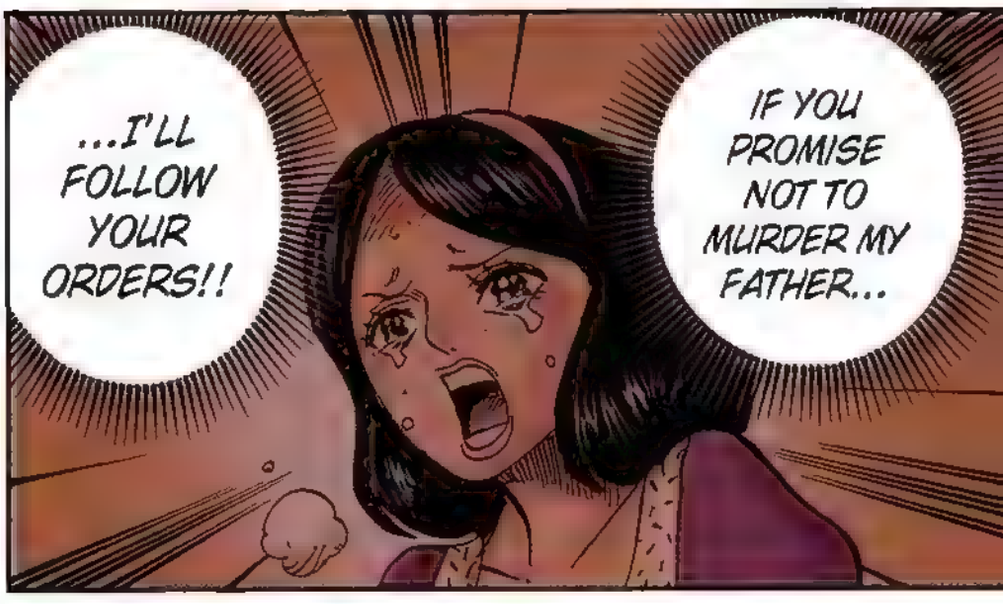
WHAT A DEVIOUS MAN...
SUCH AN AWFUL STORY... IT'S A NIGHTMARE!!!
THAT THE BELOVED KING OF THE COUNTRY...
MAN, THAT'S SO FRUSTRATING...
...WAS FRAMED AND DIED A HATED MAN!!
...AND WEACHED OUT TO NEW KING DOFLAMINGO. WELL, SEE WHAT DAT GOT US?
...WE BEWIEVED IN KING RIKU'S MADNESS...
AT DA TIME...
I'M ASHAMED DAT WE DID NOT TWUST HIM!!



...SO SHE GAVE HIM A CONDITION.
DOFLAMINGO WAS QUITE DRAWN TO THE POWERS OF PRINCESS VIOLA...
HUH ?!
NO... KING RIKU IS STILL ALIVE!!

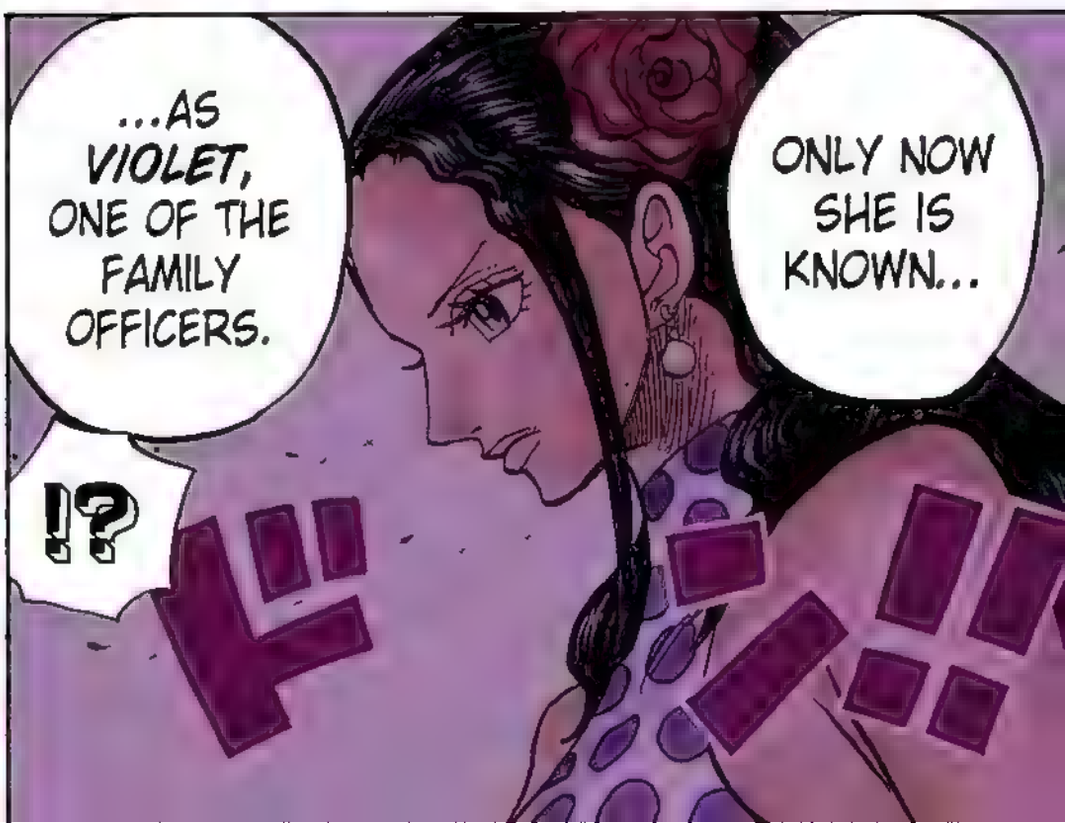


SHE IS STILL WORKING FOR DOFLAMINGO TODAY!!
...

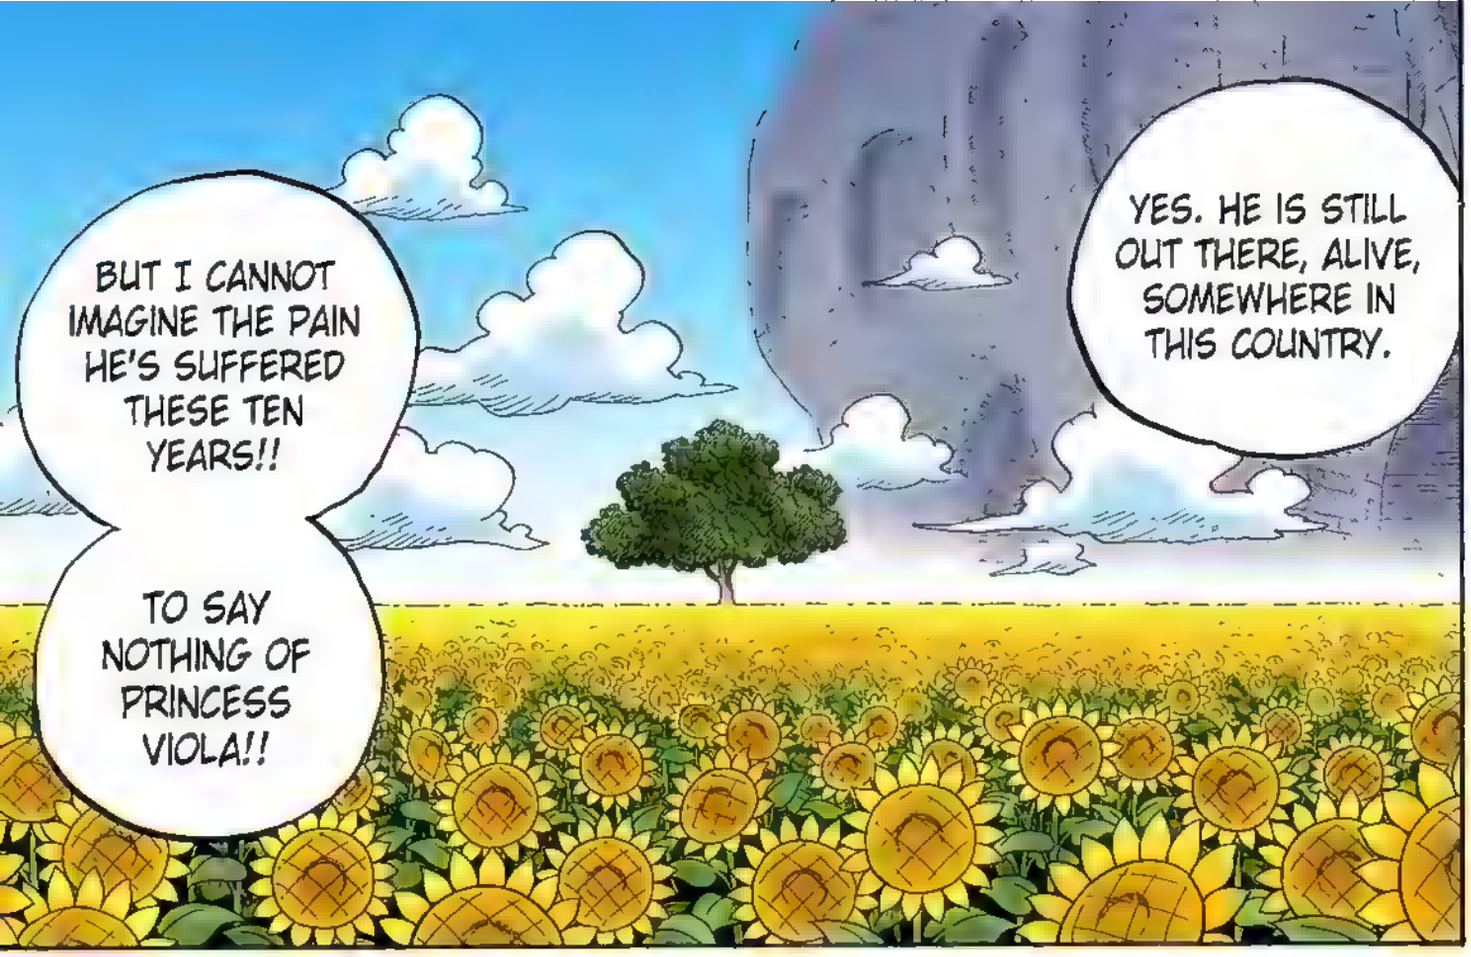


...I'LL FOLLOW YOUR ORDERS!!
IF YOU PROMISE NOT TO MURDER MY FATHER...

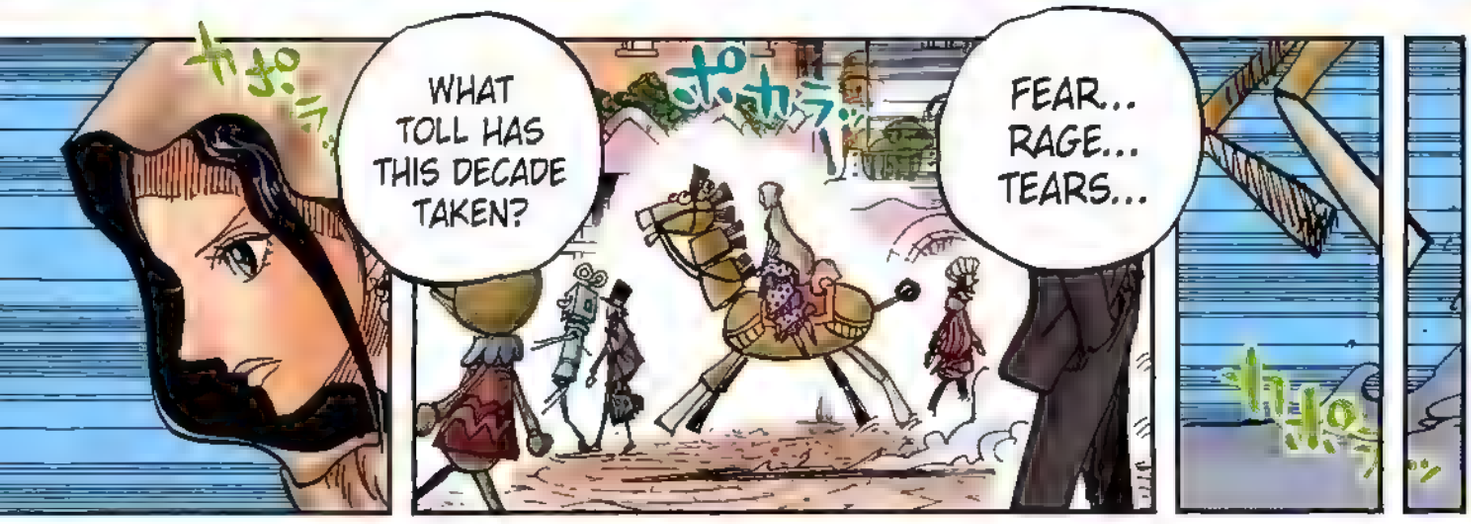
OFFICERS?! SO IT'S THANKS TO HER THAT KING RIKU'S STILL...
...



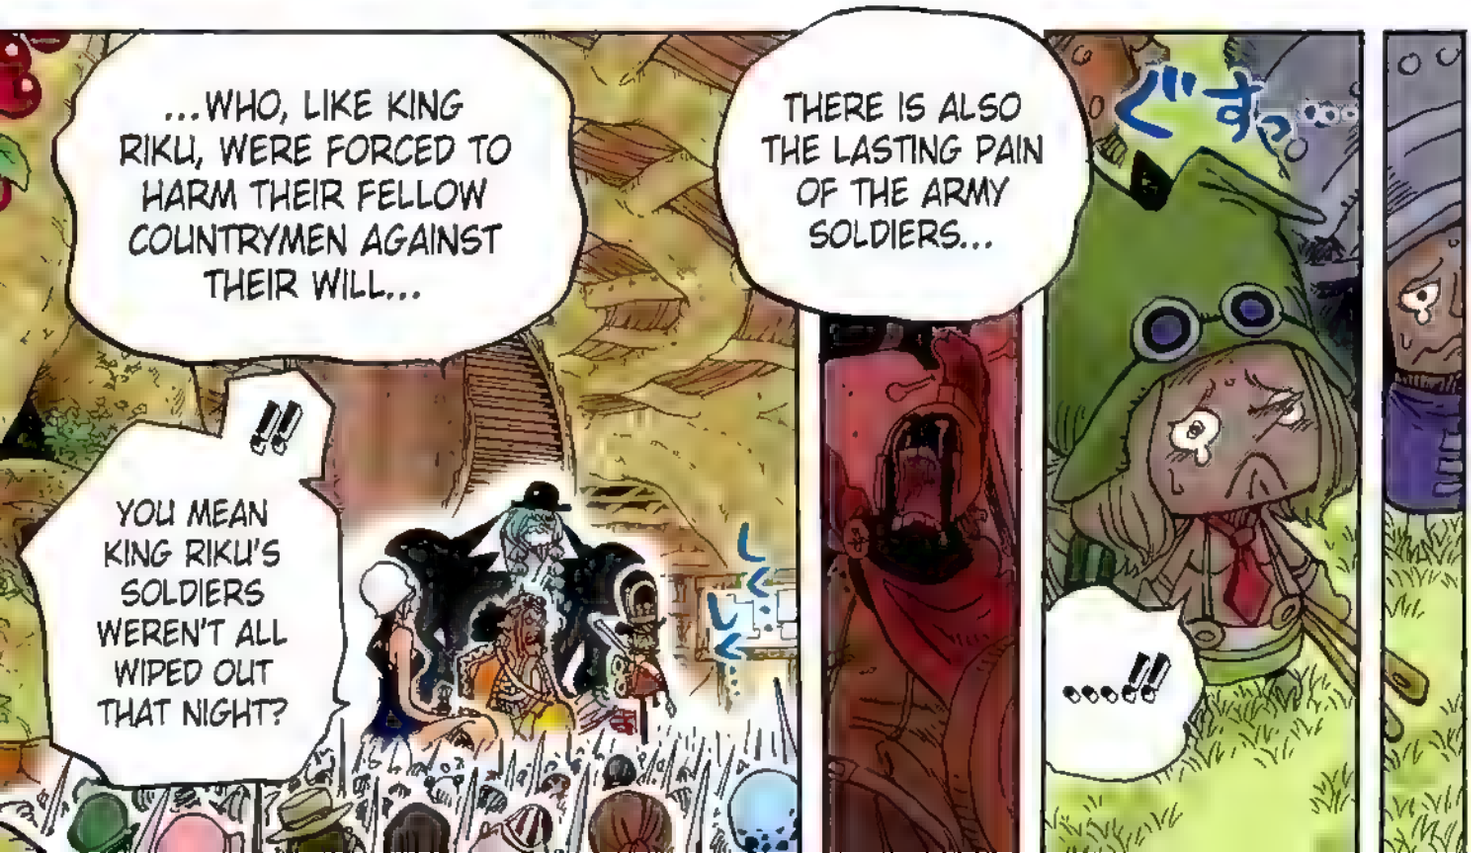
...AS VIOLET, ONE OF THE FAMILY OFFICERS.
ONLY NOW SHE IS KNOWN...
!?



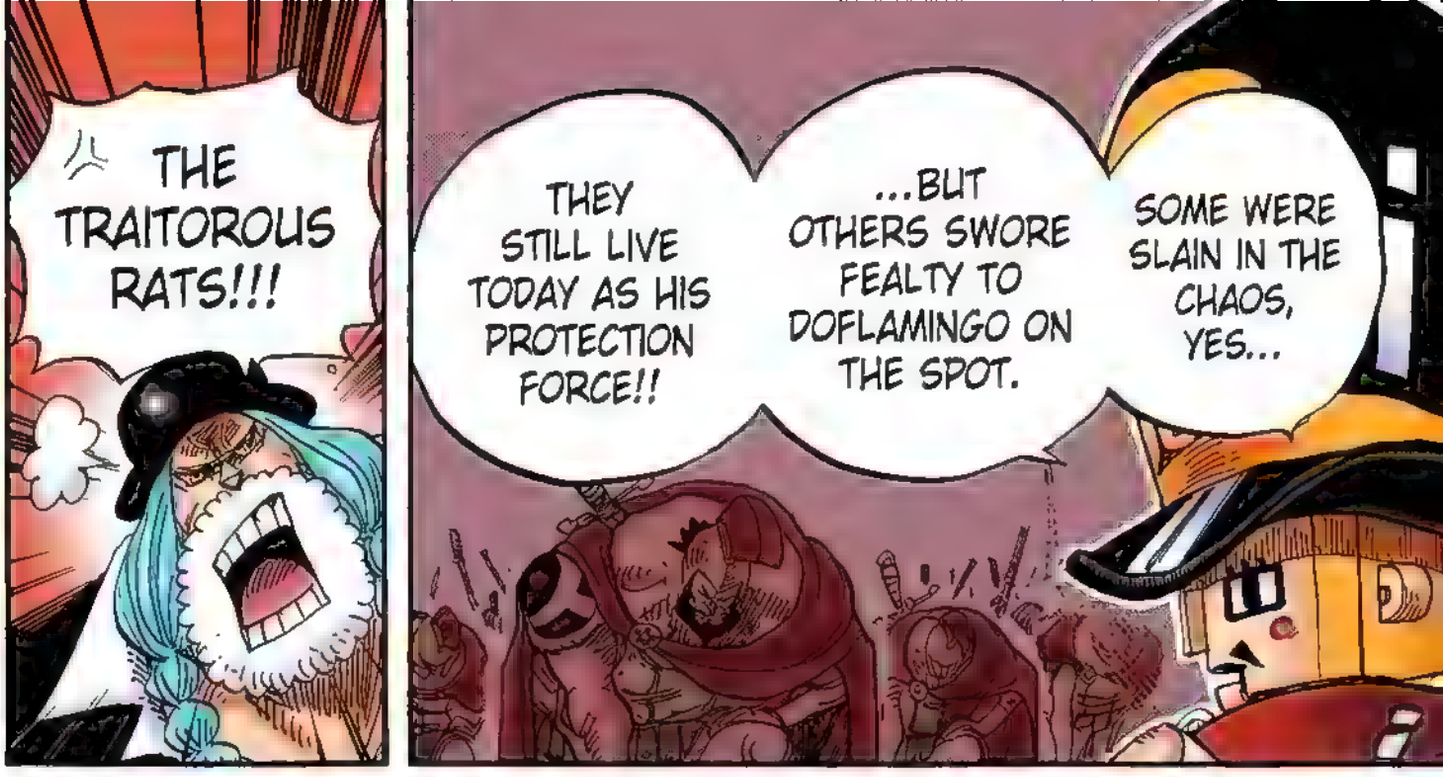
BUT I CANNOT IMAGINE THE PAIN HE'S SUFFERED THESE TEN YEARS!!
TO SAY NOTHING OF PRINCESS VIOLA!!
YES. HE IS STILL OUT THERE, ALIVE, SOMEWHERE IN THIS COUNTRY.



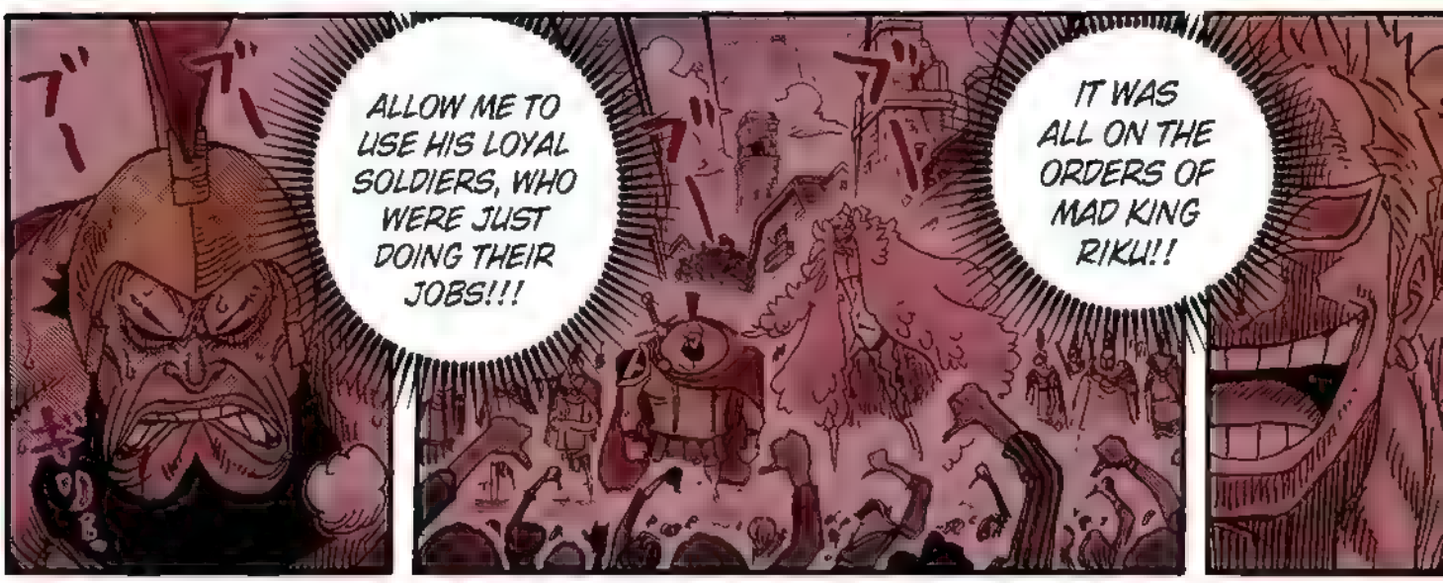
WHAT TOLL HAS THIS DECADE TAKEN?
FEAR... RAGE... TEARS...



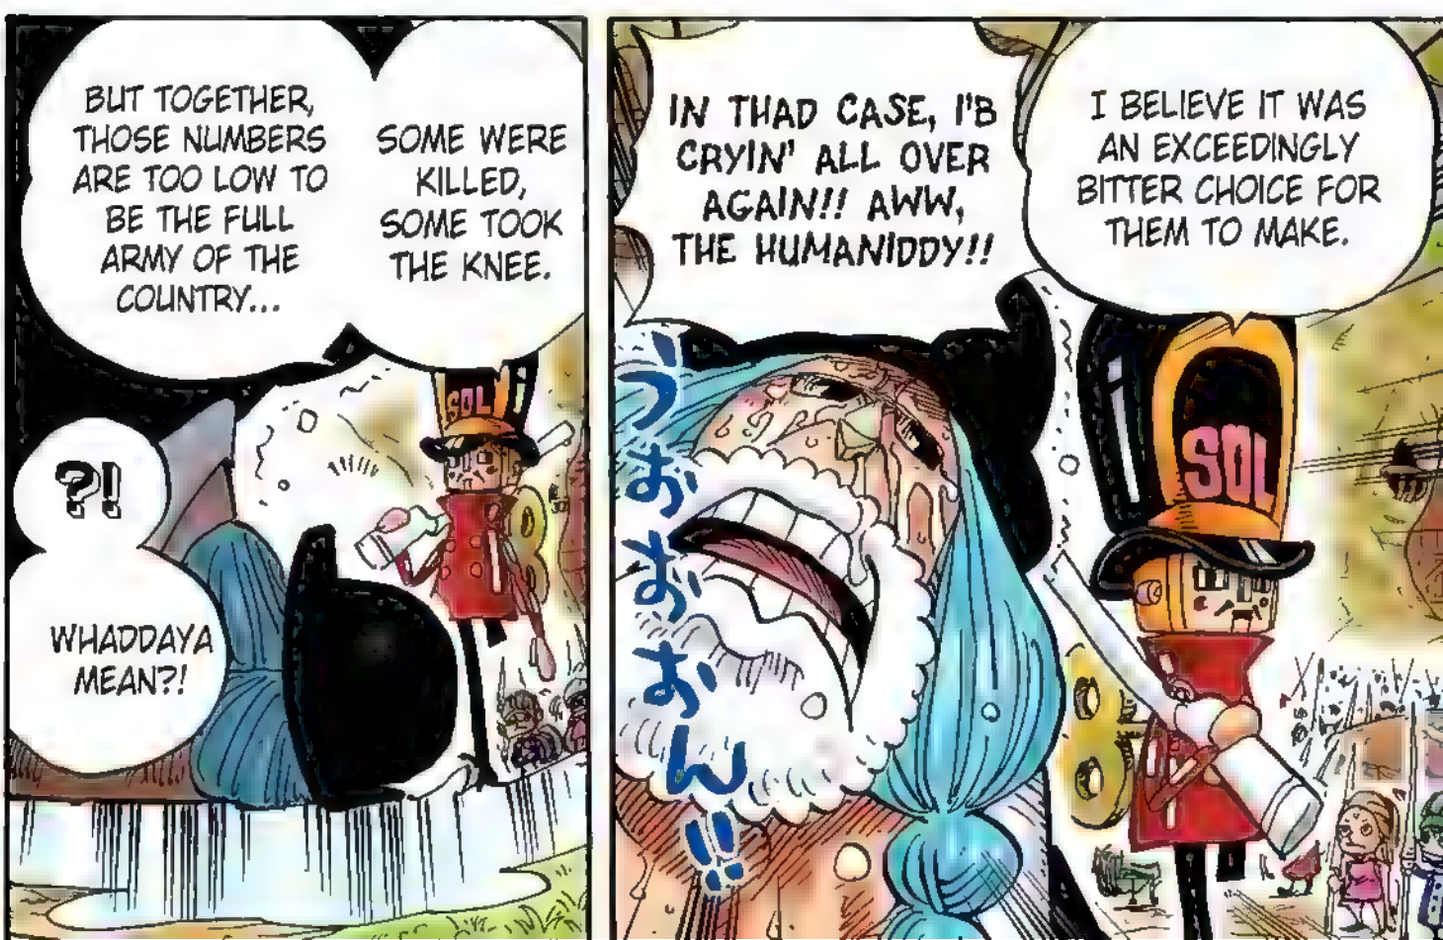
...WHO, LIKE KING RIKU, WERE FORCED TO HARM THEIR FELLOW COUNTRYMEN AGAINST THEIR WILL...
YOU MEAN KING RIKU'S SOLDIERS WEREN'T ALL WIPED OUT THAT NIGHT?
THERE IS ALSO THE LASTING PAIN OF THE ARMY SOLDIERS...
...!!



THE TRAITOROUS RATS!!!
THEY STILL LIVE TODAY AS HIS PROTECTION FORCE!!
...BUT OTHERS SWORE FEALTY TO DOFLAMINGO ON THE SPOT.
SOME WERE SLAIN IN THE CHAOS, YES...



ALLOW ME TO USE HIS LOYAL SOLDIERS, WHO WERE JUST DOING THEIR JOBS!!!
IT WAS ALL ON THE ORDERS OF MAD KING RIKU!!



BUT TOGETHER, THOSE NUMBERS ARE TOO LOW TO BE THE FULL ARMY OF THE COUNTRY...
SOME WERE KILLED, SOME TOOK THE KNEE.

WHADDAYA MEAN?!
IN THAD CASE, I'B CRYIN' ALL OVER AGAIN!! AWW, THE HUMANIDDY!!

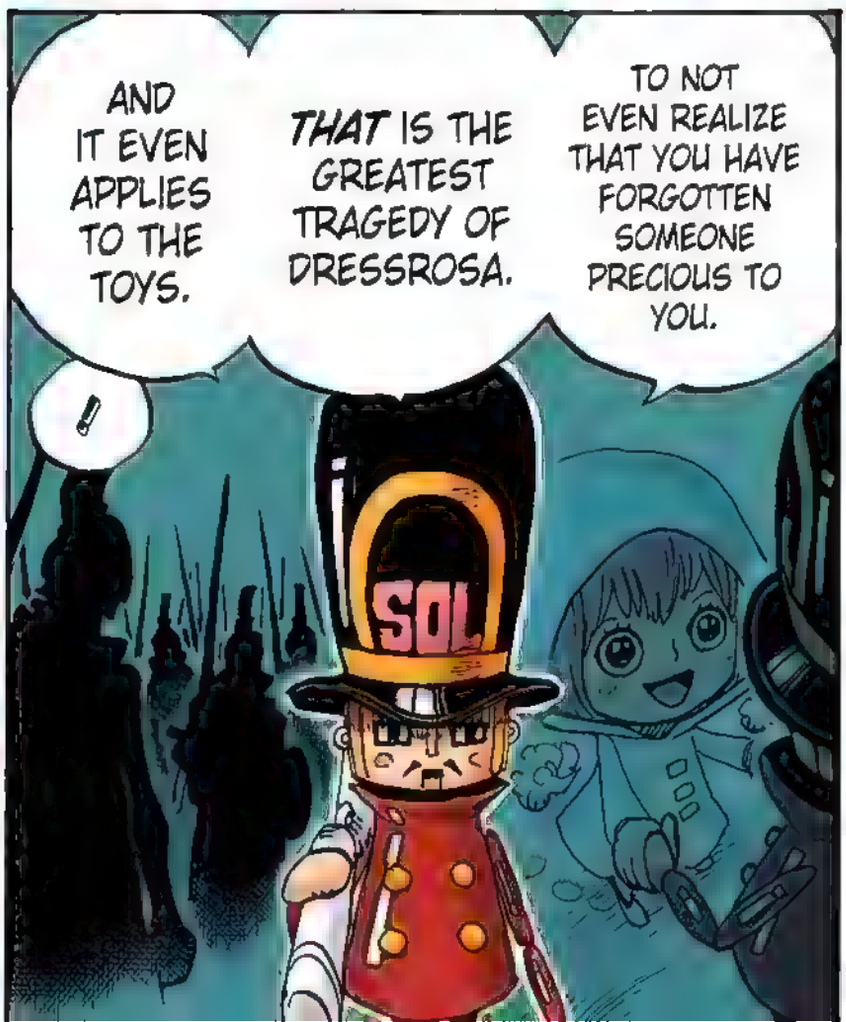
PRECISELY.



AND IT EVEN APPLIES TO THE TOYS.
THAT IS THE GREATEST TRAGEDY OF DRESSROSA.
TO NOT EVEN REALIZE THAT YOU HAVE FORGOTTEN SOMEONE PRECIOUS TO YOU.

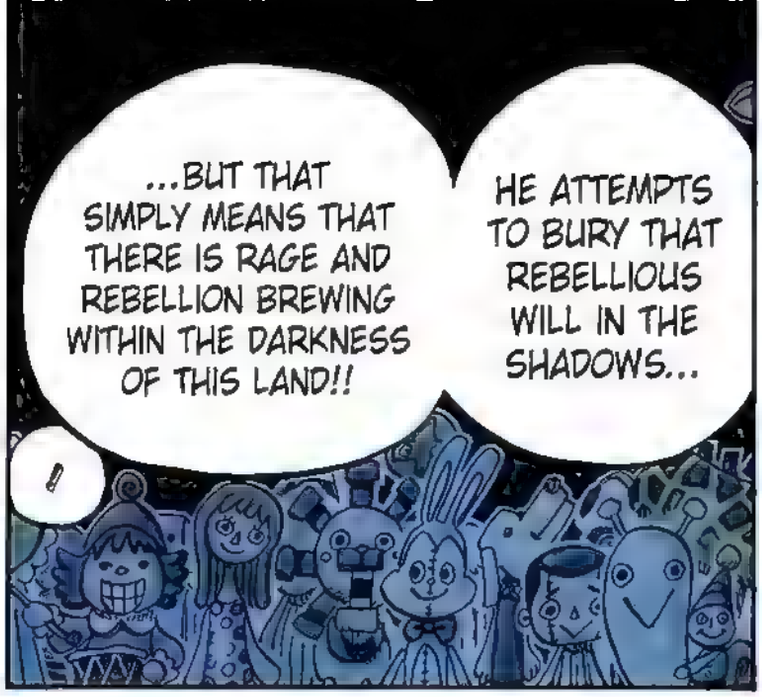
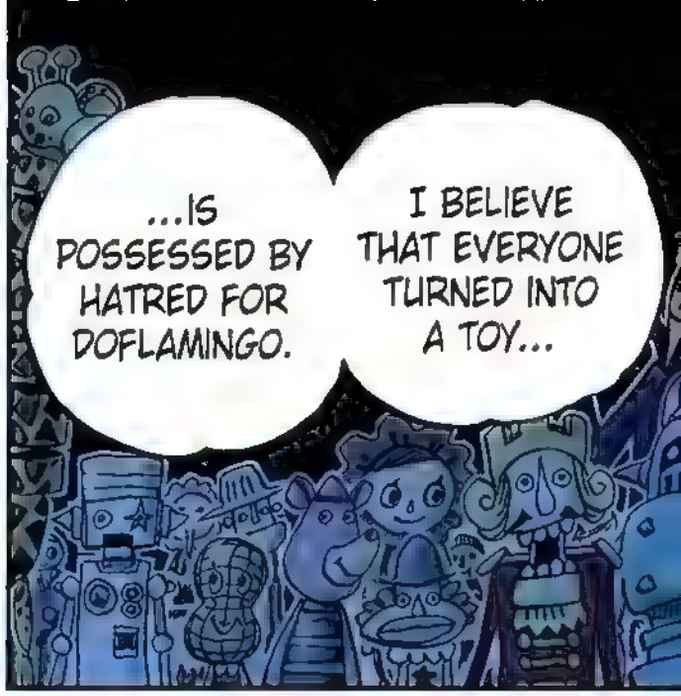
SOL

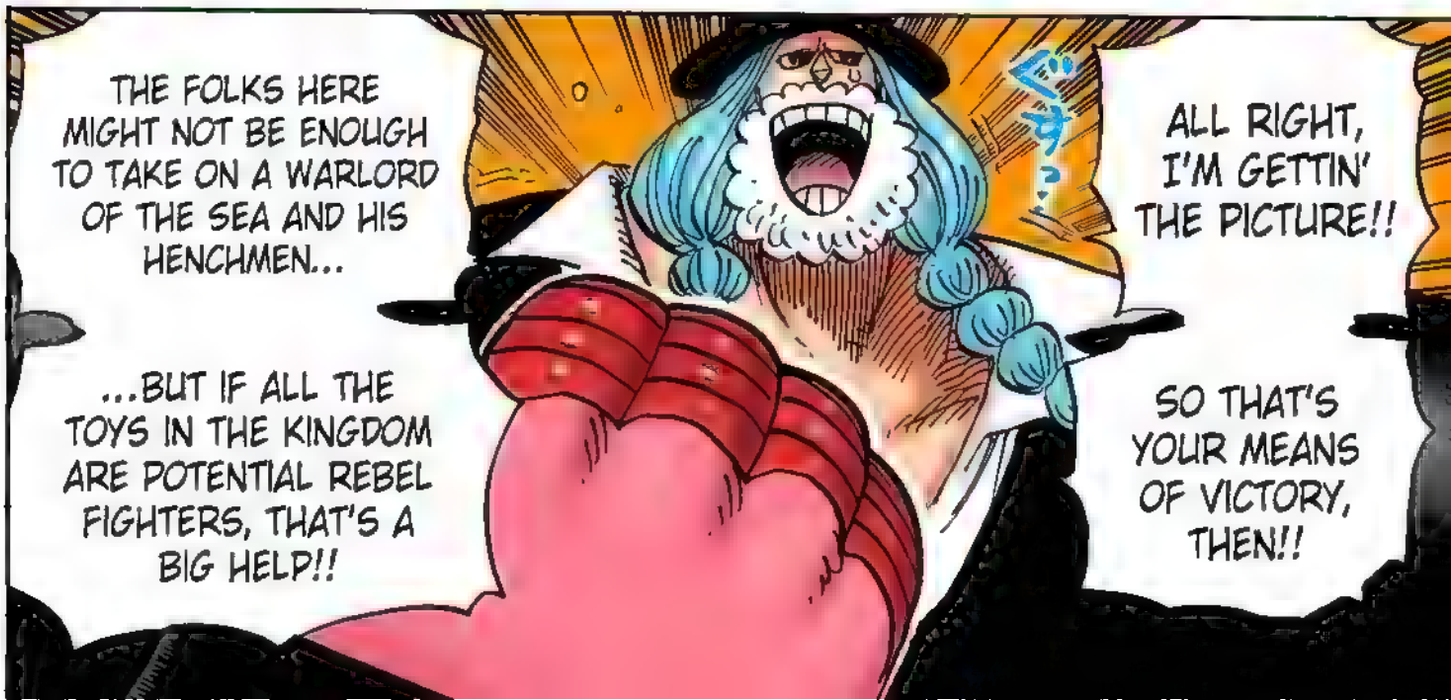


...BUT THAT SIMPLY MEANS THAT THERE IS RAGE AND REBELLION BREWING WITHIN THE DARKNESS OF THIS LAND!!
HE ATTEMPTS TO BURY THAT REBELLIOUS WILL IN THE SHADOWS...
!



...IS POSSESSED BY HATRED FOR DOFLAMINGO.
I BELIEVE THAT EVERYONE TURNED INTO A TOY...

...TO OUR OPERATION !!!
AND IT IS THE NUMBER OF TRAGEDIES...
...THAT HOLD THE KEY...



THE FOLKS HERE MIGHT NOT BE ENOUGH TO TAKE ON A WARLORD OF THE SEA AND HIS HENCHMEN...
...BUT IF ALL THE TOYS IN THE KINGDOM ARE POTENTIAL REBEL FIGHTERS, THAT'S A BIG HELP!!
ALL RIGHT, I'M GETTIN' THE PICTURE!!
SO THAT'S YOUR MEANS OF VICTORY, THEN!!

OH MY GOSH, WE'RE SO SORRY!!!

Q: I was looking up trivia on the Straw Hats, and I found that although they've all been given a favorite food, I can't find anything about their least favorite. So what are each of the Straw Hat Pirates' least favorite foods?!

--Ice Cream Nyangoro

A: Here you go. The reasons are inside the parentheses.

A certain establishment's cherry pie (No reason)

Chocolate (Too sweet)

Chocolate-covered orange slices (If she wants fruit, she'll eat regular fruit)

All fungi (Got sick once)

Konnyaku (No nutritional value)

Anything spicy (Not sweet enough)

Gum (Can't swallow it)

Marshmallows (Not hard enough)

Lemons (No cheeks to make a sour face)

Q: We've learned about two new Naval admirals: Fujitora and Ryokugyu. I wondered why you went with "fuji" (for "light purple" or "lilac") instead of regular "purple"?

--Aye-Aye Planet

A: Good question. I've made red, blue, yellow and green, so it seems natural to go with "purple" next. But when I started trying to turn that into a Japanese name, I had "Murasakitora" and "Shitora"... Hmm...

They don't roll off the tongue. Not catchy enough.

Well, how about Fujitora?

Now that's cool!! ✧

That's all there is to it. More importantly, what is wrong with your Ryokugyu?! As it happens, I've already designed his character, and he's super-duper cool! I can't wait to draw him.

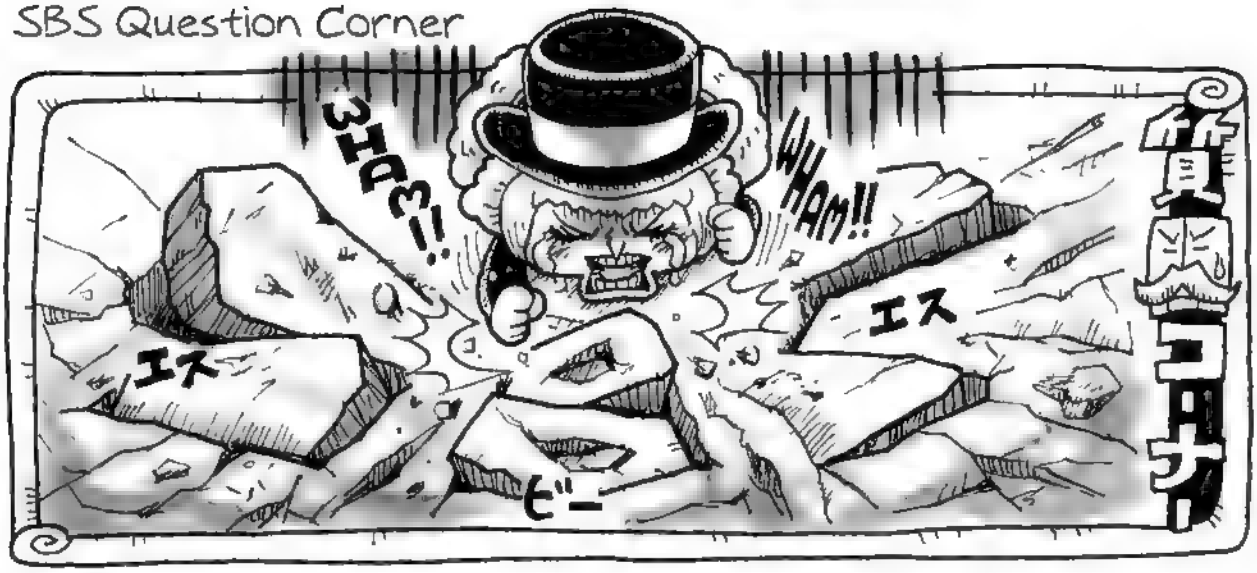
SBS Question Corner



(Hippo Iron, Saitama)

Q: Zolo and Sanji are always fighting! I was reading *One Piece* and thought it was odd that Zolo never seems to refer to Sanji by his name, so I went back and checked! I counted them up from Volume 5 (Sanji's introduction) to Volume 66! Here are the results, ranked by frequency!!!

(When Zolo Refers to Sanji)

(25+) You/he/him
(6) Cook
(5) Idiot
(3) Idiot cook
(2) Stupid cook,
Mr. Nosebleed

(once only) Love-struck fool, reckless idiot, rotten cook, fool, prince, useless idiot, pretty brow boy, ball-man, Prince of Stupid Kingdom, curly eyebrow, dart boy, dartboard eyebrow, stooge, Pirate A, twirly-brows, "Hgeegh," super guy, this guy, No. 7, perverted troll, liar, loser-cook, idiotic horn-dog, moron, clown

(When Sanji talks to Zolo)

(45+) You/he/him
(14) Zolo
(10) Mosshead
(5) Idiot
(3) Stupid swordsman
(2) That guy,
crappy swordsman

(once only) Fool, crazy kid, stupid idiot, crazy guy, muscle-bound fool, swan man, idiot mosshead, jerk, cactus head, moss, dummy, stubborn fool, scruffy-headed swordsman, idiot swordsman, green hair, that thing, moss ball, muscle-head, green, useless turd, cheeky bastard, lost little mosshead

★ In conclusion, Sanji does in fact refer to Zolo by name, but Zolo does not return the favor!

--Little Marron

A: ...Okay. Thank you very much, Little Marron!!
So you counted them all... This was very fun to read! Some of these terms made me wonder when they'd said these things. Indeed, I have trouble imagining Zolo calling him "Sanji" by name. Not once, eh? Wow. Well, they might not get along well, but they're both valuable, trustworthy men who have Luffy's back. So let's forgive them their squabbles (laughs).

[Ed. Note: In the Viz edition, Zolo does call Sanji by name a few times for the sake of context, but he does not say "Sanji" explicitly in the original Japanese.]

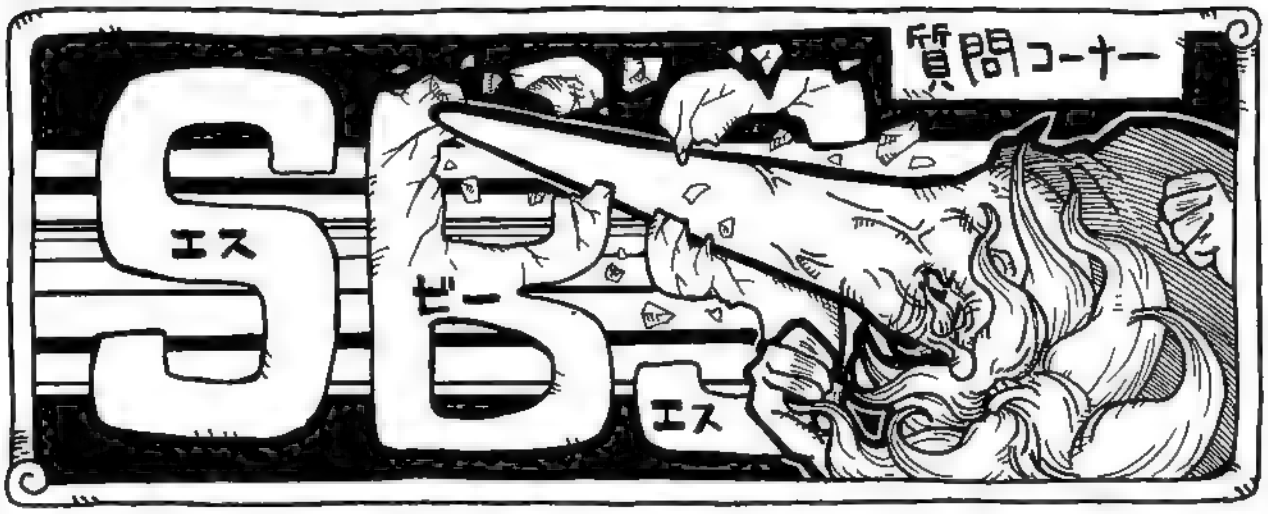
SBS Question Corner



(Hitode, Ibaraki)

Q: It's nice to make your acquaintance, Oda Sensei. First of all, "You're a naughty big person!" Secondly, those little Tontattas are so gosh-darn cute. I want to know as many names and positions as possible. Please (x100) tell me.

If you don't, I godda rip off all yoh clothes!

--Beautiful Lady Swordsman Carrying Meat

A: Huh? But I'm already naked... Okay! Here you go! Some of them haven't really been drawn clearly yet, so they only get design sketches.

Not remembering their names won't affect your ability to understand the story. If I don't make a character's name clear enough through the story, it's not that important of a name to begin with. This answer ate up a whole page though!

Well, it's time. That's another SBS in the can! See you next volume!!

SO SHOW ME WHAT YOU CAN DO... I'M EXPECTING BIG THINGS.

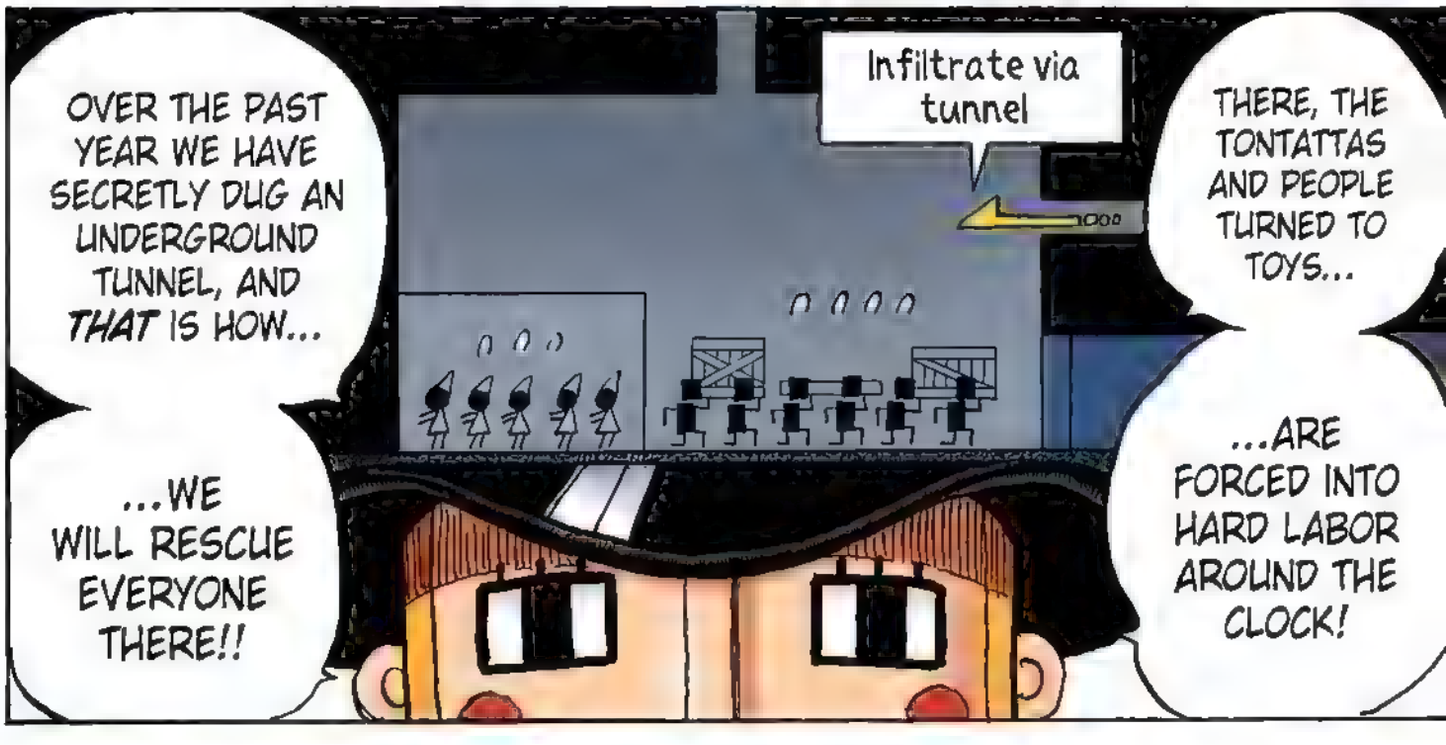
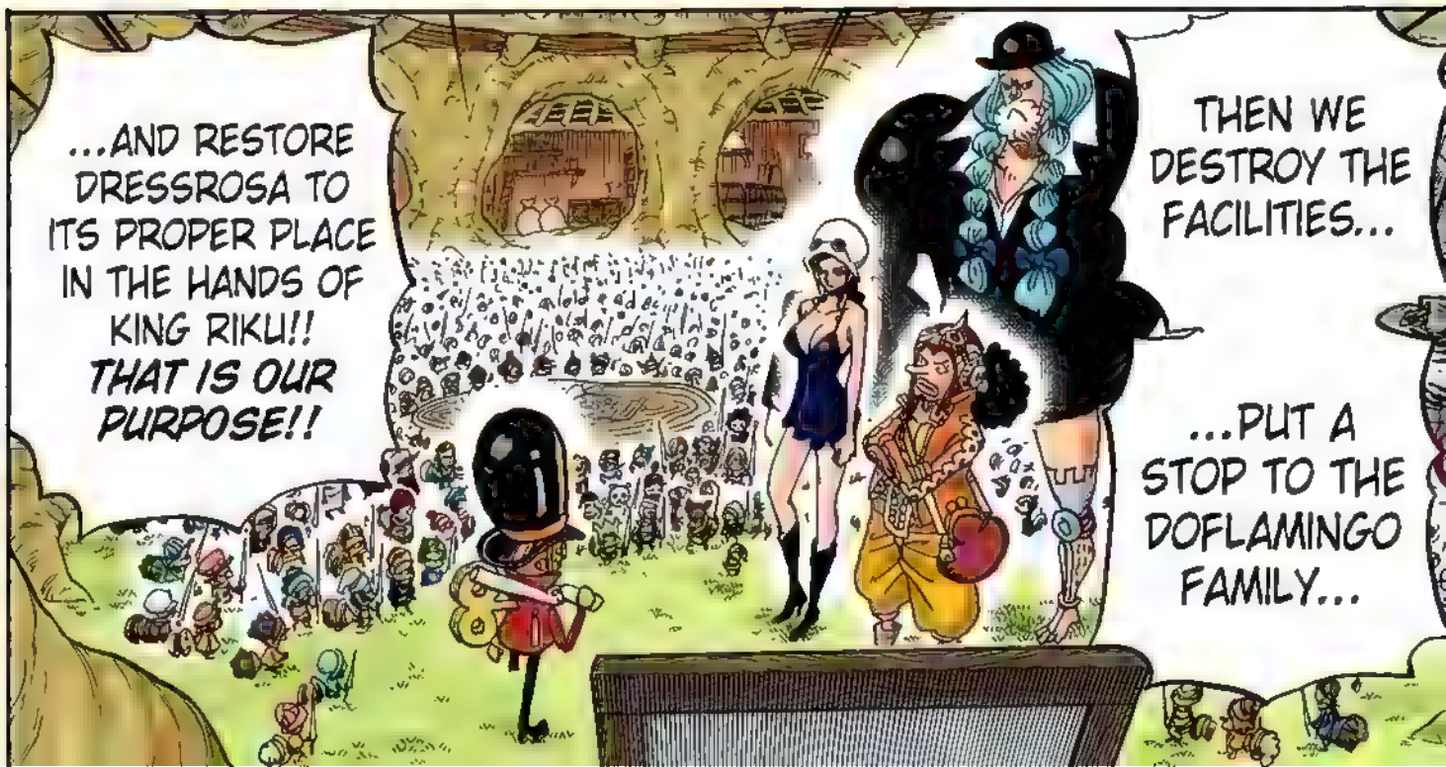
BUT WHAT DOES S.O.P. MEAN?!
THERE IS A TRADING PORT FOR CARRYING OUT BLACK MARKET DEALINGS, AND A MYSTERIOUS FACTORY.
Factory & Trading Port
SO
BENEATH THIS COUNTRY, UNBEKNOWNST TO ALL...
...IS AN ENORMOUS SUBTERRANEAN WORLD!!



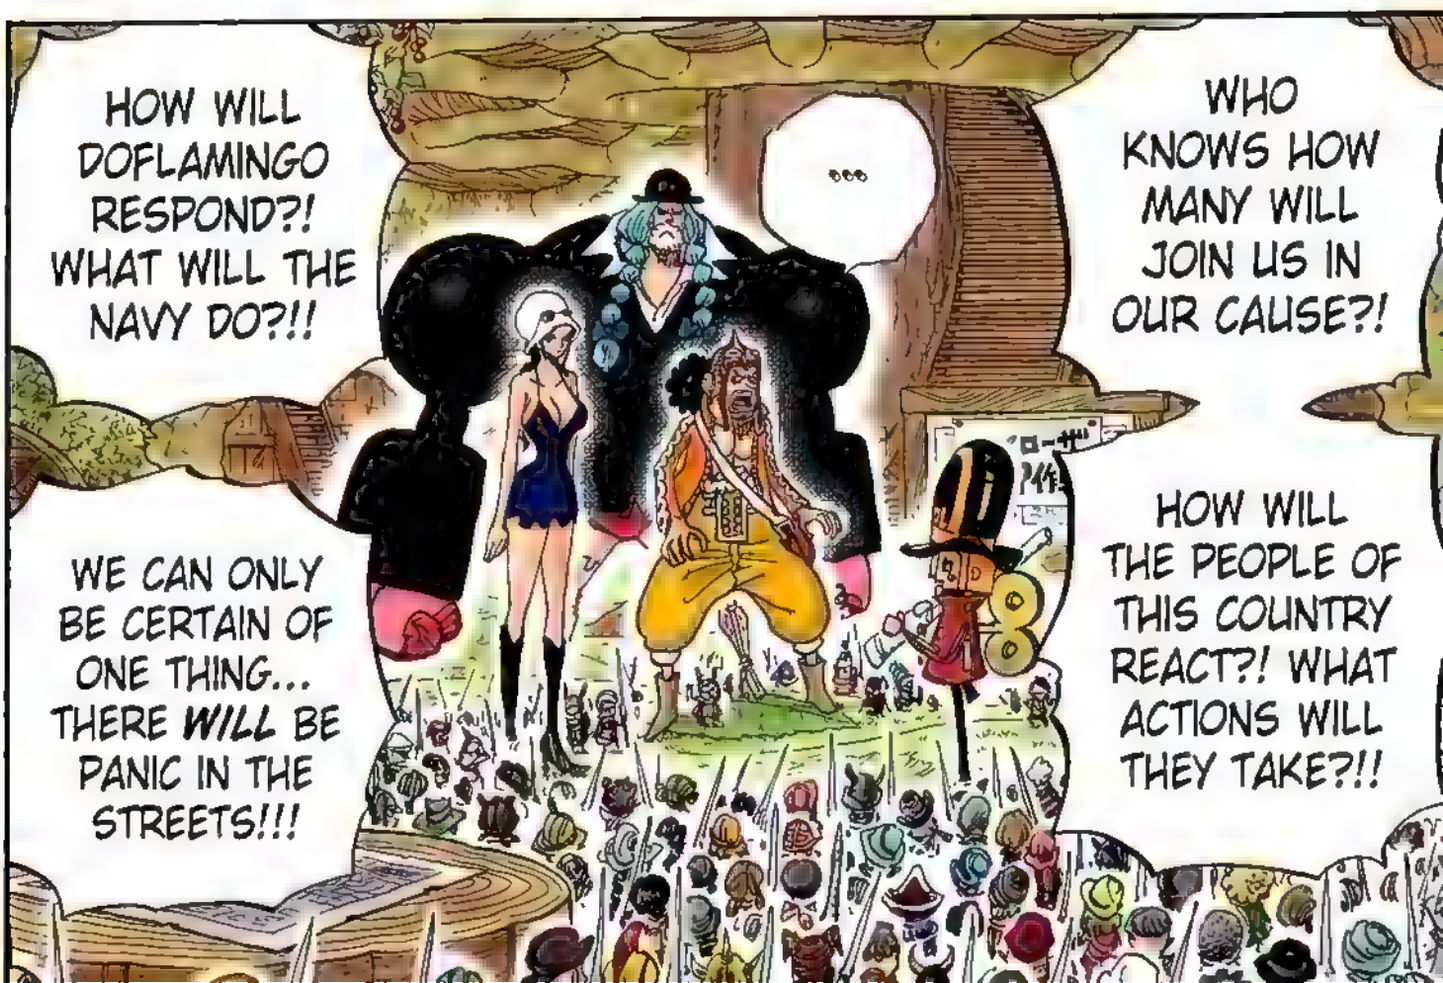
OVER THE PAST YEAR WE HAVE SECRETLY DUG AN UNDERGROUND TUNNEL, AND *THAT* IS HOW...
...WE WILL RESCUE EVERYONE THERE!!
Infiltrate via tunnel
THERE, THE TONTATTAS AND PEOPLE TURNED TO TOYS...
...ARE FORCED INTO HARD LABOR AROUND THE CLOCK!



...AND RESTORE DRESSROSA TO ITS PROPER PLACE IN THE HANDS OF KING RIKU!! *THAT IS OUR PURPOSE!!*
THEN WE DESTROY THE FACILITIES...
...PUT A STOP TO THE DOFLAMINGO FAMILY...

OF COURSE, THIS PLAN REPRESENTS THE *IDEAL SCENARIO!!*
YOU MAKE IT SOUND SO SIMPLE...
BUT FIRST, THERE IS ONE DUTY WE *MUST* CARRY OUT ABOVE ALL ELSE!!
?
SOL
AFTER ALL, NONE OF US CAN POSSIBLY PREDICT WHAT WILL BE HAPPENING TO DRESSROSA...
...JUST AN HOUR FROM NOW.
!?
AND WHAT DO YOU SUPPOSE WILL HAPPEN THEN?
OH--! YOU MEAN...THE SPELL WILL BE UNDONE?
...THE ONE WITH THE *HOBBY-HOBBY FRUIT* WHO TURNED US INTO TOYS!!!
WE MUST *STEAL THE WITS* OF DOFLAMINGO'S FLUNKY...
!!!

AT THAT POINT, NOT EVEN WE CAN PREDICT WHAT WILL HAPPEN!!
AT THE SAME TIME, THE LOST MEMORIES OF ALL THE PEOPLE OF THE KINGDOM WILL COME FLOODING BACK!!!
CORRECT!! AND EVERY TOY IN DRESSROSA WILL INSTANTLY BE RETURNED TO ITS FORMER HUMAN SHAPE!!
SOL



HOW WILL DOFLAMINGO RESPOND?! WHAT WILL THE NAVY DO?!!
WHO KNOWS HOW MANY WILL JOIN US IN OUR CAUSE?!
WE CAN ONLY BE CERTAIN OF ONE THING... THERE *WILL* BE PANIC IN THE STREETS!!!
HOW WILL THE PEOPLE OF THIS COUNTRY REACT?! WHAT ACTIONS WILL THEY TAKE?!!

ACCORDING TO OUR TONTATTA RECONNAISSANCE, SHE IS IN THE UNDERGROUND TRADING PORT RIGHT NOW.
SO WHERE'S THIS HOBBY-HOBBY PERSON NOW?! ARE THEY TOUGH?!
SHE IS A GIRL WHO TRANSFORMS ANYONE SHE TOUCHES INTO A TOY.
OUR TARGET IS SUGAR, A SPECIAL OFFICER IN THE ♣TREBOL ARMY.
SHE MIGHT APPEAR YOUNG, BUT IT SEEMS...
...THE FRUIT FREEZES ITS EATER IN TIME, NEVER TO AGE.
DUE TO HER VITAL ROLE, SHE IS UNDER THE CONSTANT PROTECTION OF TREBOL, ONE OF DOFLAMINGO'S HIGHEST OFFICERS.

I'M PUMPED UP NOW! FRANKY HAIR SALON!!

RAHH !!
OUR ENEMY'S A LITTLE GIRL?! FOLLOW MY LEAD!!
YEAH !!!
YES. BY GIVING HER A SHOCK SO GREAT, SHE LOSES CONSCIOUSNESS. IN OTHER WORDS...
OPERATION (S)UGAR + (O)VER-WHELMED = (P)ANIC!
SO IF WE CAN JUST ROB HER OF HER WITS...?
WE WON'T LEAD YA INTO A LOSING BATTLE!! SHOW US THE WAY TO THE UNDERGROUND TUNNEL, LITTLE SHRIMPS!!!

THAT'S RIGHT!! HAVE NO FEAR, MY FRIENDS!!
YEAAAH!! THE USOLANDERS !!!

↑学生時代にこの人が日本の偉人、聖徳太子だと習いました。が、最近この肖像画は太子じゃないという説が浮上し、揺っています。つまり、〝聖徳太子は、いつもしゃもじを持った食いしん坊〟という僕の説もくつがえるわけです。じゃあキミは、一体、どこの食いしん坊だ!!! 歴史はまだまだロマンがいっぱい。73巻、スタートだ!!

Every once in a while, there's a craze for that sticky, chewy, "mochi-mochi" texture in foods. Well, I've discovered the perfect mochi-mochi food— it's mochi.

Here comes mochi-mochi volume 74!!!

-Eiichiro Oda, 2014

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

--Kozuetty

A: Excuse me?! Are you implying that my joke fell flat?!

Q: Hello. I fell in love with Cavendish at first sight. So Odacchi, I'd love to know his birthday… How about this? Caven sounds like Cabbage, which is a vegetable, which is yasai in Japanese, and that becomes 8/31 when you turn it into numbers. Sound good?

--Prince with Shining Teeth

A: Hmmm.. (pretending to mull it over) Hmmm... (pretending to mull it over) Okay. (doesn't really care)

Q: In Chapter 731, when the toy soldier is explaining Operation S.O.P., I noticed that there are little Tontatta versions of Luffy, Zolo, Sanji, Chopper, Nami, Brook and even Pandaman! What does this mean?! I'm sure my **beloved** Mr. Oda has a **very, very deep** reason behind it! If you don't tell me,

--I'll Start the S.B.S.

A: Whoa, you started the S.B.S.! But... it's already going? Anyway, well spotted. Reason? None whatsoever. I just challenged my readers to see if I could slip it past them. Well, I lost.

Q: Oda! I was playing Underwear Man with my little sister yesterday, putting underwear on my head. Want to play? It's simple, just put the underwear on and run around saying, "You'll pay if you don't put underwear on your head!" That's it! Try it out! It's fun!

--Maebara

A: Wow, that does sound fun! Wheee!! Knock it off!!ミ That's disgusting!!

Q: Robin's hands are truly **gorgeous.** Please let me rub them.

--Yoshikage 0130

A: Pervert!!!ミ Please, you have to stop this! I'm getting constant complaints from the PTA about this section. Stop sending in these undignified comments and questions!

Q: Which scene made you cry the most as you were drawing it? Please tell me.

--ca-100

A: Ahh, now this... This is the kind of serious question I want. There are plenty of scenes that got me teary as I drew them. In fact, it's often so difficult to draw that I have to get up out of my chair. The one that made me cry the most, or at least was the most painful, was probably the scene where Vivi says, "Stop all the fighting!!" in volume 23. That was so hard I couldn't finish it for a while. There are plenty of scenes I can think of, but that might be the one.

Q: Here's a question. If Marco's wiener gets cut off, will it grow back?

--Seigan

A: Yes, even his marcus can grow back. Hey!!!ミ

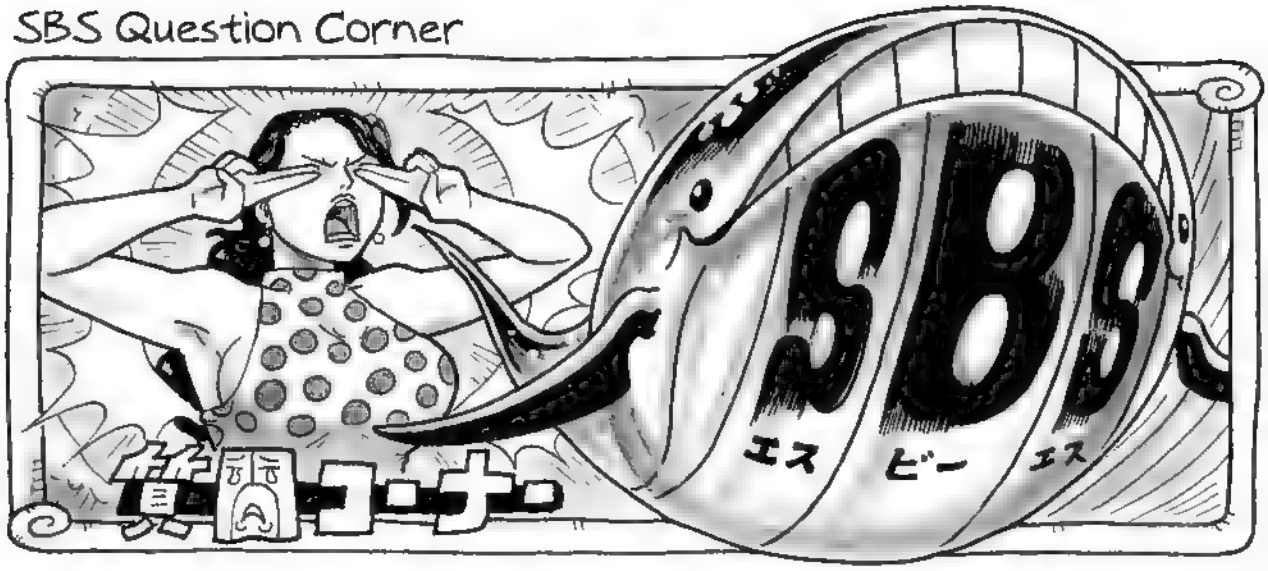
SBS Question Corner



(Hippo Iron, Saitama)

Q: Can Fujitora's birthday be August 10? "Fu" can refer to 8, and "to" can be 10.

--Torohitamanu

A: Hmm... (pretending to mull it over) Hmm... (pretending to mull it over) Zzz... (fell asleep) Ah!! (Woke up) Okay. (doesn't really care)

Q: Heya, Odacchi! Is Fujitora based on the role of Zatoichi, the blind swordsman played by Shintaro Katsu? I don't know who that is, but Mommy and Daddy said so.

--Mitarashi Dango

A: Yes, that's right. My generation would never mistake good old "Katsu-Shin," but I suppose the younger folks wouldn't know him. There are plenty of newer movies with the Zatoichi title, but he was originally a sub-character from a totally different story played by an actor named Shintaro Katsu. Between TV productions and movies, there are over a hundred pieces of film based on this famous character. Let me guess, you're not interested? I know that! So anyway, Katsu-Shin really hated reading scripts, so when it came to the TV shows

Q: Mr. Oda, when will we get to see Naval Admiral Momousagi (Pink Rabbit)? Sexy dynamite Momousagi, with her lethal knockout beauty! I can barely sleep at night from all the anticipation.

--Sanji's Brother, Yonji 2

A: Hmm? Momousagi...?
Umm, the current admirals are Kizaru...Fujitora...Ryokugyu...
Momousagi? Oh! I know who you mean.
Y-yeah, of course! The vice admiral! She was one of the candidates for admiral, right? Yeah, totally! I can show you right now. This is Vice Admiral Momousagi. ➡
Some say she might be modeled after a young Michiyo Kogure.

A: Did you all figure it out? To find out if you answered correctly, turn to page-- **why would you need to look up the answer?!!** Come on, you loveBirds! That's obvious! Oops, sorry, flew off the handle a bit there. Anyways, I put this one in the book not because of the quiz, but because I liked the drawings. (Guess what? The answer is (I).)

*By the way, in volume 72, I said the coliseum was based on ancient Greece, but that was wrong. I was thinking of ancient Rome. Sorry about the mistake.

SBS Question Corner

(Michi Nakahara, Tottori)

Q: They say that Luffy's Supreme King Haki can knock out fifty thousand, but what about Nami's Happiness Punch?

--Captain Nobuo

A: Ooh, good question. That's a tough matchup. Of course, in person, the Happiness Punch only affects those who can see it, so it's no match for Luffy. However, if you can use visual transponder snails, Luffy's Haki won't travel over the airwaves, but Nami can lay waste to the entire world, so I think she would win. Even worse, Nami's Happiness Punch costs 100,000 Berries per person, which is deadly to anyone's pocketbook. In a way, it's much crueler than Haki.

Q: I want to know when the Straw Hats go to sleep and wake up!

--Fujiyama

A: That's a very interesting question. They don't seem to get into a rhythm very often, but here's the general idea. (S) stands for sleep, and (W) stands for wake.

(S) When he's tired
(W) When his eyes open
(About five hours of sleep)

(S) 4:00 AM
(W) 7:00 AM
(Plus naps)

(S) 11:00 PM
(W) 7:00 AM

(S) 1:00 AM
(W) 8:00 AM

(S) 12:00 AM
(W) 5:00 AM

(S) 9:00 PM
(W) 7:00 AM
(Plus naps)

(S) 11:00 PM
(W) 6:00 AM

(S) 1:00 AM
(W) 9:00 AM

(S) 12:00 AM
(W) 5:00 AM

A: When they sail at night, the ship needs guards at the fore and aft, so there are always two awake at any moment. Everyone switches out in two-hour shifts. It's very rare that they're all asleep at once.

EIICHIRO ODA

Lately, it seems like companies don't use regular color names for their products. Instead of brown, they'll say "chocolate," or "rose" instead of red. It's very fashionable and nice. There's "champagne gold," "mint," "wine," "ruby," "cherry," "chocolat," "caramel," "natto," "rice," "miso soup," "pickled plums," "and now," "booger-colored," "volume," "75," will begin!!

-Eiichiro Oda, 2014

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

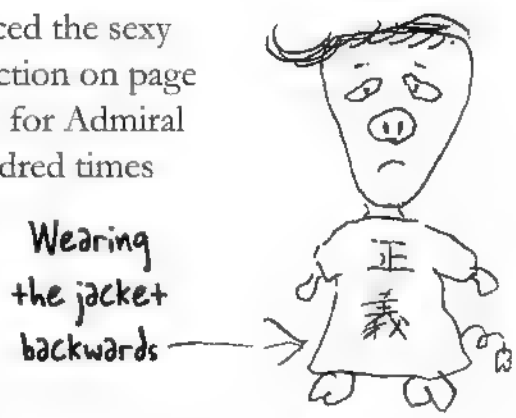
Q: Now that the midterms are nearly here, there's only one thing for me to do.
I'm gonna be king of the pirates!!
--Momota-ro

A: That's not right!! That's not right... Right?!
You're making a big mistake with your life, sonny.

Q: Odacchi! Hello. Remember when you introduced the sexy dynamite Naval Admiral Momousagi in the section on page 86 of Volume 74? Well, how about this design for Admiral Chaton (Brown Pig), who asked her out a hundred times and got shot down a hundred times? ➡
--Hideyan of Akaike



A: Um, since he's not actually an admiral...he must be one of the potential admirals who were in the running along with Momousagi. You're talking about this ➡ Vice Admiral Chaton, right?! I found him in my sketchbook. As a matter of fact, for a time I was considering making the next group of admirals based on a pig and kappa, the water imp. That way, I'd have monkey, pig and kappa, just like in Journey to the West. Instead I went with the tiger and bull I'm using now. There's a reason for that, but I'm not saying.

Q: I was reading Volume 63 and stopping to look at how cute Shirahoshi was, and realized something. The former slave girl who Tiger brought home to her village was named Koala, right?? Right?!!!!
Well, why don't you explain it all, Mr. Oda?!!

--Grand Red Apple

A: That's right. If anyone didn't notice the connection, I'm perfectly happy with them treating her as a new character, but I was glad to see that many folks realized who she was. The people of the Revolutionary Army all have their own reasons for opposing the way the world works, but if you look at her title of "Assistant Fish-man Karate Master" and where she started, you can see what kind of life she's been through, and it brings a tear to your eye. To me, Koala's lived the exact opposite life of Hody, and that makes her very meaningful to me.

Q: Nice to meet you. I'm a shark-loving 24-year-old woman. Sharks are famous for having two penises. Does that mean that Hody has two penises too? How many penises do you have, Odacchi?

--I Want Shirahoshi for My Wife

A: They have two?! ⚡ Sharks have two?! I had no idea. That's a well-known fact?! I've drawn a ton of sharks, but I never knew that. Thanks for the tip. In that case, Hody has two. I guess instead of a ding-dong, he's got a "ding-ding-dong-dong"!
I'm fine just having one.

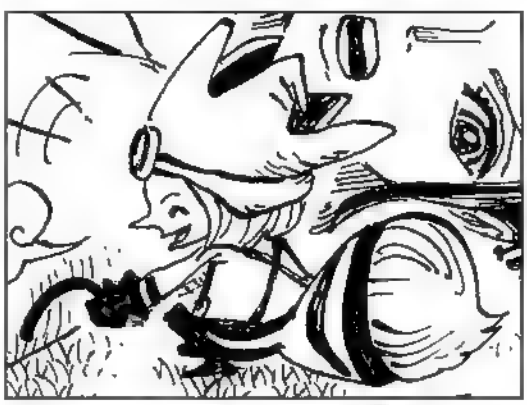
SBS Question Corner

(Hippo Iron, Saitama)

Q: What are those things that look like tails growing from the Tontattas' butts?

--Maa



A: Um, tails. They might seem to be fluffy at first glance, but they have firm bone and muscle underneath. The tails help them move swiftly, and serve as powerful bludgeons in combat.

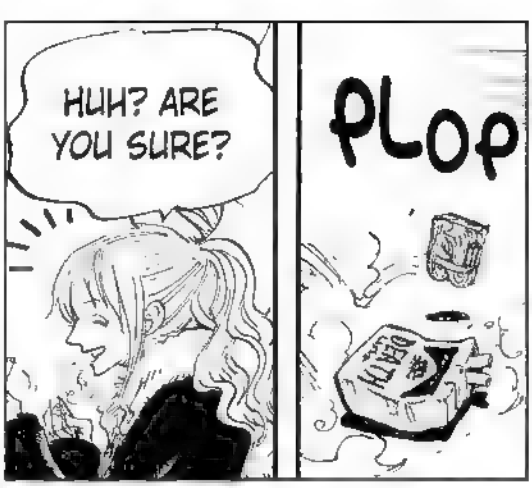
Q: I have a question. I always thought my husband had the Stick-Stick Fruit powers. His face and neck and armpits are always sticky. But if it turns out that Trebol had the Stick-Stick Fruit…then what powers does my husband have?

--Emukichi

A: He's just oily.

Q: Are the lighter that Sanji used in *One Piece Film Z* and the lighter from the opening theme song "Hands Up!" in the anime series actually the same thing?

--Cook-Obsessed A.K.



A: "Hands Up!" was the previous opening, right? I don't know if they used it there too, but when producing *Film Z*, I did a personal collaboration with the French company Dupont, and the lighter we designed went into the movie. As a matter of fact, it also showed up in Chapter 663 (Volume 67) of the manga. Did I mention this before? Whatever.
I bet you can see pictures if you just do an internet image search for "Dupont Oda." Sanji uses that lighter.

Q: I have a question, Mr. Oda. These two fellows who love polka dots have to be the same person, right? I guess he really did see Ricky fight as a young man.

--Park Taguchi

Vol. 71, Chapter 707, Page 133

Vol. 74, Chapter 742, Page 208

A: You're referring to the scene in the present where the guy says he's seen the masked gladiator Ricky (secretly King Riku) fight before. In the past, there was indeed a masked fighter named Ricky. This person writing in wonders if this fellow in the stands was the same coliseum fan years ago. So close!! But you're on the right track. As a matter of fact, you can see him in a **different** flashback scene. See this fellow in Chapter 741? Doesn't he look exactly the same? Now look at the panel you originally pointed out, but look over his shoulder instead. That's him!! (ha ha)
So who is this connoisseur of the gladitorial arts? He is Sawyer Wayback, age 56. He loves watching sword combat so much, his wife and kids left him, but he's doing all right!

Vol. 74, Chapter 741, Page 202

Panel in Question

Q: Good morning (at 3:00 AM). Look at Chapter 560 in Volume 57! When Luffy gave Hancock a bear hug, the Navy sailors called it a "sabaori" in Japanese, or a "mackerel snap." I've never heard this term before. Where does it come from?

--[T.T]

A: Sabaori is a sumo term, actually. It's a move where you leap onto the opponent with all your weight to push them over. The sailors must have assumed that's what he was doing when Hancock fainted away after that.

SBS Question Corner

(Michi Nakahara, Tottori)

Q: Odacchi, nice to meet you! So what's Sugar's real age?! I've been so obsessed with her, Sugar's all I can think of during my exams! And I'm supposed to be preparing for college... Thanks to that, my test results were awful.♡

--Gahara

A: Ah, I see. That's too bad. If I let you in on some behind-the-scenes stuff, it turns out she can't actually be all that old. Her appearance is frozen at age 10, but her actual age is 22. She's two years younger than Baby 5. Actually, why don't I just list the ages of the entire family?

They range from their teenage years to their 70s--no wonder they're called a "family." Well, that's all the time we have. No more SBS! Look forward to the results of the popularity poll in the next volume!

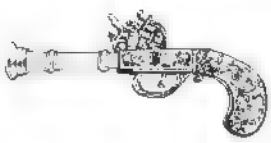
The following saying is often held to be male chauvinistic:
"A wife should follow three steps behind her husband."
This actually stems from an old samurai custom. If you were a samurai carrying around a dreadfully long katana, never knowing when you might need to use it, could you really let the most important person in your world walk next to you? The three steps are a distance meant to keep womankind safe!! So a real man should propose by saying, "Do me the honor of following three steps behind me for the rest of our lives!!"
Now let's start three steps behind Volume 79. It's Volume 76!!!

-Eiichiro Oda, 2014



Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

The crew happens across Trafalgar Law on the island of Punk Hazard. At his suggestion, they form a new pirate alliance that seeks to take down one of the Four Emperors. The group infiltrates the kingdom of Dressrosa in an attempt to set up Doflamingo, but Law is abducted after falling into a trap. The rest of the crew meets a one-legged toy soldier who informs them of the nation's hidden darkness, and they decide to help the Little Tontattas in their fight for freedom. Luffy rescues Law from captivity, and Usopp succeeds in freeing those who have been turned into toys. Furious, Doflamingo covers the island in a giant birdcage and puts bounties on our heroes' heads!! (Fujima, Fukuoka)

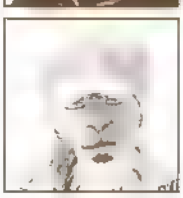
Q: I was noticing that Law's crewmates are Penguin, Bepo, and Shachi, which means killer whale. Does that mean Law's supposed to be a spotted seal? I mean, that pattern on his hat is pretty suspicious… Explain!!

--I am the Walrus

A: I see, ha ha. They're all Arctic animals, aren't they? His hat does look like a seal. Okay, let's go with that. By the way, when Mr. Toshio Asakuma created his One Piece x Animal mash-up figurines, he depicted Law as a snow leopard. So there you go, another cold-climate animal.



Q: Mr. Oda, draw Franky cute! What would happen if Franky was *kawaii?*

--Keisuke Igarashi, age 12, 7th grade

A: Here. I tried my best, but it didn't work...

Q: If the Straw Hat Crew weren't pirates, what jobs would they have? Tell us! (I'm assuming Sanji is a cook…)

--H. Momo, age 9

A: Actually, I got the following answers from a different reader's suggestions. They asked the same thing and wrote their own ideas on the side, but they were so perfect that I agreed with all of them. So they have my stamp of approval.

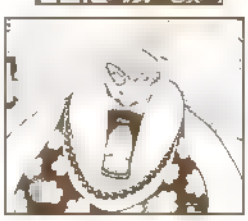
SBS Question Corner

(KUPY Family, ? Prefecture)

Q: Mr. Oda, your love of large boobs is so well-documented that it's basically just a disease at this point. But a woman's charms are not limited to her breasts, and so I have long awaited the entrance of a flat-chested character. So…has that day finally arrived?! Yes, let's hear it for Dellinger, age 16, with the most gorgeous legs in the Doflamingo Family! Could this be the first true flat-chested girl in *One Piece?*

--Waremo Wife

A: Sorry! He's a man!! I seem to have confused many readers with this one. He was picked up by the family as a baby, and Giolla did most of the work taking care of him. Basically, she raised him like a girl because that was her style.



Q: Hello, Mr. Oda! In Chapter 747, Koala snaps a pic with a little transponder snail. Is that another kind of visual snail? Or does it have a new name, like a "photographic transponder snail"? Tell us!!

--Samurai Ryota

A: Yes, that's a visual transponder snail. It's the same as the kind on the walls of Impel Down. There are both cam-snails that fulfill the role of a camera, and pro-snails that receive signals and project them onto a wall. As a matter of fact, those are just the juvenile and adult forms of the same snail. A cam-snail can stock still images or videos, while pro-snails can also receive signals and display them.

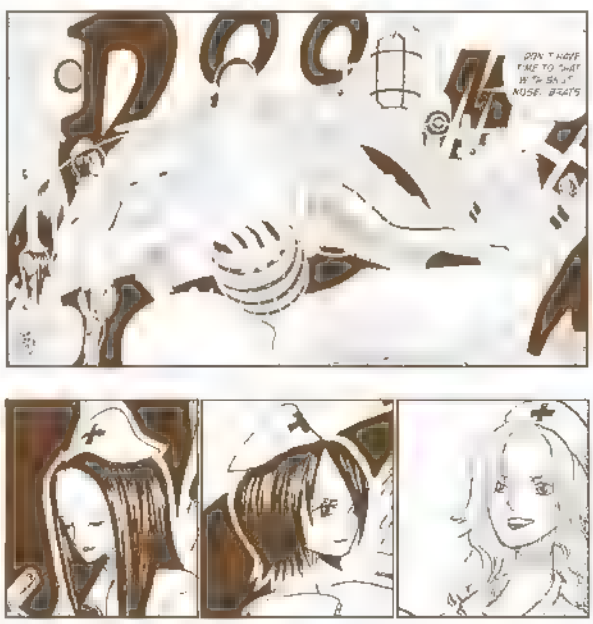
Q: Odacchi! Question! Are there no women in the Whitebeard Pirates? I'm curious! --Ringo

A: Hmm. There were female nurses on his ship during his first appearance in Volume 25. They're actually the medical team of the Whitebeard Pirate Crew. However, Whitebeard never allowed any women on his ship as fighters. That's why there were no women on his ship when they showed up at the Paramount War in Marineford. He was prepared to die in that battle. He ripped off all the medical apparatuses that kept him alive, sent all the tearful nurses off of the ship, and headed off to the final battle with only men at his side!! I didn't draw it, but that was a bit of drama behind his entrance.



Q: Mr. Oda, I've got a problem!! My family can't tell the difference between Zolo and Sanji!! Can you distill it down in a format so iconic, they never get confused again?

SBS Question Corner

(Moyashicchi, Osaka)

Q: Hello, Odacchi! My question is, this fellow from Chapter 341 in Volume 36 was introduced as Happa in the SBS of Volume 43, but in the data book *One Piece Blue Deep*, it says his name is Mr. Yamao. Explain!

--Bon Voyage

A: Okay. His name is Happa Yamao.

Q: Naaa ha ha ha ha ha ha ha! Howdy! This is UME! If all you do is stare at Nami's chest, you get a blast of orange juice in your eyes! *Squoosh!* Anyway, I noticed that many manga artists have their own Twitter accounts now. Why don't you, Odacchi? Now prepare for a stream of searing citrus juice at your eyes! *Squoosh!*

--UME

A: Yeow! That stings! Knock it off! Is this fresh-squeezed?! Anyway Twitter Does everyone really have a Twitter now? Well, I won't I don't ever put myself directly on the Internet. I haven't before, and I won't now. I only release messages through Shueisha or Toei The only thing I do is submit scribbled doodles for the official one-piece.com site, because they said so. That's it.

Q: On page 158 of Volume 13, Dorry says that giants live three times as long as humans. How long do the little Tontattas live? It must be long, since Wicka looks like that at age 27.

--OP Girl

A: That's right. Some giants live to 300, some live even longer. The little people all look young, but that's mostly because of their proportions. I've heard they can live to be 150, though. Dey live just a widdle bit longer than humans.

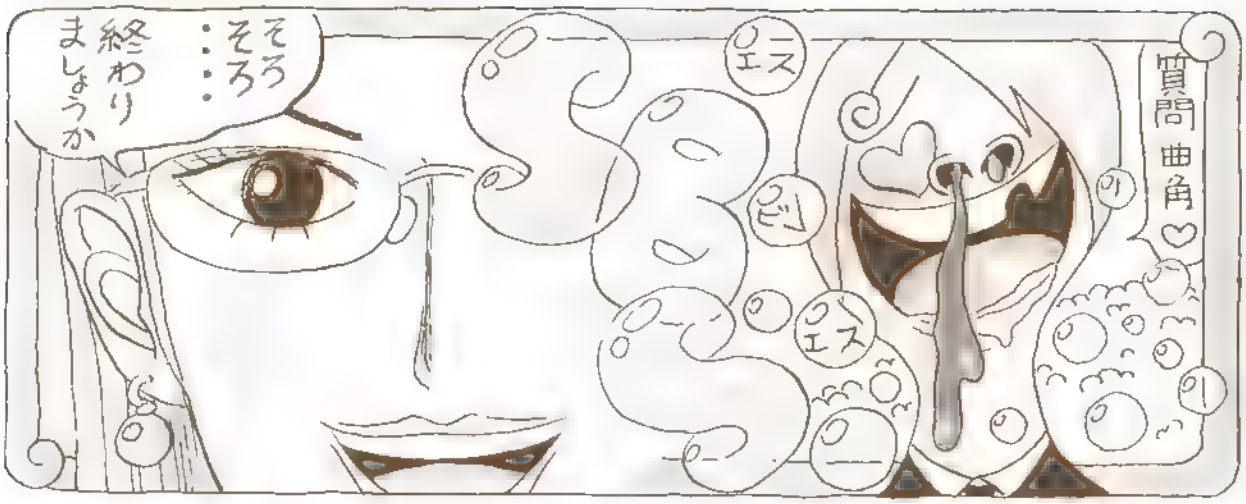
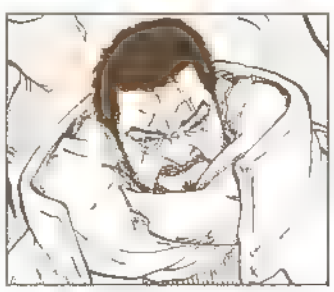
SBS Question Corner



(In My 50s, Oita)

Q: Remember that question in Volume 75 about the reason you used tiger and bull as the animals for the new Naval Admirals?! Well, I've got an idea…
We know that the original three of Akainu, Aokiji and Kizaru mean "Red Dog," "Blue Pheasant," and "Yellow Monkey," respectively. And in the fairy tale of Momotaro, the boy born from a peach befriends a dog, pheasant and monkey, who join him on his travels as he seeks to vanquish the army of demonic oni on the island of Onigashima. And how are oni usually depicted? With tigerskin loincloths and bullhorns!
So here's my interpretation: the animals on Momotaro's side stand for law and order, and the oni stand for pirates. Since we know that Fujitora wants to abolish the World Government's Seven Warlords of the Sea system, is it possible that Ryokugyu and Fujitora, the two newest admirals, are both Navy men who bear some kind of rebellious streak against the powers that be? (Assuming that anti-government means pirates.)
What do you think? Am I on the right track?
--Rooster Hair Guy



A: Huh? M-me, panic? (cold sweat) W-why would I do that? That's silly.
Well, that's a whole lot of complex information you just shared. If anyone wants to read anything into that, they're certainly welcome to do so. I'm not saying if it's right or wrong, that's all! (sweat drop) I'm just saying..this was a letter I received! And now you have seen it for yourselves.
Anyway, the SBS is now finished!!!
At the end of the volume, you'll find the results of the latest character popularity poll that we ran in Japan! For some reason we forgot to do a present lottery for those who sent in their votes. It has been six years since the last one, after all...
Thanks to everyone who voted in the poll! Go ahead and see where your favorite placed!

C'MON, WE'RE EATING HERE!!
...AND SNUCK OVER THE BORDER.
I HID IN A MOUND OF BODIES...
AND WHAT DO YOU BEAR YOUR GRUDGE AGAINST?

...IN ANYTHING ANYMORE.
I DON'T BELIEVE ...

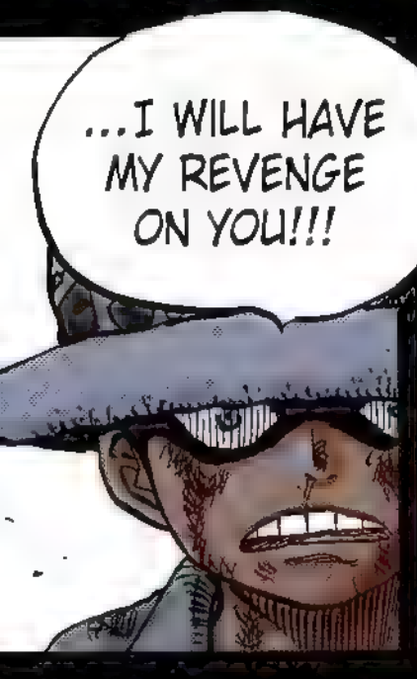
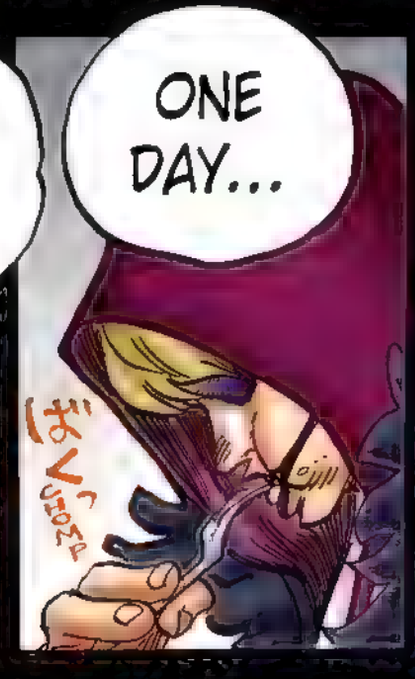
DOOM



...I WILL HAVE MY REVENGE ON YOU!!!



ONE DAY...

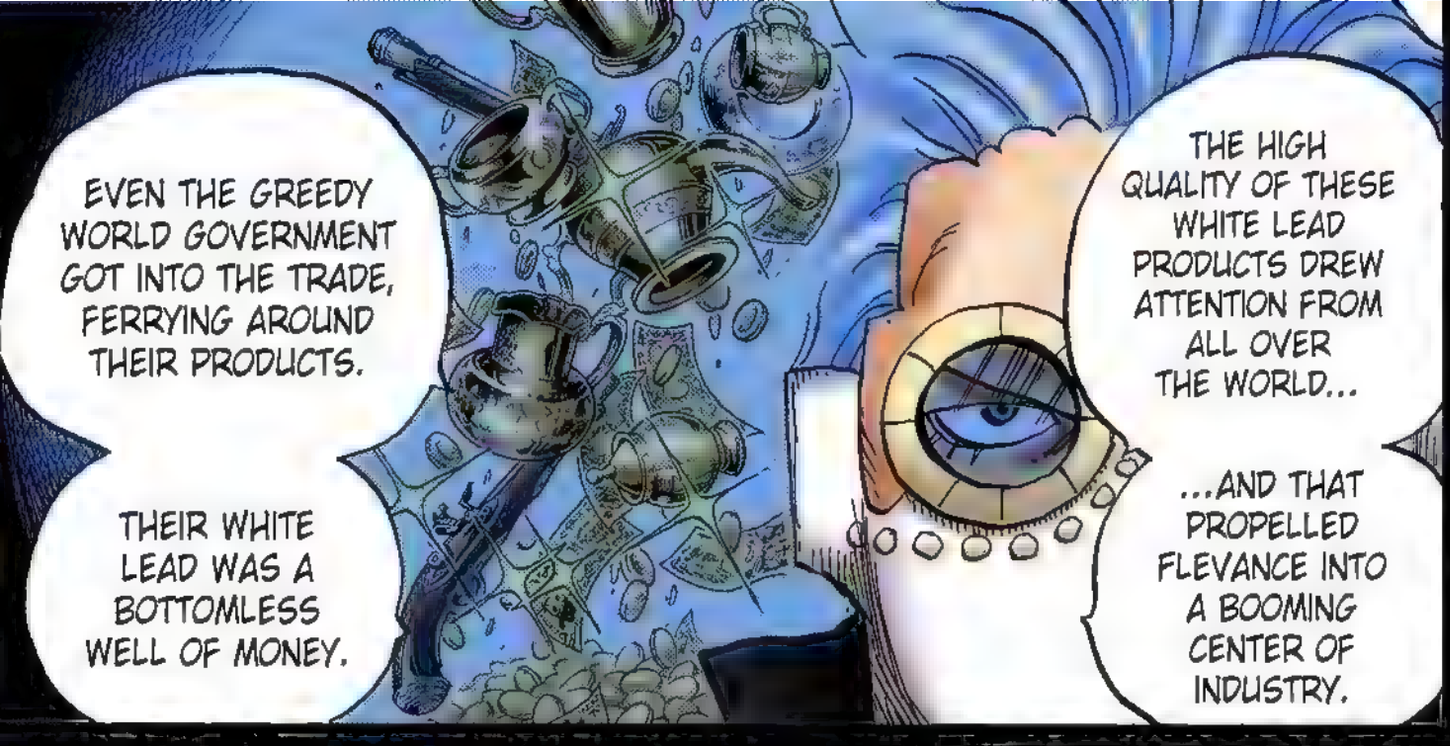
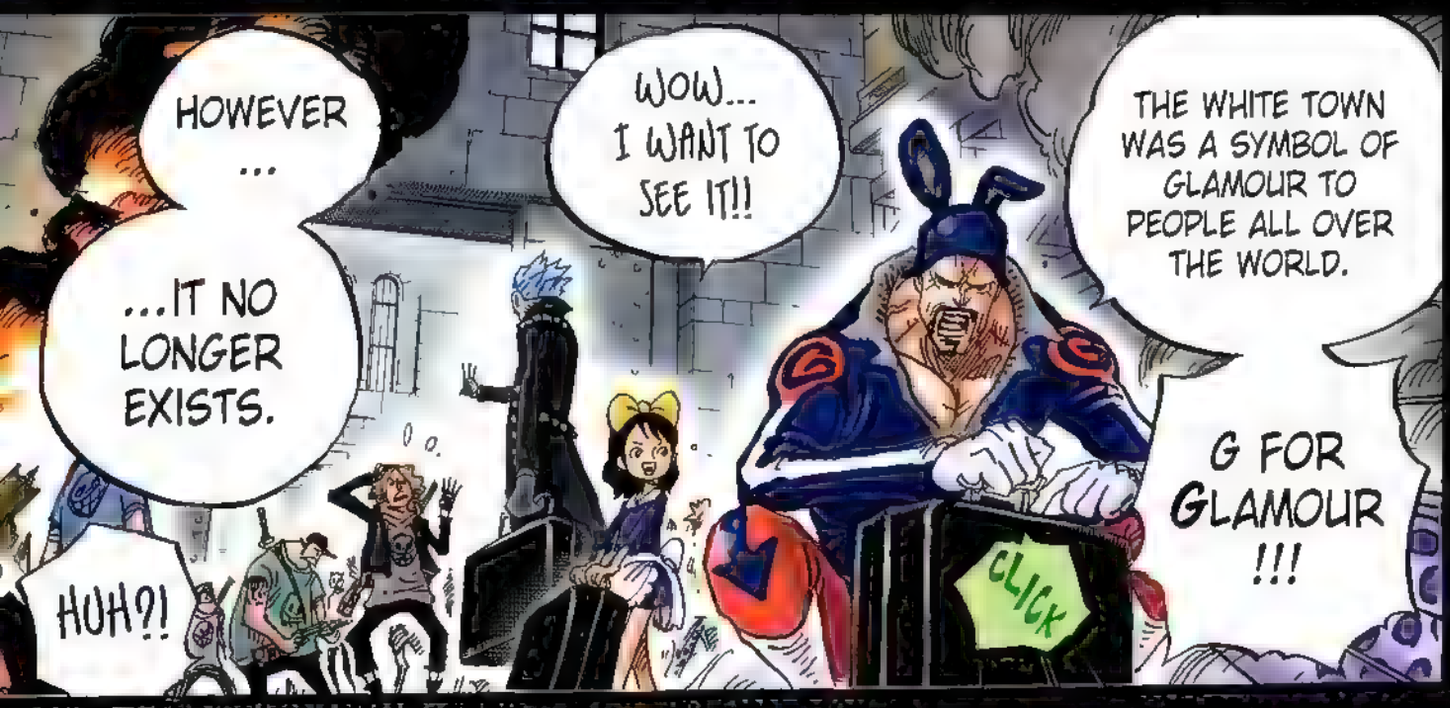
DO YOU THINK YOU CAN CRY AND APOLOGIZE TO GET OUT OF IT, JUST BECAUSE YOU'RE A STUPID CHILD?!

THAT'S WHAT PEOPLE CALL THE KINGDOM OF *FLEVANCE.*
BOOM
BA-BOOM
WHAT IS THE "WHITE TOWN" HE TALKS ABOUT?
...!!
...WITH PURE WHITE SOIL AND PLANTS, LIKE SOME KIND OF SNOW KINGDOM IN A FAIRY TALE.
THEY SAY IT HAD AN UNEARTHLY BEAUTY ABOUT IT.
FLIP FLIP.
IT WAS A VERY WEALTHY COUNTRY...
OOOH!!
THEY USED THAT WHITE LEAD TO FASHION TABLE-WARE, DYES...
...SWEETENERS, COSMETICS... EVEN WEAPONS.
EVENTUALLY, THEY DISCOVERED A TYPE OF METAL IN THE COUNTRY'S BEDROCK CALLED *WHITE LEAD.*
THAT WAS THE SOURCE OF ITS FANTASTICAL BEAUTY.



EVEN THE GREEDY WORLD GOVERNMENT GOT INTO THE TRADE, FERRYING AROUND THEIR PRODUCTS.
THEIR WHITE LEAD WAS A BOTTOMLESS WELL OF MONEY.
THE HIGH QUALITY OF THESE WHITE LEAD PRODUCTS DREW ATTENTION FROM ALL OVER THE WORLD...
...AND THAT PROPELLED FLEVANCE INTO A BOOMING CENTER OF INDUSTRY.



HOWEVER ...
...IT NO LONGER EXISTS.
HUH?!
WOW... I WANT TO SEE IT!!
THE WHITE TOWN WAS A SYMBOL OF GLAMOUR TO PEOPLE ALL OVER THE WORLD.
G FOR GLAMOUR !!!
CLICK

THE WHITE TOWN FLEVANCE

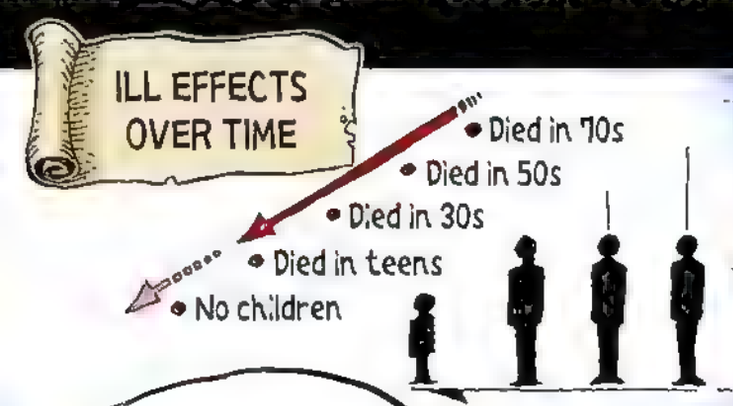
A CENTURY AGO, WHEN THE WHITE LEAD INDUSTRY FIRST BEGAN...
...
EVEN THEN...
...THE WORLD GOVERNMENT SURVEYED THE LAND THOROUGHLY.
THE SUBSTANCE POSED LITTLE HARM IF LEFT IN THE GROUND...
...BUT ONCE HANDLED, IT SLOWLY ATE AWAY AT THE HUMAN BODY.
IT WAS A TOXIC POISON.
TRUE NATURE?
HUH ?!
KABOOOM
...THEY KNEW ITS TRUE NATURE.
56
...THE GOVERNMENT AND ROYALTY KNOWINGLY HID THE TRUTH.
!!
THE PEOPLE CONTINUED TO EXTRACT WHITE LEAD, IGNORANT OF ITS DANGERS...
RAAAAHH
BLINDED BY THE INCREDIBLE WEALTH OF WHAT THEY WERE SITTING ON...

SAY THAT ONE YOUNG MAN SLOWLY ACCUMULATED THE LEAD WITHIN HIS BODY THROUGH HIS WORK.

WHEN HE HAD A SON...THE CHILD'S LIFE WOULD ALREADY BE SHORTENED AT BIRTH.

ITS TOXIC QUALITIES WERE ACTUALLY RATHER SLIGHT...

...BUT THEREIN LIES THE TRUE DANGER OF THIS STORY.



AND WHEN THAT SON GREW INTO AN ADULT AND HAD HIS OWN CHILDREN...

...THEIR LIFE-SPAN WOULD BE EVEN SHORTER. THIS EFFECT CARRIED OVER GENERATIONS...

...UNTIL IT REACHED LAW'S GENERATION, CHILDREN FATED TO DIE OUT BEFORE THEY REACHED ADULTHOOD.

...IT WAS ALREADY TOO LATE.

BOOM ドン!!

BA-BOOM ドドン!!

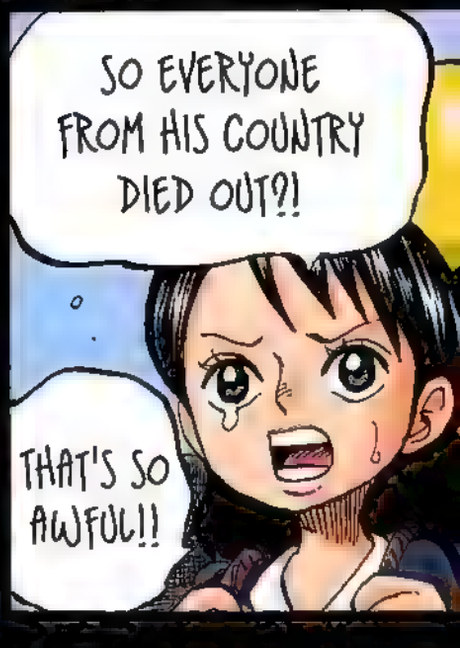
ウオオオオオ RAAAAHH

BY THE TIME THE WORLD REALIZED...

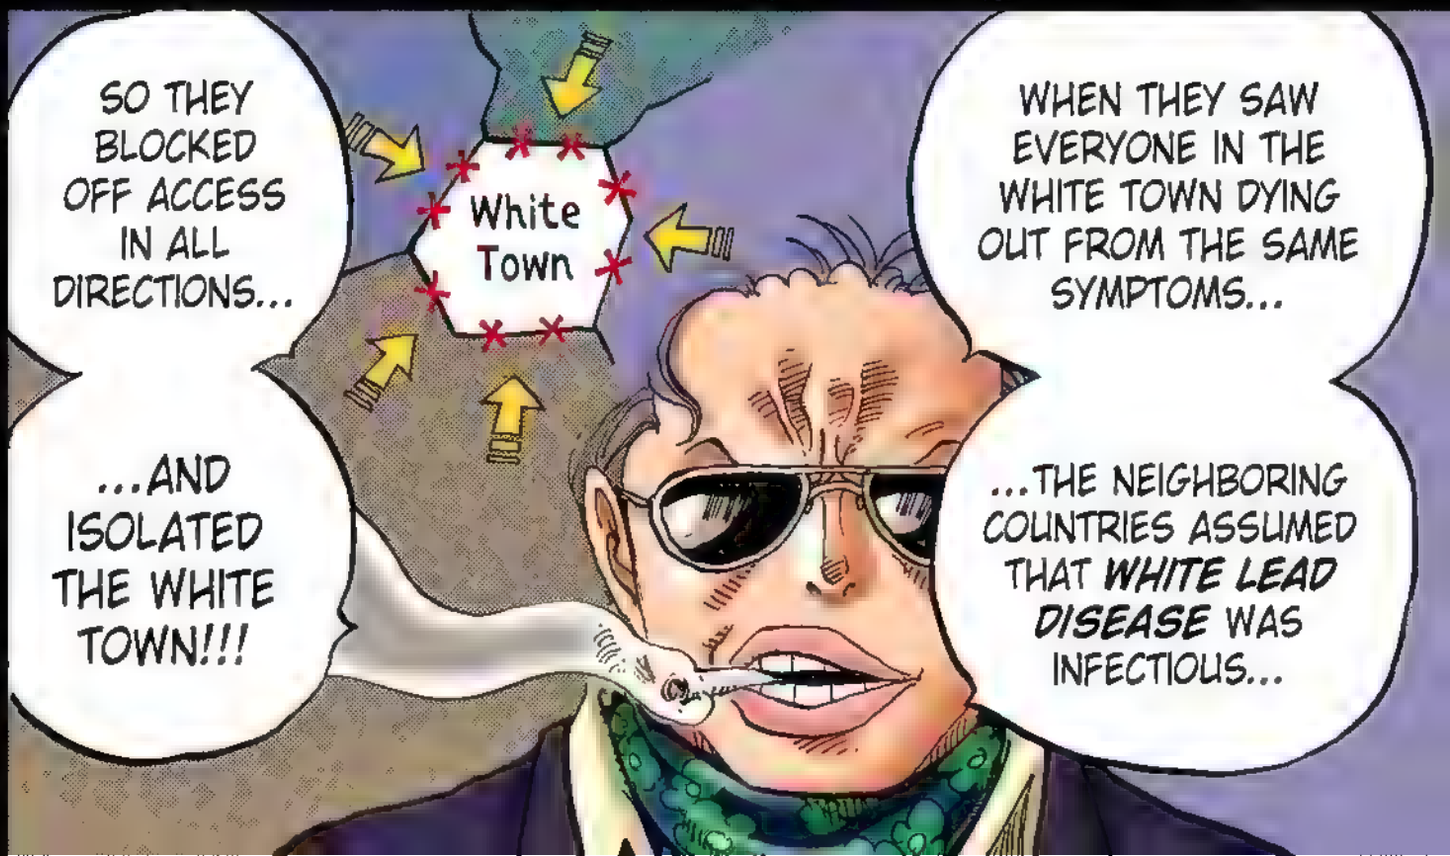
...THE GREAT PERIL POSED BY WHITE LEAD...

SKIN AND HAIR GREW PALE AND WHITE, ENTIRE BODIES WRACKED WITH PAIN...
...AS THE DEATH COUNT ROSE AND ROSE! EVERY DOCTOR WAS HELPLESS TO STEM THE TIDE.
GRAND-PARENTS, PARENTS AND CHILDREN...
BECAUSE OF THE SHIFTING LIFE SPANS, EACH GENERATION BEGAN TO FEEL THE EFFECTS AROUND THE SAME TIME!!

THAT'S WHERE THE *REAL* TRAGEDY BEGAN!!
CH'CHK!!
CH'CHK!!
SPLASH
SEÑOR!

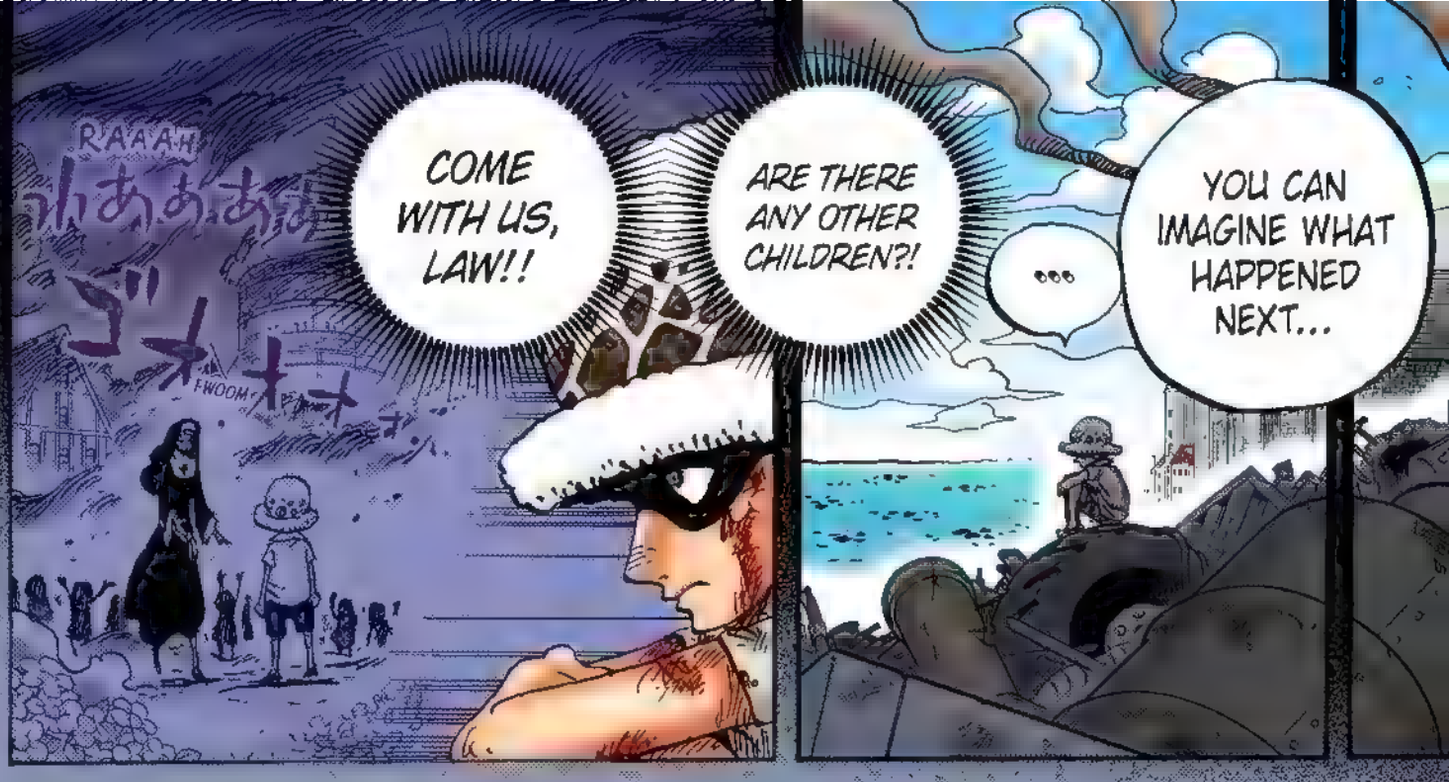


SO EVERYONE FROM HIS COUNTRY DIED OUT?!
THAT'S SO AWFUL!!



SO THEY BLOCKED OFF ACCESS IN ALL DIRECTIONS...
...AND ISOLATED THE WHITE TOWN!!!
White Town
WHEN THEY SAW EVERYONE IN THE WHITE TOWN DYING OUT FROM THE SAME SYMPTOMS...
...THE NEIGHBORING COUNTRIES ASSUMED THAT *WHITE LEAD DISEASE* WAS INFECTIOUS...

...THEY WERE TREATED LIKE MONSTERS SPRUNG FROM THEIR CAGES...
WHEN THE CITIZENS OF THE WHITE TOWN TRIED TO FLEE FOR SAFETY AND MEDICAL HELP...
...AND SHOT ON SIGHT!!
...LEAVING THEIR PEOPLE BEHIND.
WITH THE WORLD GOVERNMENT'S HELP, THE ROYALS ALL FLED THE COUNTRY...
WORLD GOVT
THEY HAD PLENTY OF LEAD ON HAND... INCLUDING *BULLETS.*
BUT FLEVANCE DIDN'T TAKE THIS LYING DOWN.
AFTER ALL, THE SUFFERING OF DISEASE IS THEIR PROBLEM, NOT OURS... A VERY HUMAN REACTION.
A TEXTBOOK CASE OF "SWEEPING TROUBLE UNDER THE RUG."
...THEY DID SO *WITHOUT MERCY!!*
AND NOW THAT THEIR NEIGHBORS HAD A PROPER JUSTIFICATION TO STRIKE BACK...
SOON, WAR ERUPTED!!



RAAAH
わあああ
ゴオオ
FWOOM
COME WITH US, LAW!!
ARE THERE ANY OTHER CHILDREN?!
...
YOU CAN IMAGINE WHAT HAPPENED NEXT...

OH, POOR LITTLE LAMMY... YOU CAN RIDE THE NEXT EVACUATION SHIP THEN.

WE'LL COME BACK FOR YOU.

THE SOLDIERS HAVE COME, AND THEY SAY THEY'LL LET THE CHILDREN GO FREE!

BUT THEY TOLD ME TO LIVE ON...
MY MOM AND DAD ARE DEAD!!
SOMEONE CAN COME BACK LATER FOR LAMMY!!
AREN'T YOU COMING WITH US, LAW?! LET'S GO!!
...SO THAT'S WHAT I'M GONNA DO!!!
わあぁあ
RAAAAAHH

THERE MUST BE A WAY TO REMOVE THE WHITE LEAD FROM THE BODY!!!
IT'S NOT INFECTIOUS!! WHY DOESN'T THE GOVERNMENT ANNOUNCE THAT TO EVERYONE?!!
WE DON'T HAVE ENOUGH DOCTORS!! WE NEED FRESH BLOOD AND ANYTHING ELSE YOU CAN OFFER!!
I'M AFRAID WE CAN'T HELP YOU NOW!
AAAAHH!
あぁ あぁぁ
DOCTOR, SAVE US!!
HELP, DOCTOR!!!
WHY IS IT SO NOISY OUTSIDE...?
IT'S, UH...A FESTIVAL! BECAUSE FLEVANCE IS SO RICH, OF COURSE.
JUST HANG IN THERE A BIT LONGER. FATHER'S THE BEST DOCTOR IN THE COUNTRY.
HE'LL FIX YOU UP SOON.
MY BODY KEEPS GETTING WHITER.

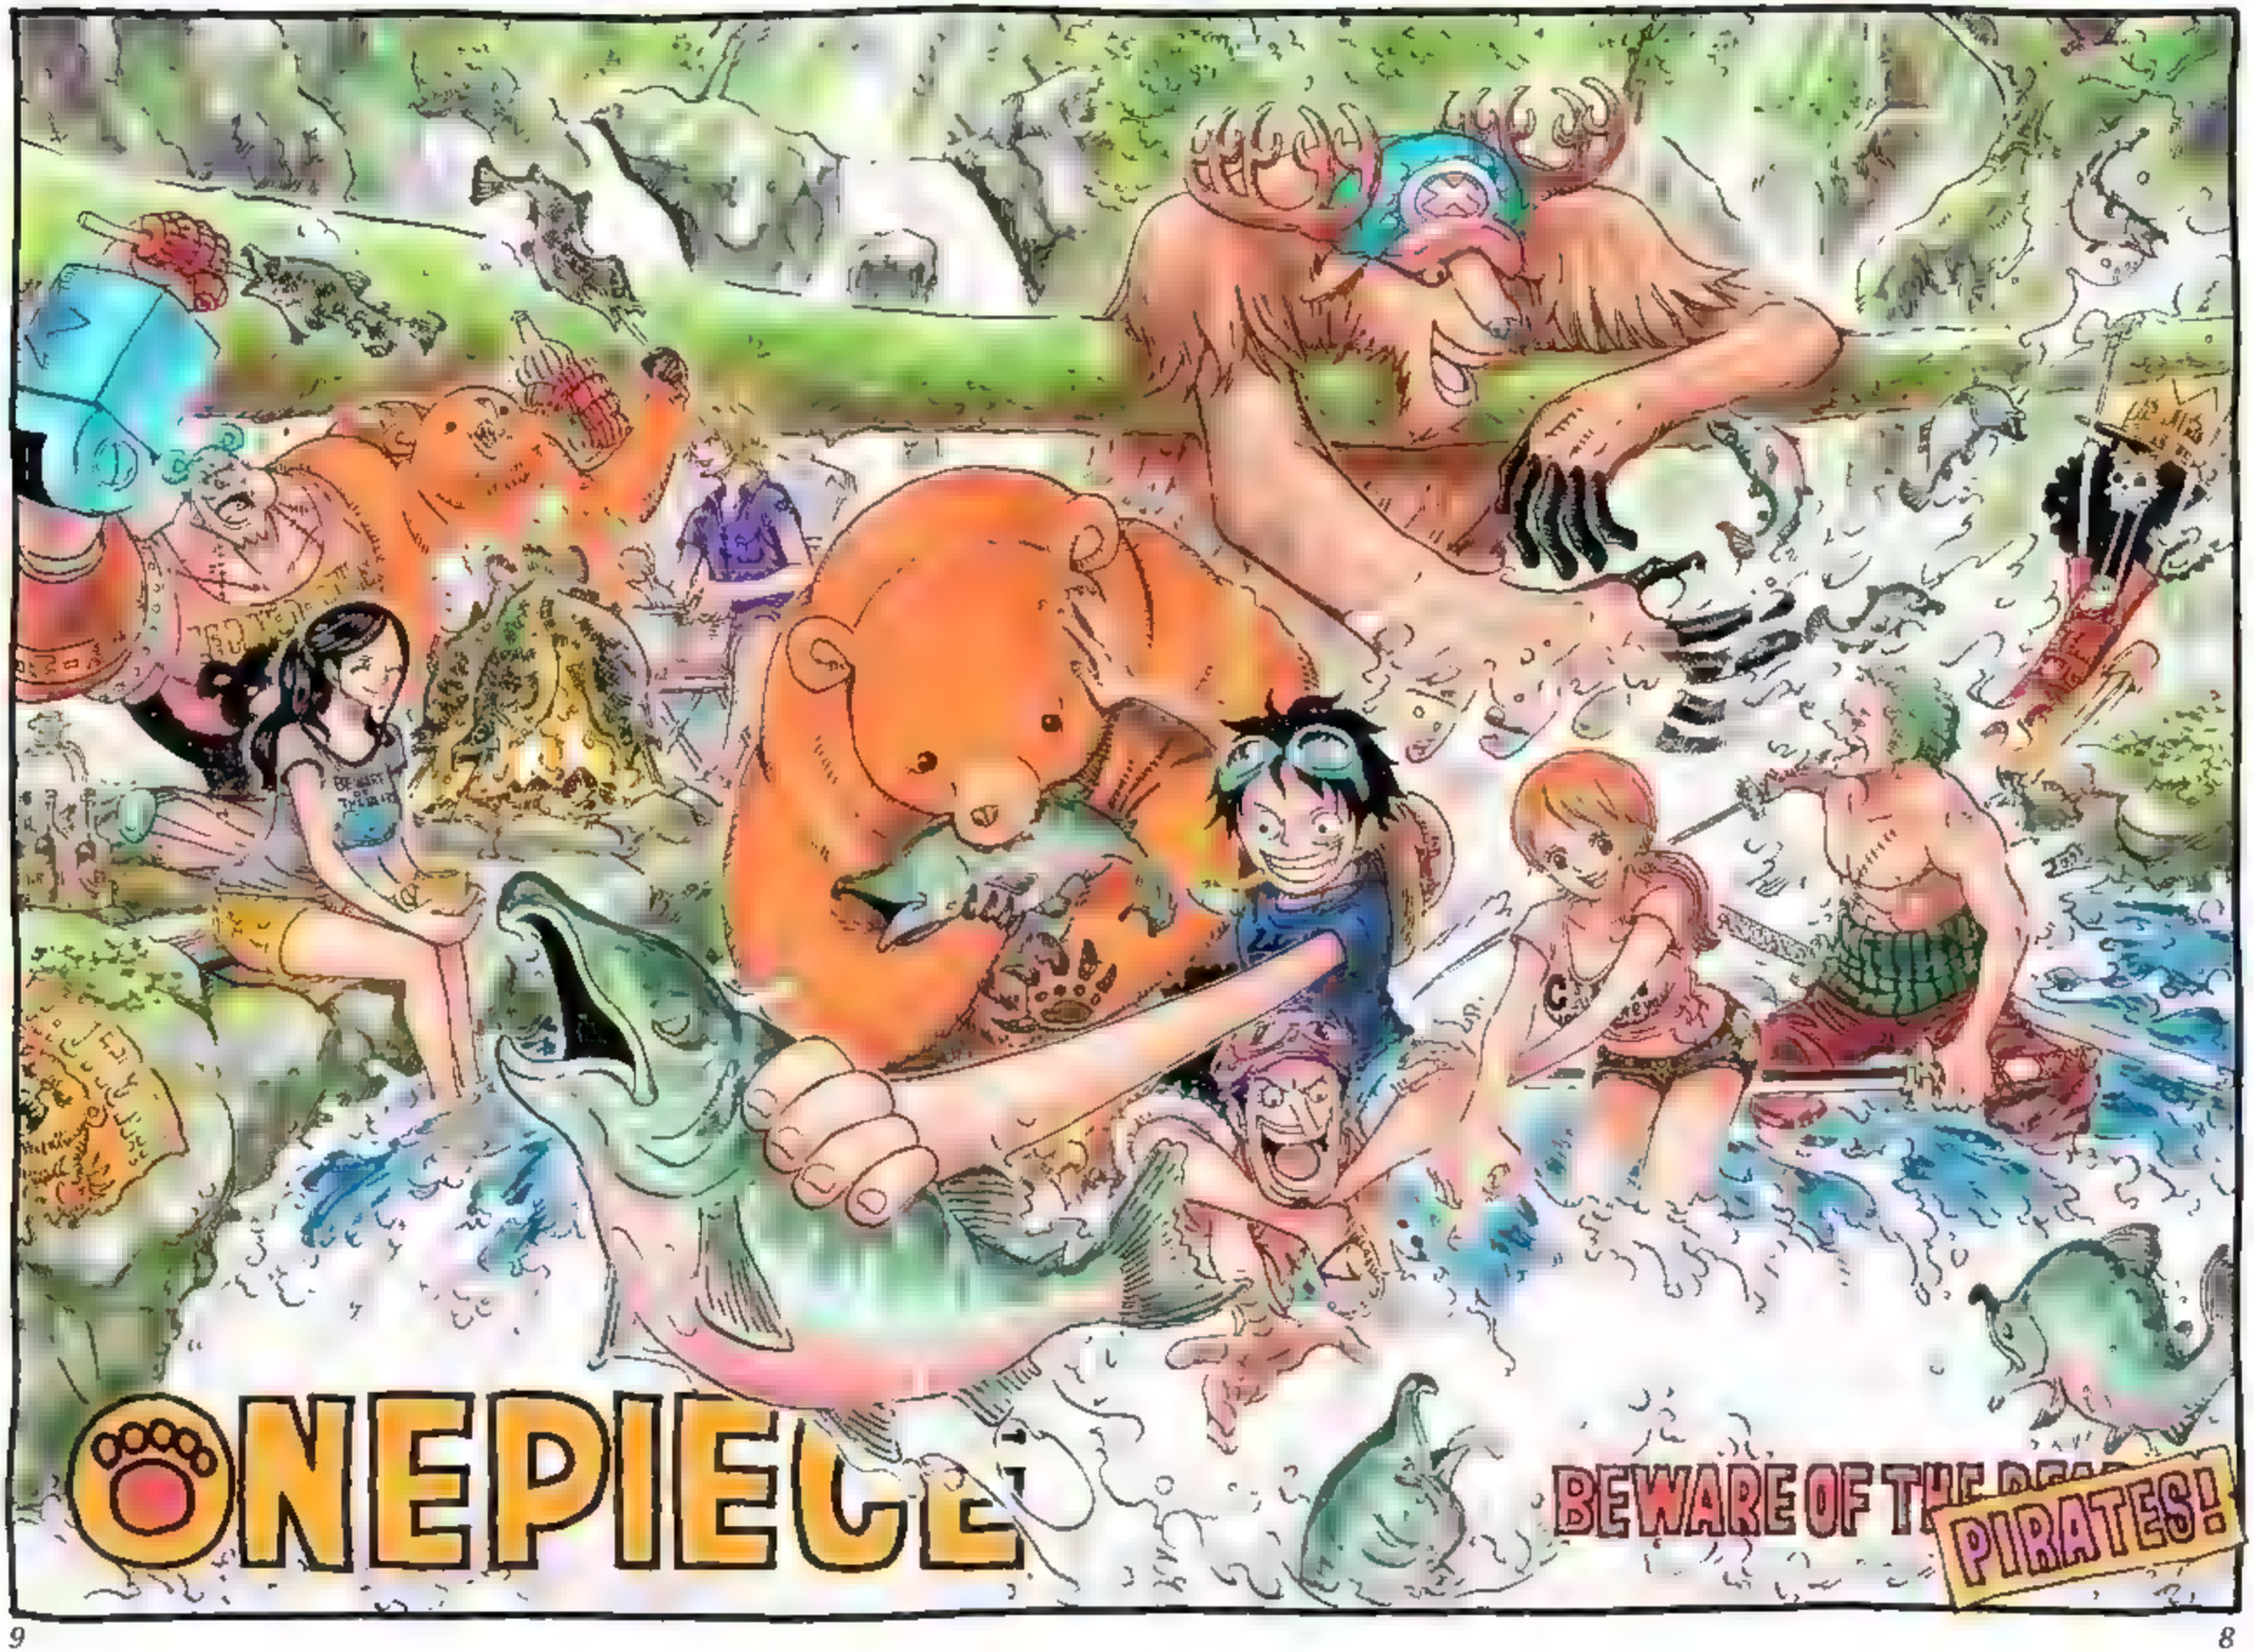
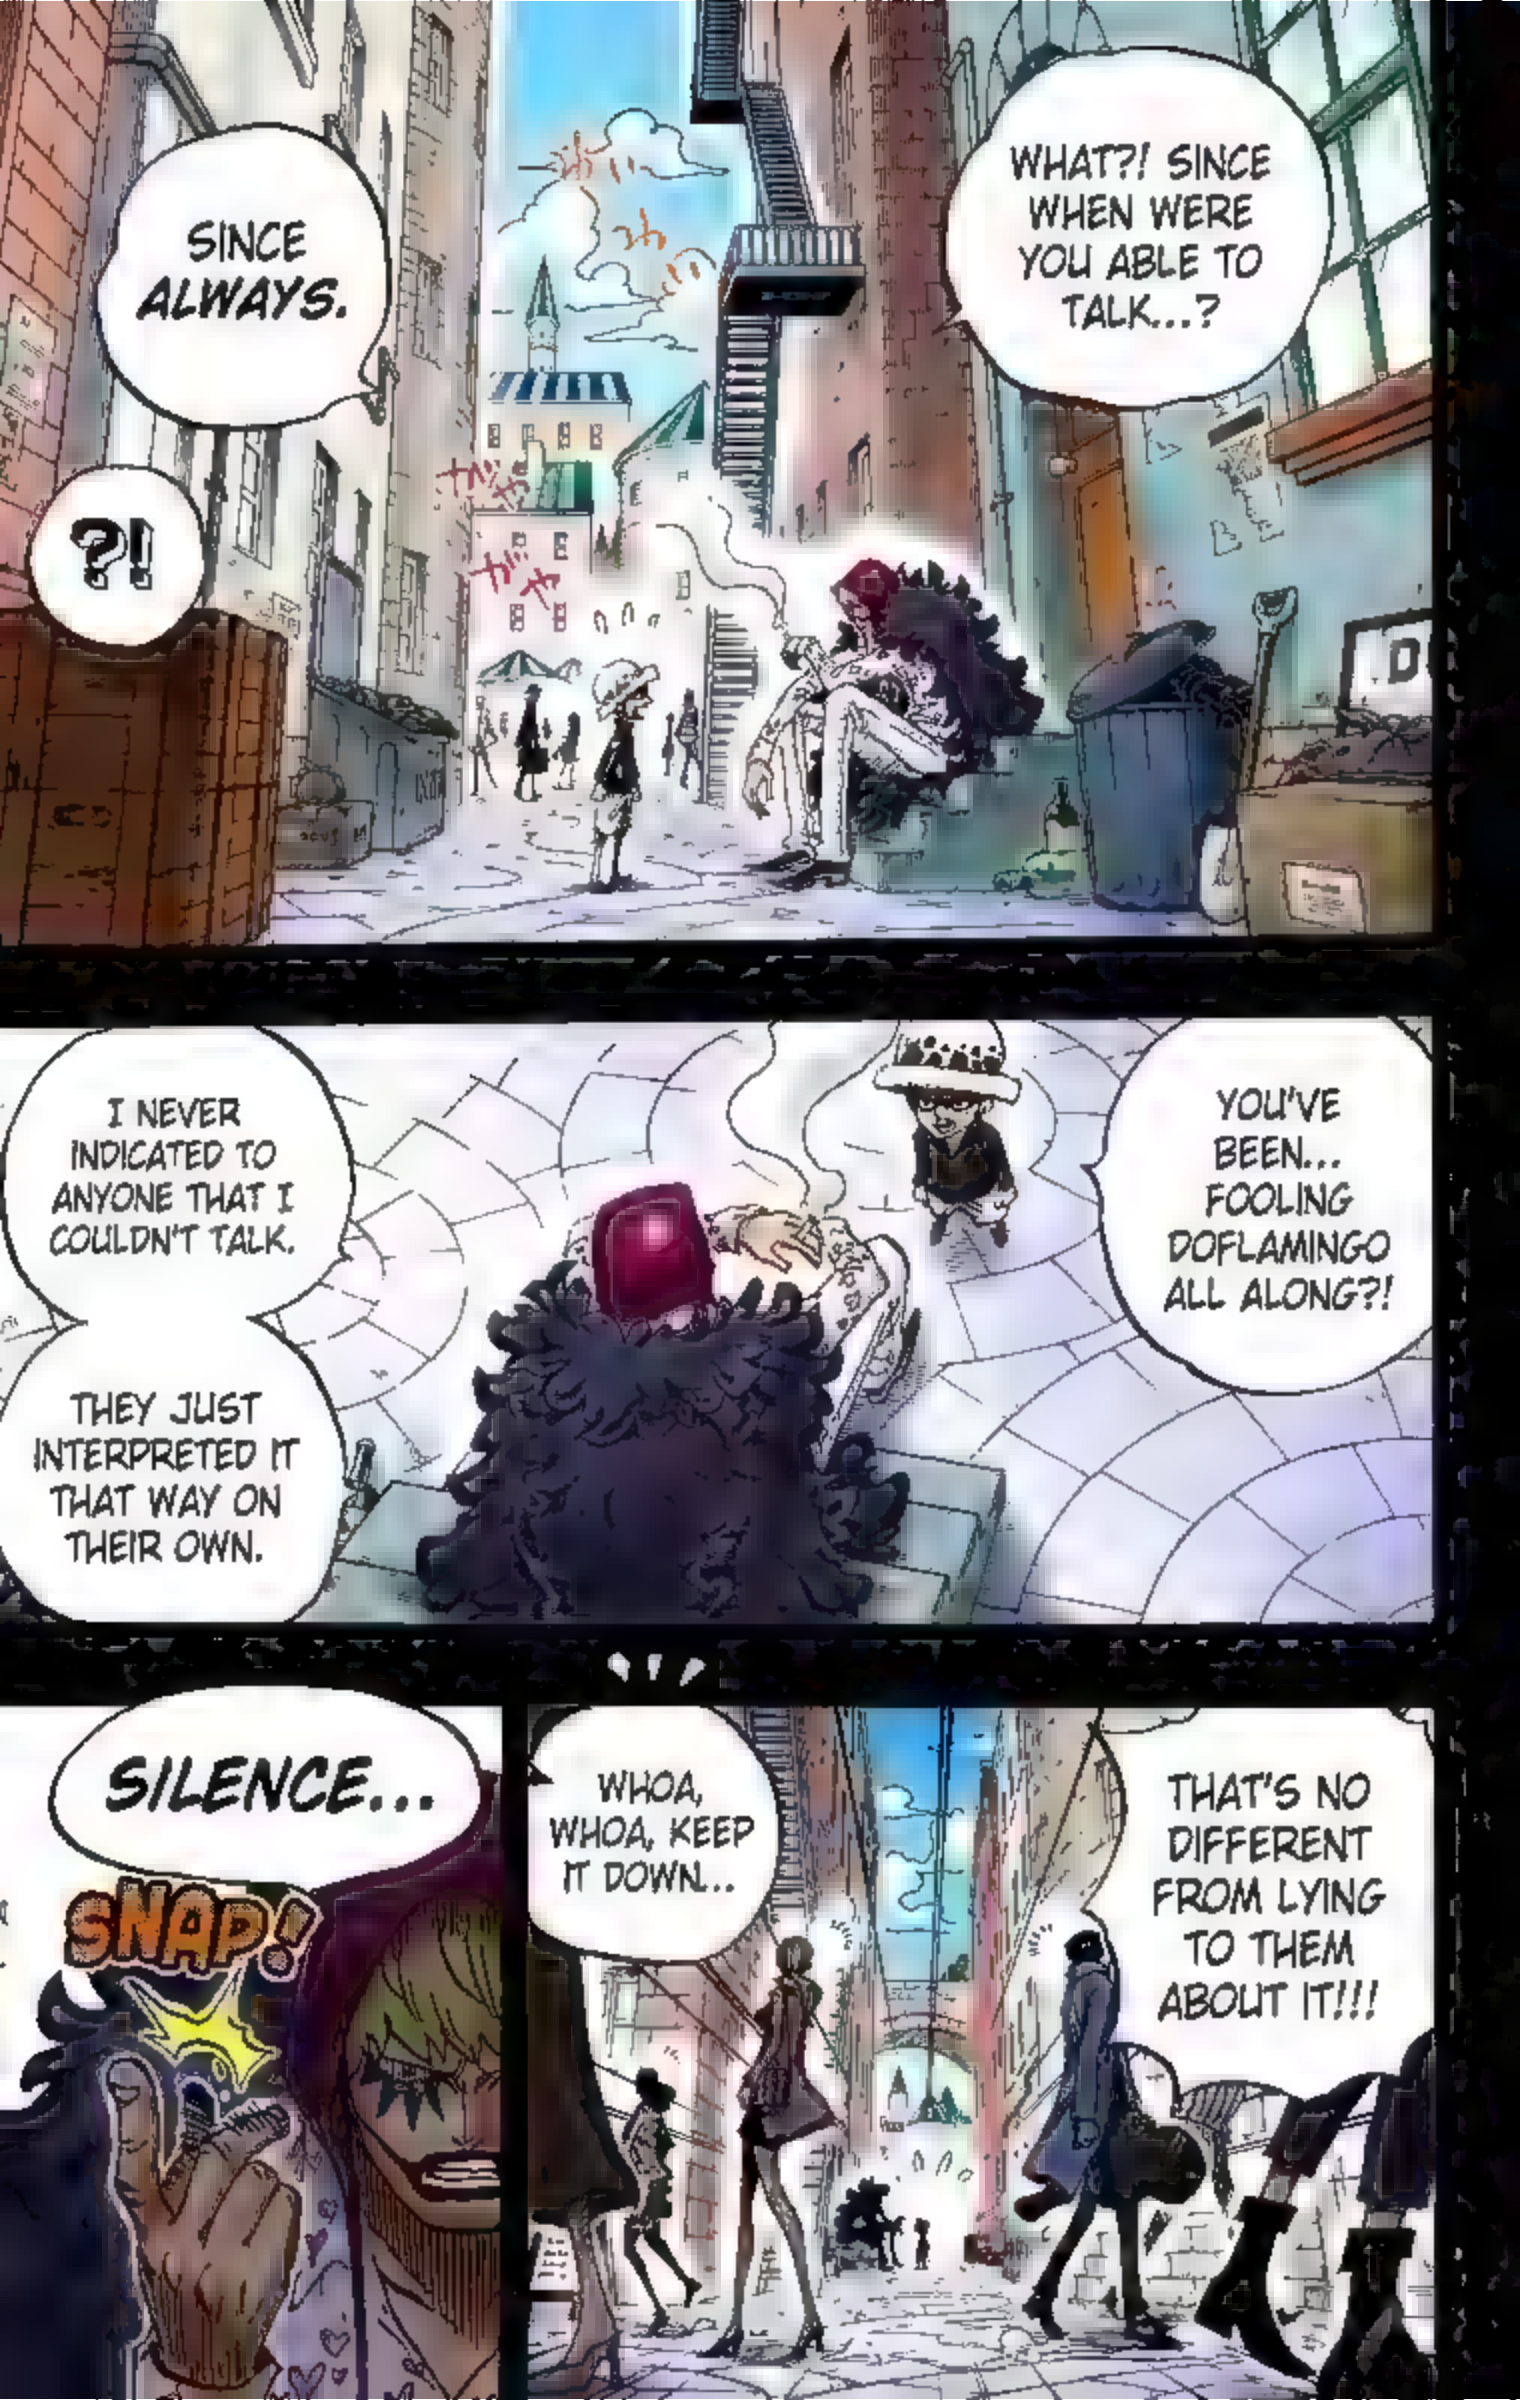
WHITE MONSTER

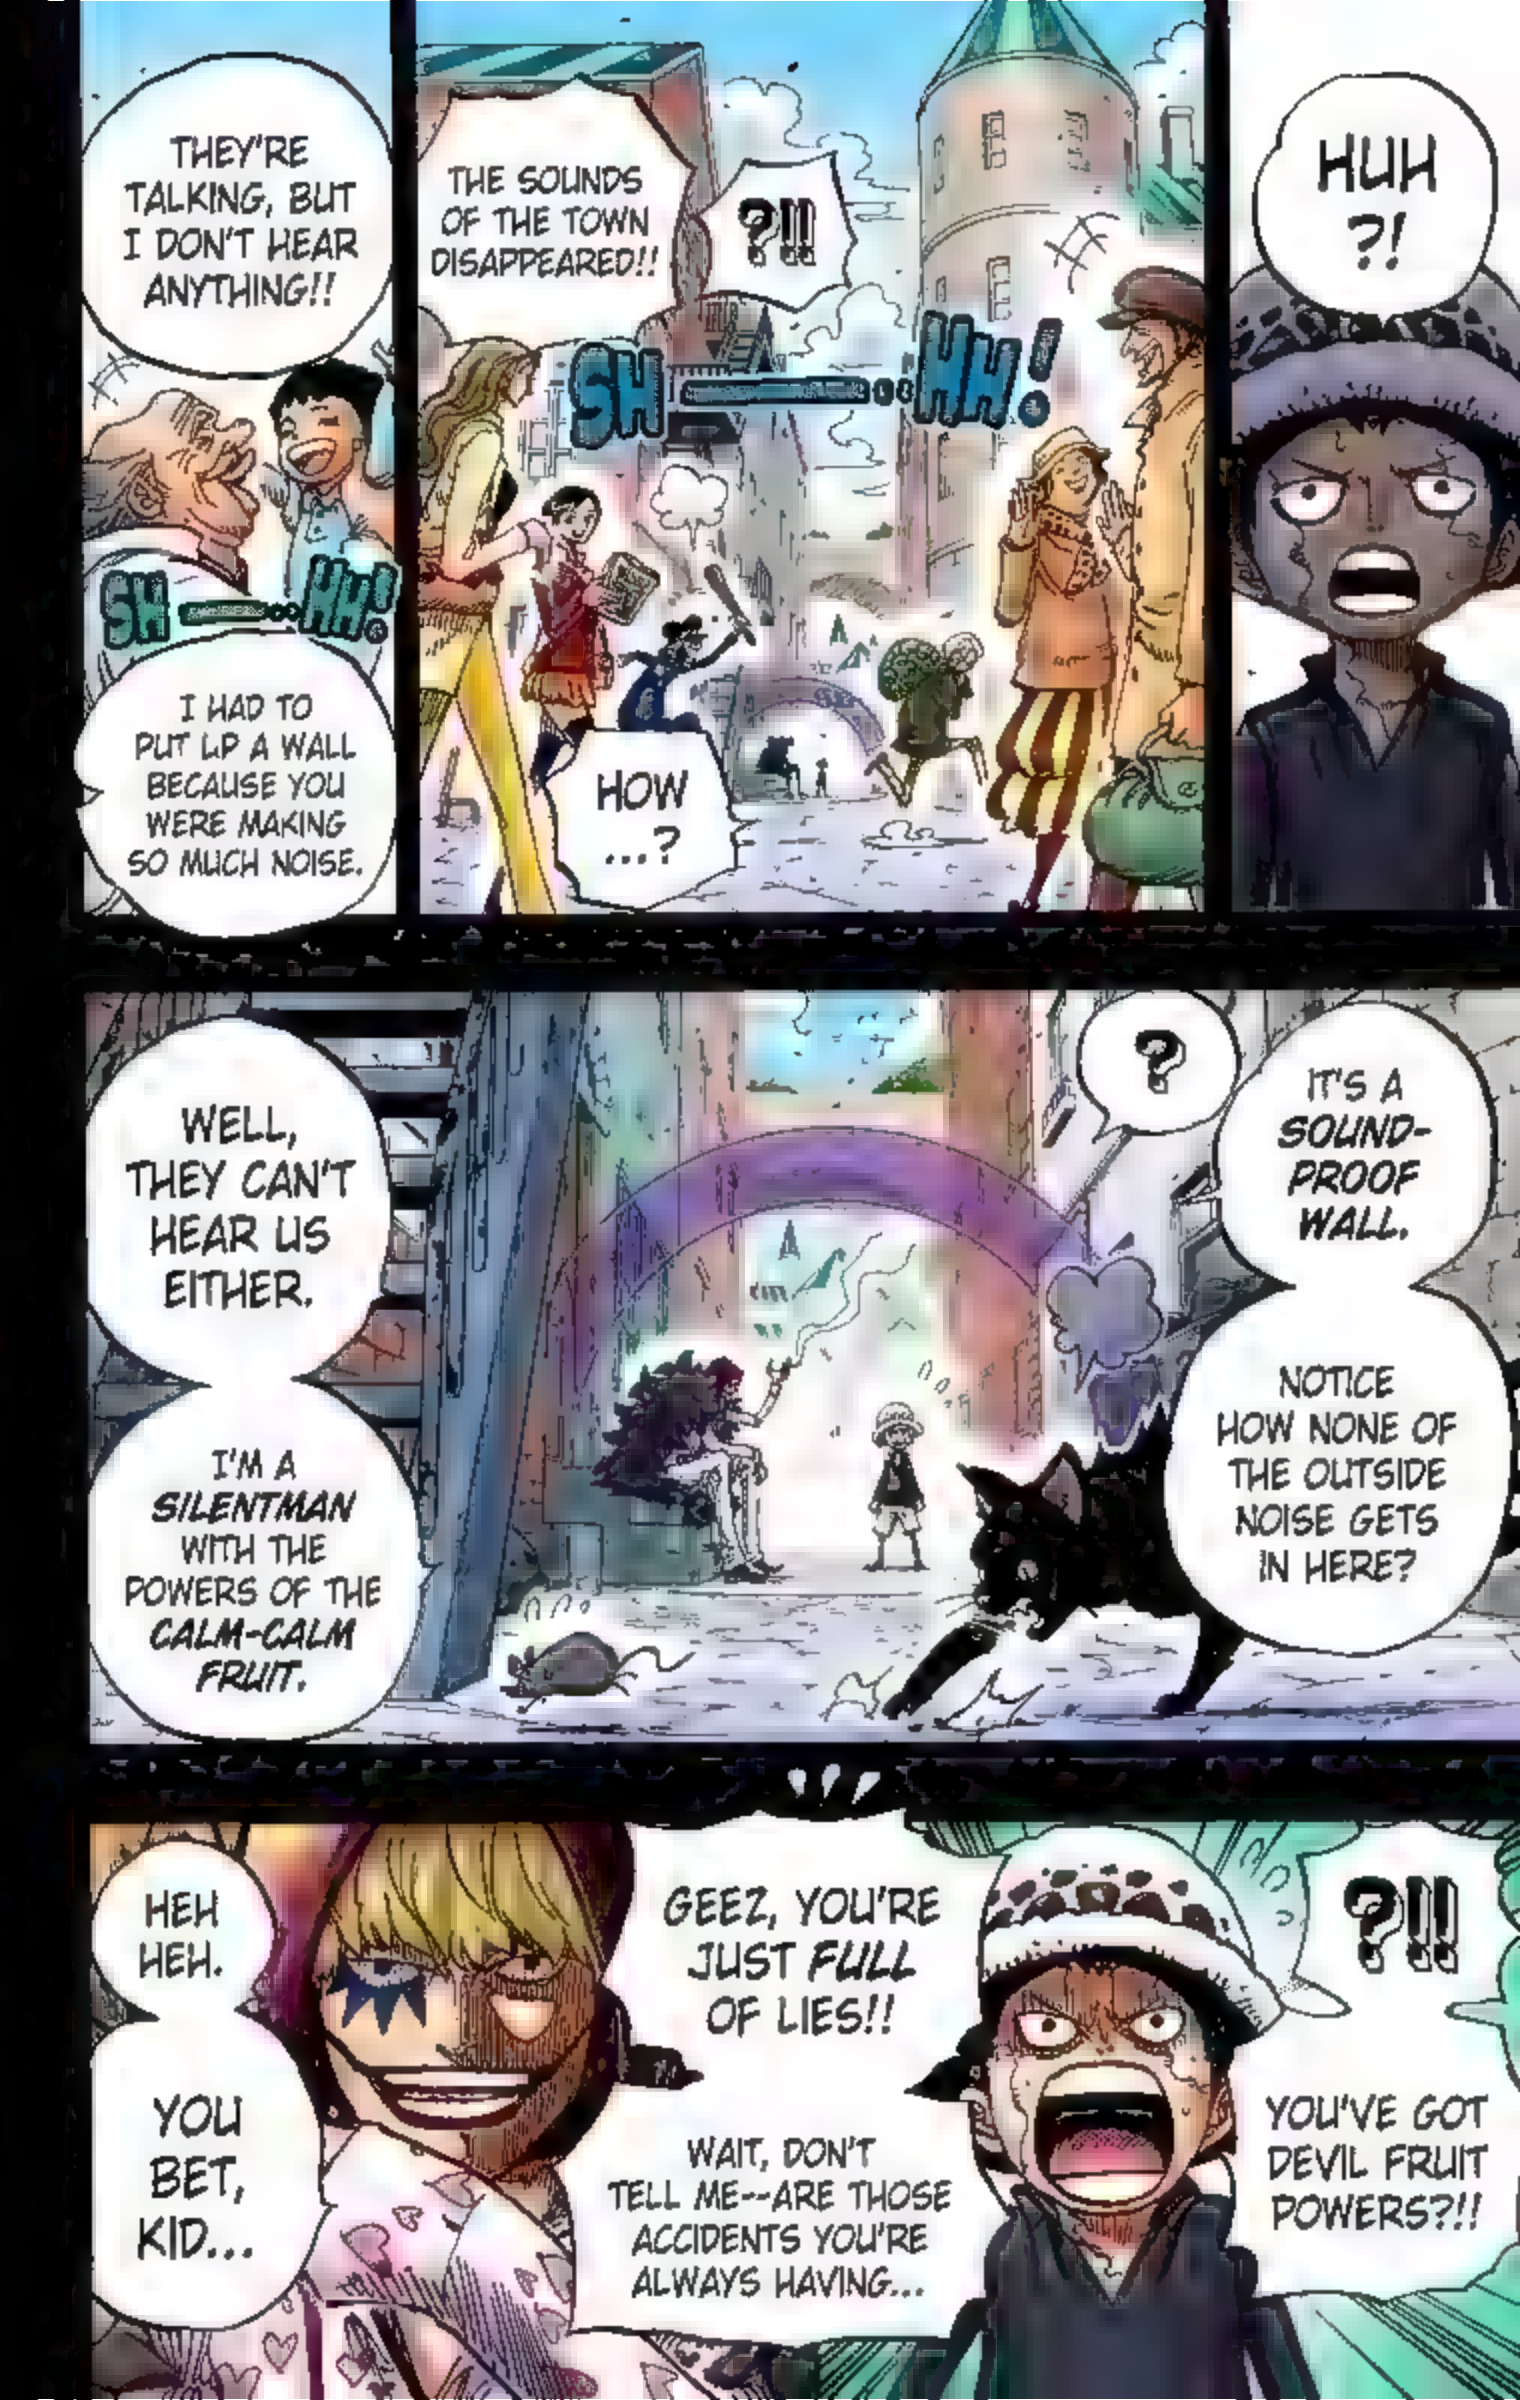


vol. 77

ONE PIECE



SINCE ALWAYS.
?!
WHAT?! SINCE WHEN WERE YOU ABLE TO TALK...?
I NEVER INDICATED TO ANYONE THAT I COULDN'T TALK.
THEY JUST INTERPRETED IT THAT WAY ON THEIR OWN.
YOU'VE BEEN... FOOLING DOFLAMINGO ALL ALONG?!
SILENCE...
SNAP!
WHOA, WHOA, KEEP IT DOWN..
THAT'S NO DIFFERENT FROM LYING TO THEM ABOUT IT!!!



THEY'RE TALKING, BUT I DON'T HEAR ANYTHING!!
SH...HH!
I HAD TO PUT UP A WALL BECAUSE YOU WERE MAKING SO MUCH NOISE.
THE SOUNDS OF THE TOWN DISAPPEARED!!
?!!
SHHH!
HOW ...?
HUH ?!
WELL, THEY CAN'T HEAR US EITHER.
I'M A SILENTMAN WITH THE POWERS OF THE CALM-CALM FRUIT.
?
IT'S A SOUND-PROOF WALL.
NOTICE HOW NONE OF THE OUTSIDE NOISE GETS IN HERE?
HEH HEH.
YOU BET, KID...
GEEZ, YOU'RE JUST FULL OF LIES!!
WAIT, DON'T TELL ME--ARE THOSE ACCIDENTS YOU'RE ALWAYS HAVING...
?!!
YOU'VE GOT DEVIL FRUIT POWERS?!!

LIAR!!!
YOUR SHOULDER'S BURNING!!!
FWOOM..!!
POP POP!!
ALL AN ACT.
WHY HAVE YOU BEEN HIDING THIS FROM YOUR PARTNERS?!!
?!!
THEY'RE NOT MY PARTNERS...
SHUDDUP !!
THE MOST RIDICULOUS THING ABOUT YOU IS THE ONLY PART THAT'S TRUE!!
I'VE BEEN CLUMSY MY WHOLE LIFE. IT'LL NEVER GET BETTER.
I'M JUST A BIG OL' KLUTZ.
I STILL DON'T UNDER-STAND...
...HOW OUR LOVING PARENTS COULD HAVE PRODUCED SUCH A MONSTER.
MY ONLY PURPOSE HERE...
...IS TO STOP MY BROTHER DOFY'S RAMPAGE.

TRAIN YOUR ARROWS-- KOFF! ON ME, NOT THEM!!
MY SONS ARE INNOCENT OF ANY SIN!!
PLEASE!! DO NOT HARM MY BOYS!!!
HELP! WAAAH!
?!
HE'S... INHUMAN ...
I WILL SURVIVE THE WORST YOU CAN THROW AT ME...
YOU WON'T KILL ME...!!
...!!!
?!
BROTHER !!
YOU'LL PAY FOR THIS, YOU WRETCHES !!
IT HURTS, FATHER!! I JUST WANNA DIE...
...AND KILL EACH AND EVERY LAST ONE OF YOU!!!!
!!?
AND I WILL HUNT YOU DOWN...

...ARE THE FOUR OFFICERS, INCLUDING ME...
THE ONLY ONES WHO UNDERSTAND THE DEPTHS OF DOFY'S TRUE BRUTALITY...
...AND VERGO, THE PREVIOUS CORAZÓN.
HE WAS BORN WITH AN INNATELY *EVIL* NATURE THAT KNOWS NO BOUNDS!!
...?
EVEN *WE* DON'T KNOW THE NATURE OF HIS JOB...
A POWERFUL MAN ACTING SEPARATELY FROM THE FAMILY ON HIS OWN TOP-SECRET MISSION.
VERGO?
?
HE HAS NOTHING TO DO WITH YOU.
YOU HAVE THE *SECRET NAME OF D!!*
I'M NOT GOING TO LEAVE! THAT'S WHAT I *WANT* TO BE!!!
YOU CAN'T TURN INTO A MONSTER LIKE MY BROTHER!!
THAT MEANS YOU'RE ONE OF THE FATEFUL FEW, THE *PEOPLE OF THE D!!*
GET AWAY FROM HERE, LAW!!
?

...“THE D WILL ALWAYS CAUSE ANOTHER STORM!!”
?!
EVERY ONCE IN A WHILE, WHEN ANOTHER PERSON WITH THE NAME OF D BECOMES KNOWN...
...THE ELDERLY ALL RAISE AN EYEBROW AND MURMUR..
BACK IN MY HOMETOWN, CHILDREN WERE SCOLDED INTO BEHAVING BY THIS THREAT...
...“IF YOU DON’T BEHAVE, YOU’LL BE GOBBLED UP BY A D.”
IN ONE AREA, THE PEOPLE OF THE D ARE KNOWN AS...
?
BUT THE NAME LIVES ON IN THE DARK SHADOWS OF HISTORY AROUND THE WORLD!!
PERHAPS. NO ONE KNOWS THE TRUTH.
WHAT’S THAT MEAN?! AM I SUPPOSED TO BE A MONSTER OR SOMETHING?!!
GODS ?!
...THE ENEMIES OF THE GODS.
ドン

BUT WITH AN ENTIRELY DIFFERENT MEANING THAN THE WAY DOFY INTENDS IT!!
...THEN PERHAPS YOUR PEOPLE'S GOAL IS THE VERY DESTRUCTION OF THIS WORLD.
AND IF YOU VIEW THE CELESTIAL DRAGONS AS THE "GODS" IN THIS CASE...
THE PEOPLE OF D NO DOUBT HAVE A PHILOSOPHY THAT PITS THEM AGAINST THE GODS.
...?!
I'M NOT WORKING FOR YOU, I'M WORKING FOR DOFLAMINGO!!!
WHY WOULD I LEAVE IF I'M JUST GONNA DIE IN A YEAR ANYWAY?!
...SO I COULD KILL EVERYONE AND EVERYTHING!!
I JUST CAME TO JOIN THE FAMILY...
I HAVE NO IDEA WHAT YOU'RE TALKING ABOUT!!!
NO, DON'T !!!
HE'LL DO WORSE THAN JUST KICK YOU OUT, I BET!!
I'M GONNA GO TELL DOFLAMINGO ...
...ALL ABOUT YOUR POWERS AND YOUR FAKE SILENCE!!!
THERE IS NONE!!!
YOU CAN LEAVE TO SEARCH FOR A CURE!!!

SHP!!

SBS Question Corner

(Fujima, Fukuoka)

Q: Let the SBS! Begi...!! Oh, forget it.
--Pisces Yoko the Pirate

A: What, that's it?!! ミ
...Well, anyway, we're starting.
Listen up, everyone!! Look at this ➡
This is a piece of reader fan art that ran in Usopp's Pirate Gallery, all the way back in volume 23. Now look below, at the cover of the very popular Shonen Jump manga, My Hero Academia. Look closely at the artist's name.

↙↗ Same Guy!!!

Volume 23 was what, over ten years ago? He sent me that fan art illustration as a student, and now his career as a manga artist is blossoming before our eyes!! And not only that, it's right in the pages of Jump next to One Piece!! This is just fantastic. He told me himself at the New Year's party for Jump artists. You should have told me earlier, so I could cheer you on!!

So anyways, if you haven't read it yet, check out Kohei Horikoshi's My Hero Academia!!

Chapter 765:
MINION, THE ISLE OF FATE

THE SOLITARY JOURNEY OF JINBE, KNIGHT OF THE SEA, VOL 13:
"SUDDENLY THE RUINS DESTROYED OUR TOWN, THE CREATURES WRECKED OUR SHIPS, AND THE OFFERINGS DISAPPEARED"

IS THAT YOU...
...CORAZÓN?
DOFLA-MINGO ...!!
IS LAW THERE WITH YOU?
...
IT'S BEEN HALF A YEAR SINCE YOU TWO JUMPED SHIP...
TAP! TAP TAP
...
YOU FIND ANY GOOD DOCTORS ...?
I SEE! WELL, I'M GLAD TO HEAR YOU'RE BOTH ALL RIGHT!
TAP! TAP
...
DIDN'T THINK SO.
TAP! TAP TAP

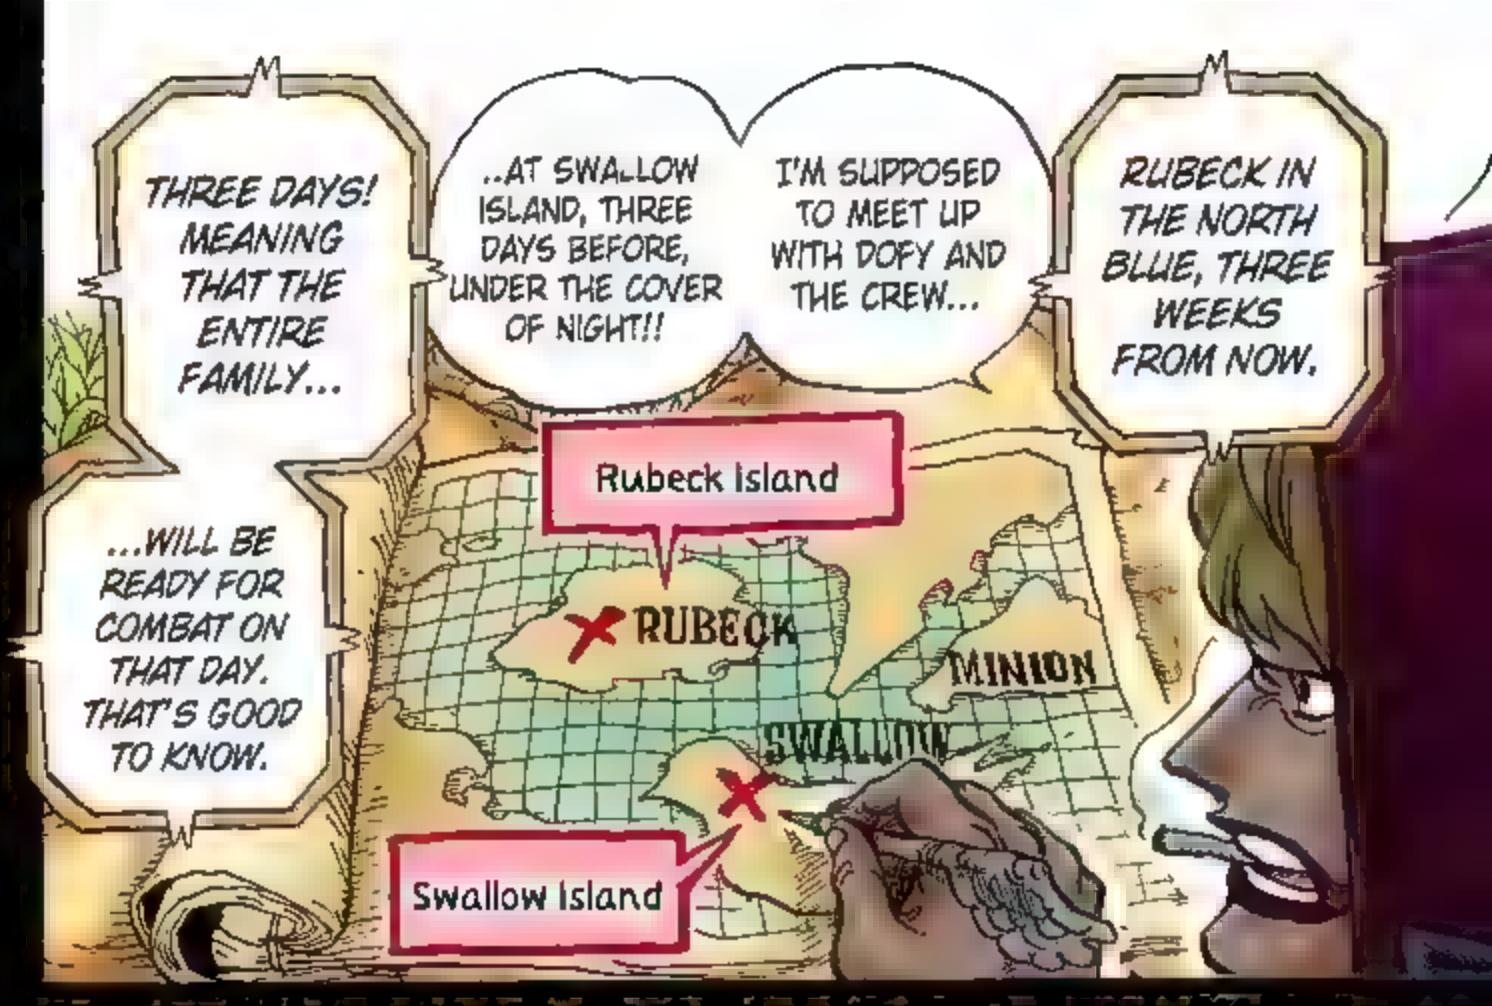
?!!
I'VE GOT INTEL ON THE OP-OP FRUIT.
WE MIGHT HAVE FOUND A WAY TO CURE HIS ILLNESS!!
COME BACK TO THE SHIP, AND BRING LAW WITH YOU!!
!!
IT'LL BE DANGEROUS, BUT WE'RE GONNA MAKE OFF WITH IT.
THE GOVERNMENT'S DEFINITELY PULLING STRINGS IN THE SHADOWS.
...?
THE IDIOT PIRATE WHO GOT HIS HANDS ON IT DOESN'T KNOW THE TRUE VALUE...
...AND HE'S GOING TO SELL IT TO THE MARINES FOR A HUGE PILE OF CASH.
!!?
THAT MAN IS YOU, CORAZÓN!!!
THEN YOU CAN HEAL LAW'S DISEASE.
ONCE WE HAVE IT, I NEED MY MOST TRUSTED MAN TO EAT THE FRUIT...
...GIVEN THE NATURE OF ITS PROPERTIES.

...WHAT DO YOU THINK?
!?
DONQUI
SO...
ZZZ
THE EXACT SIX MONTHS THAT CORAZÓN HASN'T BEEN AROUND...
YET THE MARINES HAVEN'T SHOWN HIDE NOR HAIR IN THE LAST SIX MONTHS.
YOU REMEMBER HOW QUICKLY TSURU FORM MARINE HQ...
...WAS ABLE TO TRACK US DOWN IN THE PAST...
YOU'RE SAYIN' HE WAS LEAKIN' OUR INFO TO THE MARINES THAT WHOLE TIME?
I MEAN, I'D HATE TO HAVE TO LAY SUSPICION...
...ON MY OWN BROTHER.
THAT'S WHAT I'D *LIKE* TO THINK.
BWA HA HA... COULD JUST BE A COINCIDENCE.

IF WE CAN GET OUR HANDS ON THE OP-OP FRUIT...
FORGET ABOUT THE DOCTORS!!
THERE'S A CHANCE YOU'LL SURVIVE!!!
ウオオオオ!!
...WE CAN CURE YOUR WHITE LEAD DISEASE!!!
REJOICE, LAW!!!
ばば!!
THAT'S RIGHT! BUT IT AIN'T MAGIC... YOU NEED MEDICAL KNOWLEDGE TO MAKE THE MOST OF IT!!
IT ALMOST SOUNDS LIKE MAGIC...
IT HAS THE ABILITY TO ALTER THE HUMAN BODY! ITS MIRACULOUS OPERATIONS CAN CURE EVEN UNIDENTIFIED AILMENTS!
WHAT'S THE OP-OP FRUIT...?
DOFY ONLY SAID THAT BECAUSE HE DOESN'T KNOW I ALREADY HAVE POWERS.
IF YOU EAT TWO DEVIL FRUITS, YOU DIE.
ME? BUT DOFLAMINGO SAID YOU SHOULD EAT IT...
THAT'S WHY YOU'RE THE PERFECT PERSON TO EAT THE FRUIT!!
WHAT?!
NEITHER YOU NOR I WILL BE ABLE TO RETURN TO THE FAMILY!!!
ズン!!

HE KNOWS I CAN'T REFUSE HIM, SO HE WANTS TO SACRIFICE ME FOR ETERNAL LIFE, DOESN'T HE?! IF I RETURN TO THE FOLD, HE'LL KILL ME!!
THERE'S ANOTHER MEANING BEHIND HIS ORDER FOR ME TO EAT THE OP-OP FRUIT
??
?!
DOFY MUST KNOW THAT I'VE BETRAYED HIM BY NOW.
ONCE THIS JOURNEY STARTED DRAGGING ON, I MADE UP MY MIND.
ONCE YOUR DISEASE IS CURED, WE'LL FIND A PLACE TO HIDE!!
THEN YOU CAN EAT THE FRUIT!!
...!!
WE'LL STEAL THE OP-OP FRUIT BEFORE HE CAN GET HIS HANDS ON IT!!!
LISTEN!! WE'RE GOING TO BEAT DOFY TO THE PUNCH!!
?!
ドン
"COOKIES." IT'S ME.
"CRACKERS" !!
ROCINANTE! IT'S BEEN SO LONG, I WAS GETTING WORRIED!
HEY, GARP! GET OUTTA HERE FOR A BIT!!
PREPARE TO SAIL. WE'RE GONNA GET THAT FRUIT!!
BOOP BOP BEEP BOP BOOP..
...

SLAM!!
MY APOLOGIES GO AHEAD.
IS THE COAST CLEAR?
HEY, KUZAN! WANNA CHOW DOWN ON SOME RICE CRACKERS?!
LET'S CONTINUE THIS AT A BETTER TIME, SENGOKU...
WHY? I JUST BROUGHT YOU RICE CRACKERS--YOU CAN'T SERVE ME SOME DAMN TEA?
I TOLD YOU TO GET OUT OF HERE, YOU BLITHERING FOOL!!
I'M WORKING! THIS IS WORK TIME!!!
THAT'S VICE ADMIRAL GARP...
MY BROTHER ALREADY KNOWS ABOUT IT.
WHA--?! HOW DID YOU...?
THAT'S TOP-SECRET BUSINESS !!
?!!
BLO—OSH!!
IS IT TRUE THAT YOU'RE MAKING A DEAL...
...FOR THE OP-OP FRUIT?
?!
IS THIS TRUE?!!
WHAT IF I TOLD YOU DOFLAMINGO WAS PLANNING TO STEAL THE FRUIT BEFORE THE DEAL GOES DOWN?
THEY'RE NOT STUPID ENOUGH TO GIVE AWAY THAT INFO BEFORE MAKING A DEAL...
I WANT TO KNOW WHAT THE PIRATE WITH THE FRUIT HAS BEEN DOING.
IS THE PERSON ...
...
FLIP
FLIP
WHEN AND WHERE IS THE DEAL TAKING PLACE?
...ON THE OTHER END OF THAT CALL--?!



THREE DAYS! MEANING THAT THE ENTIRE FAMILY...
...AT SWALLOW ISLAND, THREE DAYS BEFORE, UNDER THE COVER OF NIGHT!!
I'M SUPPOSED TO MEET UP WITH DOFY AND THE CREW...
RUBECK IN THE NORTH BLUE, THREE WEEKS FROM NOW.
...WILL BE READY FOR COMBAT ON THAT DAY. THAT'S GOOD TO KNOW.
Rubeck Island
RUBECK
MINION
SWALLOW
Swallow Island

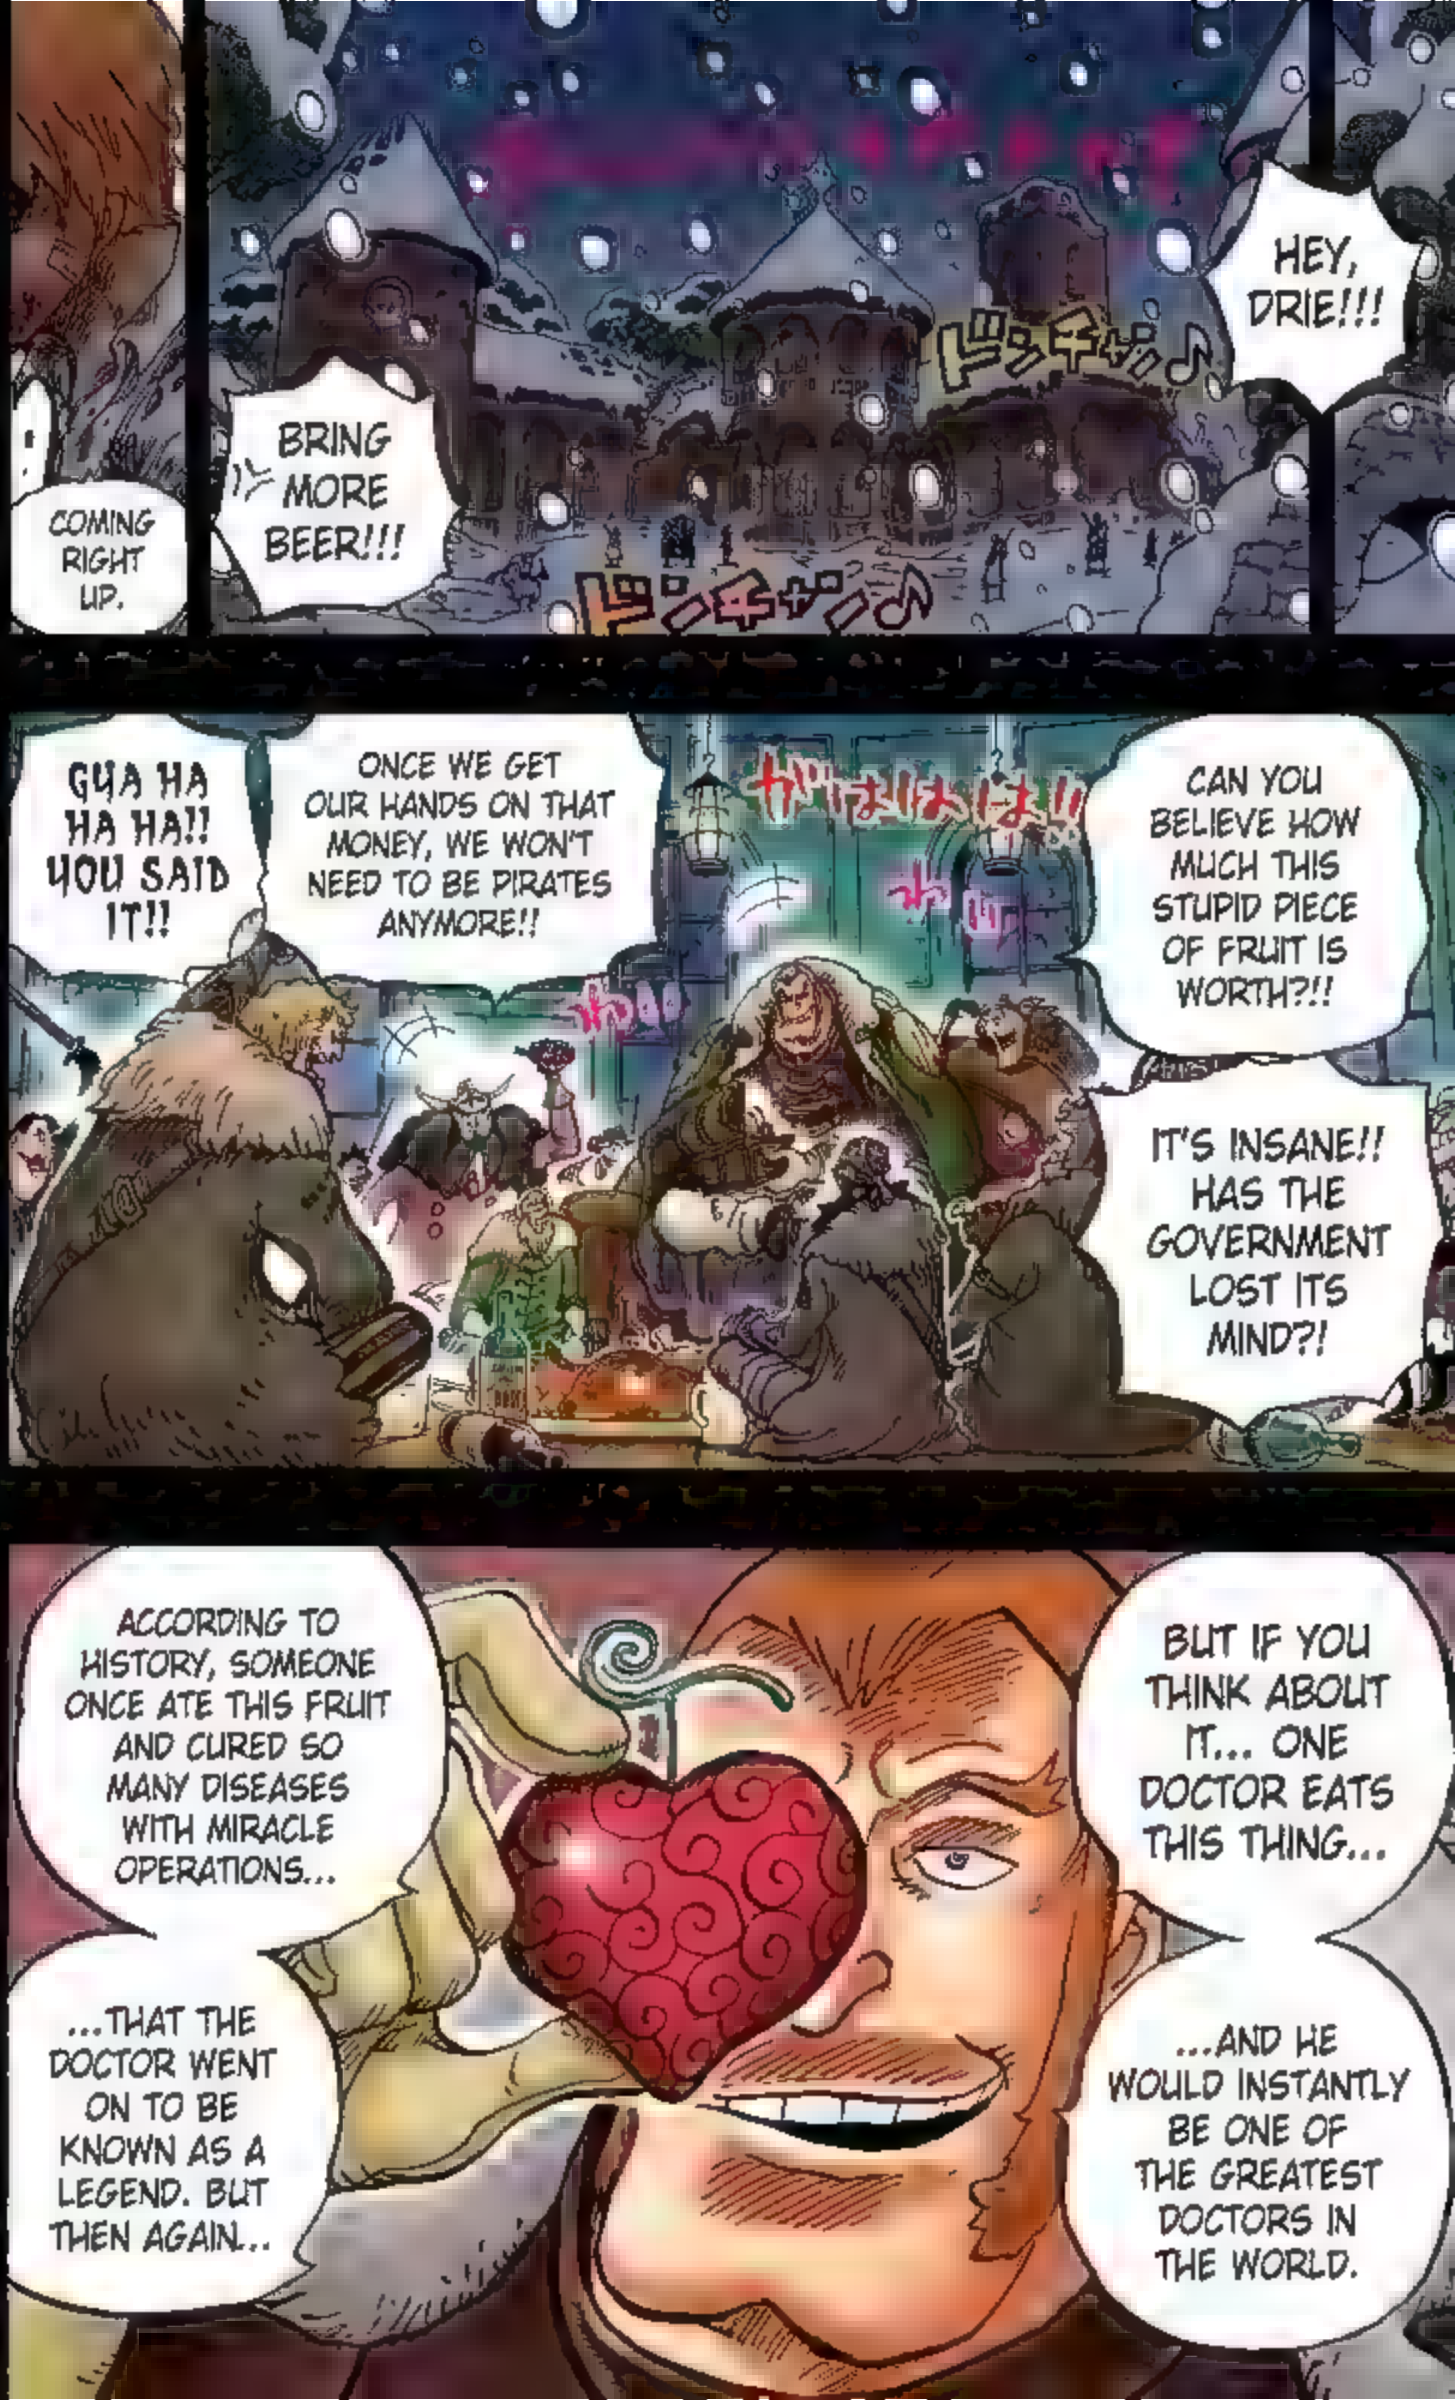
...AND ROUND UP THE ENTIRE DONQUIXOTE FAMILY AT ONCE!! MAKE SURE TO STAY AWAY FROM THAT ISLAND!!
THIS IS THE END OF DOFLAMINGO!! WE'LL LIE IN WAIT ON SWALLOW ISLAND...

WE'LL BE ABLE TO SHED A LIGHT ON MUCH OF THE DARKNESS IN THE NORTH BLUE...
...OF ALL THE BIG PLAYERS AND DEALERS THAT DOFY'S BEEN TRADING WITH.
LATER, I'LL BE ABLE TO SEND YOU A LIST...
I SEE. GOOD TO HEAR!!
THAT'S MY PLAN.

LAW!!!
?!!
TIME TO SET SAIL...
HEY, LAW!!
CLICK...
ZZZ...
NOT NOW!! NOT WHEN WE FINALLY FOUND A WAY OUT OF THIS!!
IT HASN'T BEEN THREE YEARS YET!! I THOUGHT YOU SAID YOU HAD A BIT LONGER LEFT!!!
HUFF, HUFF...
SNAP OUT OF IT!!!
HEY!! YOU... YOU GOTTA BE KIDDING ME!!
JUST STAY ALIVE FOR THREE MORE WEEKS!!!
JUST THREE WEEKS!!
HUFF ...
GIMME A CHANCE TO MAKE IT RIGHT!!!
PLEASE, YOU GOTTA HANG IN THERE!!
NONE OF THE DOCTORS ARE ANY HELP...
CRAP, HE'S GOT A FEVER.. WHAT SHOULD I DO?!
WHAT SHOULD I DO?! TELL ME, LAW!!!

DAMN!! OF ALL THE TIMES...
WHY DOES IT STORM NOW?!!
CORA...
HUFF !!
HMM?
SO IF YOU HAPPEN TO BE ONE OF THEM...
IF YOU'RE IN THE MARINES...BE HONEST...
...MY FAMILY AND THE REST OF FLEVANCE!!
THE GOVERNMENT KILLED...
!!!
?!
THE GOVERNMENT KNEW...THAT WE WOULD DIE...
...BUT THEY MADE US DIG UP THE LEAD SO THEY COULD GET RICH...
AND LET ME JUST GET THIS STRAIGHT!! IF WE STEAL THE OP-OP FRUIT...
...WE'LL MAKE AN ENEMY OUT OF EVERYONE: DOFLAMINGO, THE MARINES, THE GOVERNMENT!! YOU'LL NEED GUTS TO SURVIVE!!!
...
...I'M GLAD.
I'M NOT A MARINE !!!
DON'T BE CRAZY !!

IT SEEMS THEY'RE USING THAT PLACE...
...IN A GHOST TOWN ON MINION ISLAND.
...AS A HIDEOUT.
YEAH...THEY'RE TO THE EAST OF RUBECK, WHERE THE DEAL WILL HAPPEN...
...SEN-GOKU?
DID YOU FIND THE PIRATES...
THREE DAYS BEFORE THE DEAL
MINION ISLAND
WE'VE GOT A SCOUT SHIP MONITORING MINION AT THE MOMENT.
THAT'S RIGHT.
YES, HE'S A FORMER MARINE OFFICER...
FAMILIAR WITH HIM?
THE PIRATE'S NAME IS DIEZ BARRELS.
WE WILL NOT ALLOW DOFLAMINGO TO INTERCEPT THE OP-OP FRUIT!!!
ハァ
ハァ
AND AT SWALLOW ISLAND, WHERE YOU'RE SUPPOSED TO MEET UP WITH DOFLAMINGO...
...THERE ARE TWO BATTLE-SHIPS IN WAITING!!!



COMING RIGHT UP.
BRING MORE BEER!!!
ドンチャン♪
HEY, DRIE!!!
GUA HA HA HA!! YOU SAID IT!!
ONCE WE GET OUR HANDS ON THAT MONEY, WE WON'T NEED TO BE PIRATES ANYMORE!!
CAN YOU BELIEVE HOW MUCH THIS STUPID PIECE OF FRUIT IS WORTH?!!
IT'S INSANE!! HAS THE GOVERNMENT LOST ITS MIND?!
ACCORDING TO HISTORY, SOMEONE ONCE ATE THIS FRUIT AND CURED SO MANY DISEASES WITH MIRACLE OPERATIONS...
...THAT THE DOCTOR WENT ON TO BE KNOWN AS A LEGEND. BUT THEN AGAIN...
BUT IF YOU THINK ABOUT IT... ONE DOCTOR EATS THIS THING...
...AND HE WOULD INSTANTLY BE ONE OF THE GREATEST DOCTORS IN THE WORLD.

WE JUST WANT THE MONEY!!
GYA HAHAHAHAHA!!
...THAT DON'T MATTER TO US!!
...
...VANISH ENTIRELY!!
I CAN MAKE ANY SOUND I CAUSE...
JUST WATCH, LAW!!

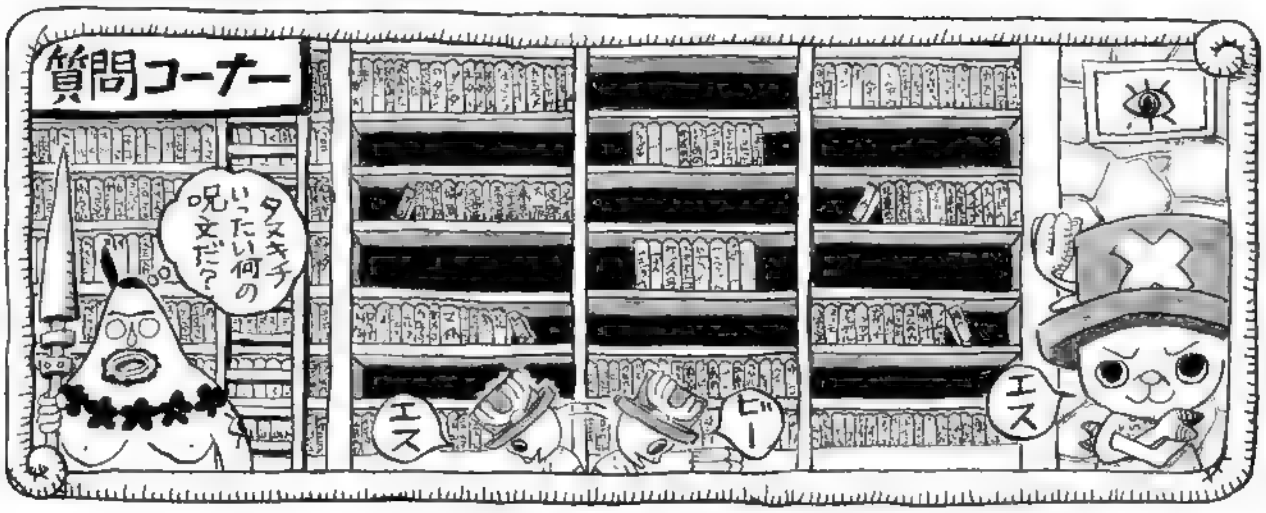
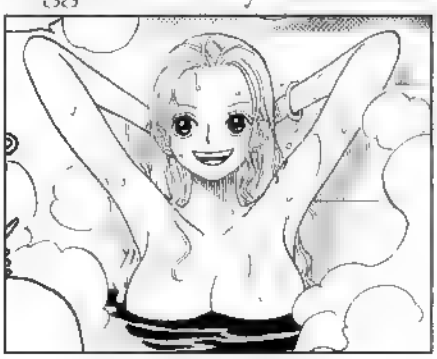
SBS Question Corner



(Ikadai, Oita)

Q: Oda Sensei, are you making Nami and Robin's boobs bigger because you ate the Perv-Perv Fruit? Please make my mom and big sister's boobs bigger too. And make my wiener bigger while you're at it.

--Boy with the Bored-Bored Fruit (age 8)



A: You know, now that you mention it, I did once have a piece of fruit for dessert that tasted like crap... And ever since, I've been like this...

What do you mean, *like this?!* How rude!!

I hope many things in your family become bigger than your bodies.

Q: Hello, Odacchi!! Look at that conversation between Kanjuro and Kin'emon on the second page of Chapter 745 in Volume 76! That's from a *rakugo* story, the traditional art of Japanese comedic storytelling! It's called the "summer doctor"! Do you enjoy rakugo, Odachi?! Which performer is your favorite?! My favorite is the 2nd Shijaku Katsura!!

--Fukutaro, age 16

A: Yes, I was hoping that those rakugo heads among us would get a chuckle from that one. There's a pun in there between the archaic word for "lettuce" and "doctor," and there's a reference to bellyaches, which is what I was secretly quoting. There's another famous story about the nukesuzume ("spring sparrow") painted by a particularly talented artist that pop out of the painting. Anyway, there are lots of rakugo storytellers I enjoy. I've been listening since elementary school! Kosanji Yanagiya, Gontaro and Kyotaro, Danshi Tatekawa and Shinosuke, Kinba San'yutei, Bunchin Katsura, Jakusaburo, Shinsho and Shincho Kokontei, and...

There's no end to them!!!

Rakugo is great! But I bet I've just gone and bored all of you. (cries)

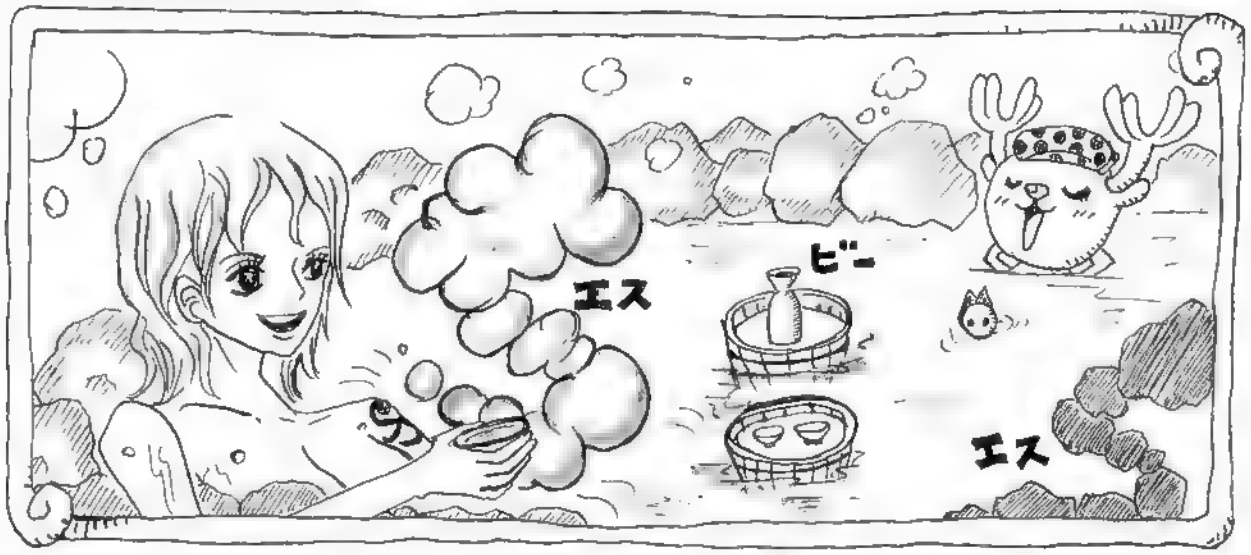
SBS Question Corner



(Ayumi Yamauchi, Hyogo)

Q: Is the scar on Sabo's face...

From when he fought me?!

A: No.

Q: I have a question. The symbol on the back of Law's jacket says "corazon" on it. Is this referring to Law's beloved Cora? Does it mean Law's jacket was custom-made?

--Himeji

A: Yes, it says "corazon," which is Spanish for "heart." While this is Cora's code name within the organization, it also makes sense for the captain of the "Heart Pirates" to wear it. And Law's powers make him the "Surgeon of Death" who is able to remove the hearts of others. While this might make the symbol seem frightful to the rest of the world, naturally Law wears it in tribute to Cora. And yes, it's custom-made.

Q: Hello, Oda Sensei. Did the name Rocinante come from the novel by Cervantes? I noticed that in the book, Don Quixote rides a horse named Rocinante, so I thought I'd write in to ask. I'm looking forward to your detailed answer!!

--0196

A: Yes, you're referring to Don Quixote, the satirical novel of the foolish knight of the same name. Here's your detailed explanation!!

I just felt like it.

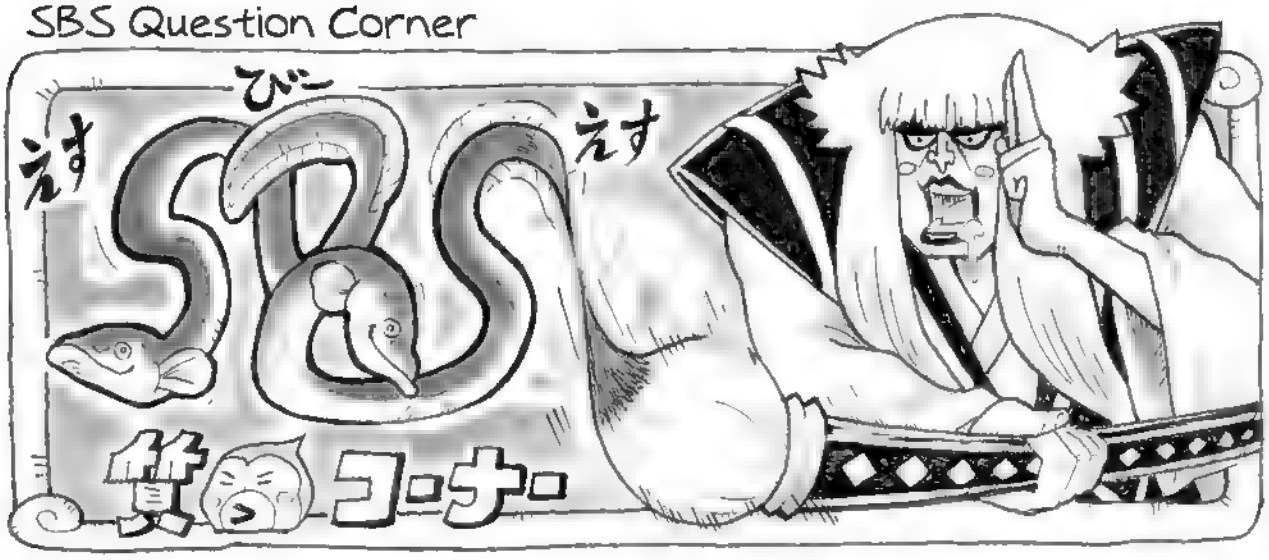
SBS Question Corner



(Hippo Iron, Saitama)

Q: Is Gladius's penis capable of bursting too?

--Muranko

A: It is. That's scary!!!

Q: How old is Corazon? Why isn't Sugar present in the flashback scenes of the Dofy Family?

--Roronoa Romugen

A: Corazon is two years younger than Doflamingo. He was 26 when he died. Sugar and Monet joined the family after that incident. The two were rescued from terribly misfortunate circumstances by Doflamingo. They were sisters age 9 and 17 at the time, and they now dedicate their lives in service to the family. They got their Devil Fruit powers after joining. Doflamingo really seems to place a heavy focus on the environments in which people were raised.

Q: Hello, Odacchi! I've decided to do my own palm reading for Luffy! Oh my goodness!! He clearly has the legendary masukake line all the way across the palm!!!

From what I've researched, this is quite an extraordinary line that indicates great and mighty deeds, and it fits Luffy's profile perfectly! No wonder he can use the Haki of the Supreme King! Incredible work, Odacchi!! I can't believe you even design the palms of your characters this way… I'm simply speechless!!!

--Tauteni

A: .....W...Why, of course.

That's right. I even take the characters', um...p-p-palm readings into account when designing them. Isn't that to be expected? I just knew that this would describe Luffy to a T! Good job noticing that mosu...er, masukake line? Is that right?

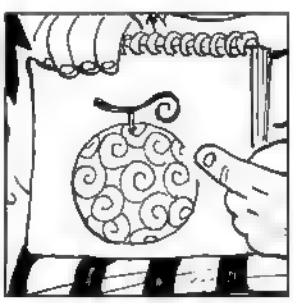
SBS Question Corner

(Shimayuki, Miyagi)

Q: A question for Ei-chan. If you ate a single bite of a Devil Fruit, and someone else ate the leftovers, would they get the powers too? Thanks for the answer!!

--☆Monkey☆

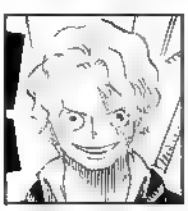


A: Uh, **they won't.** The instant someone takes a bite, the power belongs to that person, and the rest is just a really gross fruit. Nobody seems to realize this, because they always eat the entire fruit afterward.

Q: Tell us the height and age for the revolutionaries Sabo, Koala and Hack, and what kind of fish-man species Hack is! Also, can Hack's birthday be August 9, since ha*(chi)* is 8, and ku is 9?

--Katana★Romance

A: Yep. That's the only choice for his birthday.



6'1"
22 years old
Sabo

5'3"
23 years old
Koala

9'2"

(Soldierfish fish-man)

Q: Congrats on your marriage, Baby 5 and Sai!! I couldn't help but wonder what kind of woman Ooklicia, Sai's betrothed, is though! Her name sounds a bit gorilla-ish… I get the impression that she's a quite hardy individual…

--Heidi Senpai

A: I've heard she's a woman with beautiful hair and a cool gaze ➡

SBS Question Corner

(Haru, Nagano)

Q: Hello, Mr. Oda. You mentioned in the story that Bartolomeo's barrier ability has its limits. How many Barri-Barris can he do, at maximum?

--Hoichael Jackson

A: That's a very good question. There is a limit to how much surface area and how many barriers he can deploy at once. He can only create one barrier at a time, and its maximum surface is 50,000 Barri-Barris!! That's incredible! One Barri-Barri is equivalent to 100 Borri-Barri-Barris, which means his defense is as much as 500 Pickle-Porri-Porri-Barri-Barris.

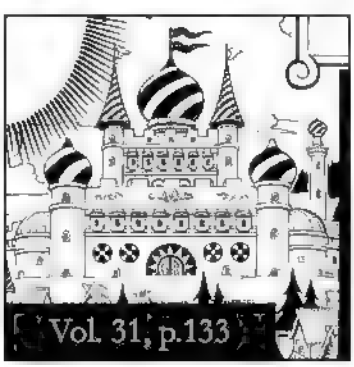
Q: In Chapter 765, it really looks like Corazon and Law are on the island belonging to the Lvneel Kingdom that Noland was from, based on the look of the palace! Do you suppose that Corazon figured the country that conquered the skin-changing wood fever might also have a cure for white lead disease? I was crying about it, just thinking about that possibility. Handkerchief, please.

--Kamiki

A: Yes, that's the place. It still has the same look as it did centuries ago. Was that really his thought process?! I'm crying too, now. What a great guy that Corazon was. (crying)

Q: It turns out that Corazon's birthday was July 15… Because in Japanese, you can make the numbers 0715 sound like "silent Corazon"!!

--Yabu Smith



A: Oh, I get it. Well, there you go. That's the end of this SBS.
They've opened a One Piece exhibit at the Tokyo Tower! Come check it out! See you next volume!!

SBS Question Corner

(Hippo Iron, Saitama)

Q: Here's a question for you, Odacchi. Why is it that so many characters in *One Piece* have mothers who are unknown or deceased?

--Kon'iro

A: I see. Well, the answer is simple. The antonym of **"adventure"** is **"mother."** *Please do not write this on a test.

Q: The Gimlet who appears in Chapter 755 has to be named after the gimlet cocktail, right?! Are you a fan of Raymond Chandler, Oda Sensei? Or do you just like alcoholic beverages? (laughs)

--Law's Second Assistant

A: Yes, that's where I got the name. This is actually a tricky one to explain in full. It's a bit of wordplay on a famous line about gimlets in Chandler's classic hardboiled novel, *The Long Goodbye*. So I figured, if I'm going to do a hardboiled bit, I needed to get that name in there. You should look it up, if you're curious. Gimlet's mother "Russian" also came from a cocktail. Also, while I am from the alcohol-producing region of Kyushu, I draw a story about pirates, and I love hardboiled fiction...I cannot handle my liquor.

Q: I noticed that Robin's breasts have grown very large. Later on, I noticed that Nami's breasts are large too. Why are their breasts so large? Is that what you like, Mr. Oda? This question is from two 10-year-olds.

--Sakucchan & Yuzu

A: I'll say it a million times: I'm drawing the dreams of boys everywhere. People of the world! Grow big boobs!

SBS Question Corner

(Saeka, Kumamoto)

Q: Hello. How are you? I am fine. I have a question about my beloved one-piece. I can't decide between flower print or plain. I mean, flowers are nice, but I'm wondering if going with plain will make me look more like a grown-up lady. What do you think is better, Mr. Oda?

--The Invincible Haru-Haru

A: Good question. In my case, I prefer to go out on trips in a nice frilly one-piece with a flower design. Seems like I often wind up down at the police station answering questions for some nice policemen, but other than that, I'm fine, thanks for asking! I just love a good one-piece dress!

Q: Here's a question, Odacchi. In Chapter 762 of Volume 76, when Law stabs Cora, I spotted Crocodile's face on his copy of the newspaper. What kind of article was it?

--Yamamoto/Sugiyama/Hori

A: Nice job spotting that. Indeed, it is Crocodile. This happened 16 years ago, when Law was 10 and Doflamingo was 25. Crocodile was 30 at this time. When he was younger, he blew up quick, just like Luffy, but he joined the Seven Warlords fairly early on, in his early twenties. After that, he challenged Whitebeard and lost. While he stayed quiet after that, his ambitions were turning on Alabasta instead, and this is when he started hunting pirates as a Warlord. So the article in the paper is actually a story about his heroic exploits saving the country!

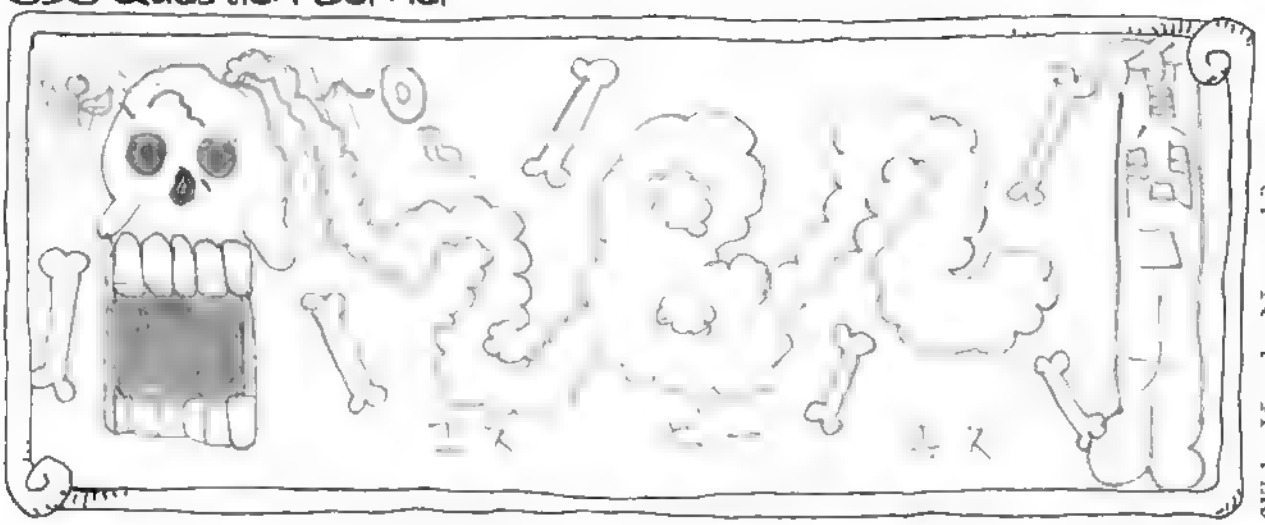
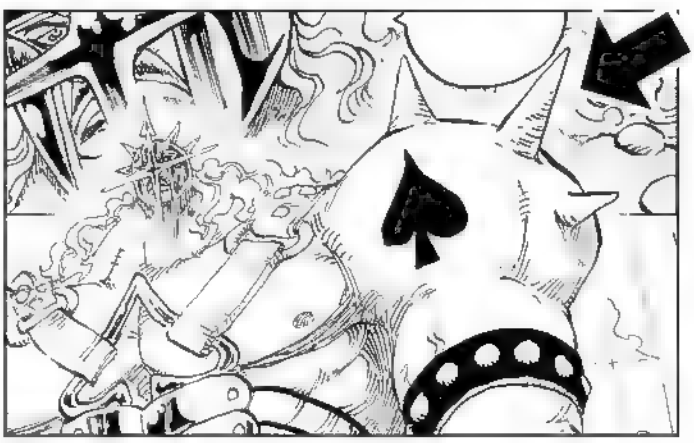
SBS Question Corner



(Waka Kanda, Nagasaki)

Q: What are those spike-like things on Pica's shoulders?
--No. 73



A: If you place a growing watermelon into a square container, it will eventually fill the space and result in a square watermelon. Pica wore shoulder protectors in that shape all throughout his growth spurt, so his shoulders just grew that way!!

Q: Oda Sensei!! Buggy could pass right through the Birdcage, couldn't he?!
--Pick Me Man

A: True, that's a good point. Buggy's entire crew could be stuck in there, and he'd split and take off on his own! I like this drawing. ⬈

Q: I want Luffy and Doflamingo to fight and I want Luffy to win.

Q: Does Buffalo style that crazy hair himself every morning?
--No. 73

A: It's a cowlick.

Q: The boy named Drie working in the pirate Barrels' crew is actually X. Drake of the Drake Pirates, right?! I figured it out from the X (pronounced "Diez") name, the scar on his chin, and their home in the North Blue. Does that mean Barrels is Drake's father?
--Kazuki from Hyogo

A: That's right!! Well spotted. X. Drake is one of the "Worst Generation" pirates who are stirring up the world alongside Luffy. His father Barrels was a Naval officer, and he grew up idolizing his pops and dreaming of being in the Navy. But something happened, and Barrels went pirate, turning into a terrible man who abused his son. At this time (13 and a half years ago) Drake was 19, and still following along because he believed in the father he remembered from his youth. He's a bit too big to be considered a "boy," but he looks younger than he is because he's so intimidated by his father. Through his fateful, accidental near miss with Law, he ends up taken in by the Navy, and he becomes a sailor. But through some quirk of fate, Drake moves up the ranks to an officer, and then leaves to become a pirate, just like his father!! What happened to him?! What is he thinking?! What's the big deal, mister?! After his appearance on the cover page story, it really makes you curious what X. Drake is going to do next!!

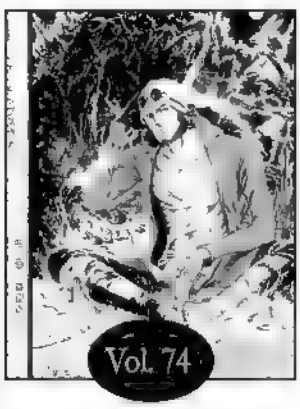
SBS Question Corner

(Masamichi Kobayashi, Gunma)

A: Well, everyone, in the last volume I introduced an old submission to the (Japanese) fan art section, which was sent in by Mr. Horikoshi, who has grown up to draw *My Hero Academia* for *Shonen Jump*. This time, I got a report that one Nozomi Mori, whose fan art recently graced Volume 74, has just made a professional debut with a one-shot under the name Keidai Himuro in the pages of *Monthly Afternoon*. This is totally unrelated to *Jump*, however. Anyways, congrats! I hope you get serialized and make a great name for yourself in the sea of manga! Good luck!! (^ ^)



Q: Hello!! I was watching TV the other day, and learned that the real-life Japanese Navy, when it is out at sea, always serves curry on Fridays to maintain a sense of the days of the week. Does the Navy in *One Piece* have curry too? If that's the case, is Rika's curry super-sweet???

--Kagamin

A: Yes, the Navy's curry is quite famous. The Navy in *One Piece* employs the same custom. Since it serves a purpose of providing extra nutrients that one day a week, I've heard that it's a delicious curry packed full of fresh seafood. It seems that the sweeter curry served at Rika's Naval Branch is quite popular. Well, that's it for this installment of the SBS! See you next volume!!

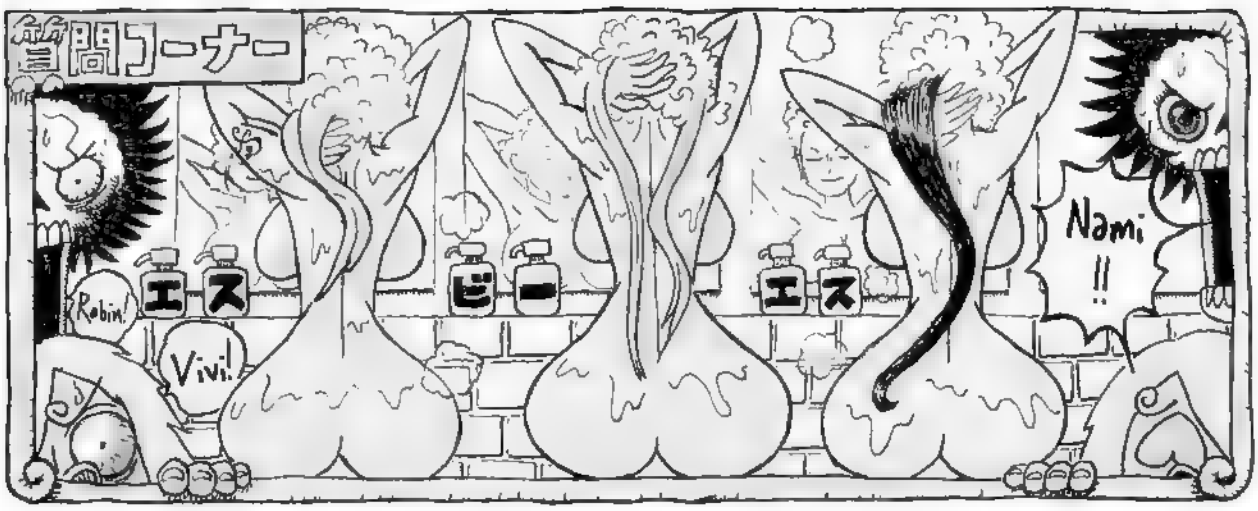
SBS Question Corner



(Igarashi, Oita)

Q: Hey…Odacchi!! *Koff*… This ain't got nothin' to do with you, but…*huff*… In that alley back there to the right…I saw a weak ol' grandma who needed help! *Tek-tek-tek* (Odacchi runs off!)
…All right! \(^o^)/ Finally!

Start the SBS!★
Yay! I said it!

--Ayataro

A: ...? Hmm, that's weird. I looked all over and didn't find any grandmas...
Hey!! The SBS started without me!!
Damn, I got tricked! Still, I'm glad!! At least there were no..poor ol' grandmas in trouble...

Q: In Japanese, "ni-ko" means "two objects." Is Nico Robin called Nico because she has two big boobs?

--Hiromu

A: No.

Q: It's nice to meet you. If you don't mind, could you tell me the secret to drawing the hourglass figures of the women in *One Piece?!* (Especially the boobs) Thank you!♡
--If There Is No Bread, Let Them Eat Roses

A: Yes. Hello. This is the special SBS drawing lesson. Just think of the female figure as three circles and one X. And now, goodbye.
(If this is the only figure you draw, your female readers will send you many criticisms. Try to remain strong and dedicated.)

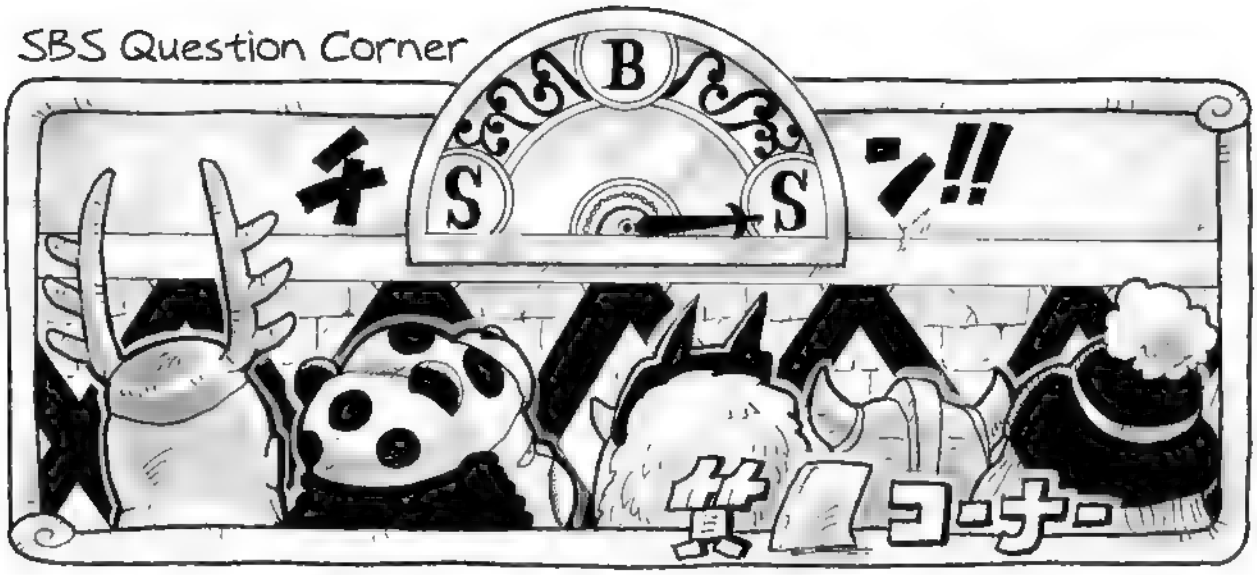
SBS Question Corner



(Hippo Iron, Saitama)

Q: On page 39 of volume 74, there's a scene where Doflamingo's followers go quiet in the elevator. When I was a boy, my parents taught me to be silent in the elevator. Are they following the same lesson?

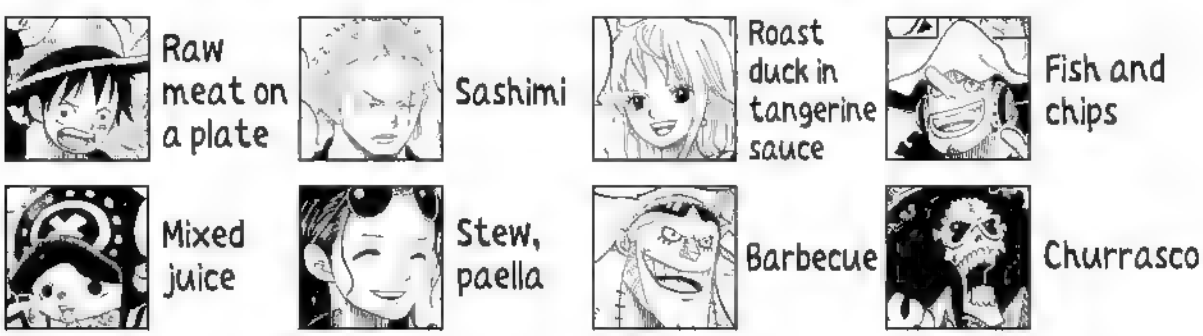
--Hiromu

A: Mmm, yes, they got quiet. What's up with that humorous pause, huh? If someone farted, that would pretty much be the perfect accident.

Q: The best cook on the Straw Hat Crew is obviously Sanji, but who else is good at cooking? What is everyone's specialty?

--I Made the Mantis Chicken

A: Here's the dish each member is good at making.



Sanji is most experienced with seafood, but he can cook pretty much anything. Due to their upbringing, the only decent cooks are Nami, Usopp and Robin. The others can't do much more than cut, burn, and mix. Even to her own crewmates, Nami charges for her food.

SBS Question Corner

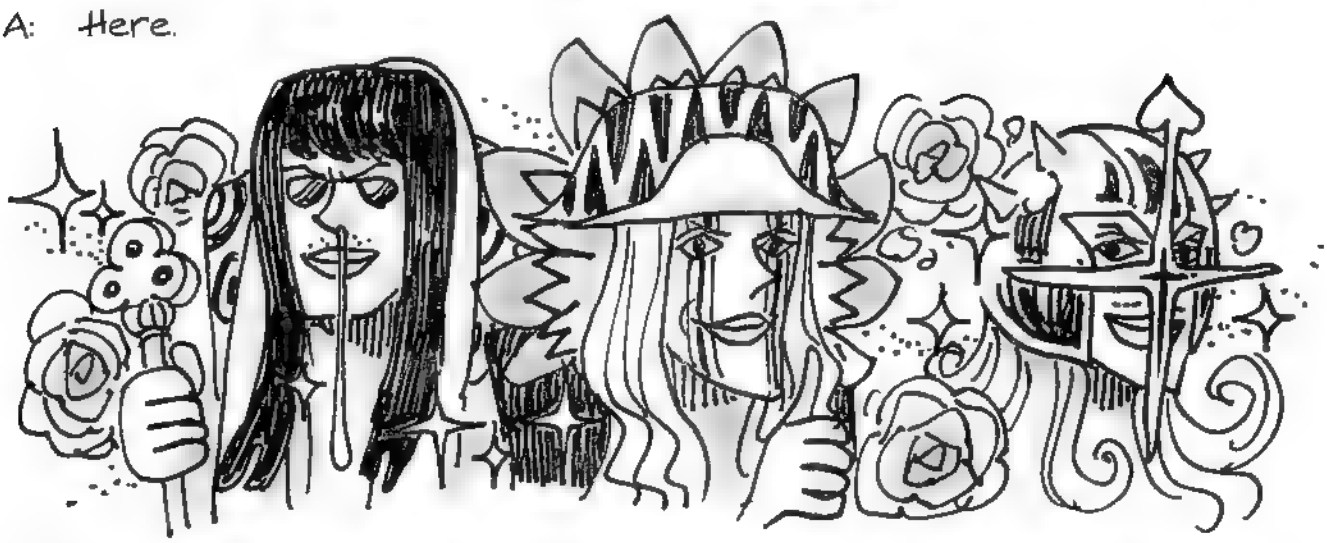
(Masamichi Kobayashi, Gunma)

Q: Odacchi!! Here's an idea: what would the three Don Quixote supreme officers, Trebol, Diamante and Pica, look like if they got hit by Sanji's Parage Shot?!

--Softball Fool ⑪

A: Here.



Q: Is it just me, or do the Devil Fruit Powers of the officers on Doflamingo's side all have powered-up versions of the Baroque Works officers?
Ton-Ton -> Kilo-Kilo, Stick-Stick -> Wax-Wax, Arms-Arms -> Dice-Dice, Pop-Pop -> Boom-Boom

--Taoka S43

A: There are indeed higher-powered versions of others, but at present it's only these four.

There are some other fruit which might seem to be related, but in those cases, the rules that determine their powers work in slightly different ways. Also, the strength of powers does not correlate to character strength. You never know how every fight will turn out.

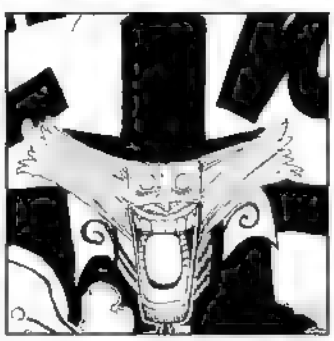
Q: Odacchi!! Hello, ha-ha. About Dr. Hiriluk's birthday, the word "doctor" in Japanese can be turned into the numbers 1, 4 and 8, so how about January 12th?

--Ha-P Haruka



A: Hiriluk? Now?! If you think you can just decide it that easily...**you're right!!** So that's settled.
(H)ey (E)veryone (L)isten (F)or a (S)econd!

It's HELFS time!!

You know how everyone comes up with the Birthdays on their own? That's totally fine, since to Be honest, I don't care aBout the characters' Birthdays. (There, I said it.) Anyway, I sat down with my editor and looked up all the Birthdays we've Got so far. The "Birthday calendar" is in the Back of this Book. Check it out! You'll find that...lots of them overlap!! Meanwhile, I've Gotten plenty of letters saying, "I don't share my Birthday with any characters."

So what that means is, let's fill the calendar!!

Let's make it so that everyone can say they share a Birthday with someone in One Piece. And let me Be clear.
I'm not Going to double-check!! You all have to fill in the Blanks using whatever twisted logic you can come up with. I will probably approve everything, just as I have so far.

Because I really don't care!!

The calendar is current as of October 2015, so it will Get more crowded with each successive volume. You can write in the characters yourself, and we'll Be putting a Birthday calendar up on One-Piece.com that will Be updated regularly, so if you want to come up with a character's Birthday, check out which dates are empty there Before you send them in. Thanks!

SBS Question Corner

(Yumesan, Kyoto)

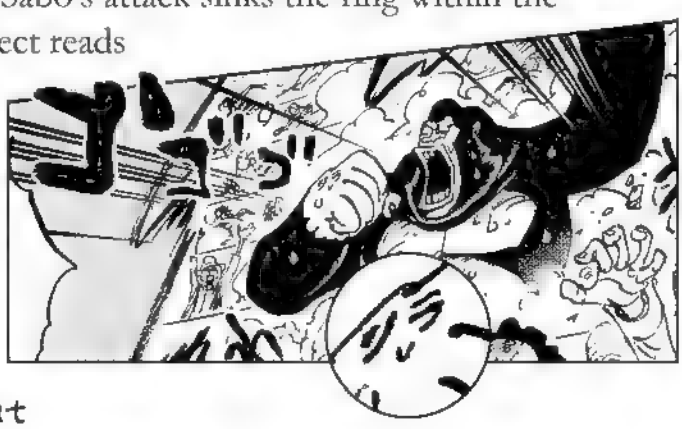
Q: Hello, Oda Sensei. Recently, I found out that the type of flower you are meant to give to show gratitude to your father on Father's Day is the sunflower. I didn't know that. And Kyros fought Diamante right in front of Rebecca at the sunflower field. So it wouldn't have worked at a cosmos field or tulip field. Right? Right?

--Three Chestnuts

A: Oooh. I didn't know this either. (laughs) It's carnations on Mother's Day, so Dad gets sunflowers! Why so huge?! (laughs) I've actually heard that other flowers are sent on that holiday, so I suppose there must be a number of different explanations. I like hearing that the "sunflowers" and "father" are linked, though.

Q: Hey, Oda! I found something really creative and cheeky! On the eighteenth page of Chapter 743, there's a scene where Sabo's attack sinks the ring within the coliseum… In Japanese, the sound effect reads "go-go-go" (ゴゴゴ) and then on the back of the gorilla's hand is a tiny "rira" (リラ). So the combination of the two reads *gorira*--"gorilla"! What a funky monkey!

--Kamiki



A: I'm actually kind of amazed you found that. I totally forgot about it. (laughs)

Q: I'm happy that Kyoros beated Daimante.

A: Yeah, I know! Wasn't that great?! I wish he hit his head on Scarlet's grave ten more times! Thanks for the letter, Taichi Nakajima!!

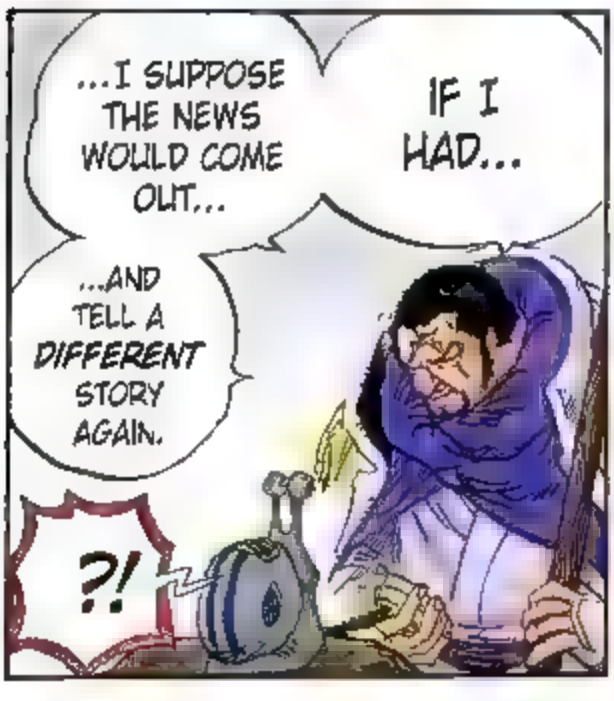
ON A CERTAIN ISLAND

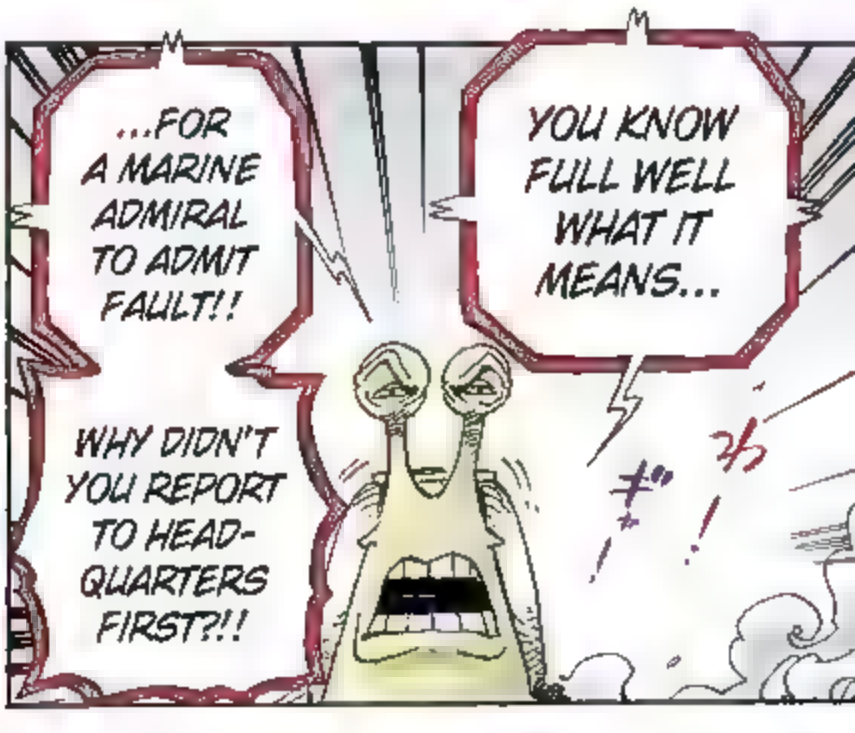
WE'VE GOTTA REPORT ON THIS BIG NEWS!!
ALL RIGHT, YOU'D BETTER HELP!!
DAMN, MAN... THAT'S COLD.
OH, HE'S REALLY GONNA SNAP!!
...

MASTER KAIDO!!!
THAT IDIOT JOKER WENT AND SCREWED IT ALL UP!!!
WHERE ARE YOU?!
WE CAN'T GET THAT SMILE NO MORE!!!

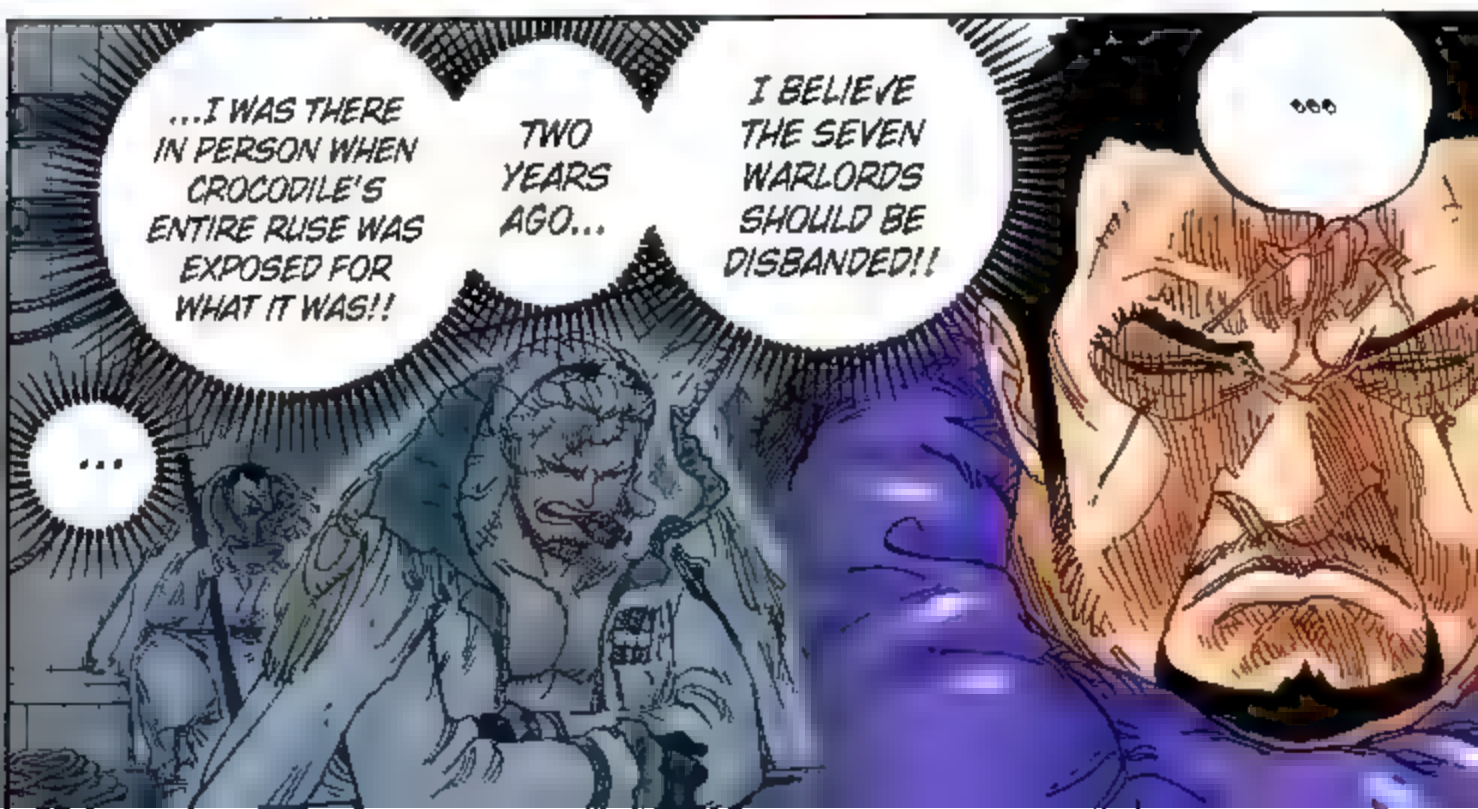
YEEEP !!
DON'T PLAY DUMB WITH ME, ISSHO!!!
AAAGH !!!
ヒック!!
DRESS-ROSA



...I SUPPOSE THE NEWS WOULD COME OUT...
IF I HAD...
...AND TELL A DIFFERENT STORY AGAIN.
?!

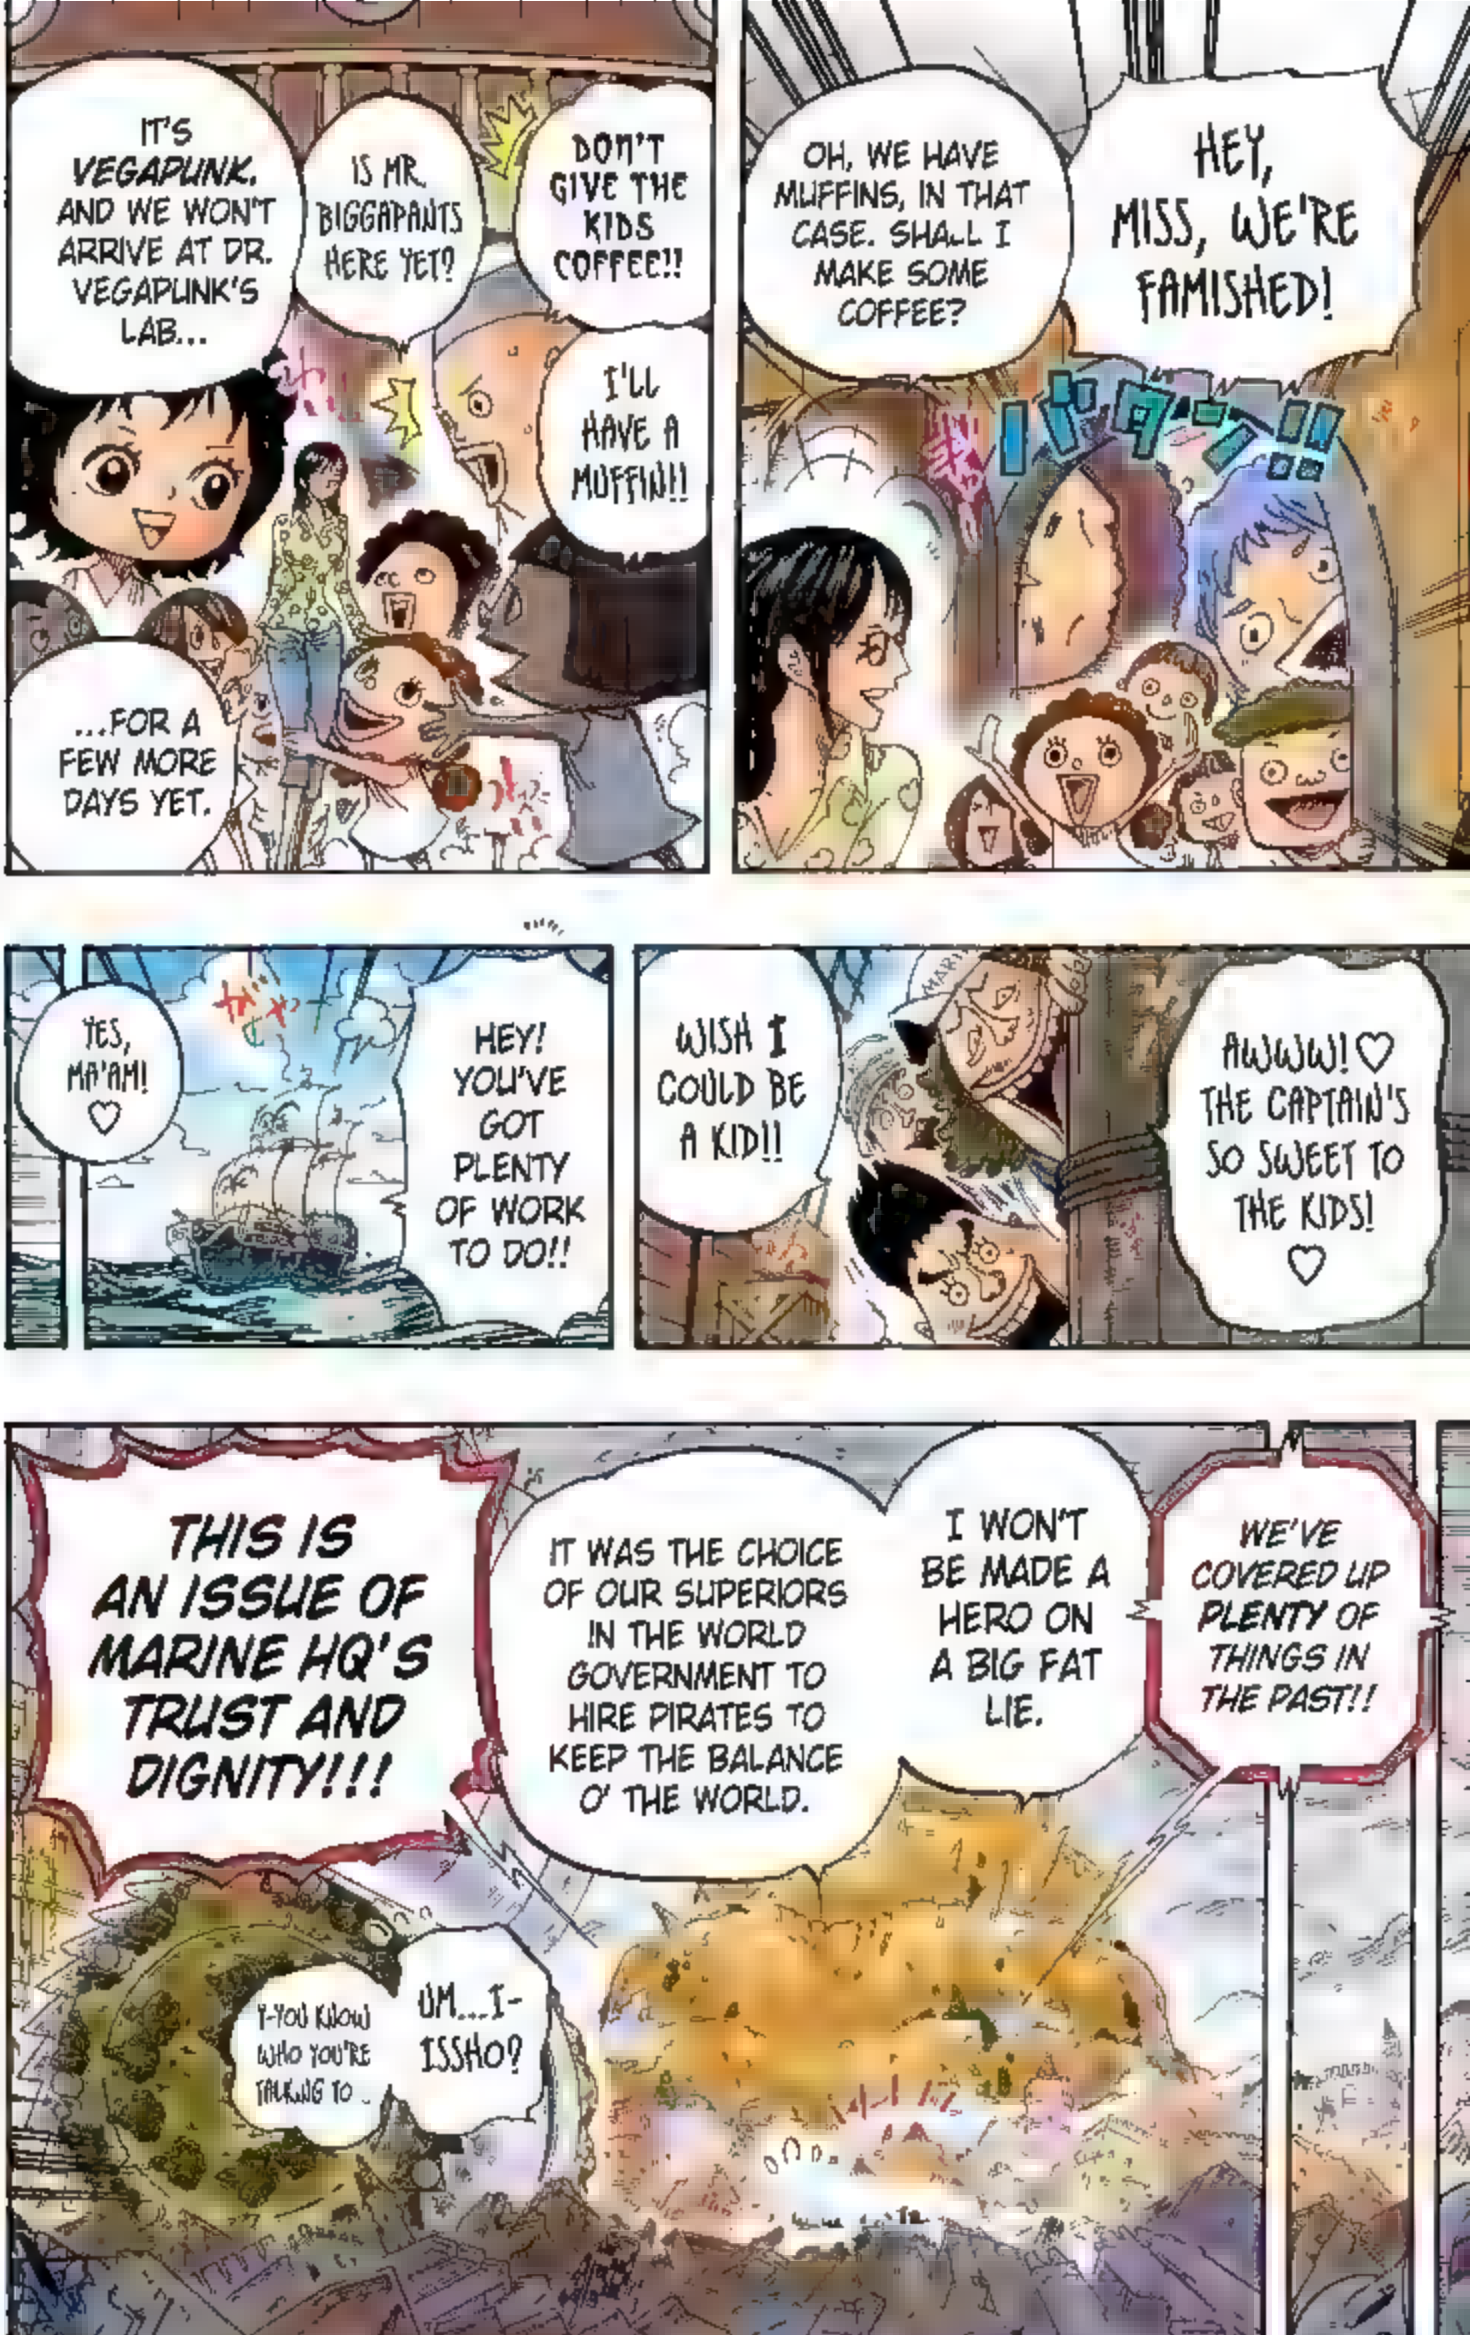


...FOR A MARINE ADMIRAL TO ADMIT FAULT!!
YOU KNOW FULL WELL WHAT IT MEANS...
WHY DIDN'T YOU REPORT TO HEAD-QUARTERS FIRST?!!



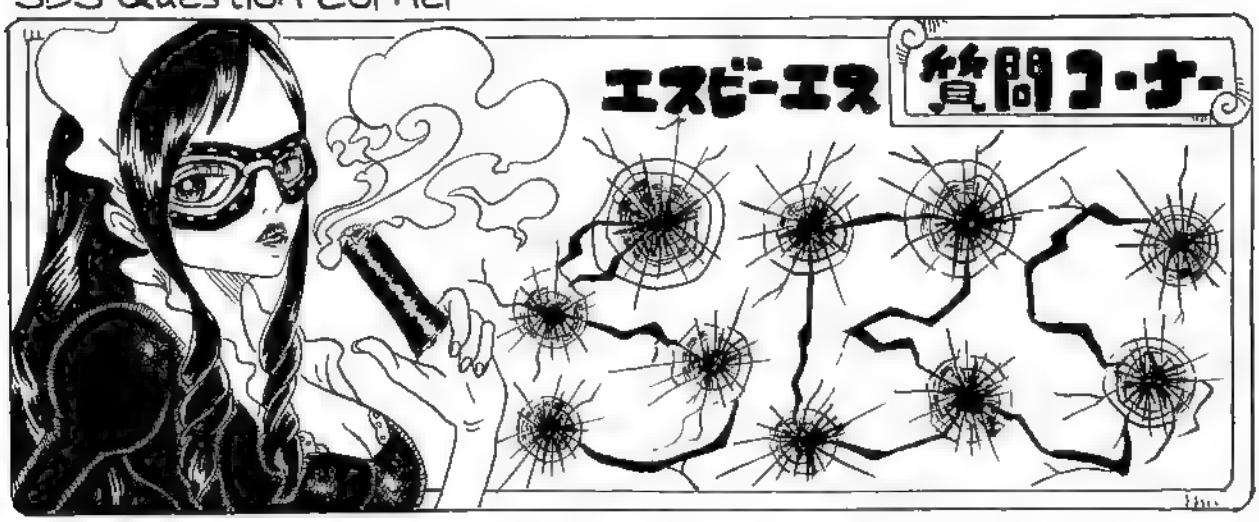
...I WAS THERE IN PERSON WHEN CROCODILE'S ENTIRE RUSE WAS EXPOSED FOR WHAT IT WAS!!
TWO YEARS AGO...
I BELIEVE THE SEVEN WARLORDS SHOULD BE DISBANDED!!
...
...

BUT THE GOVERNMENT REPORTED THAT HIS DOWNFALL WAS THE WORK OF THE MARINES.
IF ONLY I HAD A HIGHER RANK BACK THEN!!
...ALABASTA WOULD HAVE SUNK TO BEING A PIRATE NATION, JUST LIKE DRESSROSA IS NOW.
IF IT WEREN'T FOR THE STRAW HAT CREW...
THE MARINES WERE HELPLESS TO DO ANYTHING ABOUT IT!!
IT REMINDS ME OF OUR FRUSTRATION AFTER ALABASTA, TWO YEARS AGO...
ALMOST AS IF HE JUST RIGHTED THAT WRONG FOR US...
...
I'LL BE DAMNED...
FUJITORA REALLY WENT AND DID IT...
きゃはは
OH...WE HAVE MUFFINS, IN THAT CASE. SHALL I MAKE SOME COFFEE?
I SAID ASTONISHED NOT FAMISHED!!
HUH?!
I'M ASTONISHED.
I COULDN'T DO THE SAME THING, EVEN IF I HAD HIS RANK.



IT'S VEGAPUNK. AND WE WON'T ARRIVE AT DR. VEGAPUNK'S LAB...
IS MR. BIGGAPANTS HERE YET?
DON'T GIVE THE KIDS COFFEE!!
I'LL HAVE A MUFFIN!!
...FOR A FEW MORE DAYS YET.
OH, WE HAVE MUFFINS, IN THAT CASE. SHALL I MAKE SOME COFFEE?
HEY, MISS, WE'RE FAMISHED!
ドタ～!!
YES, MA'AM! ♡
HEY! YOU'VE GOT PLENTY OF WORK TO DO!!
WISH I COULD BE A KID!!
AWWW! ♡ THE CAPTAIN'S SO SWEET TO THE KIDS! ♡
THIS IS AN ISSUE OF MARINE HQ'S TRUST AND DIGNITY!!!
IT WAS THE CHOICE OF OUR SUPERIORS IN THE WORLD GOVERNMENT TO HIRE PIRATES TO KEEP THE BALANCE O' THE WORLD.
I WON'T BE MADE A HERO ON A BIG FAT LIE.
WE'VE COVERED UP PLENTY OF THINGS IN THE PAST!!
Y-YOU KNOW WHO YOU'RE TALKING TO
UM...I-ISSHO?

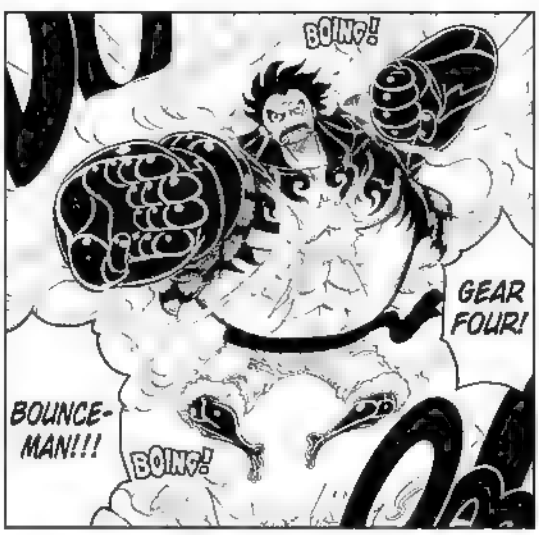
IF YOUR FACE IS ALL YOU CARE ABOUT, KEEP IT TUCKED AWAY WHERE IT WON'T GET HURT!!!
IF ADMITTIN' FAULT MEANS YOUR TRUST IS GONE, YOU DIDN'T HAVE NONE IN THE FIRST PLACE!!!
YOU'RE OUT OF LINE!!! YOU'VE CAUSED OUR JUSTICE TO LOSE ALL FACE!!!!
YOU'RE GONNA MAKE THIS RIGHT, FUJITORA!
HUFF !!
HUFF !!
ひゃおぁぁぁぁ
YEEEK !!!
...THAT'S JUST WHAT I WANTED TO HEAR !!!!
?!!
YOU WON'T SET FOOT IN ANY MARINE BASE IN THE WORLD UNTIL YOU'VE BROUGHT STRAW HAT AND LAW WITH YOU!!!



(Michi Nakahara, Tottori)

Q: Oda Sensei! Hello! I feel like Luffy's Gear Four pose is very similar to the Nio statues that stand outside Buddhist temples. Is there a deeper meaning to this very cool pose? I am thinking of using it the next time we have a marital spat.

--Sanadacchi



A: So this letter is from a husband. Personally, if you have a fight with your wife, I recommend Fujitora's "bowing on hands and knees" pose. (laughs) You are correct that I used the Nio statue pose! I came up with a number of different power-ups based on various cultures around the world, but I decided to go with something that displayed the strength of ancient Japan. I really want to see Gear Four in the anime and figures.

It's King Riku

Q: Guess what I found, Oda Sensei. There are people in Chapter 785 wearing shirts with messages from the dialogue written on them. Does this mean that Doflamingo was importing the latest fashion straight from Fish-Man Island?

--The Self-Sacrificing Swordsman

Isn't it?!

A: Spotted again. It's the return of the "narrative description" shirts. Yes, the ultra-chic NDS brand has made its way from Fish-Man Island to Dressrosa. I'm sure there are more out there. Look for them yourself! My personal favorite is the "ATAMANOTOGATTAKO" (Kid With the Pointy Head) series.

Got it!

Survive!!

Chapter 794: SABO'S ADVENTURE

Q: Oda Sensei… N-nice to…ugh! *Flop!* As a matter of fact…I've fallen ill with a terrible case of Loving-Cora-Itis. So can you tell me Cora's height and his favorite and least favorite foods? I'm so obsessed, I can't find a boyfriend.

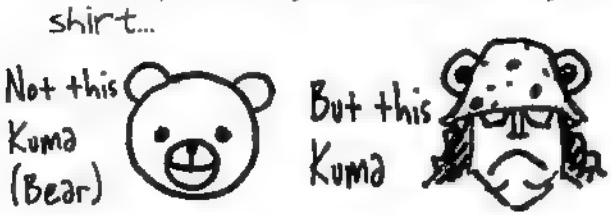
--Maiden in Love

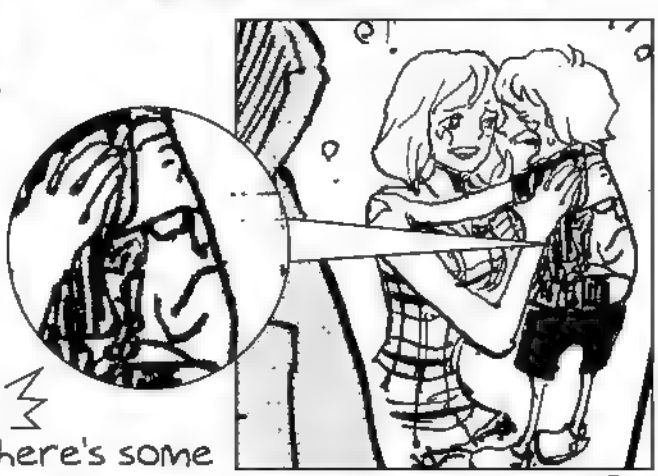
A: That sounds awful. I'll write you a prescription. Take the following medications: "Nine-foot-seven," "Likes: lettuce, cabbage, pickled plums," "Dislikes: bread, pizza." Please take care.

Q: Hiya, Odacchi!! Wait, so the kid wearing the "bear" shirt in Chapter 785 of Volume 78 was **wearing that bear?!!**

--Bartholomew Kuma, Age 12

A: Yes. Well, I suppose I should explain this. (laughs) In Chapter 785 of the previous volume, there's a mother looking for her child amid the chaos. He's wearing a "Bear shirt," she says. At the end of the chapter, Fujitora helps mother and son find each other, and if you look closely at his shirt...





You will see that it was all a bit of a joke since "kuma" means "Bear" in Japanese. So let's all end the SBS by letting this mother and son hear it. Ready, set...

You mean that "Bear"?!!

See you again next volume!! There's some more stuff at the end, so check it out.

WHEN PUT UNDER THE GUILLOTINE, THE BLADE CRACKED...
WHEN HE WAS HANGED, THE ROPE SNAPPED.

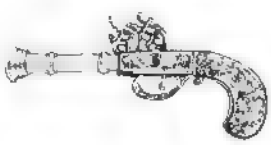
There's a jump rope song that kids have been singing for ages.
I heard it recently and it really brought me back.
It goes, "The postal worker dropped some things ♪
Let's help him pick them up
One letter ♪ Two letters ♪ Three letters ♪ ... Ten letters ♪
Thank you sooo much ♪"
It's very cute. But is that one letter the only thing a postal worker loses?
Honesty ♪ Youth ♪ Friendship ♪ Freedom ♪
The gleam in his eyes ♪ His spirit of adventure ♪
Thank you sooo much (bawling) ♪
Let's get volume 80 started!!

-Eiichiro Oda, 2015



Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

--Takaaki T.

A: It's short for "Soldier."

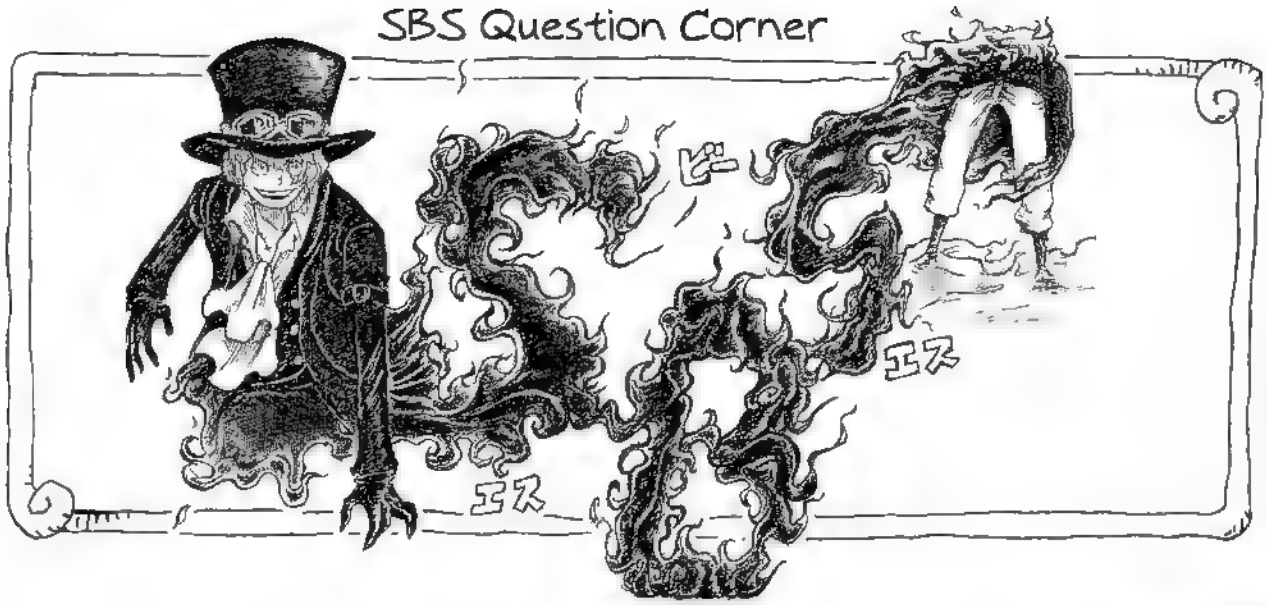
SBS Question Corner



(Sasaaki, Okinawa)

Q: Ever since I started watching *One Piece,* I've been wondering why Sanji calls Nami "Nami-san," and Robin "Robin-chan" in Japanese? Robin's the older one, so she should get more respect!! Is there a deep meaning to this?!

--Miracle ♪

A: I've never really thought that deeply about it. Recently, one of my staff members asked an interesting question. He said that as women get older, they like to be treated as though they're younger, and they like to be treated older when they're young. He asked if Sanji realized that, and was acting accordingly. So I said, "Y-yes. Absolutely."

Q: I have a report to make! I was once printed in the fan art section of Volume 19 under the name "YapotPapi." Well, now I've made my debut as a manga artist, although my area is in educational manga, not entertainment.

Q: Odacchi, I'll give you a nudie mag if you answer my question! Sanji will not allow people to leave food scraps behind, but what if a woman does it?

--Smoker's Cigar

A: He'd probably eat the scraps off the dish once he took it away. Now where's my nudie mag?

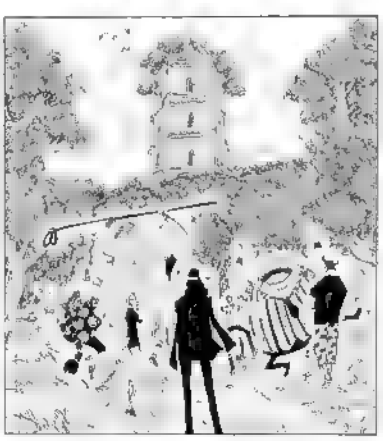
Q: When Robin blooms more hands, there are petals in the air all around her. What type of flower are those petals from?

--One Piece Fanatic

A: That's quite a question. They just "fluff" out of nowhere and make her moves look graceful and elegant, so they're called Fluffflowers. They just fluff into being. Now where's my nudie mag?

Q: Hi, Mr. Oda. I wanted to ask you something. The cover of Chapter 518 is called the homeland of CP9, but it reminds me quite a bit of the eastern tower on Jiangxinyu Island in my hometown of Wenzhou, China. Did you model it on that?

--Haowii, Friend of Shrimp



A: Oooh, that is the very tower. Having grown up in the kung-fu movie generation, I wanted CP9's training ground to be a Chinese-looking locale, and I think that's how I arrived at that image. I figured I was choosing a place in a far-off land, so the thought that a One Piece reader is there too brings me great joy. Thanks for the letter.

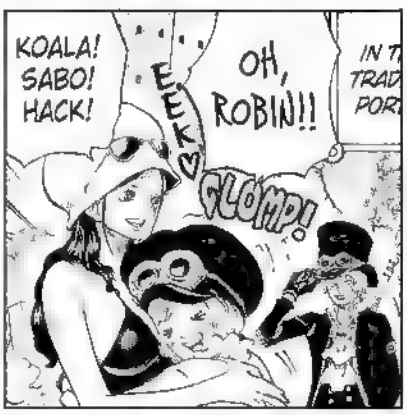
SBS Question Corner

(Takahisa Fujimoto, Nara)

Q: I fell in love with Koala the moment that she hugged Robin! \(^o^)/
How exactly did Koala, Sabo and Hack come together?

--One Piece Fanatic



A: A lot of people seem curious about this, but that is three life stories to tell. It would never end if I got started on that. First, Sabo was ten years old when Dragon rescued him. As he met more revolutionaries and learned about what was happening in the world, their ideals resonated with his own. It was around that time that he met Hack, who was teaching fish-man karate to the orphans taken in by the Revolutionary Army. But while Sabo had no memory, he was already beyond the need for lessons in fighting. He took Dragon as his master, showed his skill in battle, and grew frightfully strong. When he was 13, a 14-year-old Koala joined the Revolutionaries through Hack's introduction. After some time, she learned fish-man karate from Hack and became an assistant instructor. Careful, watchful Hack and Koala were a good match for Sabo, and they were assigned various missions as a team. That's about the order of events that brought them together. There's a bit more elaboration in the anime, but there won't be time to tell the entire backstory, so go ahead and imagine it for yourself.
